

## A-B-C

You went to school to learn girl  
Things you never knew before  
Like "I" before "E" except after "C"  
And why 2 plus 2 makes 4 - now, now, now  
I'm gonna teach you, teach you, teach you  
All about love girl, all about love  
Sit yourself down, take a seat  
All you gotta do is repeat after me

### **[Chorus]**

A-B-C, It's easy as - 1-2-3, As simple as  
Do-re-mi, A-B-C, 1-2-3 baby, You and me girl

Come on and love me just a little bit  
I'm gonna teach you how to sing it out  
Come on, come on, come on  
Let me tell you what it's all about

Reading, writing, arithmetic  
Are the branches of the learning tree  
But without the roots of love everyday girl  
Your education ain't complete – tea tea tea  
Teacher's gonna show you (she's gonna show you)  
How to get an "a" (na,na,na,na,na,na)  
How to spell "me", "you", add the two  
Listen to me baby that's all you got to do oh,

## A-B-C - page 2

### **[Chorus]**

### **[Chorus 2]**

A-B-C it's easy, it's like counting up to 3  
Singing simple melodies  
That's how easy love can be  
Singing simple melodies  
1-2-3 baby you and me

Sit down girl, I think I love ya'  
No, get up girl, show me what you can do  
Shake it, shake it baby, come on now  
Shake it, shake it baby, oooh, oooh  
Shake it, shake it baby, yeah

1-2-3 baby, oooh oooh - A-B-C baby, ah, ah  
Do-re-m baby, wow - That's how easy love can be

### **[Chorus 2]**

I'm a gonna teach you how to sing it out  
Come on, come on, come on let me show you what it's all  
about

### **[Chorus 2]**

I'm a gonna teach you how to...  
Sing it out, sing it out (ow), sing it (ow), sing it out, sing it!

## Ain't Misbehavin'

No one to talk with - All by myself  
No one to walk with - But I'm happy on the shelf  
Ain't misbehavin' - I'm savin' my love for you

I know for certain - The one I love  
I'm through with flirtin' - It's just you I'm thinkin' of  
Ain't misbehavin' - I'm savin' my love for you

Like Jack Horner - In the corner  
Don't go nowhere - What do I care?  
Your kisses are worth waitin' for - Believe me

I don't stay out late - Don't care to go  
I'm home about eight - Just me and my radio  
Ain't misbehavin' - I'm savin' my love for you

# Ain't No Stoppin' Us Now

Ain't no stopping us now, we're on the move  
Ain't no stopping us now, we got the groove  
There's been so many things  
That held us down  
But now it looks like things  
Are finally coming around  
I know we've got  
A long long way to go  
And where we'll end up  
I don't know

(Chorus)

But we won't let nothin' hold us back  
Put our show together  
We're polishing up our act well  
And if you've ever been  
Held down before  
I know you refuse to be  
Held down any more  
Don't you let nothin' stand in your way  
I want y'all to listen  
Listen to every word I say  
Every word I say  
I know you know someone  
Who has a negative vibe  
And if you're trying to make it  
They only push you aside  
They really don't have nowhere to go  
Ask them where they're goin'  
They don't know

(Chorus)

## Ain't No Sunshine

Ain't no sunshine when she's gone

It's not warm when she's away

Ain't no sunshine when she's gone,

And she's always gone too long - Any time she goes away

Wonder this time where she's gone

Wonder if she's gone to stay

Ain't no sunshine when she's gone,

And this house just ain't no home - Any time she goes away

### **[Break]**

And I know, I know, I know, I know,

I know, I know, I know, I know,

I know, I know, I know, I know,

I know, I know, I know, I know, I know

Hey, I ought to leave the young thing alone

Ain't no sunshine when she's gone

### **[Verse 3]**

Ain't no sunshine when she's gone

Only darkness every day

Ain't no sunshine when she's gone,

And this house just ain't no home

Any time she goes away

### **[Solo] ➔ [Break] ➔ [Verse 3]**

Any time she goes away - Any time she goes away

Any time she goes away

# Ain't Nobody

Got you effortlessly  
That's the way it was  
Happened so naturally  
Didn't I know it was love  
The next thing I got was you  
Holding me close  
What was I gonna do  
I let myself go  
Now we fly through the stars  
I hope this night will last forever

I've been waiting for you  
It's been so long  
I knew just what I would do  
When I heard your song  
Will my heart beat a wisp [just guessing here]  
You gave me freedom  
You knew I could not resist  
I needed someone  
And now we're flying through the stars  
I hope this night lasts forever

## **[Chorus]**

Ain't nobody loves me better  
Makes me happy  
Makes me feel this way  
Ain't nobody loves me better than you

I wait for night time to come  
To bring you to me  
I can't believe I'm the one  
I was so lonely  
I feel like no one could feel  
I must be dreamin'  
I was this dream to be real  
I'm in this feelin'  
I make my wish upon a star  
And hope this night will last forever

## **[Chorus]**

Ain't nobody loves me better than you

First you put your arms around me  
Then you put your charms around me  
I can't resist this sweet surrender  
Oh my mind's so warm and tender  
We stare into each other's eyes  
And what we see is no surprise  
Got a feelin' most would treasure  
And a love so deep we cannot measure

Ain't nobody... etc...

# **Ain't Nothing Like The Real Thing**

Ain't nothing like the real thing, Baby  
Ain't nothing like the real thing  
Ain't nothing like the real thing, Baby  
Ain't nothing like the real thing

I've got your picture hanging on the wall  
But it can't see or come to me  
When I call your name  
I realize it's just a picture in a frame

I read your letters when you're not here  
But they don't move me and they don't groove me  
Like when I hear your sweet voice  
Whispering in my ear

## **Chorus**

I Play my game of fantasy - And I pretend that I'm not in reality  
I need the shelter - Of your arms to comfort me

No other sound - Is quite the same as your name  
No touch can do quite as much  
To make me feel better  
So let's stay together

I've got the memories to look back on  
And though they help me when you're gone  
I'm well aware  
But nothing can take the place of your being there

So glad we've got the real thing, Baby  
So glad we've got the real thing  
Ain't nothing like the real thing, Baby... Ain't nothing like the real thing

# All About That Bass

## [Chorus]

Because you know I'm all about that bass 'bout that bass, no treble  
I'm all about that bass 'bout that bass, no treble  
I'm all about that bass 'bout that bass, no treble  
I'm all about that bass 'bout that bass... (*Bass... bass... bass*)

Yeah, it's pretty clear, I ain't no size two  
But I can shake it, shake it, like I'm supposed to do  
'Cause I got that boom boom that all the boys chase  
And all the right junk in all the right places

I see the magazine workin' that Photoshop  
We know that shit ain't real, come on now, make it stop  
If you got beauty, beauty, just raise 'em up  
'Cause every inch of you is perfect from the bottom to the top

## [Pre-Chorus]

Yeah, my mama she told me "don't worry about your size"  
(*Shoo wop wop, sha-oooh wop wop*)  
She says, "Boys like a little more booty to hold at night"  
(*That booty, uh, that booty booty*)  
You know I won't be no stick figure silicone Barbie doll  
(*Shoo wop wop, sha-oooh wop wop*)  
So if that's what you're into, then go 'head and move along

## [Chorus] - Hey!

I'm bringing booty back - Go 'head and tell them skinny bitches that  
No, I'm just playing, I know you think you're fat  
But I'm here to tell you:  
Every inch of you is perfect from the bottom to the top

## [Pre-Chorus] ➔ [Chorus] ➔ [Chorus] ➔ [Chorus] -Hey!

I'm all about that bass 'bout that bass, Hey! You know you like this bass

## All Of Me

All of me  
Why not take all of me  
Can't you see  
I'm no good without you  
Take my lips  
I want to loose them  
Take my arms  
I'll never use them

Your goodbye  
Left me with eyes that cry  
How can I  
Go on dear without you  
You took the part  
That once was my heart  
So why not... take all of me

## At Last

### **{Verse 1}**

At last

My love has come along

My lonely days are over

And life is like a song

### **{Verse 2}**

At last

The skies above are blue

My heart was wrapped up in clover

The night I looked at you

### **{Bridge}**

I found a dream... That I could speak to

A dream that I... can call my own

I found a thrill... To press my cheek to

A thrill that I... have never known

### **{Verse 3}**

You smiled, you smiled

Oh, and then the spell was cast

And here we are in heaven

For you are mine at last

**{Solo} → {Bridge} → {Verse 3}**

## Autumn Leaves

The falling leaves  
Drift by the window  
The autumn leaves  
Of red and gold

I see your lips,  
The summer kisses  
The sunburned hand  
I used to hold

Since you went away  
The days grow long  
And soon I'll hear  
Old winter's song

But I miss you most of all  
My darling  
When autumn leaves  
Start to fall

## **Baby I Love You**

If you want my lovin - If you really do  
Don't be afraid baby Just ask me  
You know I'm gonna give it to you  
Oh and I do declare - I want to see you with it  
Stretch out your arms little boy, You're gonna get it  
Cause I love you - Ain't no doubt about it, Baby I love you  
I love you, I love you, I love you, baby I love you

If you feel you want to kiss me - Go rite ahead I don't mind  
All you got to do is Snap your fingers  
And I'll come running I ain't lying, I ain't lying  
I heard you once little boy You know you got it  
I'd deny my own self - Before I see you without it  
I love you - Ain't no doubt about it, Baby I love you,  
I love you, I love you, I love you, baby I love you

Someday you might want to run away  
And leave me sittin' here cryin'  
But if it's all the same to you baby  
I'm gonna stop you from sayin' good-bye  
Baby I love you... Baby I need ya... Said I want ya...  
Got to have you baby  
Don't let your neighbors... Tell you I don't want you

## **Baby Love**

Ooh baby love, my baby love    I need you, oh how I need you  
But all you do is treat me bad    Break my heart and leave me sad  
Tell me, what did I do wrong    To make you stay away so long  
'Cause baby love, my baby love    Been missing ya, miss kissing ya  
Instead of breaking up    Let's do some kissing and making up  
Don't throw our love away    In my arms why don't you stay  
Need ya, need ya    Baby love, ooh, baby love    Baby love, my  
baby love

Why must we separate, my love    All of my whole life through  
I never loved no one but you    Why you do me like you do  
I get this need    Ooh, ooh, need to hold you    Once again, my love  
Feel your warm embrace, my love    Don't throw our love away  
Please don't do me this way    Not happy like I used to be  
Loneliness has got the best of me    My love, my baby love  
I need you, oh how I need you    Why you do me like you do  
After I've been true to you    So deep in love with you  
Baby, baby, ooh 'til it's hurtin' me    'Til it's hurtin' me  
Ooh, baby love    Don't throw our love away    Don't throw our  
love away

## **Baby What You Want Me To Do**

Got me runnin' Got me hidin'  
Got me run hide hide runnin'  
Any way you wanna let it roll  
Yeah, yeah, yeah  
Got me doin' what you want me  
Baby what you want me to do

Goin' up Goin' down  
Goin' up down down up  
Any way you wanna let it roll  
Yeah, yeah, yeah  
Got me doin' what you want me  
Baby what you want me to do

<INSTRUMENTAL INTERLUDE>

Got me peepin' Got me hidin'  
Got me peep hide hide peepin'  
Any way you wanna let it roll  
Yeah, yeah, yeah  
Got me doin' what you want me  
Baby what you want me to do

<INSTRUMENTAL FADEOUT>

## **Bad Girls**

### **[Chorus]**

Bad girls - Talking about the sad girls

Sad girls - Talking 'bout bad, bad girls, yeah

See them out on the street at night, walkin'

Picking up on all kinds of strangers If the price is right

You can't score if you're pocket's tight

But you want a good time

You ask yourself... who they are

Like everybody else, they come from near and far

### **[Chorus]**

Friday night and the strip is hot

Sun's gone down and they're out to trot

Spirit's high and legs look hot

Do you wanna get down?

Now don't you ask yourself... who they are?

Like everybody else, they wanna be a star

Bad girl, sad girl, you such a naughty bad girl, Beep-beep uh uh

You bad girl you sad girl you such a dirty bad girl beep-beep uh uh

Now you and me we're both the same

But you call yourselves by different names

Now your mama won't like it when she finds out

That her girl is out at night

**{Break Down}** - Hey, mister, have you got a dime?

Mister, do you want to spent some time?

I got what you want, you got what I need

I'll be your baby, come and spend it on me

## Because You Loved Me

For all those times you stood by me  
For all the truth that you made me see  
For all the joy you brought to my life  
For all the wrong that you made right  
For every dream you made come true  
For all the love I found in you  
I'll be forever thankful baby  
You're the one who held me up...Never let me fall  
You're the one who saw me through... Through it all

### **{Chorus}**

You were my strength when I was weak  
You were my voice when I couldn't speak  
You were my eyes when I couldn't see  
You saw the best there was in me  
Lifted me up when I couldn't reach  
You gave me faith 'cause you believed  
I'm everything I am Because you loved me

You gave me wings and made me fly  
You touched my hand I could touch the sky  
I lost my faith, you gave it back to me  
You said no star was out of reach

## **Because You Loved Me - 2**

You stood by me and I stood tall  
I had your love, I had it all  
I'm grateful for each day you gave me  
Maybe I don't know that much  
But I know this much is true  
I was blessed because I was Loved by you

**{Chorus}**

**{Bridge}**

You were always there for me  
The tender wind that carried me  
A light in the dark shining your love into my life  
You've been my inspiration  
Through the lies you were the truth  
My world is a better place because of you

**{Chorus}**

## Believe

No matter how hard I try - You keep pushin' me aside  
But I can't break through - There's no talkin' to you

So sad that you're leavin' - Takes time to believe it  
But after all is said and done -  
You're gonna be the lonely one

### {CHORUS}

Do you believe in life after love  
I can feel something inside that says  
I really don't think your strong enough  
Do you believe in life after love  
I can feel something inside that says  
I really don't think your strong enough

What am I supposed to do - Sit around and wait for you  
Well I can't do that - And there's no turnin' back

I need time to move on  
I need love to feel strong  
'Cause I've had time to think it through  
And maybe I'm too good for you

### {CHORUS}

## Best Of My Love

Doesn't take much to make me happy  
And make me smile with glee  
Never never will I feel discouraged  
Cause our love's no mystery

### **[Verse 2]**

Demonstrating love and affection  
That you give so openly yeah  
I like the way ya make me about you baby  
Want the whole wide world to see

### **[Chorus]**

Whoa whoa, you got the best of my love **4x**

Goin' in and out of changes  
The kind that come around each day  
My life has a better meaning  
Love has kissed me in a beautiful way

### **[Bridge]**

And oh yea *my love, my love* - oh yea *my love, my love*

### **[Chorus] ➔ [Verse 2]**

# Car Wash

Ooh ooh You might not ever get rich  
But let me tell ya it's better than diggin' a ditch  
There ain't no tellin' who you might meet  
A movie star or maybe even an Indian chief

(Workin') At the car wash - Workin' at the car wash, girl  
Come on and sing it with me  
(Car wash) Sing it with the feelin' ya'all (Car wash, girl)

Ooh! Some of the work gets kinda hard  
This ain't no place to be if you planned on bein' a star  
Let me tell you it's always cool  
And the boss don't mind sometimes if you act the fool

At the car wash Whoa whoa whoa whoa  
Talkin' about the car wash, girl Come on, ya'all and sing it for me  
(Car wash) Oooh oooh oooh - (Car wash, girl)

(Work and work) Well, those cars never seem to stop coming  
(Work and work) Keep those rags and machines humming  
(Work and work) My fingers to the bone  
(Work) You probably can't wait till it's time to go home

(Hey, get your car washed today) - Fill up and you don't have to pay

## Chain Of Fools

Chain, chain, chain, chain, chain, chain

Chain, chain, chain, chain of fools

Five long years - I thought you were my man

But I found out - I'm just a link in your chain

You got me where you want me -

I ain't nothing but your fool

You treated me mean, oh - You treated me cruel

Chain, chain, chain, chain of fools

Every chain - Has got a weak link

I might be weak child, - But I'll give you strength

*Ooh!!* You told me to leave you alone

My father said come on home

My doctor said take it easy

Whole bunch of lovin is much too strong

I'm added to your

Chain, chain, chain

Chain, chain, chain, chain, Chain, chain of fools

One of these mornings - The chain is gonna break

But up until then, yeah, - I'm gonna take all I can take

Chain, chain, chain, chain, chain, chain

Chain, chain, chain, chain of fools

## Clean Up Woman

A clean up woman... Is a woman who  
Gets all the love we girls leave behind.  
The reason I know... So much about her  
Is because she picked up a man of mine.

Chumpin' Slick... Was my ruin  
'Cause I found out... all I was doin'

Was makin' it easy... For the clean up woman  
To get my man's love, oh, yeah.  
Just makin' it easy... For the clean up woman  
To get my baby's love, uh-huh.Mmm-hmm.

I took this man's love and put it on a shelf  
And like a fool, I thought I had him all to myself.

When he needed love, I was out havin' fun  
But I found out... all I had done

Was made it easy... For the clean up woman  
To get my man's love, uh-huh. Yeah, that's what I did.  
I made it easy... For the clean up woman  
To steal my baby's love, oh, yeah.  
The clean up woman... Will wipe his blues away.  
She'll give him penny lovin'... 24 hours a day.  
The clean up woman... She'll sweep him off his feet.  
She's the one... to take him in When you dump him in the street.  
So take a tip, You better get hip  
To the clean up woman,'Cause she's tough.I mean she really cleans up.

## Come Away With Me

Come away with me in the night  
Come away with me  
And I will write you a song

Come away with me on a bus  
Come away where they can't tempt us  
With their lies

I want to walk with you  
On a cloudy day  
In fields where the yellow grass grows knee-high  
So won't you try to come

Come away with me and we'll kiss  
On a mountaintop  
Come away with me  
And I'll never stop loving you

**[Solo]**

And I want to wake up with the rain  
Falling on a tin roof  
While I'm safe there in your arms  
So all I ask is for you

To come away with me in the night  
Come away with me

# Come On Over

## **[Chorus]**

Come on over, come on over baby -- Come on over, come on over baby  
Come on over, come on over baby -- Come on over, come on over baby

Hey boy, don't you know -- I got something going on (yes, I do)  
All my friends are gonna come -- Gonna party all night long  
I know, you know, I just want us to go  
The fun we'll have, you'll never be alone  
So boy, won't you come? -- We will party 'til the dawn  
Listen to me...

## **[Pre-Chorus]**

*All I want is you* -- Come over here baby  
*All I want is you* -- You make me go crazy  
*All I want is you* -- Now baby don't be shy -- You better cross the line  
I'm gonna love you right -- All I want is you...

## **[Chorus] (1/2)**

I want you to know -- You could be the one for me (yes you could)  
You've got all I'm looking for -- You've got personality  
I know, you know I'm gonna give you more  
I know I've never felt this way before  
So boy won't you come -- Won't you come and open the door  
Listen to me...

## **[Pre-Chorus]**

## **[Chorus]**

Come on over... yeah, yeah, yeah, uh, uh, yeah

Now baby don't be shy -- You better cross the line  
I'm gonna love you right -- I, I, I, I...

## **[Pre-Chorus] 2x**

## Come See About Me

I've been crying - *Ooh, ooh*  
'Cause I'm lonely - *For you*  
Smiles have all turned - *To tears*  
But tears won't wash away - The fears

That you're never ever gonna return  
To ease the fire that within me burns  
It keeps me crying baby for you  
Keeps me sighin' baby for you

So won't you hurry' Come on boy, See about me  
*Come see about me* - See about your baby  
*Come see about me*

I've given up my friends just - *For you*  
My friends are gone and you - Have too  
No peace shall - I find  
Until you come back - And be mine

No matter what you do or say  
I'm gonna love you anyway  
Keep on crying baby for you  
I'm gonna keep sighin' baby for you

## **Come See About Me - 2**

So come on hurry, Come on and, See about me  
*Come see about me* - See about your baby  
*Come see about me*

### **[Instrumental]**

Sometime's up - *Ooh, ooh*  
Sometime's down - *Ooh, ooh*  
My life's so uncertain - *Ooh, ooh*  
With you not around - *Ooh, ooh*

From my arms you maybe out of reach  
But my heart says you're here to keep  
Keeps me crying baby for you  
Keep on, keep on crying baby for you

So won't you hurry, Come on boy, See about me  
*Come see about me* - See about your baby  
*Come see about me* - You know I'm so lonely  
*Come see about me* - I love you only  
*Come see about me* - See about your baby  
*Come see about me* - Hurry, hurry  
*Come see about me*

# Conga

Come on, shake your body baby, do the conga  
I know you can't control yourself any longer  
Come on, shake your body baby, do the conga  
I know you can't control yourself any longer

## **[Chorus]**

Come on, shake your body baby, do the conga  
I know you can't control yourself any longer  
Feel the rhythm of the music getting stronger  
Don't you fight it 'til you tried it, do that conga beat

Everybody gather 'round now - Let your body feel the heat  
Don't you worry if you can't dance; - Let the music move your feet  
It's the rhythm of the island, and like the sugar cane so sweet  
If you want to do the conga, you've got to listen to the beat

## **[Chorus]**

Feel the fire of desire, as you dance the night away  
'Cause tonight were gonna party, 'til we see the break of day  
Better get yourself together, and hold on to what you've got  
Once the music hits your system, there's no way your gonna stop

(Solo)

## **[Chorus]**

(Solo)

## **[Chorus] 2X**

(Solo)

Come on , shake your body baby, do the conga

## Could I Have This Dance

I'll always remember the song they were playin'  
The first time we danced and I knew  
As we swayed to the music and held to each other  
I fell in love with you

### CHORUS

Could I have this dance for the rest of my life  
Would you be my partner every night  
When we're together it feels so right  
Could I have this dance for the rest of my life  
I'll always remember that magic moment  
When I held you close to me  
As we moved together, I knew forever  
You're all I'll ever need.

### CHORUS

### CHORUS

## Crazy

Crazy,  
I'm crazy for feeling so lonely  
I'm crazy,  
Crazy for feeling so blue

I knew  
You'd love me as long as you wanted  
And then someday  
You'd leave me for somebody new

Worry,  
Why do I let myself worry?  
Wond'ring  
What in the world did I do?

Crazy  
For thinking that my love could hold you  
I'm crazy for trying and crazy for crying  
And I'm crazy for loving you

Crazy  
For thinking that my love could hold you  
I'm crazy for trying and crazy for crying  
And I'm crazy for loving you.

## Crimson And Clover

Ah, now I don't hardly know her  
But I think I could love her  
Crimson and clover

Ah when she comes walking over  
Now I've been waitin' to show her  
Crimson and clover over and over

Yeah, my, my such a sweet thing  
I wanna do everything  
What a beautiful feeling  
Crimson and clover over and over

Crimson and clover over and over  
Crimson and clover over and over  
Crimson and clover over and over  
Crimson and clover over and over

# **Da Doo Ron Ron**

I met him on a Monday and my heart stood still  
Da doo ron ron ron, da doo ron ron  
Some boy told me that his name was Bill  
Da doo ron ron ron, da doo ron ron

Yes, my heart stood still - Yes, his name was Bill  
And when he walked me home - Da doo ron ron ron, da doo ron ron

He knew what he was doin' when he caught my eye  
Da doo ron ron ron, da doo ron ron  
He looked so quiet but my, oh, my  
Da doo ron ron ron, da doo ron ron

Yes, he caught my eye - Yes, my, oh, my  
And when he walked me home - Da doo ron ron ron, da doo ron ron

Solo - Da doo ron ron ron, da doo ron ron  
Solo - Da doo ron ron ron, da doo ron ron

Picked me up at seven and he looked so fine  
Da doo ron ron ron, da doo ron ron  
Someday soon I'm gonna make him mine  
Da doo ron ron ron, da doo ron ron

Yes, he looked so fine - Yes, I'll make him mine  
And when he walked me home - Da doo ron ron ron, da doo ron ron

Yeah, yeah, yeah, yeah, Da doo ron ron ron, Yeah, yeah, da doo ron ron  
Yeah, yeah, yeah, yeah, Da doo ron ron ron, Yeah, yeah, da doo ron ron  
Yeah, yeah, yeah, yeah, Da doo ron ron ron, Yeah, yeah, da doo ron ron

## **Damn Your Eyes**

I can do what I want - I'm in complete control  
That's what I tell myself  
I got a mind of my own - I'll be alright alone  
Don't need anybody else  
I gave myself a good talkin' to  
No more bein' a fool for you  
But I see you all I remember  
Is how you make me wanna surrender

### **[CHORUS]**

Damn your eyes - For takin' my breath away  
Makin' me wanna stay - Damn your eyes  
For getting my hopes up high  
Makin' me fall in love again - Damn your eyes

It's always the same - You say that you'll change  
Some how you never do  
I believe all your lies - Look in your eyes  
You make it all seem true  
I guess I see what I wanna see  
Or is it my heart just deceiving me  
And with that look I know so well  
I fall completely under your spell

**[CHORUS] ➔ [SOLO] ➔** You keep deliberately deceiving me  
Makin' me see what I wanna see

**[CHORUS] ➔ [CHORUS] - w/ ad libs**

# Dance To The Music

Cynthia: Get up and dance to the music!  
Get on up and dance to the funky music!

Dum dum - dum dum dum - dum dum dum dum - dum dum dum dum

All: Dance to the Music, Dance to the Music

Freddie: Hey Greg!

Greg: What?

Freddie: All we need is a drummer, for people who only need a beat

I'm gonna add a little guitar - And make it easy to move your feet

Larry: I'm gonna add some bottom,  
So that the dancers just won't hide

Sly: You might like to hear my organ, I said "Ride Sally Ride"

You might like to hear the horns blowin', Cynthia on the throne, yeah!

Cynthia & Jerry got a message they're sayin':

Cynthia: All the squares, go home!

Listen to the voices:

Dum dum - dum dum dum - dum dum dum dum - dum dum dum dum

All: Dance to the Music, Dance to the Music

## **Dancin' In The Street**

Callin' out around the world - Are you ready for a brand new beat  
Summer's here, the time is right - For dancin' in the street  
Dancin' in Chicago - Down in New Orleans  
Up in New York City - All we need is  
Music, sweet music - They'll be music everywhere  
They'll be swingers swayin' - And records playin' -  
And dancin' in the street

It doesn't matter what you wear - Just as long as you are there  
So every guy grab a girl - Everywhere around the world

They'll be dancin'... dancin' in the street

It's an invitation across the nation - A chance for folks to meet  
They'll be laughin', singin' - And music swingin' -  
And dancin' in the street

Philadelphia PA, Baltimore & DC now,  
Don't forget the Motor City - All we need is  
Music, sweet music - They be music every day  
Gather laughin playin records playin - And dancin' in the street

It doesn't matter what you wear - Just as long as you are there  
So every guy grab a girl - Everywhere around the world

They'll be dancin'... dancin' in the street  
They'll be dancin'... dancin' in the street

## Dancing Queen

You can dance, you can jive, having the time of your life  
See that girl, watch that scene, dig in the Dancing Queen

Friday night and the lights are low  
Looking out for the place to go  
Where they play the right music, getting in the swing  
You come in to look for a King

Anybody could be that guy  
Night is young and the music's high  
With a bit of rock music, everything is fine  
You're in the mood for a dance  
And when you get the chance...

### **[Chorus]**

You are the Dancing Queen, young & sweet only seventeen  
Dancing Queen, feel the beat from the tambourine  
You can dance, you can jive, having the time of your life  
See that girl, watch that scene, dig in the Dancing Queen

You're a teaser, you turn 'em on  
Leave them burning and then you're gone  
Looking out for another, anyone will do  
You're in the mood for a dance  
And when you get the chance...

### **[Chorus]**

## **Disco Inferno**

To my surprise one hundred stories high  
People getting loose now, getting down on the roof  
Folks screaming, out of control  
It was so entertaining when the boogie started to explode  
I heard somebody say

### **[Chorus]**

(Burn baby burn) Disco Inferno  
(Burn baby burn) Burn that mother down  
(Burn baby burn) Disco Inferno  
(Burn baby burn) Burn that mother down

Satisfaction came in a chain reaction  
I couldn't get enough, so I had to self-destruct  
The heat was on, rising to the top  
Everybody is goin' strong, an' that is when my spark got hot  
I heard somebody say

### **[Chorus]**

Up above my head  
I hear music in the air  
That makes me know  
There's a party somewhere

(Just can't stop) When my spark gets hot  
(Just can't stop) When my spark gets hot

## **Do I Move You?**

Do I move you, are you willin'  
Do I groove you, is it thrillin'  
Do I soothe you, tell the truth now  
Do I move you, are you loose now  
The answer better be (Yes, yes)  
That pleases me

Are you ready for this action  
Does it give you satisfaction  
Are you hip to what I'm sayin'  
If you are then let's start swayin'  
The answer better be (Yes, yes)  
That pleases me

When I touch you do you quiver  
From your head down to your liver  
If you like it let me know it  
Don't be psychic or you'll blow it  
The answer better be (Yes, yes)  
Great God almighty, That pleases me, Oh

## Do You Love Me - The Contours

You broke my heart - 'Cause I couldn't dance  
You didn't even want me around

Tell me tell me Tell me

Do you love me? - *Do you love me*  
Now, do you love me? - *Do you love me*

*Work, work* - And don't you get lazy work

## **Don't Get Around Much Anymore**

Missed the Saturday dance  
Heard they crowded the floor  
Couldn't bear it without you  
Don't get around much anymore

Thought I'd visit the club  
Got as far as the door  
They'd have asked me about you  
Don't get around much anymore

Darling, I guess  
My mind's more at ease  
But nevertheless  
Why stir up memories

Been invited on dates  
Might have gone but what for  
Awfully different without you  
Don't get around much anymore

## **Don't Go To Strangers**

Build your dreams to the stars above  
But when you need someone to love,  
Don't go to strangers darling, come to me.

Play with fire till your fingers burn,  
And when there's no place for you to turn,  
Don't go to strangers darling, come to me.

For, when you hear a call to follow your heart,  
You'll follow your heart I know.  
I've been through it all, for I'm an old hand,  
And I'll understand if you go! So,

Make your mark for your friends to see  
But when you need more than company  
Don't go to strangers darling, come to me.

## **Don't Know Why**

I waited 'til I saw the sun - I don't know why I didn't come  
I left you by the house of fun -  
I don't know why I didn't come  
I don't know why I didn't come

When I saw the break of day -  
I wished that I could fly away  
Instead of kneeling in the sand -  
Catching teardrops in my hand

My heart is drenched in wine -  
But you'll be on my mind - Forever

Out across the endless sea - I would die in ecstasy  
But I'll be a bag of bones - Driving down the road along

My heart is drenched in wine -  
But you'll be on my mind - Forever

Something has to make you run -  
I don't know why I didn't come  
I feel as empty as a drum - I don't know why I didn't come  
I don't know why I didn't come  
I don't know why I didn't come

# **Don't Leave Me This Way**

## **[CHORUS 1]**

Don't leave me this way  
I can't survive, I can't stay alive  
Without you love, oh baby  
Don't leave me this way  
I can't exist, I will surely miss  
Your tender kiss  
So don't leave me this way

Oh baby, my heart is full of love and desire for you  
So come on down and do what you've got to do  
You started this fire down in my soul  
Now can't you see it's burning, out of control  
So come down and satisfy the need in me  
Cos only your good loving can set me free

Don't leave me this way  
I don't understand how I'm at your command  
So baby please don't leave me this way

Don't leave me this way  
Cos I can't exist  
I will surely miss  
your tender kiss  
So don't leave me this way

Oh baby, my heart is full of love and desire for you...

## **[CHORUS 1]**

Oh baby, my heart is full of love and desire for you...

## **Dr. Feelgood**

I don't want nobody, always - Sittin' around me and my man  
I don't want nobody, always -  
Sittin' right there - Lookin' at me and that man  
Be it my mother, my brother, or my sister  
Would you believe, I'll get up, put on some clothes  
Go out and help them find somebody for theirself if I can  
Yes I will

Now, I don't mind company -  
Because company's alright with me every once in awhile  
Yes it is  
I say I don't mind company  
Because company's alright with me every once in awhile  
Yeah  
But oh, oh, when me and that man get to lovin'  
I tell you, girls, I dig you, but I just don't have time  
To sit, and chit, and sit and chit-chat and smile

Don't send me no doctor - Fillin' me up with all of those pills  
I got me a man named Doctor Feelgood  
And oh, yeah, that man takes care of all of my pains and my ills  
His name is... Doctor Feelgood in the morning  
And takin' care of business is really this man's game  
And after one visit to Dr. Feelgood  
You'll understand why Feelgood is his name

Oh! Yeah! Ooh!  
Good God almighty, the man sure makes me feel real - Good!

## Dreams

Now there you go again  
You say you want your freedom  
Well who am I to keep you down  
It's only right that you should play it the way that you feel it  
But listen carefully to the sound of your loneliness  
Like a heartbeat, drives you mad  
In the stillness of remembering  
What you had, and what you lost  
What you had, and what you lost

### **Chorus:**

Thunder only happens when it's raining  
Players only love you when they're playing  
They say, women, they will come and they will go  
When the rain washes you clean you'll know  
You'll know

Now here I go again, I see the crystal vision  
I keep my visions to myself  
It's only me who wants to wrap around your dreams and  
Have you any dreams you'd like to sell,  
Dreams of Loneliness, like a heartbeat drives you mad  
In the stillness of remembering  
What you had, and what you lost  
What you had, oh what you lost

**Chorus 2x-**You'll know, you will know, o-o-o you'll know

## Evergreen

Love, soft as an easy chair  
Love, fresh as the morning air  
One love that is shared by two  
I have found with you

Like a rose under the April snow  
I was always certain love would grow  
Love, ageless and evergreen  
Seldom seen by two

You and I will  
make each night the first  
Everyday a beginning  
Spirits rise and their dance is unrehearsed  
They warm and excite us  
'Cause we have the brightest love

Two lights that shine as one  
Morning glory and midnight sun  
Time, we've learned to sail above  
Time, won't change the meaning of one...

Love, Ageless and ever... evergreen

## Everyday People

Sometimes I'm right and I can be wrong  
My own beliefs are in my song  
The butcher, the banker, the drummer and then  
Makes no difference what group I'm in  
I am everyday people, yeah, yeah

There is a blue one, Who can't accept the green one  
For living with a fat one, Trying to be a skinny one  
Different strokes, For different folks  
And so on and so on, And scooby dooby dooby  
Oh sha sha, We got to live together

I am no better and neither are you  
We are the same, whatever we do  
You love me, you hate me, you know me and then  
You can't figure out the bag I'm in  
I am everyday people, yeah yeah

There is a long hair, That doesn't like the short hair  
For being such a rich one, That will not help the poor one  
Different strokes, For different folks  
And so on and so on, And scooby dooby dooby  
Oh sha sha, We got to live together

There is a yellow one, That won't accept the black one  
That won't accept the red one, That won't accept the white one  
Different strokes, For different folks...  
And so on and so on, And scooby dooby dooby  
Oh sha sha, I am everyday people

## Ex's And Oh's

Well, I had me a boy, turned him into a man  
I showed him all the things that he didn't understand  
Whoa, and then I let him go

Now, there's one in California who's been cursing my name  
'Cause I found me a better lover in the UK  
Hey, hey, until I made my getaway

### **[Break 1]**

One, two, three, they gonna run back to me  
'Cause I'm the best baby that they never gotta keep  
One, two, three, they gonna run back to me  
They always wanna come, but they never wanna leave

### **[Chorus]**

Ex's and the oh, oh, oh's they haunt me  
Like ghosts they want me to make 'em all  
They won't let go - Ex's and oh's

I had a summer lover down in New Orleans  
Kept him warm in the winter, left him frozen in the spring  
My, my, how the seasons go by

I get high, and I love to get low  
So the hearts keep breaking, and the heads just roll  
You know that's how the story goes

**[Break 1] ➔ [Chorus] ➔ [Chorus] ➔ [Solo]**

**[Break 2]** - One, two, three, they gonna run back to me  
Climbing over mountains and a-sailing over seas  
One, two, three, they gonna run back to me  
They always wanna come, but they never wanna leave

**[Chorus] ➔ [Chorus]**

## **Fast Car**

You got a fast car  
I want a ticket to anywhere  
Maybe we make a deal  
Maybe together we can get somewhere  
Any place is better  
Starting from zero got nothing to lose  
Maybe we'll make something  
But me myself I got nothing to prove

You got a fast car  
And I got a plan to get us out of here  
I been working at the convenience store  
Managed to save just a little bit of money  
We won't have to drive too far  
Just 'cross the border and into the city  
You and I can both get jobs  
And finally see what it means to be living

You see my old man's got a problem  
He live with the bottle that's the way it is  
He says his body's too old for working  
I say his body's too young to look like his  
My mama went off and left him  
She wanted more from life than he could give  
I said somebody's got to take care of him  
So I quit school and that's what I did

You got a fast car  
But is it fast enough so we can fly away  
We gotta make a decision  
We leave tonight or live and die this way

## **Fast Car - 2**

I remember we were driving driving in your car  
The speed so fast I felt like I was drunk  
City lights lay out before us  
And your arm felt nice wrapped 'round my shoulder  
And I had a feeling that I belonged  
And I had a feeling I could be someone, be someone, be someone

You got a fast car  
And we go cruising to entertain ourselves  
You still ain't got a job  
And I work in a market as a checkout girl  
I know things will get better  
You'll find work and I'll get promoted  
We'll move out of the shelter  
Buy a big house and live in the suburbs

You got a fast car  
And I got a job that pays all our bills  
You stay out drinking late at the bar  
See more of your friends than you do of your kids  
I'd always hoped for better  
Thought maybe together you and me would find it  
I got no plans I ain't going nowhere  
So take your fast car and keep on driving

You got a fast car  
But is it fast enough so you can fly away  
You gotta make a decision  
You leave tonight or live and die this way

## Feeling Good

Birds flyin' high, you know how I feel  
Sun in the sky, you know how I feel  
Breeze driftin' on by, you know how I feel  
It's a new dawn, it's a new day, it's a new life for me.  
Yeah, it's a new dawn, it's a new day, it's a new life for me,  
oooooooooh... - And I'm feelin' good.

Fish in the sea, you know how I feel  
River runnin' free, you know how I feel  
Blossom on the tree, you know how I feel  
It's a new dawn, it's a new day, it's a new life for me,  
And I'm feelin' good

Dragonfly out in the sun, you know what I mean, -  
Don't you know  
Butterflies all havin' fun, you know what I mean.  
Sleep in peace when day is done: that's what I mean,  
And this old world is a new world and a bold world for me

Stars when you shine, you know how I feel  
Scent of the pine, you know how I feel  
Yeah, freedom is mine, and I know how I feel..  
It's a new dawn, it's a new day, it's a new life for me  
[scat]..... - And I'm feelin'... good.

## Fever

Never know how much I love you  
Never know how much I care  
When you put your arms around me  
I get a fever that's so hard to bear; You give me fever

**Chorus:** When you kiss me  
Fever when you hold me tight  
Fever! In the morning  
Fever all through the night

Sun lights up the daytime  
Moon lights up the night  
I light up when you call my name  
And you know I'm gonna treat you right; You give me fever

**(Chorus)**

Everybody's got the fever  
That is something you all know  
Fever isn't such a new thing  
Fever started long ago; You give me fever

**(Chorus)**

Romeo loved Juliet  
Juliet, she felt the same  
When he put his arms around her  
He said Julie baby, you're my flame

## Fever - page 2

Now give us fever, when we kiss-eth  
Fever with thy flaming youth  
Fever! I'm a fire  
Fever yea I burn for Zeus

Captain Smith and Pocahontas  
Had a very mad affair  
When her daddy tried to kill him  
She said, daddy oh don't you dare; He gives me fever

**Chorus:** With his kisses  
Fever when he holds me tight  
Fever! I'm his misses  
Daddy, won't you treat him right

Now you've listen to my story  
Here's the point that I have made  
Chicks were born to give you fever  
Be it Fahrenheit or centigrade; You give them fever

**Chorus:** When you kiss them  
Fever, if you live you learn  
Fever! 'Til you sizzle  
What a lovely way to burn, What a lovely way to burn,  
What a lovely way to burn, What a lovely way to burn

## **Fly Me To The Moon**

In other words, please be true

You are all I long for, all I worship and adore  
In other words, please be true  
In other words, I love you

In other words...I love you

## Freeway Of Love

Knew you'd be a vision in white  
How'd you get those pants so tight?  
Don't know what you're doin' But you must be livin' right  
We got some places to see  
I brought all the maps with me  
So jump right in... Ain't no sin... Take a ride in my machine

City traffic movin' way too slow  
Drop the pedal and go...go...go

Goin' ridin' on the freeway of love Wind's against our back  
Goin' ridin' on the freeway of love In my pink Cadillac  
Goin' ridin' on the freeway of love Wind's against our back  
Ain't we ridin' on the freeway of love In my pink Cadillac?

Never you mind the exit signs  
We got lots of time  
We can't quit 'til we get To the other side  
With the radio playin' our song  
We keep rollin' on  
Who knows how far a car can get  
Before you think about slowin' on down

City traffic movin' way too slow  
Drop the pedal and go...go...go

To a town that's right for me

Talk about, Talk about,  
Talk about movin,

Gotta move on.  
Gotta move on.

Won't you take me to - Funkytown.  
Won't you take me to - Funkytown.  
Won't you take me to - Funkytown.  
Won't you take me to - Funkytown.

(Repeat)

## The Girl From Ipanema

Tall and tan and young and lovely  
The girl from Ipanema goes walking  
And when she passes, each one she passes goes - ah

When she walks, she's like a samba  
That swings so cool and sways so gentle  
That when she passes, each one she passes goes - ooh

(Ooh) But I watch her so sadly  
How can I tell her I love her  
Yes I would give my heart gladly  
But each day, when she walks to the sea  
She looks straight ahead, not at me

Tall, (and) tan, (and) young, (and) lovely  
The girl from Ipanema goes walking  
And when she passes, I smile -  
But she doesn't see - (Doesn't see)  
(She just doesn't see, - She never sees me...)

# Girls Just Wanna Have Fun

I come home in the morning light,  
My mother says "When you gonna live your life right?"  
Oh, mother, dear, We're not the fortunate ones,  
And girls, They wanna have fu-un.  
Oh, girls, Just wanna have fun.

The phone rings in the middle of the night,  
My father yells "What you gonna do with your life?"  
Oh, daddy, dear, You know you're still number one,  
But girls, They wanna have fu-un,  
Oh, girls, just wanna have

## **[Chorus]**

That's all they really want..... Some fun....  
When the working day is done,  
Oh, girls, They wanna have fu-un,  
Oh, girls, Just wanna have fun....  
Girls, They want, Wanna have fun.  
Girls, Wanna have

Some boys take a beautiful girl,  
And hide her away from the rest of the world.  
I wanna be the one to walk in the sun.  
Oh, girls, They wanna have fu-un.  
Oh, girls, Just wanna have

## **[Chorus]**

They just wanna, They just wanna.....  
They just wanna, They just wanna.....

## Give Me One Reason

### [CHORUS]

Give me one reason to stay here - And I'll turn right back around  
Give me one reason to stay here - And I'll turn right back around  
Because I don't wanna leave you lonely  
But you got to make me change my mind

Baby, I got your number - And I know that you got mine  
But you know that I called you, - I called too many times  
You can call me baby, you can call me anytime  
But you got to call me

### [CHORUS]

I don't want no one to squeeze me - They might take away my life  
I don't want no one to squeeze me - They might take away my life  
I just want someone to hold me  
And rock me through the night

This youthful heart can love you - And give you what you need  
This youthful heart can love you - And give you what you need  
But I'm too old to go chasing you around  
Wasting my precious energy

### [CHORUS]

Baby, just give me just one reason - Give me just one reason why  
Baby just give me one reason -  
Give me just one reason why I should stay  
Because I told you I loved you - And there ain't no more to say

## God Bless The Child

Them that's got shall get, Them that's not shall lose  
So the Bible said... and it still is news  
Mama may have, Papa may have  
But God bless the child that's got his own, That's got his own

Yes, the strong gets more, While the weak ones fade  
Empty pockets don't... ever make the grade  
Mama may have, Papa may have  
But God bless the child that's got his own, That's got his own

### **[BRIDGE]**

Money, you've got lots of friends  
Crowding round the door  
When you're gone, spending ends  
They don't come no more

### **[VERSE 3]**

Rich relations give, Crust of bread and such  
You can help yourself, But don't take too much  
Mama may have, Papa may have  
But God bless the child that's got his own, That's got his own

### **[SOLO] ➔ [BRIDGE] ➔ [VERSE 3]**

He just worry 'bout nothin', Cause he's got his own

## Good Times

### **[CHORUS]**

Good times, these are the good times  
Leave your cares behind, these are the good times  
Good times, these are the good times  
Our new state of mind, these are the good times

Happy days are here again  
The time is right for makin' friends  
Let's get together, how 'bout a quarter to ten  
Come tomorrow, let's all do it again

Boys will be boys, better let them have their toys  
Girls will be girls, cute pony tails and curls  
Must put an end to this stress and strife  
I think I want to live the sporting life

### **[CHORUS]**

A rumor has it that it's getting late  
Time marches on, just can't wait  
The clock keeps turning, why hesitate  
You silly fool, you can't change your fate  
Let's cug the rug, a little jive and jitterbug  
We want the best, we won't settle for less  
Don't be a drag, participate  
Clams on the half shell and roller-skates, roller-skates

### **[CHORUS]**

## **Got To Be Real**

What you find, ah  
What you feel now  
What you know-a  
To be real

What you find, ah  
(I think I love you baby)  
What you feel now  
(I feel I need you baby)  
What you know-a  
To be real

Ooh your love's for real now  
You know that your love is my love  
My love is your love  
Our love is here to stay

Repeat

## (Heard It Through The) Grapevine

Oo oo I bet your wonderin' how I knew - Bout your plans to make me blue  
With some other guy you knew before -  
Between the two of us guys you know I love you more

It took me by surprise, I must say - When I found out yesterday  
Don't you know that I heard it thru the grapevine -  
Not much longer would you be mine  
Oh, I heard it thru the grapevine  
Oh, I'm just about to lose my mind (honey, honey, well)

*Heard it thru the grapevine not much longer would you be my baby*

I know a man ain't supposed to cry - But these tears I can't hold inside  
Losin' you would end my life you see - Cuz you mean that much to me

You could have told me yourself - That you love someone else  
Instead I heard it thru the grapevine - Not much longer would you be mine  
Oh, I heard it thru the grapevine  
And I'm just about to lose my mind (honey, honey, well)

*Heard it thru the grapevine not much longer would you be my baby (2x)*

People say believe half of what you see - Son and none of what you hear  
But I can't help bein' confused - If it's true please tell me dear

Do you plan to let me go - For the other guy you loved before  
Don't you know I heard it thru the grapevine -  
Not much longer would you be mine -  
Baby, I heard it thru the grapevine  
Ooh, I'm just about to lose my mind (honey, honey, yeah)

*Heard it thru the grapevine not much longer would you be my baby (4x)*

## Groovin'

Groovin', on a Sunday afternoon  
Really couldn't get away too soon

I can't imagine anything that's better  
The world is ours whenever we're together  
There ain't a place I'd like to be instead of

Groovin', down a crowded avenue  
Doin' anything we like to do

There's always lots of things that we can see  
We can be anyone we want to be  
And all those happy people we could meet just

Groovin', on a Sunday afternoon  
Really couldn't get away too soon

Ah-ha-ha - Ah-ha-ha - Ah-ha-ha

We'll keep on spending sunny days this way  
We're gonna talk and laugh our time away  
I feel it comin' closer day by day  
Life would be ecstasy, you and me endlessly

Groovin', on a Sunday afternoon  
Really couldn't get away too soon

Ah-ha-ha - Ah-ha-ha - Ah-ha-ha

# Heatwave

Whenever I'm with you - Something inside  
Starts to burning - And I'm filled with desire

Could it be a devil in me  
Or is this the way love's supposed to be

## **[Chorus]**

It's like a heatwave - Burning in my heart  
I can't keep from crying - Tearing me apart

Whenever he calls my name - Sounds low, sweet and plain  
Right then, right there - I feel that burning flame  
There's a high blood pressure got a hold on me  
Or is this the way love is supposed to be

## **[Chorus]**

## **[Instrumental]**

Sometimes I stare in space - Tears all over my face  
I can't explain it, don't understand it - I ain't never felt like this before

Now that funny feeling's has me amazed  
Don't know what to do - My head's in a haze - It's like a heatwave

Yeah yeah, yeah yeah *You know it's alright girl* Oh yeah *Go ahead girl*  
Yeah yeah, *Well it's alright girl* Ohh *Ain't nothin' but love girl*  
I'm feelin' *Don't pass up this chance* Right here *It sounds like true romance*  
Don't you know it's like a heatwave Yeah yeah *Burning burning burning*  
Oh, *Burning burning burning* Don't you know it's like a heatwave  
*Burning burning burning* Right hear in my heart *Burning burning burning*

## Hella Good

The waves keep on crashing on me for some reason  
But your love keeps on coming like a thunderbolt  
Come here a little closer  
'Cause I wanna see you, baby, real close up  
(Get over here)

### **[Chorus]**

You've got me feeling hella good  
So let's just keep on dancing  
You hold me like you should  
So I'm gonna keep on dancing

A performance deserving of standing ovations  
And who would have thought it'd be the two of us  
So don't wake me if I'm dreaming  
'Cause I'm in the mood come on and give it up

### **[Chorus] 2X**

Ooh yeah yeah - Ooh yeah yeah

### **[Chorus] 2X**

Keep on dancing - Keep on dancing

## Hero

There's a hero If you look inside your heart  
You don't have to be afraid Of what you are  
There's an answer If you reach into your soul  
And the sorrow that you know Will melt away

### **[CHORUS]**

And then a hero comes along With the strength to carry on  
And you cast your fears aside -  
And you know you can survive  
So when you feel like hope is gone -  
Look inside you & be strong  
And you'll finally see the truth That a hero lies in you

It's a long road When you face the world alone  
No one reaches out a hand For you to hold  
You can find love If you search within yourself  
And the emptiness you felt Will disappear

### **[CHORUS]**

Lord knows Dreams are hard to follow  
But don't let anyone Tear them away  
Hold on There will be tomorrow  
In time You'll find the way

### **[CHORUS]**

That a hero lies in you... Mmm... That a hero lies in you

## He's A Rebel

See the way he walks down the street  
Watch the way he shuffles his feet  
My, he holds his head up high  
When he goes walking by... he's my guy

When he holds my hand, I'm so proud  
'Cause he's not just one of the crowd  
I bet he always the one to try the thing they've never done  
And just because of that, they say, hey

He's a rebel and he'll never ever be any good  
He's a rebel 'cause he never ever does what he should  
But just because he doesn't do what everybody else does  
That's no reason why I can't give him all my love

He's always good to me, always treats me tenderly  
'Cause he's not a rebel, oh, no, no,  
He's not a rebel, no, no, no, to me

\*\*\* {Solo} \*\*\*

If they don't like him that way - They won't like me after today  
I'll be standing right by his side when they say

He's a rebel and he'll never ever be any good  
He's a rebel 'cause he never ever does what he should  
Just because he doesn't do what everybody else does  
That's no reason why we can't share a love

He's always good to me, good to him, I try to be  
'Cause he's not a rebel, no, no, no  
He's not a rebel, no, no, no, to me - Oh,  
He's not a rebel, no, no, no - (Repeat with ad libs)

*But I'm gonna make him mine - Do-lang-do-lang-do-lang*

*He's the envy of all the girls - Do-lang-do-lang-do-lang*

*It's just a matter of time - Do-lang-do-lang*

*He's a soft spoken guy - Do-lang-do-lang-do-lang*

*Also seems kinda shy - Do-lang-do-lang-do-lang*

*Makes me wonder if I - Do-lang-do-lang-do-lang*

*Should even give him a try - Do-lang-do-lang-do-lang*

*Sooner or later - Oh yeah - I hope it's not later - Oh yeah*

*We gotta get together - Oh yeah - The sooner the better - Oh yeah*

*I just can't wait, I just can't wait - To be held in his arms*

*If I were a queen - Do-lang-do-lang-do-lang*

*And he asked me to leave my throne - Do-lang-do-lang-do-lang*

*I'd do anything that he asked - Do-lang-do-lang-do-lang*

*Anything to make him my own - Do-lang-do-lang-do-lang*

*For he's so fine So fine So fine So fine So fine So fine So fine So fine*

*So fine So fine Oh yeah So fine He's so fine So fine Uh-huh So fine*

# Hey Mickey

## **Chorus:**

Oh Mickey, you're so fine You're so fine, you blow my mind,  
Hey Mickey, hey Mickey (3x)

Hey Mickey

You've been around all night and that's a little long  
You think you've got the right but I think you've got it wrong  
Why can't we say goodnight? So you can take me home, Mickey

Cause when you say you will, it always means you won't  
You're givin' me the chills, baby, please baby don't  
Every night you still leave me all alone, Mickey

## **Refrain 1:**

Oh Mickey, what a pity, you don't understand  
You take me by the heart when you take me by the hand  
Oh Mickey, you're so pretty, can't you understand  
It's guys like you, Mickey  
Ooh what you do Mickey, do Mickey  
Don't break my heart, Mickey

Hey Mickey

Now when you take me by the... who's... ever gonna know  
Every time you move I let a little more show  
There's something you can use, so don't say no, Mickey

So come on and give it to me anyway you can  
Anyway you want to do it, I'll take it like a man  
Oh please baby, please don't leave me in this jam Mickey

## **Refrain 1:**

**(chorus)**

**(refrain 1 3x) (repeat 'till fade)**

## **Higher And Higher**

Your love, is lifting me higher  
Than I've ever, been lifted before  
So keep it up, quench me desire  
And I'll be at your side, for ever more

### **[Chorus]**

You know your love - keep on liftin' me  
Higher - Higher and higher  
I said your love - Keep on  
Liftin' me, higher and higher

Now once, I was down hearted  
Disappointment, was my closest friend  
But then you, came, and he soon departed  
And you know, he never, showed his face again

**[Chorus]** ➔ Music Interlude

I'm so glad, I finally found you  
Yes, that one, in a million girl  
And now with, my lovin' arms around you  
I can stand up, and face the world

**[Chorus]** ➔ **[Chorus]**

Music Interlude (Ad lib)

## **Hit Me With Your Best Shot**

Well you're the real tough cookie with the long history  
Of breaking little hearts, like the one in me  
That's O.K., lets see how you do it  
Put up your dukes, lets get down to it!

### **[CHORUS]**

Hit Me With Your Best Shot!  
Why Don't You Hit Me With Your Best Shot!  
Hit Me With Your Best Shot!  
Fire Away!

You come on with a come on, you don't fight fair  
But that's O.K., see if I care!  
Knock me down, it's all in vain  
I'll get right back on my feet again!

### **[CHORUS]**

Well you're the real tough cookie with the long history  
Of breaking little hearts, like the one in me  
Before I put another notch in my lipstick case  
You better make sure you put me in my place

You're the meanest old woman that I ever have seen,  
Well I guess if you say so

'Cause I'll be back on my feet some day,  
Don't care if you do, cause it's understood,  
You got no money, and you just ain't no good  
Well I guess if you say so  
I'll have to pack my things and go (that's right)

You can't mean that ...  
Aw now Baby, Please.  
What you tryin to do to me!?

# Holiday

Holiday Celebrate - Holiday Celebrate

## **[Chorus:]**

If we took a holiday - Took some time to celebrate  
Just one day out of life - It would be, it would be so nice

Everybody spread the word - We're gonna have a celebration  
All across the world - In every nation  
It's time for the good times -  
Forget about the bad times, oh yeah  
One day to come together - To release the pressure  
We need a holiday

## **[Chorus]**

You can turn this world around -  
And bring back all of those happy days  
Put your troubles down - It's time to celebrate  
Let love shine - And we will find  
A way to come together - And make things better  
We need a holiday

**[Chorus]** ➔ Holiday Celebrate - Holiday Celebrate

## **[Chorus]**

Holiday Celebrate - Holiday Celebrate  
Holiday, Celebration - Come together in every nation

## How Do I Live

How do I ... get through one night without you  
If I had to live without you ... what kind of life would that be  
Oh I... need you and my arms need you to hold  
You're my world my heart my soul  
If you ever leave  
Baby you would take away everything good in my life  
And tell me now

How do I live without you ... I want to know  
How do I breathe without you... If you ever go  
How do I ever... ever survive.....  
How do I... how do I... oh how do I live

Without you... there'd be no sun in my sky  
There would be no love in my life... there'd be no world left for me

I'd be lost if I lost you  
If you ever leave  
Baby you would take away everything... real in my life  
And tell me now

# I Can't Take My Eyes Off Of You

## **{Verse}**

You're just too good to be true -

Can't take my eyes off of you

You'd be like heaven to touch - I want to hold you so much

At long last love has arrived - And I thank God I'm alive

You're just too good to be true -

Can't take my eyes off of you

Pardon the way that I stare -

There's nothing else to compare

The sight of you leaves me weak -

There are no words left to speak

But if you feel like I feel - Please let me know that it's real

You're just too good to be true -

Can't take my eyes off of you

## **{Music Interlude}**

## **{Chorus}**

I love you baby... And if it's quite all right

I need you baby... To warm the lonely night

I love you baby... Trust in me when I say...

Oh, pretty baby... Don't bring me down I feel

Oh, pretty baby... Now that I found you stay

Let me love you baby... Let me love you...

**Repeat 1st Verse, Chorus**

## **I Fall To Pieces**

I fall to pieces  
Each time I see you again  
I fall to pieces  
How can I be just your friend?

You want me to act like we've never kissed  
You want me to forget (to forget)  
Pretend we've never met (never met)  
And I've tried and I've tried, but I haven't yet  
You walk by and I fall to pieces

I fall to pieces  
Each time someone speaks your name (speaks your name)  
I fall to pieces  
Time only adds to the flame

You tell me to find someone else to love  
Someone who'll love me too (love me too)  
The way you used to do (used to do)  
But each time I go out with someone new  
You walk by and I fall to pieces  
You walk by and I fall to pieces

# I Get A Kick Out Of You

I get no kick from champagne  
Mere alcohol it doesn't move me at all  
So tell my why should it be true  
That I get a kick out of you?

Some like a bob-type refrain  
I'm sure that ifff I heard even one rfff  
T'would bore me terrfff-ic'ly too  
Yet I get a kick out of you

I get a kick every time I see you standing there before me  
I get a kick though it's clear to me You obviously don't adore me

I get no kick in a plane  
Flyin' too high with some gal in the sky  
Is my Idea of nothing to do  
Yet I get a kick out of you

I get a kick every time I see you standing there before me  
I get a kick though it's clear to me You obviously don't adore me

I get no kick in a plane  
Flyin' too high with some gal in the sky  
Is my idea of nothing to do  
Yet I get a kick, Yes  
I get a kick, Yes  
I get a kick out of you

[HER:] They say we're young and we don't know-  
We won't find out until we grow

[HIM:] Well I don't know if all that's true -  
Cause you got me, and baby I got you

**(Chorus)**

[HIM:] Babe - [BOTH:] I got you babe I got you babe

[HER:] They say our love won't pay the rent  
Before it's earned, our money's all been spent

[HIM:] I guess that's so, we don't have a pot  
But at least I'm sure of all the things we got

**(Chorus)**

[HIM:] I got flowers in the spring - I got you to wear my ring

[HER:] And when I'm sad, you're a clown -  
And if I get scared, you're always around

Cause I don't care, with you I can't go wrong

[HIM:] Then put your little hand in mine -  
There ain't no hill or mountain we can't climb

[HER:] I got you to love me so

# I Hope You Dance

I hope you never lose your sense of wonder  
You get your fill to eat But always keep that hunger  
May you never take one single breath for granted  
God forbid love ever leave you empty handed

I hope you still feel small when you stand beside the ocean  
Whenever one door closes, I hope one more opens  
Promise me you'll give fate a fighting chance  
And when you get the choice to sit it out or dance

I hope you dance - I hope you dance

I hope you never fear those mountains in the distance  
Never settle for the path of least resistance  
Living might mean taking chances, but they're worth taking  
Lovin' might be a mistake, but it's worth making

Don't let some hell bent heart leave you bitter  
When you come close to selling out, reconsider  
Give the heavens above more than just a passing glance  
And when you get the choice to sit it out or dance

## **[Chorus]**

I hope you dance - (Time is a real and constant motion always)  
I hope you dance - (Rolling us along)  
I hope you dance - (Tell me who)  
I hope you dance - (Wants to look back on their youth and wonder)  
I hope you dance - (Where those years have gone)

I hope you still feel small - When you stand by the ocean  
Whenever one door closes, I hope one more opens  
Promise me you'll give fate a fighting chance  
And when you get the choice to sit it out or dance

## **[Chorus] 2x**

# I Love Rock 'N' Roll

I saw him dancing there by the record machine  
I knew he must have been about seventeen  
The beat was going strong, playing my favorite song...

& I could tell it wouldn't be long til he was with me yeah me  
And I could tell it wouldn't be long till he was with me,  
yeah, me, singin'

## CHORUS:

I love rock & roll So put another dime in the jukebox, baby  
I love rock & roll So come & take your time & dance w/me

He smiled, so I got up and asked for his name  
"That doesn't matter," he said, "'cause it's all the same."  
I said, "Can I take you home where we can be alone?"

And next we were moving on & he was with me, yeah, me  
& next we're moving on & he was with me yeah me singin'

## CHORUS

I said, "Can I take you home where we can be alone?"

& next we're moving on & he was with me yeah me singin'

## CHORUS

# I Love The Nightlife (Disco 'Round)

Please don't talk about love tonight.  
Please don't talk about sweet love.  
Please don't talk about being true  
and all the trouble we've been through.  
Ah, please don't talk about all of the plans  
we had for fixin' this broken romance.  
I want to go where the people dance.  
I want some action ... I want to live!

Action ... I got so much to give.  
I want to give it. I want to get some too.

## **[CHORUS]**

Oh, I ... Ohhh I ... I love the nightlife,  
I got to boogie on the disco 'round, oh yea.  
Oh, I love the night life,  
I got to boogie on the disco 'round, oh yea.

Please don't talk about love tonight.  
Your sweet talking won't make it right.  
Love and lies just bring me down  
when you've got women all over the town.  
You can love them all and when you're through,  
maybe that'll make, huh, a man out of you.  
I got to go where the people dance.  
I want some action ... I want to live!

Action ... I got so much to give.  
I want to give it. I want to get some too.

## **[CHORUS]**

Oh, I love the night life,  
I got to boogie on the disco 'round, oh yea. **[repeat]**

## I Say A Little Prayer For You

The moment I wake up - Before I put on my makeup  
I say a little prayer for you  
While combing my hair, now -  
And wondering what dress to wear, now  
I say a little prayer for you

### **[CHORUS]**

Forever, forever you'll stay in my heart - And I will love you  
Forever, forever, we never will part - Oh, how I'll love you  
Together, together that's how it must be - To live without you  
Would only be heartbreak for me

I run for the bus, dear - While riding I think of us, dear  
I say a little prayer for you - At work, I just take time  
And all through my coffee break-time -  
I say a little prayer for you

### **[CHORUS]**

I say a little prayer for you -- I say a little prayer for you

### **[CHORUS]**

My darling, believe me - For me there is no one - But you...

# I Think We're Alone Now

Children behave, -  
That's what they say when we're together,  
And watch how you play, -  
They don't understand,

And so we're, Running just as fast as we can,  
Holdin' onto one another's hand,  
Tryin' to get away into the night,  
And then you put your arms around me,  
And we tumble to the ground, - And then you say,

## **[Chorus]**

I think we're alone now, -  
There doesn't seem to be anyone around.  
I think we're alone now, -  
The beating of our hearts is the only sound.

Look at the way, - We gotta hide what we're doin'.  
'Cause what would they say, -  
If they ever knew and so we're,

Running just as fast as we can...

## **[Chorus] 2x ➔ {Solo}**

Running just as fast as we can...

## **[Chorus] Until cue**

# **I Wanna Dance With Somebody**

Clock strikes upon the hour - And the sun begins to fade  
Still enough time to figure out - How to chase my blues away

I've done alright up till now - It's the light of day that shows me how  
And when the night falls... - The loneliness calls

## **[CHORUS]**

Oh I wanna dance with somebody, I wanna feel the heat with somebody  
Yeah I wanna dance with somebody, With somebody who loves me

## **[CHORUS]**

I've been in love, And lost my senses, Spinning through the town  
Sooner or later the fever ends, - And I wind up feeling down

I need a man who'll take a chance, on a love that burns hot enough to last  
So when the night falls, - My lonely heart calls.

## **[CHORUS] 2X**

(Somebody who somebody who) somebody who loves me,  
(Somebody who somebody who) to hold me in his arms.

I need a man who'll take a chance, on a love that burns hot enough to last  
So when the night falls, - my lonely heart calls.

## **[CHORUS] 2X**

Yeah, - Don't you wanna dance with me baby?

Don't you wanna dance with me boy, Don't you wanna dance with me baby  
With somebody who loves me,

Don't you wanna dance, Say you wanna dance, Don't you wanna dance  
Don't you wanna dance, Say you wanna dance, Don't you wanna dance  
Don't you wanna dance - Say you wanna dance

Uh-huh - With somebody who loves me?

## I Want You Back

When I had you to myself - I didn't want you around  
Those pretty faces always make you - Stand out in a crowd

But someone picked you from the bunch -  
One glance was all it took  
Now it's much too late for me - To take a second look

### **[Chorus]**

Oh, baby give me one more chance  
Won't you please let me... Back in your heart  
Oh, darling I was blind to let you go  
But now since I see you in his arms

*I want you back... Oh, I do now*  
*I want you back... Ooh, ooh baby*  
*I want you back... Yeah, yeah, yeah, yeah*  
*I want you back... Na, na, na, na*

Tryin' to live without your love - Is one more stupid night  
Let me show you girl... - That I know wrong from right

Every street you walk on - I leave tear stains on the ground  
Followin' the girl - I didn't even want around

### **[Chorus] - 2X**

## I Will Always Love You

If I should stay,  
I would only be in your way.  
So I'll go, but I know  
I'll think of you ev'ry step of the way.  
And I..... will always love you.  
I will always love you. You, my darling you.

Hmm. Bittersweet memories that is all I'm taking with me.

So, good-bye. Please, don't cry.  
We both know I'm not what you, you need.  
And I will always love you.  
I will always love you.

### **(Instrumental solo)**

I hope life treats you kind  
And I hope you have all you've dreamed of.  
And I wish to you, joy and happiness.  
But above all this, I wish you love.  
And I will always love you.  
I will always love you.  
I will always love you.  
I will always love you.  
I will always love you.  
I, I will always love you. You, darling, I love you.  
Ooh, I'll always, I'll always love you.

## I Will Survive

At first I was afraid, - I was petrified  
Kept thinkin' I could never live -  
Without you by my side  
But then I spent so many nights -  
Thinkin' how you did me wrong  
And I grew strong, and I learned how to get along

And so you're back, - From outer space  
I just walked in to find you here -  
Without that look upon your face  
I shoulda changed that stupid lock, -  
I shoulda made you leave your key  
If I'd have known for just one second -  
You'd be back to bother me

Well now go, - Walk out the door  
Just turn around now, -  
'Cause you're not welcome any more  
Weren't you the one that tried to hurt me with "good-bye"  
You think I'd crumble, You think I'd lay down and die

Oh, no now I, I will survive  
Oh, as long as I know how to love I know I'll stay alive  
I've got all my life to live, I've got all my love to give  
I'll survive, - I will survive, Hey, hey!

# I Wish

Looking back on when I - Was a little nappy headed boy  
Then my only worry - Was for Christmas what would be my toy  
Even though we sometimes - Would not get a thing  
We were happy with the - Joy the day would bring

Sneaking out the back door -  
To hang out with those hoodlum friends of mine - ooooo  
Greeted at the back door with: Boy thought I told you not to go outside  
Tryin' your best to bring the - Water to your eyes  
Thinkin' it might stop her - From woopin' your behind

## **[Chorus]**

I wish those days... could... - Come back once more  
Why did those days... e... - ver have to go  
I wish those days... could... - Come back once more  
Why did those days... e... - ver have to go - Cause I love them so

Do-do do-do do do do do do do-do do - Do-do do-do do do do do-do do

Brother says he's tellin' - 'Bout you playin' doctor with that girl  
Just don't tell & I'll give you; Anythin' you want in this whole wide worl'  
Mama gives you money - For Sunday school  
You trade yours for candy - After church is through

Smokin' cigarettes an' writing somethin' nasty on the wall - *You nasty boy*  
Teacher sends you to the - Principal's office down the hall  
You grow up and learn that - Kinda thing ain't right  
But while you were doin' it - It sure felt outta sight

**[Chorus] ➔ [Solo] ➔ [Chorus]**

# If I Was A Rich Girl

Na, na, na, na, na, na, na, na, na, na, na  
Na, na, na, na, na, na, na, na, na, na, na - [2x]

## **[CHORUS]**

If I was a rich girl (na, na....)

See, I'd have all the money in the world, if I was a wealthy girl

No man could test me, impress me, my cash flow would never ever end

Cause I'd have all the money in the world, if I was a wealthy girl

Think what that money could bring - I'd buy everything

Clean out Vivienne Westwood In my Galliano gown

No, wouldn't just have one hood - A Hollywood mansion if I could

Please book me first-class to my fancy house in London town

## **[CHORUS 2]**

All the riches baby, won't mean anything

All the riches baby, won't bring what your love can bring

All the riches baby, won't mean anything

Don't need no other baby Your lovin' is better than gold, and I know

## **[CHORUS]**

I'd get me four Harajuku girls to (uh huh)

Inspire me and they'd come to my rescue

I'd dress them wicked, I'd give them names (yeah)

Love, Angel, Music, Baby. Hurry up and come and save me

## **[CHORUS 2]**

## I'll Always Love You

I'll always love you for the rest of my days.  
You have won my heart and my soul -  
With your sweet, sexy ways.  
You gave me hope when I needed someone near.  
You bring me happiness every day of every year.

I'll always love you for all that you are.  
You have made my life complete, you're my lucky star.  
You are the one that I've been searching for.  
You are my everything, tell me who could ask for more.

And I'll always love you, Honey, this will never end.  
I need you by my side, baby, you're my lover, my friend.  
My friend.

[Instrumental 1st part of verse]

You gave my world a thrill I've never known.  
And filled my eager heart with a love to call my own.

And I'll always love you, you must know how much I do.  
You can count on me forever & I will take good care of you

I'll always love you, I'm so happy that you're mine.  
I'll always love you, yes, till the end of time.

## I'll Be Seeing You

I'll be seeing you  
In all the old, familiar places  
That this heart of mine embraces  
All day through.

In that small cafe  
The park across the way  
The children's carousel  
The chestnut tree  
The wishing well.

I'll be seeing you  
In every lovely, summer's day  
And everything that's bright and gay  
I'll always think of you that way  
I'll find you in the morning sun  
And when the night is new  
I'll be looking at the moon  
But I'll be seeing you.

# I'll Be There

You and I must make a pact, we must bring salvation back  
Where there is love, I'll be there

I'll reach out my hand to you, I'll have faith in all you do  
Just call my name and I'll be there.

## **Chorus:**

And oh - I'll be there to comfort you,  
Build my world of dreams around you, I'm so glad that I found you  
I'll be there with a love that's strong  
I'll be your strength, I'll keep holding on - yes I will, yes I will

Let me fill your heart with joy and laughter  
Togetherness, well that's all I'm after  
Whenever you need me, I'll be there  
I'll be there to protect you, with an unselfish love I respect you  
Just call my name and I'll be there

## **(chorus)**

If you should ever find someone new, I know he'd better be good to you  
'Cos if he doesn't, I'll be there

Don't you know, baby, yeah yeah  
I'll be there, I'll be there, just call my name, I'll be there

(Just look over your shoulders, honey - ooh)

I'll be there, I'll be there, whenever you need me, I'll be there

Don't you know, baby, yeah yeah

# I'm Coming Out

I'm coming out - I'm coming  
I'm coming out - I'm coming out  
I'm coming out - I'm coming out

I'm coming out  
I want the world to know  
Got to let it show  
I'm coming out  
I want the world to know  
I got to let it show

There's a new me coming out  
And I just had to live  
And I wanna give  
I'm completely positive  
I think this time around  
I am gonna do it  
Like you never do it  
Like you never knew it  
Ooh, I'll make it through

# I'm Every Woman

Intro:

Whatever you want, Whatever you need,  
Anything you want done, baby, I'll do it naturally  
'Cause I'm every woman - It's all in me.  
It's all in me, yeah!

Chorus 1:

I'm every woman, It's all in me.  
Anything you want done, baby, I'll do it naturally.

Chorus 2:

I'm every woman, It's all in me.  
I can read your thoughts right now, Every one from A to Z.

Verse 1:

I can cast a spell, - Of secrets you can tell,  
Mix a special brew, - Put fire inside of you.  
Anytime you feel danger or fear,  
Then instantly - I will appear 'cause...

(Chorus 1)

Verse 2:

I can sense your needs - Like rain unto the seeds.  
I can make a rhyme - Of confusion in your mind.  
And when it comes back to some good old-fashioned love,  
I've got it, I've got it, I've got it, got it, baby, 'cause...

(Chorus 1) -- (Chorus 2)

Bridge:

I ain't braggin' 'cause I am the one You just ask me oo it shall be done  
And don't bother to compare, I've got it.

**Ad lib:** I'm every woman...

# **I'm So Excited**

Tonight's the night we're gonna make it happen  
Tonight we'll put all other things aside  
Get in this time and show me some affection  
We're goin' for those pleasures in the night

## **[PRE-CHORUS]**

I want to love you, feel you, wrap myself around you  
I want to squeeze you, please you, I just can't get enough  
And if you move real slow I let it go

## **[CHORUS 1]**

I'm so excited and I just can't hide it  
I'm about to lose control and I think I like it  
I'm so excited and I just can't hide it  
And I know I know I know I know I know I want you

We shouldn't even think about tomorrow  
Sweet memories will last for long long time  
We'll have a good time, Baby, don't do worry  
And if we're still playin' around boy that's just fine

## **[CHORUS 2]**

Let's get excited, we just can't hide it  
I'm about to lose control and I think I like it  
I'm so excited and I just can't hide it  
I know I know I know I know I know I want you, I want you

**[PRE-CHORUS] ➔ [CHORUS 1]**

## **Impossible Dream**

To dream the impossible dream  
To fight the unbeatable foe  
To bear with unbearable sorrow  
To run where the brave dare not go  
To right the unrightable wrong  
To love pure and chaste from afar  
To try when your arms are too weary  
To reach the unreachable star

This is my quest - To follow that star  
No matter how hopeless - No matter how far

To fight for the right - Without question or pause  
To be willing to march into Hell - For a heavenly cause

And I know if I'll only be true - To this glorious quest  
That my heart will lie peaceful and calm -  
When I'm laid to my rest

And the world will be better for this  
That one man, scorned and covered with scars  
Still strove with his last ounce of courage  
To reach the unreachable star

## It Had To Be You

It had to be you

It had to be you

I wandered around, and finally found,

The somebody who

Could make me be true

Could make me be blue

And even be glad, just to be sad, thinking of you

Some others I've seen

Might never be mean

Might never be cross, or try to be boss,

But they wouldn't do

For nobody else gave me a thrill

With all of your faults, I love you still

It had to be you, wonderful you, Had to be you

Tall, blonde, dark and lean  
Rough and tough and strong and mean

God bless Mother Nature, she's a single woman too

She taught every angel to rearrange the sky  
So that each and every woman could find her perfect guy  
It's Raining Men! Hallelujah! - It's Raining Men! Amen!  
It's Raining Men! Hallelujah!  
It's Raining Men! Ame-----nnnn!

Hear the thunder / Don't you lose your head  
Rip off the roof and stay in bed

She took off to heaven and she did what she had to do  
She taught every angel to rearrange the sky  
So that each and every woman could find her perfect guy  
It's Raining Men! Yeah!

## It's Too Late

Stayed in bed all morning just to pass the time  
There's something wrong here  
There can be no denying  
One of us is changing  
Or maybe we've just stopped trying

### **[CHORUS]**

And it's too late baby, now it's too late  
Though we really did try to make it  
Something inside has died and I can't hide  
And I just can't fake it

It used to be so easy living here with you  
You were light and breezy  
And I knew just what to do  
Now you look so unhappy  
And I feel like a fool

### **[CHORUS]**

There'll be good times again for me and you  
But we just can't stay together  
Don't you feel it too  
Still I'm glad for what we had  
And how I once loved you

### **[CHORUS]**

Don't you know that I... - I just can't fake it  
Oh it's too late my baby - Too late my baby  
You know - It's too late my baby

## It's Your Love

Yea, yea, Mmm, hmm  
Dancin' in the dawn, Middle of the night  
Takin' your heart And holdin' it tight  
Emotional touch, Touchin' my skin  
And asking you to do what you've been doin' all over again  
Oh it's a beautiful thing, Don't think I can keep it all in  
I just gotta let you know What it is that won't let me go

### **[Chorus]**

It's your love It just does something to me  
It sends a shock right through me I can't get enough  
And if you wonder About the spell I'm under  
Oh it's your love

Better than I was, More than I am  
And all of this happened By taking your hand  
And who I am now Is who I wanted to be  
And now that we're together, I'm stronger than ever  
I'm happy and free

Oh it's a beautiful thing, Don't think I can keep it all in  
If you asked me why I've changed,  
All I gotta do is say your sweet name

### **[Chorus]**

Baby, Oh oh, oh,  
Oh it's a beautiful thing, Don't think I can keep it all in  
I just gotta let you know what it is that won't let me go

### **[Chorus]**

It's your love, it's your love, it's your love

# Just Because

When I think about how much I'm lovin' you  
No limitations, no set of regimented rules  
I'm amazed how much this love has touched my life  
And the commitment that we share  
Is a welcome sacrifice

This must be, sweet fatal attraction  
My life-long date with destiny  
Love this strong, it brings out the passion  
I never knew was here in me

{Chorus}

I love you just because - I love you just because  
Just because I do, my darlin'  
Emotions more than words can help me say  
I love you, baby, just because you're you

You're a diamond in my mind, a treasure found  
A precious gem to me, you're so nice to have around  
I'm so glad I took the path that led to this  
And it's amazing, lovin' you  
I'm doing things I never thought I'd do

I don't know there ain't no explanation  
Of why I'm sharin' love at last this way  
I won't to work out all my reasons  
I'll use these words to simply say

{Chorus} 2x

Could it be that there's more to this that meet's the eye  
Maybe that's the reason why  
All I know is when I'm in your arms it feels all right  
I'll hold you tight and I come alive

{Chorus} 2x

## Killer Joe

This here's the story about Killer Joe  
He's a real bad cat, forget I told you so  
Silk on the corners of his fancy threads  
Double breasted pin stripe coat top press  
Fast talkin' good looking flim flam jive  
Why he's the kind o' cat that'll make a dead man cry  
So look out for Killer Joe!

Killer Joe - Killer Joe - Killer Joe - love dough

Love of gold - Has made him very cold

I hit the big town an'he turned me roun'  
He dazzled me with some pretty jive  
Prettier jive than I've ever heard from - Any man alive  
He called me "Baby," 'n "Honey"  
Messed wit m'head, tol' me he'd show me  
A whole mess o'money - An' what did I get?  
That's somethin' I ain't figured out yet

Each woman I meet is like a bead  
That's strung on a string  
An' I wear 'em like I'm wearin' a necklace  
Women love me, n'think lots of me  
Really! How can they be so reckless  
I tell 'em in front, that I do love money  
So - later on - then they won't get funny

## Killer Joe - 2

When I tighten up an' the scene gets heavy  
Times when I laugh they're over  
Now they're gonna' feel a draf'  
Tell y'truth, if y'mus know  
Only thing can save y'is t'bring me lots o'dough

Poor girl - Pity the hick - Poor girl - Man, is he slick  
Poor girl - Pity the poor chick

Stars were peepin' low  
An' man dud she have eyes for that Joe  
'N Joe was jivin' with all of his lies  
She felt he must o'meant it  
Boy, the chick was in f'some surprise  
Yep! 'N Joe ain' 'bout t'let 'er slide  
Git'er t'flyin' high 'n wide - Then goof her carpet ride  
She was cute, he had class  
Y'knew he had 'er soon s'he made his pass - (That's Joe!)

Big cities are jungles an' men're like leopards  
An' women are lost lambs who've - Strayed from kep' herds  
An' them leopards - are real wolves - Actin' jus' like shepherds

Look out! Joe got his hook out - He's lookin' so han'some  
Guaranteed trouble - Y'think you c'n stan' some  
He'll furnish it double - So look out

## Killing Me Softly With His Song

Strumming my pain with his fingers,  
Singing my life with his words,  
Killing me softly with his song,  
Killing me softly with his song,  
Telling my whole life with his words,  
Killing me softly with his song

I heard he sang a good song, I heard he had a style.  
And so I came to see him to listen for a while.  
And there he was this young boy, a stranger to my eyes.

I felt all flushed with fever, embarrassed by the crowd,  
I felt he found my letters and read each one out loud.  
I prayed that he would finish but he just kept right on.

He sang as if he knew me in all my dark despair  
and then he looked right through me as if I wasn't there.  
But he just came to singing, singing clear and strong.

## Kiss

U don't have 2 be beautiful - 2 turn me on  
I just need your body baby - From dusk till dawn  
U don't need experience - 2 turn me out  
U just leave it all up 2 me - I'm gonna show u what it's all about

### **[Chorus]**

## Knock On Wood

I don't want to lose - this good thing - that I've got  
If I do - I would surely - surely lose a lot  
'Cause your love - is better - than any love I've known  
It's like thunder, lightnin'  
The way you love me is frightin'  
I think I'd better knock - on wood - baby

I'm not superstitious - about you - I can't take no chance  
You got to understand it baby - baby I'm in a trance  
'Cause your love - is better - than any love I've known  
It's like thunder, lightnin'  
The way you love me is frightin'  
I think I'd better knock - on wood - baby

{Bridge}

It's no secret - that woman - is my lovin' cup  
Cause she sees - to it - that I get enough  
Just one touch - from her - you know you do so much  
It's like thunder, lightnin'  
The way you love me is frightin'  
I think I 'd better knock - on wood - baby

Struttin' her stuff on the street

She said 'Hello, hey Joe, you wanna give it a go? 'Mmm Hmmm

That boy drank all that Magnolia wine

On her black satin sheets is where he started to freak

Seeing her skin feeling silky smooth

Colour of cafe au lait

Made the savage beast inside roar until it cried...

More, More, More...

Now he's at home doing 9 to 5

Living his brave life of lies

But when he turns off the street Old memories keep...

More, More, More...

### **{CHORUS} 2x**

## **Let The Good Times Roll**

Hey everybody, let's have some fun  
You only live but once and when you're dead you're done  
So let the good times roll, let the good times roll  
I don't care if you're young or old, -  
Get together & let the good times roll

Don't stand there moaning, talking trash  
If you wanna have some fun, -  
You'd better go out and spend some cash  
And let the good time roll Let the good time roll  
I don't care if you're young or old, -  
Get together & let the good times roll

Hey mister landlord, lock up all the doors  
When the police comes around, tell them joint is closed  
Let the good times roll Let the good times roll  
And Lord I don't care if you young or old, -  
That's good enough to let the good times roll

Hey everybody! Tell everybody! That BB & Bobby's in town  
I got a dollar and a quarter - And I'm just raring to clown  
Don't let nobody play me cheap  
I got fifty cents to know that I'm gonna keep  
Let the good times roll Let the good times roll  
I don't care if you're young or old  
Let's get together and let the good times roll

## Let's Straighten It Out

Sit yourself down girl, and talk to me  
And tell me what's on your mind  
Don't you keep on tellin' me everything's okay  
'Cause if it was then you wouldn't be cryin'

You've been tossin' and turnin' in your sleep lately baby  
Sittin' around poutin' all day long  
Now how in the hell do expect me to understand  
When I don't even know what's wrong

### **{Chorus}**

Let's straighten it out, let's straighten it out  
Let's straighten it out, let's straighten it out

For the last five nights, honey, when we went to bed  
I could tell something just wasn't right  
When you turned your back 2 me and you covered your head  
You didn't even say good night

If you're tired and you don't want to be bothered baby  
Just say the word and I'll leave you alone  
Instead of lyin' there cryin' your eyes out baby  
You and me ought to be getting it on

### **{Chorus} 4x (Ad lib)**

# Light My Fire

## {Verse 1}

You know that it would be untrue  
You know that I would be a liar  
If I was to say to you  
Girl, we couldn't get much higher

## [CHORUS]

Come on baby, light my fire  
Come on baby, light my fire  
Try to set the night on fire

The time to hesitate is through  
No time to wallow in the mire  
Try now we can only lose  
And our love become a funeral pyre

## [CHORUS]

The time to hesitate is through  
No time to wallow in the mire  
Try now we can only lose  
And our love become a funeral pyre

# Like A Prayer

Life is a mystery, everyone must stand alone  
I hear you call my name - And it feels like home

## **Chorus:**

When you call my name its like a little prayer  
I'm down on my knees, I wanna take you there  
In the midnight hour I can feel your power  
Just like a prayer you know Ill take you there

I hear your voice, its like an angel sighing  
I have no choice, I hear your voice - Feels like flying  
I close my eyes, oh God I think Imp falling  
Out of the sky, I close my eyes - Heaven help me

## **(chorus)**

Like a child you whisper softly to me  
You're in control just like a child - Now I'm dancing  
Its like a dream, no end and no beginning  
You're here with me, its like a dream - Let the choir sing

## **(chorus)**

Just like a prayer, your voice can take me there  
Just like a muse to me, you are a mystery  
Just like a dream, you are not what you seem  
Just like a prayer, no choice your voice can take me there

Just like a prayer, Ill take you there  
Its like a dream to me

# Like A Virgin

I made it through the wilderness - Somehow I made it through  
Didn't know how lost I was - Until I found you

I was beat incomplete - I'd been had, I was sad and blue  
But you made me feel - Yeah, you made me feel  
Shiny and new

## **Chorus:**

Like a virgin - Touched for the very first time - Like a virgin  
When your heart beats (*With your heartbeat*) - Next to mine

Gonna give you all my love, boy - My fear is fading fast  
Been saving it all for you - cause only love can last

You're so fine and you're mine - Make me strong, yeah you make me bold  
Oh your love thawed out - Yeah, your love thawed out  
What was scared and cold

**(Chorus)** - Oooh, oooh, oooh

You're so fine and you're mine - I'll be yours till the end of time  
Cause you made me feel - Yeah, you made me feel  
I've nothing to hide

## **(Chorus)**

Like a virgin, ooh, ooh - Like a virgin - Feels so good inside  
When you hold me, and your heart beats, and you love me

Oh, oh, oh, oh, oh, oh, oh, oh, oh - Ooh, baby  
Cant you hear my heart beat - For the very first time?

## The Loco-Motion

Everybody's doin' a brand-new dance, now

*(Come on baby, do the Loco-motion)*

I know you'll get to like it if you give it a chance now

*(Come on baby, do the Loco-motion)*

My little baby sister can do it with me;

It's easier than learning your A-B-C's,

So come on, come on, do the Loco-motion with me.

You gotta swing your hips, now. Come on, baby.

Jump up, jump back. Well now, I think you've got the knack

Now that you can do it, let's make a chain, now.

*(Come on baby, do the Loco-motion)*

A chug-a chug-a motion like a railroad train, now.

*(Come on baby, do the Loco-motion)*

Do it nice and easy, now, don't lose control:

A little bit of rhythm and a lot of soul.

So come on, come on, do the Loco-motion with me.

Move around the floor in a Loco-motion.

*(Come on baby, do the Loco-motion)*

Do it holding hands if you get the notion.

*(Come on baby, do the Loco-motion)*

There's never been a dance that's so easy to do.

It even makes you happy when you're feeling blue,

So come on, come on, do the Loco-motion with me.

## The Look Of Love

The look of love is in your eyes  
A look your smile can't disguise  
The look of love...

Is saying so much more than just words could ever say  
And what my heart has heard, well it takes my breath away

I can hardly wait to hold you, feel my arms around you  
How long I have waited  
Waited just to love you, now that I have found you  
Don't ever go    You've got the

Look of love, it's on your face  
A look that time can't erase  
Be mine tonight...

Let this be just the start of so many nights like this  
Let's take a lover's vow and then seal it with a kiss

I can hardly wait to hold you, feel my arms around you  
How long I have waited  
Waited just to love you, now that I have found you  
Don't ever go - Don't ever go

I love you so - I love you so  
I love you so

# Love Is A Battlefield

## [CHORUS]

We are young, heartache to heartache we stand  
No promises, no demands  
Love is a battlefield  
We are strong, no one can tell us we're wrong  
Searchin' our hearts for so long, both of us knowing  
Love is a battlefield

You're beggin' me to go, you're makin' me stay  
Why do you hurt me so bad?  
It would help me to know  
Do I stand in your way, or am I the best thing you've had?  
Believe me, believe me, I can't tell you why  
But I'm trapped by your love, and I'm chained to your side

## [CHORUS]

We're losing control  
Will you turn me away or touch me deep inside?  
And before this gets old, will it still feel the same?  
There's no way this will die  
But if we get much closer, I could lose control  
And if your heart surrenders, you'll need me to hold

[CHORUS] ➔ [CHORUS]

# Lucky

Do you hear me, - I'm talking to you  
Across the water across the deep blue ocean  
Under the open sky, oh my, baby I'm trying

Boy I hear you in my dreams  
I feel your whisper across the sea  
I keep you with me in my heart  
You make it easier when life gets hard

## **(Chorus)**

I'm lucky I'm in love with my best friend  
Lucky to have been where I have been  
Lucky to be coming home again  
Ooohh ooooh oooh oooh ooh ooh

Waiting for a love like this  
Every time we say goodbye  
I wish we had one more kiss  
I'll wait for you I promise you, I will

## **(Double Chorus)**

I'm lucky I'm in love with my best friend  
Lucky to have been where I have been  
Lucky to be coming home again  
Lucky we're in love every way  
Lucky to have stayed where we have stayed  
Lucky to be coming home someday

## Lucky - page 2

And so I'm sailing through the sea  
To an island where we'll meet  
You'll hear the music fill the air  
I'll put a flower in your hair

Though the breezes through trees  
Move so pretty you're all I see  
As the world keeps spinning round  
You hold me right here right now

### **(Double Chorus)**

Ooohh ooooh oooh oooh ooh ooh ooh ooh  
Ooooh ooooh oooh oooh ooh ooh ooh ooh

# **Man! I Feel Like A Woman!**

I'm going out tonight-I'm feelin' alright  
Gonna let it all hang out  
Wanna make some noise-really raise my voice  
Yeah, I wanna scream and shout

No inhibitions-make no conditions  
Get a little outta line  
I ain't gonna act politically correct  
I only wanna have a good time

## **Bridge:**

The best thing about being a woman  
Is the prerogative to have a little fun and...

## **Chorus:**

Oh, oh, oh, go totally crazy-forget I'm a lady  
Men's shirts-short skirts  
Oh, oh, oh, really go wild-yeah, doin' it in style  
Oh, oh, oh, get in the action-feel the attraction  
Color my hair-do what I dare  
Oh, oh, oh, I wanna be free-yeah, to feel the way I feel  
Man! I feel like a woman!

The girls need a break-tonight we're gonna take  
The chance to get out on the town  
We don't need romance-we only wanna dance  
We're gonna let our hair hang down

**(Bridge) - (Chorus) - (Bridge) - (Chorus)**

I get totally crazy - Can you feel it  
Come, come, come on baby - I feel like a woman

# Material Girl

Some boys kiss me, some boys hug me - I think they're O.K.  
If they don't give me proper credit - I just walk away

They can beg and they can plead -  
But they can't see the light that's right  
'Cause the boy with the cold hard cash - Is always Mister Right,

'Cause we are - **[CHORUS]:**  
Living in a material world - And I am a material girl  
You know that we are living in a material world -  
And I am a material girl

Some boys romance, some boys slow dance - That's all right with me  
If they can't raise my interest then I - Have to let them be

Some boys try and some boys lie but - I don't let them play  
Only boys who save their pennies - Make my rainy day

'Cause they are - **[CHORUS]**

Living in a material world - *Material* - Living in a material world  
Living in a material world - *Material* - Living in a material world

Boys may come and boys may go - And that's all right you see  
Experience has made me rich - And now they're after me,

'Cause everybody's - **[CHORUS]**

A material, a material, a material, a material world  
Living in a material world - *Material* - Living in a material world

## Me & Bobby McGee

Busted flat in Baton Rouge, waitin' for a train  
And I's feelin' near as faded as my jeans  
Bobby thumbed a diesel down just before it rained  
It rode us all the way into New Orleans  
I pulled my harpoon out of my dirty red bandana  
I's playin' soft while Bobby sang the blues, yeah  
Windshield wipers slappin' time, -  
I's holdin' Bobby's hand in mine  
We sang every song that driver knew, yeah

Freedom's just another word for nothin' left to lose  
Nothin' don't mean nothin' hon' if it ain't free, no no  
And feelin' good was easy, Lord, when he sang the blues  
You know, feelin' good was good enough for me  
Good enough for me and my Bobby McGee

From the Kentucky coal mine to the California sun  
There Bobby shared the secrets of my soul  
Through all kinds of weather, through everything we done  
Yeah, Bobby baby kept me from the cold  
One day up near Salinas, Lord, I let him slip away  
He's lookin' for that home and I hope he finds it  
But I'd trade all o' my tomorrows for one single yesterday  
To be holdin' Bobby's body next to mine

# Me & Bobby McGee - pg 2

Freedom's just another word for nothin' left to lose  
Nothin', that's all that Bobby left me, yeah  
But if feelin' good was easy, Lord, when he sang the blues  
Hey, feelin' good was good enough for me, mm-hmm  
Good enough for me and my Bobby McGee

La-da-da La-da-da-da La-da-da da-da da-da  
La-da-da da-la-da la-da, Bobby McGee, yeah  
La-da-la-da-la-da La-da-la-da-da  
La-da-la-da-la-la, Bobby McGee, yeah  
La-da-da La-da-da La da-da La da-da  
La-da-da La da-da La da-da

Hey, my Bobby, Lord, my Bobby McGee, yeah  
Lo-da-lo da-la-lo-da-la  
Lo-da-la-lo da-la-lo la-la-lo la-la-lo la-la  
Hey, my Bobby, Lord, my Bobby McGee, yeah

Lord, I call him my lover, call him my man  
I said I call him my lover, did the best I can, c'mon  
Hey now Bobby now, hey now Bobby McGee, yeah  
La-da la-da la-da la-da la-da la-da la-la  
Hey, hey, hey, Bobby McGee, Lord!

----- instrumental break -----

La-da la-da la-da la-da la-da la-da la -  
Hey, hey, hey, Bobby McGee, yeah

# Memory

Midnight... Not a sound from the pavement  
Has the moon lost her memory... She is smiling alone  
In the lamplight The withered leaves collect at my feet  
And the wind... Begins to moan

Memory... All alone in the moonlight  
I can dream of the old days... Life was beautiful then  
I remember the time I knew what happiness was  
Let the memory... Live again

Every street lamp seems to beat  
A fatalistic warning  
Someone mutters and the street lamp sputters  
Soon it will be morning

Daylight... I must wait for the sunrise  
I must think of a new life... And I mustn't give in  
When the dawn comes Tonight will be a memory too  
And a new day... Will begin

Burnt out ends of smoky days  
The stale court smell of morning  
A street lamp dies Another night is over  
Another day is dawning

Touch me... It is so easy to leave me  
All alone with the memory... Of my days in the sun  
If you'll touch me, You'll understand what happiness is  
Look, a new day... Has begun...

## **Mercy Mercy Me**

Verse 1:

Ah, mercy, mercy me,  
Ah, things ain't what they used to be, no, no.  
Where did all the blue skies go?  
Poison is the wind that blows from  
The north and south and east.

Verse 2:

Mercy, mercy me,  
Ah, things ain't what they used to be, no, no.  
Oil wasted on the ocean and upon  
Our seas fish full of mercury,

Verse 3:

Oh, mercy, mercy me.  
Ah, things ain't what they used to be, no, no, no.  
Radiation underground and in the sky;  
Animals and birds who live near by are dying.

Verse 4:

Oh, mercy, mercy me.  
Ah, things ain't what they used to be.  
What about this over crowded land?  
How much more abuse from man can she stand?

## Misty

Look at me,  
I'm as helpless as a kitten up a tree  
And I feel like I'm clinging to a cloud  
I can't understand,  
I get misty just holding your hand.

Walk my way,  
And a thousand violins begin to play  
Or it might be the sound of your hello  
That music I hear,  
I get misty the moment you're near

You can say that you're leading me on  
But it's just what I want you to do  
Don't you notice how hopelessly I'm lost  
That's why I'm following you.

On my own,  
Would I wander through this wonderland alone  
Never knowing my right foot from my left,  
My hat from my glove,  
I'm too misty, and too much in love.

## Misty Blue

Oh, it's been such a long, long time,  
Looks like I get you off my mind,  
Oh, but I can't,  
Just the thought of you,  
Turns my whole world,  
A misty blue.

Just the mention of your name,  
Turns the flicker to a flame,  
I think of things we used to do,  
Then my whole world,  
Turns misty blue.

(chorus)  
I should forget you,  
Heaven knows I tried,  
But, when I say,  
"I'm glad we're through."  
My heart knows I've lied.

## **Move This**

Yo! Come on move this!  
Shake that body - Shake that body  
Shake that body - Shake that body

### **[Verse 1]**

People don't you know, - Don't you know it's about time  
Can you hear the jam is pumpin' - While you taste a piece of mine  
Many different flavors - And the spice is strong  
Get into the hot stuff - Let me pour a little some

### **[Verse 2]**

Baby let me show you how to do this  
You've gotta move this - You're doin' fine  
There's nothin' to it - You gotta groove it  
Come on and move this - Shake that body for

### **[Verse 1] ➔ [Verse 2] - me**

Shake that body for me - Shake that body

### **[Verse 3]**

People don't you know, - Don't you know it's about time

Pump it pump it pump pump it up - Nuttin' can make this one stop

Oh yeah, you gotta move this - Groove this and move this on  
Shake that body for me

## **Move This - 2**

Shake that body - Shake that body  
Shake that body for me - Shake that body

### **[Verse 3]**

Toes be tappin', Fingers snappin' - Hands clappin', Mamas rappin'  
Talkin' about cold laughin' - Shut up and do the wop  
Use what you got show me - Your on the floor so let me see  
Don't say nothing less I saw - And remember I like it raw

You gotta move this - You gotta move this  
Oh yeah, yeah, yeah - You gotta move this  
Uh, uh, uh, uh, - Shake that body for me

**[Verse 2] ➔ [Verse 2] - (Fade)**

# **Moves Like Jagger**

## **[Verse 1]**

Just shoot for the stars - If it feels right  
And aim for my heart - If you feel like  
Can take me away and make it OK - I swear I'll behave

You wanted control - So we waited  
I put on a show - Now I make it  
You say I'm a kid - My ego is big  
I don't give a shit - And it goes like this

## **[Pre-Chorus]**

Take me by the tongue - And I'll know you  
Kiss me 'til you're drunk - And I'll show you

## **[Chorus]**

All the moves like Jagger - I've got the moves like Jagger  
I've got the moves..... like Jagger

I don't need to try to control you -  
Look into my eyes and I'll own you

With the moves like Jagger - I've got the moves like Jagger  
I've got the moves like Jagger

## **[Verse 2]**

Baby it's hard - When you feel like you're broken and scarred  
Nothing feels right - But when you're with me  
I make you believe - That I've got the key

## **Moves Like Jagger - page 2**

So get in the car - We can ride it  
Wherever you want - Get inside it  
And you want to steer - But I'm shifting gears  
I'll take it from here - And it goes like this

**[Pre-Chorus]**

**[Chorus]**

**[Bridge]**

You want to know how to make me smile  
Take control, own me just for the night  
But if I share my secret - You're gonna have to keep it  
Nobody else can see this

So watch and learn - I won't show you twice  
Head to toe, oh baby, rub me right  
But if I share my secret - You're gonna have to keep it  
Nobody else can see this

And it goes like this

**[Pre-Chorus]**

**[Chorus]**

## Movin' On Up

Well we're movin on up,  
To the east side.  
To a deluxe apartment in the sky.  
Movin on up,  
To the east side.  
We finally got a piece of the pie.

Fish don't fry in the kitchen;  
Beans don't burn on the grill.  
Took a whole lotta tryin',  
Just to get up that hill.  
Now we're up in the big leagues,  
Gettin' our turn at bat.  
As long as we live, it's you and me baby,  
There ain't nothin wrong with that.

Well we're movin on up,  
To the east side.  
To a deluxe apartment in the sky.  
Movin on up,  
To the east side.  
We finally got a piece of the pie.

# Mr. Big Stuff

## [Chorus]

Mr. Big Stuff - Who do you think you are

Mr. Big Stuff - You're never gonna get my love

Now because you wear all those fancy clothes (oh yeah)

And have a big fine car, oh yes you do now

Do you think I can afford to give you my love (oh yeah)

You think you're higher than every star above

## [Chorus]

Now I know all the girls I've seen you with

I know you broke their hearts one after another now, bit by bit

You made 'em cry, many poor girls cry

When they tried to keep you happy, -

they just tried to keep you satisfied

## [Chorus]

I'd rather give my love to a poor guy that has a love that's true *oh yeah*

Than to be fooled around and get hurt by you

Cause when I give my love, I want love in return (oh yeah)

Now I know this is a lesson Mr. Big Stuff you haven't learned

## [Chorus]

Mr. Big Stuff - You're never gonna break my heart

Mr. Big Stuff - You're never gonna make me cry

## Mr. Saxobeat

## My Cherie Amour

La la la la la la

La la la la la la

My Cherie Amour, lovely as a summer's day  
My Cherie Amour, distant as the Milky Way  
My Cherie Amour, pretty little one that I adore  
You're the only girl my heart beats for  
How I wish that you were mine

In a cafe or sometimes on a crowded street  
I've been near you, but you never notice me  
My Cherie Amour, won't you tell me how could you ignore  
That behind that little smile I wore  
How I wish that you were mine

Maybe someday you'll see my face among the crowd  
Maybe someday I'll share your little distant cloud  
Oh, Cherie Amour, pretty little one that I adore  
You're the only girl my heart beats for  
How I wish that you were mine

La la la la la la

Oh, yeah, whenever you need me - Oh, I'll be there by your side  
I pledge my love to you - With God as our guide

Oh nothing, nothing, nothing in this world - Can keep us apart  
Ooh, my dearest darling - I'm offering you my heart

Ooh, my dearest darling...

## My Funny Valentine

My funny Valentine  
Sweet comic Valentine  
You make me smile with my heart  
Your looks are laughable  
Unphotographable  
Yet you're my favorite work of art

Is your figure less than Greek  
Is your mouth a little weak  
When you open it to speak  
Are you smart?

But don't change a hair for me  
Not if you care for me  
Stay little Valentine stay  
Each day is Valentine's day

Is your figure less than Greek  
Is your mouth a little weak  
When you open it to speak  
Are you smart?

But don't you change one hair for me  
Not if you care for me  
Stay little Valentine stay  
Each day is Valentine's day

## My Guy

Nothing you could say Can tear me away from my guy  
Nothing you could do 'Cause I'm stuck like glue to my guy  
I'm stickin to my guy like a... stamp to a letter  
Like the birds of a feather We... stick together  
I will tell you from the start I can't be torn apart from my guy

Nothing you can do Could make me untrue to my guy  
Nothing you could buy Could make me tell a lie to my guy  
I gave my guy my... word of honor  
To be faithful... and I'm gonna  
You best be believing I won't be deceiving my guy

As a matter of opinion I think he's tops  
My opinion is he's the cream of the crop  
As a matter of taste to be exact  
He's my ideal as a matter of fact

No muscle bound man could take my hand from my guy  
No handsome face could ever take the play of my guy  
He may not be a... movie star  
But when it comes to bein' happy... we are  
There's not a man today Who could take me away from my guy

No muscle bound man could take my hand from my guy  
No handsome face could ever take the play of my guy  
He may not be a... movie star  
But when it comes to bein' happy... we are  
There's not a man today Who could take me away from my guy  
There's not a man today Who could take me away from my guy

## **My Heart Will Go On**

Every night in my dreams... I see you, I feel you  
That is how I know you go on

Far across the distance... And spaces between us  
You have come to show you go on

### **[Chorus]**

Near, far, wherever you are  
I believe that the heart does go on  
Once more you open the door  
And you're here in my heart  
And my heart will go on and on

Love can touch us one time... And last for a lifetime  
And never go till we're one

Love was when I loved you... One true time I hold to  
In my life we'll always go on

### **[Chorus]**

There is some love that will not go away

You're here, there's nothing I fear,  
And I know that my heart will go on  
We'll stay forever this way  
You are safe in my heart  
And my heart will go on and on

# Natural Woman

Lookin' out on the mornin' rain  
I used to feel so uninspired  
And when I knew I had to face another day  
Lord, it made me feel so tired

Before the day I met you... Life was so unkind  
You're the key to my peace of mind

## {CHORUS}

'Cause You make me feel  
You make me feel  
You make me feel like a natural woman

When my soul was in the lost and found  
You came along... To claim it  
I didn't know just what was wrong with me  
Till your kiss helped me name it

Now I'm no longer doubtful... Of what I'm livin' for  
And if I make you happy I don't need to do more

## {CHORUS}

Oh, baby what you've done to me    *What you've done to me*  
You make me feel so good inside    *Good inside*  
And I just want to be    *Want to be*  
Close to you, you make me feel so alive

## {CHORUS} (Repeat until cue)

## The Nearness Of You

It's not the pale moon that excites me  
That thrills and delights me, oh no  
It's just the nearness of you

It isn't your sweet conversation  
That brings this sensation, oh no  
It's just the nearness of you

When you're in my arms and I feel you so close to me  
All my wildest dreams come true

I need no soft lights to enchant me  
But if you'll only grant me the right  
To hold you ever so tight  
And to feel in the night ooh the nearness of you

When you're in my arms and I feel you so close to me  
All my wildest dreams come true

I need no soft lights to enchant me  
But if you'll only grant me the right  
To hold you ever so tight  
And to feel in the night the nearness of you

## Neither One Of Us

It's sad to think we're not gonna be here  
And it's gotten to the point - Where we just can't fake it  
For some ungodly reason - We just won't let it be  
I guess neither one of us *Neither one of us*  
Wants to be the first to say good-bye

I keep wondering *Wondering* What I'm gonna do without you  
And I guess you must be wondering the same thing too  
So we go on, Go on together - Living a lie  
Because I guess neither one of us *Neither one of us*  
Wants to be the first to say good-bye

Everytime I find the nerve  
Everytime I find the nerve to say I'm leaving  
Memories Those old memories get in my way  
Lord knows it's only me - Only know it's me  
That I'm missing you  
When it comes to saying good-bye  
That a simple word that I just cannot say

There can be no way, There can be no way, *Be no way*  
This can have a happy ending, No, no *Happy ending*  
So we just go on Hurting and pretending  
Convincing ourselves to give it just one more try  
Because I guess neither one of us *Neither one of us*  
Wants to be the first to say  
Neither one of us wants to be the first to say  
Neither one of us wants to be the first to say  
Farewell my love Goodbye

## New York, New York

Start spreading the news, I'm leaving today  
I want to be a part of it - New York, New York  
These vagabond shoes, are longing to stray  
Right through the very heart of it - New York, New York

I wanna wake up in a city, that doesn't sleep  
And find I'm king of the hill - top of the heap

These little town blues, are melting away  
I'll make a brand new start of it - in old New York  
If I can make it there, I'll make it anywhere  
It's up to you - New York, New York

### **[Instrumental]**

New York, New York  
I want to wake up in a city, that never sleeps  
And find I'm A number one, Top of the list,  
King of the hill, A number one

These little town blues, are melting away  
I'm gonna make a brand new start of it - in old New York  
And if I can make it there, I'm gonna make it anywhere

It up to you - New York, New York - New York

## Night And Day

Night and day - You are the one  
Only you 'neath the moon Or under the sun

Whether near to me Or far,  
it's no matter, Darling where you are  
I think of you, Day and night

### **{BRIDGE}**

Night and day  
Why is it so  
That this longing for you - Follows wherever I go

In the roaring traffic's boom  
In the silence of my lonely room  
I think of you - Day and night

Night and day - Under the hide of me  
There's an oh, such a hungry, yearnin', burnin' inside of me

And it's torment won't let me through  
'Til you let me spend my life Making love to you  
Day and night, Night and Day

# **Ninety-Nine Red Balloons**

You and I in a little toy shop  
Buy a bag of balloons with the money we've got  
Set them free at the break of dawn  
'Til one by one they were gone  
Back at base, bugs in the software  
Flash the message, something's out there  
Floating in the summer sky  
Ninety-nine red balloons go by

Ninety-nine red balloons - Floating in the summer sky  
Panic bells, it's red alert - There's something here from somewhere else  
The war machine springs to life - Opens up one eager eye  
Focusing it on the sky - As ninety-nine red balloons go by

Ninety-nine decisions treat - Ninety-nine ministers meet  
To worry, worry, super scurry - Call out the troops now in a hurry  
This is what we've waited for - This is it, boys, this is war  
The President is on the line - As ninety-nine red balloons go by

Ninety-nine Knights of the air - Ride super-high-tech jet fighters  
Everyone's a superhero - Everyone's a Captain Kirk.  
With orders to identify - To clarify and classify.  
Scramble in the summer sky - As 99 red balloons go by.  
As 99 red balloons go by.

Ninety-nine dreams I have had - And every one a red balloon  
It's all over, and I'm standing pretty - In the dust that was a city  
I could find a souvenir - Just to prove the world was here  
And here is, a red balloon - I think of you and let it go

## No Woman No Cry

No woman no cry *No woman no cry*

No woman no cry *No woman no cry*

Say I remember when we used to sit  
In the government yard in Trenchtown  
Ob- observing all the hypocrites  
As they'd mingle with the good people we met  
Good friends we had and good friends we lost  
Along the way - in this bright future  
You can forget your past - so dry your tears I say.

No woman no cry *No woman no cry*

Hey little darling don't shed no tears *No woman no cry*

I remember when we used to sit  
In the government yard in Trenchtown  
And then Georgie would make a fire light  
As it was love wood burning through the night  
And we would cook wholemeal porridge  
Of which I'd share with you my feet is my only carriage  
So I've got to push on through but while I'm gone  
(I mean it) everything's gonna be all right

No woman no cry *No woman no cry*

Oh my little sister don't shed no tears *No woman no cry*

## One Fine Day

One fine day - You'll look at me  
And you will know our love was - Meant to be  
One fine day - You're gonna want me for your girl

The arms I long for - Will open wide  
And you'll be proud to have me - Right by your side  
One fine day - You're gonna want me for your girl

Though I know you're the - Kind of boy  
Who only wants to run around  
I'll keep waiting, and - Someday darling  
You'll come to me when you want to settle down, Oh!

One fine day - We'll meet once more  
And then you'll want the love you - Threw away before  
One fine day - You're gonna want me for your girl

**(SOLO)**

One fine day - You're gonna want me for your girl  
One fine day - You're gonna want me for your girl  
One fine day - You're gonna want me for your girl

## Only You

Only you - Can make this world seem bright  
Only you - Can make the darkness bright  
Only you and you alone - Can thrill me like you do  
And fill my heart with love - For only you

Only you - Can make this change in me  
For it's true - You are my destiny  
When you hold my hand I understand -  
The magic that you do  
You're my dream come true - My one and only you

{Solo}

Only you - Can make this change in me  
For it's true - You are my destiny  
When you hold my hand I understand -  
The magic that you do  
You're my dream come true - My one and only you...  
*One and only you*

But I can't stop trying I can't give up hope

'Cause I feel that one day I'll hold you near

Whisper I still love you

Until that day is here I'm crying

Ooo baby baby

Ooo baby baby

Ooo baby baby

Ooo baby baby ooo

Someday when your head is much lighter

## Our Love Is Here To Stay

It's very clear  
Our love is here to stay  
Not for a year  
But ever and a day  
The radio and the telephone  
And the movies that we know  
May just be passing fancies  
And in time may go

But oh, my dear  
Our love is here to stay  
Together we're  
Goin' a long, long way  
In time the Rockies may tumble  
Gibraltar may crumble  
They're only made of clay  
But, our love is here to stay

Solo

In time the Rockies may tumble  
Gibraltar may crumble  
They're only made of clay  
But, our love is here...  
Our love is here...  
Our love is here to stay

## Party In The USA

I hopped off the plane at L.A.X.  
With a dream and my cardigan  
Welcome to the land of fame excess (whoa)  
Am I gonna fit in?

Jumped in the cab, Here I am for the first time  
Look to my right and I see the Hollywood sign  
This is all so crazy - Everybody seems so famous

My tummy's turnin' and I'm feelin' kinda home sick  
Too much pressure and I'm nervous,  
That's when the taxi man turned on the radio -  
And a Jay-Z song was on - And a Jay-Z song was on -  
And a Jay-Z song was on

### **[Chorus]**

So I put my hands up, They're playing my song  
The butterflies fly away  
I'm noddin' my head like yeah, Movin' my hips like yeah  
I got my hands up, They're playin' my song  
I know I'm gonna be OK  
Yeah... It's a party in the USA  
Yeah... It's a party in the USA

## Party In The USA - 2

Get to the club in my taxi cab,  
Everybody's looking at me now  
Like, "Who's that chick that's rockin' kicks? -  
She gotta be from out of town."

So hard with my girls not around me  
It's definitely not a Nashville party  
'Cause all I see are stilettos, I guess I never got the memo

My tummy's turnin' and I'm feelin' kinda home sick  
Too much pressure and I'm nervous  
That's when the DJ dropped my favorite tune -  
And a Britney song was on - And a Britney song was on  
And a Britney song was on

### **[Chorus]**

Feel like hoppin' on a flight (on a flight)  
Back to my hometown tonight (town tonight)  
Something stops me every time (every time)  
The DJ plays my song and I feel alright

### **[Chorus] - 2X**

## People

People, - People who need people  
Are the luckiest people in the world  
Where children needing other children  
And yet letting our grown-up pride  
Hide all the need inside  
Acting more like children than children

Lovers - Are very special people  
They're the luckiest people in the world  
With one person,  
One very special person  
A feeling deep in your soul  
Says you are half now you're whole

No more hunger and thirst  
But first be a person who needs people  
People, People who need people  
Are the luckiest people in the world.

With one person - One very special person  
A feeling deep in your soul  
Says you are half now you're whole  
No more hunger and thirst  
But first be a person who needs people  
People, People who need people  
Are the luckiest people in the world.

## Piece Of My Heart

Didn't I make you feel like you were the only man, yeah,  
An' didn't I give you nearly everything -  
That a woman possibly can? - Honey, you know I did!  
And each time I tell myself that I, well I've just had enough,  
But I'm gonna show you, baby, that a woman can be tough.

### **[CHORUS]**

I said come on, come on, come on, come on and take it,  
Take another little piece of my heart now, baby,  
Break another little bit of my heart now, darling, yeah.  
Hey! Have another little piece of my heart now, baby, yeah.  
You know you got it if it makes you feel good,  
Oh yes indeed. All right!

You're out on the street looking good, honey,  
Deep down in your heart I said you know that it ain't right,  
Never never never never never never -  
Hear me when I cry at night. - Honey, I cry all the time!  
And each time I tell myself that I, well I can't stand the pain,  
But when you hold me in your arms, I'll sing it once again.

**[CHORUS]** - Now all right!

### **[CHORUS]**

Hey! Hey! Have another little piece of my heart now, baby,  
Break it, break it, break it, yeah.  
Have another little piece of my heart now, baby,  
You know you got it, child, if it makes you feel good.

## Pink Cadillac

Well now you may think I'm foolish - for all the foolish things I do  
You may wonder why I love you - when u get on my nerves like u do  
Well baby you know you bug me - well there ain't no doubt about that  
Come on over here and hug me - hey baby, I'll spill the facts  
Honey it ain't your money - 'cause I got plenty of that

### **{CHORUS}:**

*I love you for your* Pink Cadillac - crushed velvet seats  
Drivin' down the road - cruisin' down the streets  
Wavin' at the girls - peelin' out of sight  
Spendin' all my money on a Saturday night  
Honey, I just wonder what you do there in the back  
Of your Pink Cadillac, Pink Cadillac

### INSTR.

Well, way back in the bible - temptation always comes along  
There's always somebody temptin' - and doin' somebody wrong  
They tempt you with their silver - they tempt you with their gold  
And they tempt you with the pleasures - that flesh does surely hold  
They say Eve tempted Adam with an apple - but I ain't going for that

*I know it was her* **{CHORUS}** -- **{SOLO}**

Well some folks say it's too old - and it uses too much gas  
Some folks say that it's too big - and it's movin' way too fast  
It's bigger than a Honda - and it's bigger than a Subaru  
And there's only one place baby - and only one car that'll do  
Well we don't have to drive it - 'cause we can park it out in back

*And have a party in your* **{CHORUS}**

# **The Power Of Love**

The whispers in the morning    Of lovers sleeping tight  
Are rolling by like thunder now    As I look in your eyes

I hold on to your body    And feel each move you make  
Your voice is warm & tender    A love that I could not forsake

## **(First Chorus)**

'Cause I am your lady    And you are my man  
Whenever you reach for me    I'll do all that I can

Lost is how I'm feeling    Lying in your arms  
When the world outside's 2 much 2 take -  
That all ends when I'm with U

Even though there may be times    It seems I'm far away  
Never wonder where I am    'Cause I am always by your side

## **(Repeat first chorus)**

## **(Second Chorus)**

We're heading for something    Somewhere I've never been  
Sometimes I am frightened    But I'm ready to learn  
( 'Bout) Of the power of love

The sound of your heart beating    Made it clear suddenly  
The feeling that I can't go on    Is light years away

**(Repeat first chorus)    --    (Repeat second chorus) 2X**

## **Proud Mary**

Left a good job in the city  
Workin' for the man ev'ry night and day  
And I never lost one minute of sleepin'  
Worryin' 'bout the way things might have been

### **[Chorus]**

Big wheel keep on turnin'  
Proud Mary keep on burnin'  
Rollin', rollin', rollin' on the river  
Rollin', rollin', rollin' on the river

Cleaned a lot of plates in Memphis  
Pumped a lot of tain down in New Orleans  
But I never saw the good side of the city  
'Til I hitched a ride on a river boat queen

### **[Chorus]**

### **{Solo}**

If you come down to the river  
Bet you gonna find some people who live  
You don't have to worry if you got no money  
People on the river are happy to give

### **[Chorus]**

Yes I've been black but when I come back you'll know know know

With music by our side - to break the color lines  
Let's work together to improve our way of life  
Join voices in protest - to social injustice  
A generation full of courage come forth with me

### **[Chorus]**

People of the world today are we –  
Looking for a better way of life?  
Sing: We are a part of a rhythm nation . . .  
People of the world unite  
With strength in numbers we can get it right one time  
Sing it: We are a part of a rhythm nation . . .

This is the test - No struggle, no progress  
Lending a hand to help your brother do his best  
Things are getting worse - We have to make them better  
It's time to give a damn, let's work together  
Come on now...

## Ribbon In The Sky

Oh so long for this night I prayed  
That a star would guide you my way  
To share with me this special day  
Where a ribbon's in the sky for our love

If allowed may I touch your hand  
And if pleased may I once again  
So that you too will understand  
There's a ribbon in the sky for our love

Do...Do... - Do Do Do Do Do... - HMM HMM...

This is not a coincidence  
And far more than a lucky chance  
But what is that was always meant  
Is our ribbon in the sky for our love, love

We can't lose with God on our side  
We'll find strength in each tear we cry  
)From now on it will be you and I  
And our ribbon in the sky - Ribbon in the sky -  
A ribbon in the sky for our love

Do...Do... - Do Do Do Do Do... - HMM HMM...

(musical break)

There's a ribbon in the sky for our love

All the little birdies on Jaybird Street  
Love to hear the robin go tweet tweet tweet

### **Chorus:**

Rockin' robin, rock rock - Rockin' robin'  
Blow rockin' robin -  
'Cause we're really gonna rock tonight

Every little swallow, every chick-a-dee  
Every little bird in the tall oak tree  
The wise old owl, the big black crow  
Flappin' their wings singing go bird go

### **Chorus**

Pretty little raven at the bird-band stand  
Told them how to do the bop and it was grand  
They started going steady and bless my soul  
He out-bopped the buzzard and the oriole

He rocks in the tree tops all day long  
Hoppin' and a-boppin' and singing his song  
All the little birdies on Jaybird Street  
Love to hear the robin go tweet tweet tweet

## Satin Doll

Cigarette holder which wigs me  
Over her shoulder, she digs me.  
Out cattin' that satin doll.

Baby, shall we go out skippin?  
Careful, amigo, you're flippin',  
Speaks Latin that satin doll.

She's nobody's fool so I'm playing it cool as can be.  
I'll give it a whirl but I ain't for no girl catching me,  
Switch-a-rooney!

Telephone numbers well you know,  
Doin' my rhumbas with uno  
And that 'in my Satin Doll.

## **Saving All My Love for You**

A few stolen moments is all that we share  
You've got your family, and they need you there  
Though I've tried to resist, being last on your list  
But no other man's gonna do  
So I'm saving all my love for you

It's not very easy, living all alone  
My friends try and tell me, find a man of my own  
But each time I try, I just break down and cry  
Cause I'd rather be home feeling blue  
So I'm saving all my love for you

You used to tell me we'd run away together  
Love gives you the right to be free  
You said be patient, just wait a little longer  
But that's just an old fantasy

I've got to get ready, just a few minutes more  
Gonna get that old feeling when you walk through that door  
For tonight is the night, for feeling alright  
We'll be making love the whole night through  
So I'm saving all my love - Yes I'm saving all my love  
Yes I'm saving all my love for you

No other woman, is gonna love you more  
Cause tonight is the night, that I'm feeling alright  
We'll be making love the whole night through  
So I'm saving all my love - Yeah I'm saving all my love  
Yes I'm saving all my love for you - For you, for you

## **The Shadow Of Your Smile**

The shadow of your smile  
When you have gone  
Will color all my dreams  
And light the dawn

Look into my eyes my love and see  
All the lovely things you are to me

Our wistful little star  
It was far, too high  
A teardrop kissed your lips  
And so did I

Now when I remember spring  
All the joys that love can bring  
I will be remembering  
The shadow of your smile

## (Standing On) Shakey Ground

Lady luck and the four leaf clover  
Won't ease this hurt as I feel all over  
My life is one special occasion  
'Til your leavin' dampened the situation

### **[CHORUS]**

Ah, ha, ha, standing on shakey ground  
Every since you put me down  
Standing on shakey ground  
Every since you put me down

My car got repossessed this morning  
Harder times I haven't seen in years  
Lawd, you better throw me a life preserver  
I'm about to drown in my own tears

I said it's cryin' time

## Since I Fell For You

When you just give love, and never get love,  
You'd better let love depart.

I know it's so, and yet I know,  
I can't get you out of my heart.

You made me leave my happy home.  
You took my love, and now you've gone,  
Since I fell for you ...

Love brings such misery and pain.  
I guess I'll never be the same,  
Since I fell for you ...

Well it's too bad, and it's too sad,  
But I'm in love with you ...  
You love me, then you snub me.  
But what can I do, I'm still in love with you.

Well, I guess I'll never see the light.  
I get the blues most every night,  
Since I fell for you ...

Since I fell for you.

## (Sweet Sweet Baby) Since You've Been Gone

Baby baby, sweet baby... There's something that I just got to say  
Baby baby, sweet baby... You left me hurtin' in a real cold way

Speak your name - And I'll feel a thrill  
You said I do - And I said I will

I tell you that I'll stay true and give you just a little time  
Wait on me baby, I want you to be all mine -- I just get so blue

Since you've been gone, (*why'd you do it? why'd you have to do it?*)  
Since you've been gone (*why'd you do it? why'd you have to do it?*)

Baby baby, sweet baby... I didn't mean to run you away  
It was pride on my lips, - But not in my heart  
To say the things that made you stray

But ah, babe -- Hear me now (*hear me*)  
I don't know what I'm gonna do (*hear me*)  
Got to get you back somehow (*hear me now*) - I'm Cryin'

Take me back, consider me please  
If you walk in that door, I can get up off my knees - I just been so blue

Since you've been gone (*why'd you do it? why'd you have to do it?*)  
Since you've been gone (*why'd you do it? why'd you have to do it?*)  
Well I've been so lonely (*sweet sweet - sweet sweet baby*)  
Baby, since you've been gone (*sweet sweet - sweet sweet baby*)  
I've been so lonely (*why'd you do it? why'd you have to do it?*)  
Since you've been gone (*why'd you do it? why'd you have to do it?*)  
Baby baby baby been so lonely (*sweet sweet - sweet sweet baby*)

# Single Ladies (Put A Ring On It)

## [Chorus 1]

All the single ladies *All the single ladies* All the single ladies *All the single ladies*  
All the single ladies *All the single ladies* All the single ladies -  
Now put your hands up

Up in the club, we just broke up - I'm doing my own little thing  
You decided to dip but now you wanna trip - Cause another brother noticed me  
I'm up on him, he up on me - Don't pay him any attention  
Cause I cried my tears, for three good years - Ya can't be mad at me

## [Chorus 2]

Cause if you liked it then you should have put a ring on it  
If you liked it then you should've put a ring on it  
Don't be mad once you see that he want it  
If you liked it then you should've put a ring on it  
Wuh uh oh uh uh oh oh uh oh uh uh oh - Wuh uh oh uh uh oh oh uh oh uh uh oh

## [Chorus 2]

I got gloss on my lips, a man on my hips - Hold me tighter than my Dereon jeans  
Acting up, drink in my cup - I could care less what you think  
I need no permission, did I mention - Don't pay him any attention  
Cause you had your turn - And now you gonna learn  
What it really feels like to miss me

## [Chorus 2]

Don't treat me to these things of the world - I'm not that kind of girl  
Your love is what I prefer what I deserve - Is a man that makes me then takes me  
And delivers me to a destiny, to infinity and beyond  
Pull me into your arms - Say I'm the one you want  
If you don't, you'll be alone - And like a ghost I'll be gone

## [Chorus 1]

Wuh uh oh uh uh oh oh uh oh uh uh oh - Wuh uh oh uh uh oh oh uh oh uh uh oh

[Chorus 2] ➔ [Chorus 2] - Wuh uh oh

## Smooth Operator

Diamond life, lover boy.

We move in space with minimum waste and maximum joy.

City lights and business nights.

When you require streetcar desire for higher heights.

No place for beginners or sensitive hearts

When sentiment is left to chance.

No place to be ending but somewhere to start.

### **[Chorus]**

No need to ask. He's a smooth operator, smooth operator,  
Smooth operator, smooth operator.

Coast to coast, LA to Chicago, western male.

Across the north and south, to Key Largo, love for sale.

Face to face, each classic case.

We shadow box and double cross, - Yet need the chase.

A license to love, insurance to hold.

Melts all your memories and change into gold.

His eyes are like angels but his heart is cold.

### **[Chorus]**

Coast to coast, LA to Chicago, western male.

Across the north and south, to Key Largo, love for sale.

**[Chorus] Repeat to fade**

## Somebody To Love

When the truth is found to be lies  
And all the joy within you dies

### **(Chorus)**

Don't you want somebody to love  
Don't you need somebody to love  
Wouldn't you love somebody to love  
You better find somebody to love

When the garden's flowers, baby, are dead  
Yes, and your mind, your mind is so full of red

### **(Chorus)**

Your eyes, I say your eyes may look like his  
Yeah but in your head, baby  
I'm afraid you don't know where it is

### **(Chorus)**

Tears are running, they're all running down your breast  
And your friends, baby, they treat you like a guest

### **(Chorus)**

# Someone To Watch Over Me

## **[Verse]**

There's a somebody I'm longing to see  
I hope that he - Turns out to be  
Someone who'll watch... over me

## **[Verse]**

I'm a little lamb who's lost in the wood  
I knew I could - Always be good  
To one who'll watch... over me

## **[Bridge]**

Although he may not - Be the man some  
Girls think of - As handsome  
To my heart - He carries  
The key

## **[Verse]**

Won't you tell him please to put on some speed  
Follow my lead - Oh, how I need  
Someone to watch... over me

## Something To Talk About

People are talking, talking 'bout people  
I hear them whisper, you won't believe it  
They think we're lovers kept under covers  
I just ignore it, but they keep saying

We laugh just a little too loud  
We stand just a little too close  
We stare just a little too long  
Maybe they're seeing something we don't, Darlin'.

I feel so foolish, I never noticed  
You'd act so nervous, Could you be falling for me?  
It took a rumor to make me wonder  
Now I'm convinced I'm going under

Thinking 'bout you every day  
Dreaming 'bout you every night  
Hoping that you feel the same way  
Now that we know it, let's really show it, Darlin'.

Let's give them something to talk about  
tLet's give them something to talk about  
Let's give them something to talk about  
How about love, love, love, love?

Let's give them something to talk about  
A little mystery to figure out  
Let's give them something to talk about  
How about love, love, love, love?

## Somewhere Over The Rainbow

Somewhere over the rainbow  
Way up high,  
There's a land that I heard of  
Once in a lullaby.

Somewhere over the rainbow  
Skies are blue,  
And the dreams that you dare to dream  
Really do come true.

Someday I'll wish upon a star  
And wake up where the clouds are far  
Behind me.  
Where troubles melt like lemon drops  
Away above the chimney tops  
That's where you'll find me.

Somewhere over the rainbow  
Bluebirds fly.  
Birds fly over the rainbow.  
Why then, oh why can't I?

If happy little bluebirds fly  
Beyond the rainbow  
Why, oh why can't I?

## Son Of A Preacher Man

Billy Ray was a preacher's son  
And when his daddy would visit he'd come along  
When they gathered around and started talkin'  
That's when Billy would take me walkin'  
Out through the back yard we'd go walkin'  
Then he'd look into my eyes  
Lord knows, to my surprise

### **[Chorus]**

The only one who could ever reach me  
Was the son of a preacher man  
The only boy who could ever teach me  
Was the son of a preacher man  
Yes he was, he was, ooh, yes he was

Bein' good isn't always easy - No matter how hard I try  
When he started sweet-talkin' to me –  
He'd come'n tell me "Everything is all right"  
He'd kiss and tell me "Everything is all right"  
Can I get away again tonight?

### **[Chorus]**

How well I remember - The look that was in his eyes  
Stealin' kisses from me on the sly - Takin' time to make time  
Tellin' me that he's all mine - Learnin' from each other's knowin'  
Lookin' to see how much we've grown and... **[Chorus] 2x**

## A Song For My Son

I don't know where  
The time has gone  
Since those little boy days  
Doesn't seem that long  
Yet here you are  
It's your wedding day  
And there's one thing darling  
I'd like to say...

### **(chorus)**

Be kind, be sweet - Be a gentle man  
Care and share - And always be fair  
And remember though you now - Have taken a wife  
You will always be my son - My Loving son

You filled my life  
With so much joy  
As I watched you grow  
From that little boy  
Now I'll try not to cry  
As you walk away  
And just once more darling  
I'd like to say...

## Spanish Harlem

There is a rose in Spanish Harlem  
A red rose up in Spanish Harlem  
It is a special one, it's never seen the sun  
It only comes out when the moon is on the run  
And all the stars are gleaming  
It's growing in the street right up through the concrete  
But soft and sweet and dreamin'

There is a rose in Spanish Harlem  
A red rose up in Spanish Harlem  
With eyes as black as coal that look down in my soul  
And starts a fire there and then I lose control  
I have to beg your pardon  
I'm going to pick that rose  
And watch her as she grows in my garden

<instrumental interlude>

I'm going to pick that rose  
And watch her as she grows in my garden

## Stand By Me

When the night has come  
And the land is dark  
And the moon is the only light we'll see

No I won't be afraid  
No I won't be afraid  
Just as long as you stand, stand by me

### **{CHORUS}**

So darling, darling, stand by me  
Oh, stand by me  
Oh, stand, stand by me, stand by me

If the sea, that we look upon  
should tumble and fall  
Or the mountain should crumble in the sea

I won't cry, I won't cry  
No I won't, shed a tear  
Just as long as you stand, stand by me

## Standing On Shakey Ground

Lady luck and the four leaf clover  
Won't ease this hurt as I feel all over  
My life is one special occasion  
'Til your leavin' dampened the situation

### **[CHORUS]**

Ah, ha, ha, Standing on shakey ground  
Every since you put me down  
Standing on shakey ground  
Every since you put me down

My car got repossessed this morning  
Harder times I haven't seen in years  
Lawd, you better throw me a life preserver  
I'm about to drown in my own tears

# Star Spangled Banner

Oh, say can you see  
By the dawn's early light  
What so proudly we hailed  
At the twilight's last gleaming?

Whose broad stripes and bright stars  
Thru the perilous fight,  
O'er the ramparts we watched  
Were so gallantly streaming?

And the rocket's red glare,  
The bombs bursting in air,  
Gave proof through the night  
That our flag was still there.

Oh, say does that star-spangled  
Banner yet wave  
O'er the land of the free  
And the home of the brave?

## Steppin' Out, Steppin' In

I came home this mornin' and oh, what a shock  
When I found out my key no longer fits my lock  
She said "Oh baby, You can go back to where you've been  
See you've been steppin' out, now someone else was steppin' in

You see I was a fool that you could count on  
The one that you could call when no one else was at home  
Oh baby, Remember how you treated me then  
See you've been steppin' out, now someone else was steppin' in

### **{Bridge}**

So cry your heart out you won't get through to me  
I'm a brand new woman and everyone could see  
A new way of walkin' that's long over due  
My broken heart has mended and I'm finally over you

### **{3rd VERSE}**

You see I got a new way of wearin' my hair  
Got a smile on my face and you didn't put it there  
Oh, baby, I done found myself a new friend  
See you've been steppin' out, now someone else was steppin' in

## Stop! In The Name Of Love

**[Chorus]:** Stop! In the name of love - Before you break my heart

Baby, baby I'm aware of where you go

Each time you leave my door

I watch you walk down the street

Knowing your other love you'll meet

But this time before you run to her

Leaving me alone and hurt

*Think it over* - After I've been good to you?

*Think it over* - After I've been sweet to you?

**[Chorus] ➔ [Chorus] ➔** Think it over - Think it over

I've known of your - Your secluded nights

I've even seen her maybe once or twice

But is her sweet expression

Worth more than my love and affection?

But this time before you leave my arms

And rush of to her charms

*Think it over* - Haven't I been sweet to you?

**[Chorus] ➔ [Chorus] ➔** Think it over - Think it over

Hoping you'll stop this infatuation

But each time you are together

I'm so afraid I'll be losing you forever

## Stormy Monday

They call it stormy Monday  
But Tuesday's just as bad.  
They call it stormy Monday  
But Tuesday's just as bad.  
Lord and Wednesday's worse  
And Thursday's all so sad

The eagle flies on Friday,  
Saturday I go out to play  
The eagle flies on Friday,  
Saturday I go out to play  
Sunday I go to church, yeah  
Gonna kneel down and pray.

Lord have mercy,  
Lord have mercy on me.  
Lord have mercy,  
Lord have mercy on me.  
Though I'm tryin' and tryin' to find my baby,  
Won't someone please send her home (to me).

## Summertime

Summertime, and the livin' is easy  
Fish are jumpin' and the cotton is high  
Oh, your daddy's rich and your ma is good-lookin'  
So hush little baby, Don't you cry

One of these mornings you're gonna rise up singing

## Sunrise, Sunset

Is this the little girl I carried,  
Is this the little boy at play?  
I don't remember growing older, when did they?

When did she get to be a beauty,  
When did he grow to be so tall?  
Wasn't it yesterday when they, were, small?

### **[CHORUS]**

Sunrise, sunset, sunrise, sunset,  
Swiftly flow the days,.  
Seedlings turn overnight to sunflowers,  
Blossoming even as we gaze

Sunrise, sunset, sunrise, sunset,  
Swiftly, fly the years,  
One season following another,  
Laden with happiness and tears.

Now is this little boy a bridegroom,  
Now is the little girl a bride?  
Under the canopy I see them, side by side

Place the gold ring around her finger,  
Share the sweet wine and break the glass,  
Soon the full circle will have come, to, pass.

If you want something to play with  
Go and find yourself a toy  
Baby, my time is too expensive  
And I'm not a little boy  
If you are serious  
Don't play with my heart, it makes me furious  
But if want me to love you  
Then, baby, I will, girl, you know I will

Tell it like it is  
Don't be ashamed to let your conscience be your guide  
But I-I-I-I-I know deep down inside of me  
I believe you love me, forget your foolish pride  
Life is too short to have sorrow  
You may be here today and gone tomorrow  
You might as well get what you want  
So go on and live, baby, go on and live

Tell it like it is  
I'm nothin' to play with, go and find yourself a toy  
But I-I-I-I-I  
Tell it like it is  
My time is too expensive  
And I'm not your little boy

I was dancin' with my darlin' to the Tennessee Waltz  
When an old friend I happened to see

I remember the night and the Tennessee Waltz  
Now I know just how much I have lost  
Yes, I lost my little darlin' the night they were playing

## That's What Friends Are For

And I - never thought I'd feel this way  
And as far as I can say  
I'm glad I got the chance to say  
That I do believe I love you

And if - I should ever go away  
But then close your eyes and try  
To feel the way we do today  
And then if you can remember...

### **{Chorus}**

Keep smilin', keep shinin'  
Knowin' you can always count on me -- for sure  
That's what friends are for  
For good times, and bad times  
I'll be on your side forever more  
That's what friends are for

(Sax starts verse) or (Da-da... Da-da-da da-da da-da)  
Well you came and opened me  
Now there's so much more to see  
And so by the way I thank you

And then, for the times that we're apart  
Well then close your eyes and go  
Words are comin' from my heart  
And then if you can remember...

# Thinking Out Loud

When your legs don't work like they used to before  
And I can't sweep you off of your feet  
Will your mouth still remember the taste of my love?  
Will your eyes still smile from your cheeks?

And, darling, I... will... be loving you... 'til we're 70  
And, baby, my... heart... could still fall as... hard at 23

And I'm thinking 'bout how People fall in love in mysterious ways  
Maybe just the touch of a hand  
Well, me I fall in love with you every single day  
And I just wanna tell you I am

**[Chorus]:** So honey now - Take me into your loving arms  
Kiss me under the light of a thousand stars  
Place your head on my beating heart - I'm thinking out loud,  
Maybe we found love right where we are

When my hair's all but gone and my memory fades  
And the crowds don't remember my name  
When my hands don't play the strings the same way (mmm...)  
I know you will still love me the same

'Cause honey your... soul... could never grow... old, it's evergreen  
And, baby, your... smile's... forever in... my mind and memory

I'm thinking 'bout how people fall in love in mysterious ways  
Maybe it's all part of a plan  
Well, I'll just keep on making the same mistakes  
Hoping that you'll understand

**[Chorus] ➔ [Solo]** - La la la la la la la lo-ud ➔ **[Chorus]**

## This Masquerade

Are we really happy here  
With this lonely game we play  
Lookin' for words to say  
Searching but not finding understanding anyway  
We're lost in a masquerade

Both afraid to say we're just to far away  
From being close together from the start  
We tried to talk it over but the words got in the way  
We're lost - inside - this lonely game we play

Thoughts of leaving disappear  
Every time I see your eyes  
No matter how hard I try  
To understand the reasons  
That we carry on this way  
We're lost in a masquerade

## Time After Time

Lying in my bed I hear the clock tick, and think of you  
Caught up in circles, confusion is nothing new  
Flashback, warm nights, - Almost left behind  
Suitcase of memories, - Time after

Sometimes, you picture me, I'm walking too far ahead  
You're calling to me, I can't hear what you've said--  
Then you say, go slow - I fall behind  
The second hand unwinds

### **[Chorus]**

If you're lost, you can look, and you will find me -  
Time after time  
If you fall I will catch you, I'll be waiting - Time after time

### **[Chorus]**

After my picture fades, and darkness has turned to gray  
Watching through windows, you're wondering if I'm ok  
Secrets stolen, - From deep inside  
The drum beats out of time

### **[Chorus]**

You said "Go slow" - I fall behind  
The second hand unwinds

**[Chorus] → [Chorus]** - Time after time - Time after time  
Time after time - Time after time - Time after time...

When the rain is blowing in your face  
And the whole world is on your case  
I would offer you a warm embrace  
To make you feel my love

When evening shadows and the stars appear  
And there is no one to dry your tears  
I could hold you for a million years  
To make you feel my love

I know you haven't made your mind up yet  
But I would never do you wrong  
I've known it from the moment that we met  
There's no doubt in my mind where you belong

I'd go hungry, I'd go black and blue  
I'd go crawling down the avenue  
There ain't nothing that I wouldn't do  
To make you feel my love

And down the highway of regret  
The winds of change are blowing wild and free  
You ain't seen nothing like me yet

Make you happy, make your dreams come true  
Nothing that I wouldn't do  
Go to the ends of the earth for you  
To make you feel my love - To make you feel my love

## To Sir, With Love

Those schoolgirl days...

Of telling tales and biting nails are gone

But in my mind I know they will still live on and on

But how do you thank someone

Who has taken you from crayons to perfume?

It isn't easy, but I'll try

If you wanted the sky I would write across the sky in letters

That would soar a thousand feet high 'To Sir, With Love'

The time has come...

For closing books and long last looks must end

And as I leave I know that I am leaving my best friend

A friend who taught me right from wrong -

And weak from strong

That's a lot to learn, but what can I give you in return?

If you wanted the moon I would try to make a start

But I would rather you let me give my heart -

'To Sir, With Love'

[Instrumental Interlude to end]

## Tonight I Celebrate My Love

{She}.... Tonight I celebrate my love for you  
It seems the natural thing to do

{He}.... Tonight no one's gonna find us  
We'll leave the world behind us

{Both}... When I make love to you

{She}.... Tonight I celebrate my love for you  
And hope that deep inside you'll feel it too

{He}.... Tonight our spirits will be climbing  
To a sky filled up with diamonds

{Both}... When I make love to you... Tonight

==[BRIDGE]==

{Both}.. Tonight I celebrate my love for you  
And that midnight sun is gonna come shining thru

{He}.... Tonight there'll be no distance between us

{She}.... What I want most to do, is to get close to you

{Both}.. Tonight

{She}.... Tonight I celebrate my love for you  
And soon this old world will seem brand new

{He}.... Tonight we will both discover  
How friends turn into lovers

{Both}.. When I make love to you

==[BRIDGE]==

{Both}.. Tonight I celebrate my love for you... Tonight

## Truth Hurts

Why are men great 'til they gotta be great? - Woo

I just took a DNA test, turns out I'm 100% that bitch  
Even when I'm crying crazy  
Yeah, I got boy problems, that's the human in me  
Bling bling, then I solve 'em, that's the goddess in me  
You coulda had a bad bitch, non-committal  
Help you with your career just a little  
You're 'posed to hold me down, but you're holding me back  
And that's the sound of me not calling you back

Why are men great 'til they gotta be great?  
Don't text me, tell it straight to my face  
Best friend sat me down in the salon chair  
Shampoo press, get you out of my hair  
Fresh photos with the bomb lighting  
New man on the Minnesota Vikings  
Truth hurts, needed something more exciting  
Bom bom bi dom bi dum bum bay

You tried to break my heart?  
Oh, that breaks my heart  
That you thought you ever had it  
No, you ain't from the start  
Hey, I'm glad you're back with your bitch  
I mean who would wanna hide this?  
I will never, ever, ever, ever, ever be your side chick  
I put the sing in single  
Ain't worried 'bout a ring on my finger  
So you can tell your friend, "Shoot your shot" when you see 'em  
It's OK, he already in my DMs

# Turn The Beat Around

Turn it up, turn it up, turn it upside down - 4X

## **[CHORUS]**

Turn the beat around - Love to hear the percussion  
Turn it upside down - Love to hear the percussion  
Love to hear it

Blow horns you sure sound pretty  
Your violins keep movin' to the nitty gritty  
When you hear the scratch of the guitars scratchin'  
Then you'll know that rhythm carries all the action, so Whoa yeah

## **[CHORUS] 2X**

Flute player play your flute 'cause  
I know that you want to get your thing off  
But you see I've made up my mind about it  
It's got to be the rhythm, no doubt about it, whoa whoa  
'Cause when the guitar player start playing  
With the syncopated rhythm, with the scratch, scratch, scratch  
Makes me wanna move my body yeah, yeah, yeah  
And when the drummer starts beating that beat  
He nails that beat with the syncopated rhythm  
With the rat, tat, tat, tat, tat, tat on the drums, hey

**[CHORUS]** - Love to hear it - Love to hear it - Love to hear it

Turn it up, turn it up, turn it upside down - 4X

## **[CHORUS]**

## Unchained Melody

Oh, my love, my darling,  
I've hungered for your touch... a long, lonely time,  
Time goes by so slowly  
And time can do so much... Are you still mine?  
I need your love, I need your love,  
God speed your love to me.

Lonely rivers flow to the sea, to the sea  
To the open arms of the sea  
Lonely rivers sigh, "Wait for me, wait for me"  
"I'll be coming home, wait for me!"

Oh, my love, my darling,  
I've hungered for your touch a long, lonely time,  
Time... goes by... so slowly  
And time can do so much.  
Are you still mine?  
I need your love, I need your love,  
God speed your love to me

# Underneath It All

There's times where I want something more    Someone more like me  
There's times when this dress rehearsal    Seems incomplete  
But, you see the colors in me like no one else    -  
And behind your dark glasses you're...    - You're something else

**[Chorus]** - You're really lovely    - *Underneath it all*  
You want to love me    - *Underneath it all*  
I'm really lucky    - *Underneath it all*  
You're really lovely    - *Underneath it all*

You know some real bad tricks    And you need some discipline  
But, lately you've been trying real hard    And giving me your best  
And, you give me the most gorgeous sleep    That I've ever had  
And when it's really bad    I guess it's not that bad

**[Chorus]**

So many moons that we have seen    Stumbling back next to me  
I've seen right through and underneath    And you make me better  
I've seen right through and underneath    And you make me better  
Better... better...

I said I need it all    You are my real Prince Charmin'  
Like the heat from the fire    You were always burnin'  
And each time you're around    My body keeps callin'  
For your touch    Your kisses and your sweet romancin'  
There's an underside to you    That so many adore  
Aside from your temper    Everything else secure  
You're no good for me, baby    Oh that, I'm sure  
Over and over again    Me want more

You've used up all your coupons,    And all you've got left is me  
& somehow I'm full of forgiveness, I guess it's meant to be **[:Chorus:]**

## **Unforgettable**

Unforgettable - That's what you are  
Unforgettable - Though near or far  
Like a song of love that clings to me  
And how the thought of you does things to me  
Never before - Has someone been more

Unforgettable - In every way  
And forever more - That's how you'll stay  
That's why darling - It's incredible  
That someone so - Unforgettable  
Thinks that I am - Unforgettable, too

### **Solo**

Unforgettable - In every way  
And forever more - That's how you'll stay  
That's why darling - It's incredible  
That someone so - Unforgettable  
Thinks that I am - Unforgettable, too

## Up On The Roof

When this old world starts getting me down  
And people are just too much for me to face *Up on the roof*  
I'll climb way up to the top of the stairs  
And all my cares just drift right into space *Up on the roof*

On the roof it's peaceful as can be  
And there the world below don't bother me

So, when I come home feeling tired and beat  
I'll go up where the air is fresh and sweet *Up on the roof*  
I'll get far away from the hustling crowd  
And all that rat-race noise down in the street *Up on the roof*

On the roof that's the only place I know  
Where you just have to wish to make it so *Up on the roof*

**{Solo}**

At night the stars put on a show for free  
And darling, you can share it all with me I keep telling you

Right smack dab in the middle of town  
I found a paradise that's trouble proof *Up on the roof*  
And if this world starts getting you down  
There's room enough for two up on the roof *Up on the roof*

Up on the roof - *Up on the roof* **(Repeat and Fade)**

## **Upside Down**

I said upside down - You're turning me  
You're giving love instinctively  
Around and round you're turning me

### **[Chorus]**

Upside down - Boy, you turn me  
Inside out - And round and round  
Upside down - Boy, you turn me  
Inside out - And round and round

### **{VERSE 1}**

Instinctively you give to me - The love that I need  
I cherish the moments with you  
Respectfully I say to thee - I'm aware that you're cheating  
When no one makes me feel like you do

### **[Chorus]**

I know you got charm and appeal - You always play the field  
I'm crazy to think you are mine  
As long as the sun... continues to shine  
There's a place in my heart for you - That's the bottomline

### **[Chorus] -- {VERSE 1} -- [Chorus] 2x**

Upside down you're turning me  
You're giving love instinctively  
Around and round you're turning me  
I say to thee respectfully - **REPEAT 3 X's**

Upside down you're turning me

# Valerie

## **[Verse 1]**

Well sometimes I go out by myself - And I look across the water  
And I think of all the things, what you're doing -  
And in my head I paint a picture

## **[Pre-Chorus]**

Since I've come on home, - Well my body's been a mess  
And I've missed your ginger hair - And the way you like to dress  
Won't you come on over - Stop making a fool out of me  
Why don't you come on over,

## **[Chorus]**

Valerie? - Valerie? - Valerie? - Valerie?

Did you have to go to jail, - Put your house on up for sale,  
Did you get a good lawyer?  
I hope you didn't catch a tan, - I hope you find the right man  
Who'll fix it for ya  
Are you shopping anywhere, - Changed the color of your hair,  
Are you busy?  
And did you have to pay that fine - You was dodging all the time  
Are you still dizzy?

**[Pre-Chorus] ➔ [Chorus]**

**[Verse 1] ➔ [Pre-Chorus] ➔ [Chorus] ➔ [Chorus]**

## The Very Thought Of You

The very thought of you and I forget to do  
The little ordinary things that everyone ought to do  
I'm living in a kind of daydream  
I'm happy as a king  
And foolish though it may seem  
To me that's everything

The mere idea of you, the longing here for you  
You'll never know how slow the moments go  
Till I'm near to you  
I see your face in every flower  
Your eyes in stars above  
It's just the thought of you  
The very thought of you, my love

<instrumental interlude>

The mere idea of you, the longing here for you  
You'll never know how slow the moments go  
Till I'm near to you  
I see your face in every flower  
Your eyes in stars above  
It's just the thought of you  
The very thought of you, my love

## Walkin' After Midnight

I go out walkin' - After midnight  
Out in the moonlight - Just like we used to do  
I'm always walkin' - After midnight - Searching for you

I walk for miles - Along the highway  
Well that's just my way - Of saying I love you  
I'm always walkin' - After midnight - Searching for you

I stopped to see a weeping willow - Cryin' on his pillow  
Maybe he's crying for me  
And as the skies turn gloomy - Night winds whisper to me  
I'm lonesome as I can be

I go out walkin' - After midnight  
Out in the moonlight - Just hoping you may be  
Somewhere walkin' - After midnight - Searching for me

I stopped to see a weeping willow - Crying on his pillow  
Maybe he's crying for me  
And as the skies turn gloomy - Night winds whisper to me  
I'm lonesome as I can be

I'm out walkin' - After midnight  
Out in the moonlight - Just hoping you may be  
Somewhere walkin' - After midnight - Searching for me

## Walking On Sunshine

I used to think maybe you loved me, now baby I'm sure  
And I just can't wait 'til the day, when you knock on my door  
Now everytime I go for the mailbox, gotta hold myself down  
'Cause I just can't wait till you write me, you're comin' around

Now I'm walking on sunshine (whoa oh)  
I'm walking on sunshine (whoa oh) --  
I'm walking on sunshine (whoa oh)  
And don't it feel good, hey, all right now,  
And don't it feel good, hey, yeah

I used to think maybe you loved me, now I know that it's true  
And I don't wanna spend my whole life, just a waitin' for you  
Now I don't want you back for the weekend, --  
Not back for a day, no-no-no  
I said baby I just want you back, and I want you to stay

Oh yeah...Now I'm walking on sunshine (whoa oh)  
I'm walking on sunshine (whoa oh) --  
I'm walking on sunshine (whoa oh)  
And don't it feel good, hey, all right now,  
And don't it feel good, hey, yeah  
Oh yeah, and don't it feel good

**[Guitar solo]**

## Walking On Sunshine - 2

Walkin' on sunshine...walkin' on sunshine...yeah

I fell alive, I feel a love, I feel a love that's really real

I fell alive, I feel a love, I feel a love that's really real

I'm on sunshine baby, oh, oh yeah, I'm on sunshine baby, oh

I'm walkin' on sunshine (whoa oh ) --

I'm walkin' on sunshine (whoa oh )

I'm walkin' on sunshine (whoa oh )

And don't it feel good, hey, all right now

And don't it feel good, I say it, say it, say it again, now

And don't it feel good, hey, yeah now

And don't it feel good, now don't it, --

Don't it, don't it, don't it , don't it

Don't it feel good, I say it, I say it, I say it again, now

And don't it feel good, don't it, don't it, don't it (vamp out)

When the fish head fills the air  
Be snuff juice everywhere

Make it last forever - *Friendship never ends*,  
If you wanna be my lover, you have got to give,  
Taking is too easy, but that's the way it is.

What do you think about that now you know how I feel,  
Say you can handle my love are you for real,  
I won't be hasty, I'll give you a try  
If you really bug me then I'll say goodbye.

## Wannabe - 2

**[Chorus] ➔ [Chorus 2]**

Slam your body down and wind it all around.  
Slam your body down and wind it all around (uh uh).  
Slam your body down and wind it all around.  
Slam your body down zigazig ah

If you wanna be my lover.

# **We Are Family**

## **(CHORUS)**

We are family - I got all my sisters with me

We are family - Get up ev'rybody and sing

Ev'ryone can see we're together -

As we walk on by

*AND!* And we flock just like birds of a feather -

I won't tell no lie

*ALL!* All of the people around us they say

Can they be that close

Just let me state for the record

We're giving love in a family dose

## **(CHORUS) - 2X**

Living life is fun and we've just begun To get our share

Of this world's delights

*HIGH!* High hopes we have For the future

And our goal's in sight

*WE!* No we don't get depressed Here's what we call

Our golden rule

Have faith in you and the things you do You won't go wrong

This is our family Jewel

## **(CHORUS) - REPEAT TO FADE**

# We Belong

We belong, we belong to the light - Many times I've tried to tell you  
Many times I've cried alone - Always I'm surprised how well you  
Cut my feelings to the bone

Don't want to leave you really - I've invested too much time  
To give you up that easy To the doubts that complicate your mind

## **Chorus:**

We belong to the light - We belong to the thunder  
We belong to the sound of the words - We've both fallen under  
Whatever we deny or embrace - For worse or for better  
We... belong, we belong - We belong together

Maybe it's a sign of weakness - When I don't know what to say  
Maybe I just wouldn't know - What to do with my strength anyway  
Have we become a habit - Do we distort the facts  
Now there's no looking forward - Now there's no turning back  
When you say

## **[Chorus]**

Close your eyes and try to sleep now - Close your eyes and try to dream  
Clear your mind and do your best - To try and wash the palette clean  
We can't begin to know it - How much we really care  
I hear your voice inside me - I see your face everywhere  
Still you say

## **[Chorus]**

## We've Only Just Begun

We've only just begun to live  
White lace and promises  
A kiss for luck and we're on our way  
We've only just begun

Before the rising sun we fly  
So many roads to choose  
We start our walking  
And learn to run  
And yes! we've only just begun

(\*) |Sharin' horizons that are new to us  
Watchin' the signs along the way  
Talkin' it over just the two of us  
Workin' together day to day, together

(\*\*) And when the evening comes we smile  
So much of life ahead  
We'll find a place where there's room to grow  
And yes! we've only just begun

Repeat (\*)

Repeat (\*\*)

# What The World Needs Now Is Love

## [CHORUS]

What the world needs now is love, sweet love  
It's the only thing that there's just too little of  
What the world needs now is love, sweet love,  
No not just for some but for everyone.

Lord, we don't need another mountain,  
There are mountains and hillsides enough to climb  
There are oceans and rivers enough to cross,  
Enough to last till the end of time.

## [CHORUS]

Lord, we don't need another meadow,  
There are corn fields and wheat fields enough to grow,  
There are sunbeams and moonbeams enough to shine,  
Oh listen Lord, if you want to know

## [CHORUS]

Every, every, everyone.

What the world (whoa whoa) needs now,  
Is love (is love) sweet love  
What the world (oh oh) needs now  
Is love (is love) sweet love  
What the world (whoa whoa) needs now  
Is love (is love) sweet love

## What You Won't Do For Love

I guess you wonder where I've been  
I searched to find a love within  
I came back to let you know  
Got a thing for you and I can't let go

My friends wonder what is wrong with me  
Well I'm in a daze from your love, you see  
I came back to let you know  
Got a thing for you and I can't let go

Some people go around the world for love  
But they may never find what they dream of  
What you won't do, do for love  
You've tried everything but you don't give up

In my world only you  
Makes me do for love what I would not do  
But then I only want the best it's true  
They can't believe the things I do for you  
What you won't do, do for love  
You've tried everything but you don't give up

In my world, only you  
makes me do For love What I would not do  
Makes me do for love What I would not do

# What's Love Got To Do With It

You must understand - That the touch of your hand  
Makes my pulse react  
That it's only the thrill - Of boy meeting girl  
Opposites attract

It's physical... - Only logical...  
You must try to ignore - That it means more than that

## **[Chorus]**

Oh what's love got to do, got to do with it  
What's love but a second hand emotion  
What's love got to do, got to do with it  
Who needs a heart when a heart can be broken

It may seem to you - That I'm acting confused  
When you're close to me  
If I tend to look dazed - I've read it someplace  
I've got cause to be

There's a name for it... - There's a phrase that fits...  
But whatever the reason - You do it for me

## **[Chorus]**

I've been taking on a new direction - But I have to say  
I've been thinking 'bout my own protection - It scares me to feel this way

## **[Chorus]**

What's love got to do, got to do with it  
What's love but a sweet old fashioned notion  
What's love got to do, got to do with it  
Who needs a heart when a heart can be broken

## What's Up

Twenty-five years and my life is still  
Trying to get up that great big hill  
Of hope - For a destination  
I realized quickly when I knew I should  
That the world was made up of this brotherhood  
Of man - For whatever that means

### **[Verse 2]**

And so I cry sometimes when I'm lying in bed -  
Just to get it all out, what's in my head  
And I, I am feeling - A little peculiar  
And so I wake in the morning, and I step outside -  
And I take a deep breath, and I get real high  
And I scream from the top of my lungs - What's going on?

### **[Chorus]**

And I say, hey-ey-ey-ey hey-ey-ey - I said hey, what's going on?  
And I say, hey-ey-ey-ey hey-ey-ey - I said hey, what's going on?  
Ooh, ooh ooh... ooh... - Ooh, ooh ooh... ooh...

And I try... Oh my god do I try  
I try all the time - In this institution  
And I pray... Oh my god do I pray  
I pray every single day - For a revolution

**[Verse 2] ➔ [Chorus] ➔ [Chorus] - Ooh, ooh ooh... ooh...**

Twenty-five years and my life is still  
Trying to get up that great big hill Of hope - For a destination

## When I Fall In Love

When I fall in love it will be forever  
Or I'll never fall in love  
In a restless world like this is  
Love is ended before it's begun  
And too many moonlight kisses  
Seem to cool in the warmth of the sun

When I give my heart it will be completely  
Or I'll never give my heart  
And the moment I can feel that you feel that way too  
Is when I fall in love with you.

<instrumental interlude first two lines>

And the moment I can feel that you feel that way too  
Is when I fall in love with you.

## **When You Say Nothing At All**

It's amazing how you can speak right to my heart  
Without saying a word, you can light up the dark  
Try as I may, I can never explain  
What I hear when you don't say a thing...

### **[Chorus]**

The smile on your face lets me know that you need me  
There's a truth in your eyes saying you'll never leave me  
The touch of your hand says you'll catch me, -  
Where ever I fall...  
You say it best, when you say nothing at all

All day long I can hear people talking out loud  
But when you hold me near, you drown out the crowd  
Try as they may, they can never define  
What's been said between your heart and mine...

**[Chorus]** ➔

**{Solo}**

**[Chorus]** ➔ Ad lib to end.

You say it best, when you say nothing at all

All day long I can hear people talking out loud  
But when you hold me near, you drown out the crowd  
Try as they may, they can never define

*Alt Ver:* Old Mister Webster could never define  
What's been said between your heart and mine...

**[Chorus]** ➔

**{Solo}**

**[Chorus]** ➔ Ad lib to end.

## White Rabbit

One pill makes you larger,  
And one pill makes you small  
And the ones that mother gives you,  
Don't do anything at all  
Go ask Alice, when she's ten feet tall

And if you go chasing rabbits  
And you know you're going to fall  
Tell 'em a hookah-smoking caterpillar  
Has given you the call  
And call Alice, when she was just small

When the men on the chessboard  
Get up and tell you where to go  
And you've just had some kind of mushroom  
And your mind is moving low  
Go ask Alice, I think she'll know

When logic and proportion have fallen sloppy dead  
And the white knight is talking backwards  
And the red queen's off with her head  
Remember what the dormouse said  
Feed your head, feed your head

## Wild Night

As you brush your shoes, you stand before your mirror  
And you comb your hair, grab your coat and hat  
And you walk the streets trying to remember, ee-yea  
All those wild nights breeze through your mind

### **[Chorus]**

And every thing looks so complete  
When you're walking down on the streets  
And the wind, it catches your feet... Sets you flying, crying  
Ooh ooh-ooh wee, wild night, is calling  
Ooh ooh-ooh wee, wild night, is calling

All the girls walk by, dressed up for each other  
And the boys, do the boogie-woogie  
On the corner of the stree-ee-eet  
And the people passing by, just stare with wild wonder, yea  
And inside the juke box roars just like thunder

### **[Chorus]**

Wi-i-i-ild night, is calling  
The wi-i-ild night a-is calling  
C'mon out and dance, c'mon out and dance  
C'mon out and make romance, c'mon out and dance  
C'mon out and dance, c'mon out and make romance  
Ooh ooh-ooh we the wild night, is calling

## Wind Beneath My Wings

It must have been cold there in my shadow  
To never have sunlight on your face  
You were content to let me shine - that's your way  
You always walked a step behind

So I was the one with all the glory  
While you were the one with all the strain  
A beautiful face with out a name - for so long  
A beautiful smile to hide the pain

**{Chorus}** Did you ever know that you're my hero  
And everything I would like to be  
I can fly higher than an eagle  
You are the wind beneath my wings

It might have appeared to go unnoticed  
But I've got it all here in my heart  
I want you to know I know the truth - of course I know  
I would be nothing without you

**{Chorus}{Chorus}** - 'Cause you are the wind beneath my wings

**{Ad lib}** ➔ Oh, the wind beneath my wings  
You, you, you, you are the wind beneath my wings  
Fly...Fly...Fly away, you let me fly so high...  
You, you... you, the wind beneath my wings  
You, you, you... the wind beneath my wings  
Fly, Fly, So high against the sky, So high I almost touched the sky  
Thank U thank U, thank God for you the wind beneath my wings

## Yesterday

Yesterday

All my troubles seemed so far away

Now it looks as though they're here to stay

Oh, I believe in yesterday

Suddenly

I'm not half the man I used to be

There's a shadow hanging over me

Oh yesterday came suddenly

**{BRIDGE}**

Why she... Had to go

I don't know, She wouldn't say

I said... Something wrong

Now I long for yesterday

Yesterday

Love was such an easy game to play

Now I need a place to hide away

Oh, I believe in yesterday

**{TAG}**

Oh, I believe in yesterday

## You Are The Sunshine Of My Life

You are the sunshine of my life  
That's why I'll always be around  
You are the apple of my eye  
Forever you'll stay in my heart

I feel like this is the beginning  
Though I've loved you for a million years  
And if I thought our love was ending  
I'd find myself drowning in my own tears, Whoa, whoa

You are the sunshine of my life  
That's why I'll always be around  
You are the apple of my eye  
Forever you'll stay in my heart

You must know that I was lonely  
Because you came to my rescue  
And I know that this must be heaven  
How could so much love be inside you? - Whoa

## You Belong To Me

See the pyramids along the Nile  
Watch the sunrise from a tropic isle  
Just remember darling all the while  
You belong to me

See the market place in old Algiers  
Send me photographs and souvenirs  
Just remember when a dream appears  
You belong to me

I'd be so alone without you  
Maybe you'd be lonesome too and blue

Fly the ocean in a silver plane  
See the jungle when it's wet with rain  
Just remember till you're home again  
You belong to me

I'd be so alone without you  
Maybe you'd be lonesome too and blue

Fly the ocean in a silver plane  
See the jungle when it's wet with rain  
Just remember till you're home again  
You belong to me

## You Can Have My Husband

You can have my husband, But please don't mess with my man  
You can have my husband, But please don't mess with my man  
I'm tellin' all you girls, I want you all to understand

Well the money my husband made, Was for red beans & rice  
My man keeps me straight each night, Now ain't that nice  
You can have my husband, But please don't mess with my man  
I'm tellin' all you girls, I want you all to understand

### **Solo**

Well when I was with my husband, He was really mean  
But now I'm with my man, He turned the light to green  
You can have my husband, But please don't mess with my man  
I'm tellin' all you girls, I want you all to understand

Well, my man he's little, And he looks like a frog  
But when he starts to love me, I holler, ooh, hot dog  
You can have my husband, But please don't mess with my man  
I'm tellin' all you girls, I want you all to understand

Don't mess with him... He's mine  
You better go away girl... And I ain't lyin'  
You can have my husband, But please don't mess with my man.

# You Can't Hurry Love

I need love, love To ease my mind  
I need to find, find someone to call mine  
But mama said:

## **[Chorus 1]**

You can't hurry love No, you just have to wait  
She said love don't come easy It's a game of give and take

## **[Chorus 2]**

You can't hurry love No, you just have to wait  
You got to trust, give it time No matter how long it takes

But how many heartaches Must I stand  
Before I find a love To let me live again  
Right now the only thing That keeps me hangin' on  
When I feel my strength, yeah It's almost gone  
I remember mama said:

## **[Chorus 1]**

## **[Chorus 3]**

How long must I wait How much more can I take  
Before loneliness will cause my heart Heart to break?

## **You Can't Hurry Love - 2**

No I can't bear to live my life alone  
I grow impatient for a love to call my own  
But when I feel that I, I can't go on  
These precious words keeps me hangin' on I remember  
mama said:

**[Chorus 1]**

**[Chorus 2]** - And now break!

No, love, love, don't come easy  
But I keep on waiting Anticipating  
For that soft voice To talk to me at night  
For some tender arms To hold me tight

I keep waiting I keep on waiting  
But it ain't easy It ain't easy  
But mama said:

**[Chorus 1] -- [Chorus 2]**

# You Do Something To Me

You do something to me  
Something that simply mystifies me

Tell me, why it should be  
You have the power to hypnotize me

Let me live 'neath your spell  
Do do that voo-doo that you do so well

For You do something to me  
That nobody else can do

<instrumental break>

Let me live 'neath your spell  
Do do that voo-doo that you do so well

For You do something to me  
That nobody else can do

That nobody else can do

## You Give Good Love

I found out what I've been missing, Always on the run  
I've been looking for someone...

Now you're here like you've been before,  
And you know just what I need  
It took some time for me to see...

### **[Chorus]**

That you give good love to me baby  
So good take this heart of mine into your hands  
You give good love to me baby  
Never too much  
Baby you give good love

Never stoppin' I was always searchin', For that perfect love  
The kind that girls like me dream of...

Now you're here like you've been before,  
And you know just what I need  
It took some time for me to see...

### **[Chorus]**

Now I, I can't stop looking around  
It's not what this love's all about  
Our love is here to stay  
Baby you give good love

## You Oughta Know

I want you to know - That I'm happy for you  
I wish nothing but - The best for you both

An older version of me - Is she perverted like me?  
Would she go down on you in a theatre?  
Does she speak eloquently - And would she have your baby  
I'm sure she'd make a really excellent mother

'Cause the love that you gave, that we made wasn't able  
To make it enough for you to be  
Open wide... No!

And every time you speak her name -  
Does she know how you told me you'd hold me  
Until you die, 'til you die? - But you're still alive!

### **[Chorus]**

And I'm... here to remind you  
Of the mess you left when you went away  
It's not fair... to deny me  
Of the cross I bear that you gave to me  
You, you, you oughta know!

## You Oughta Know - 2

You seem very well, things look peaceful  
I'm not quite as well, I thought you should know

Did you forget about me, - Mr. Du-plicity?  
I hate to bug you in the middle of dinner  
It was a slap in the face - How quickly I was replaced  
And are you thinking of me when you fuck her?

'Cause the love that you gave, that we made wasn't able  
To make it enough for you to be  
Open wide... - No!  
And every time you speak her name  
Does she know how you told me you'd hold me  
Until you die, 'til you die? - But you're still alive!

### **[Chorus]**

'Cause the joke that you made in the bed: that was me,  
And I'm not gonna fade as soon as you  
Close your eyes - And you know it

And every time I scratch my nails  
Down someone else's back  
I hope you feel it - Well, can you feel it?

**[Chorus] ➔ [Chorus]**

## You Really Got A Hold On Me

I don't like you but I love you  
Seems that I'm always thinking of you  
Oh, oh, you treat me badly  
I love you madly  
You really got a hold on me, yeah  
You really got a hold on me, baby, yeah

I don't want you but I need you  
I don't want to kiss you but I need to, oh, oh  
You do me wrong now  
My love is strong now  
You really got a hold on me, oh  
You really got a hold on me, baby, yeah  
I love you and all I want you to do is just  
Hold me, hold me, hold me, hold me

I want to leave you  
Don't want to stay here  
I don't want to spend  
Just one more day here  
Oh, oh, I want to split now  
I just can't quit now  
You really got a hold on me, yeah  
You got a hold on me  
Baby, yeah, yeah, yeah-eah-eah

## You Really Got A Hold On Me - page 2

I don't want to kiss you  
But I need to  
Oh, oh, you do me wrong now  
My love is strong now  
You really got a hold on me, oh  
You really got a hold on me  
Baby, yeah  
I love you and all I want you to do is just  
Hold me, hold me, hold me  
You really got a hold on me, oh  
You really got a hold on me, ah  
You really got a hold on me, oh  
You really got a hold on me  
You got me  
You got a hold on me  
Yes you have  
You got a hold on me, ah  
You really got a hold on me  
Hey, you got a hold on me

## You Send Me

### **{Chorus}**

Darlin' you, you send me -

I know you, you send me

Darlin' you, you send me -

Honest you do, honest you do, honest you do Whoa...

You, you thrill me -

At first I thought it was infatuation -

But ooh, it's lasted so long

Now I find myself wanting -

To marry you, and take you home Whoa...

### **{Chorus}**

Whoa, when ever I'm with you

I know, I know, I know, when I'm near you

Mm, hmm, mm, hmm, honest you do, honest you do, Whoa

I know, I know, I know, I know, when you hold me

Whoa, when ever you kiss me

Mm, hmm, mm, hmm, honest you do

### **{Bridge} → {Chorus}**

## **Your Love Is King**

### **[Chorus]**

Your love is king, crown you in my heart  
Your love is king, never need to part  
Your kisses ring, round and round and round my head  
Touching the very part of me, it's making my soul sing  
Tearing the very heart of me, I'm crying out for more

Your love is king, crown you in my heart  
Your love is king, you're the ruler of my heart  
Your kisses ring, round and round and round my head  
Touching the very part of me, it's making my soul sing  
I'm crying out for more, your love is king

I'm coming on, I'm coming  
You're making me dance, inside

### **[Chorus]**

Touching the very part of me, it's making my soul sing  
I'm crying out for more, your love is king  
This is no blind faith, this is no sad or sorry dream  
This is no blind faith, your love, your love is real

Gotta crown me with your heart (your love is king)  
Never, never need to part (your love is king)  
Touch me (your love is king)  
I'm coming (your love is king)  
(Your love is king) making me dance

# You're Still The One

(When I first saw you, I saw love.  
And the first time you touched me, I felt love.  
And after all this time, you're still the one I love.)

Looks like we made it  
Look how far we've come my baby  
We mighta took the long way  
We knew we'd get there someday

Bridge:  
They said, "I bet they'll never make it"  
But just look at us holding on  
We're still together still going strong

Chorus:  
(You're still the one) You're still the one I run to  
The one that I belong to  
You're still the one I want for life  
(You're still the one) You're still the one that I love  
The only one I dream of  
You're still the one I kiss good night

Ain't nothin' better  
We beat the odds together  
I'm glad we didn't listen  
Look at what we would be missin'

(Bridge)

(Chorus) 2x

I'm so glad we made it -- Look how far we've come my baby

# You're The Best Thing That Ever Happened To Me

I've had my share of life's ups and downs  
But fate's been kind, the downs have been few  
I guess you could say that I've been lucky  
Well, I guess you could say that it's all because of you

If anyone should ever write my life story  
For whatever reason there might be  
Ooh, you'll be there between each line of pain and glory  
'Cause you're the best thing that ever happened to me  
Ah, you're the best thing that ever happened to me

Oh, there have been times when times were hard  
But always somehow I made it, I made it through  
'Cause for every moment that I've spent hurting  
There was a moment that I spent, ah, just loving you

If anyone should ever write my life story  
For whatever reason there might be  
Oh, you'll be there between each line of pain and glory  
'Cause you're the best thing that ever happened to me  
Oh, you're the best thing that ever happened to me  
I know, you're the best thing, oh, that ever happened to me

## **You've Got A Friend**

When you're down and troubled - And you need a helpin' hand  
And nothing, whoa, nothing is goin' right  
Close your eyes and think of me - And soon I will be there  
To brighten up even your darkest night

### **{CHORUS}**

You just call out my name - And you know wherever I am  
I'll come runnin' - To see you again  
Winter, Spring, Summer or Fall - All you got to do is call  
And I'll be there yeah, yeah, yeah - You've got a friend

If the sky... above you - Should turn dark and full of clouds  
And that old north wind should begin to blow  
Keep your head together - And call my name out loud  
Soon I'll be knocking upon your door

### **{CHORUS}**

Ain't it good to know... That you've got a friend  
People can be so bold  
They'll hurt you... And desert you  
Well they'll take your soul if you let them  
Oh, yeah, but don't you let them

### **{CHORUS}**

# Zombie

Another head hangs lowly - Child is slowly taken  
And the violence caused such silence - Who are we mistaken

But you see it's not me - It's not my family  
In your head, in your head - They are fighting  
With their tanks & their bombs - And their bombs & their guns  
In your head, in your head - They are cryin'

In your head, in your head - Zombie, zombie, zombie-e-e  
What's in your head, in your head - Zombie, zombie, zombie-e-e-e  
Oh, Dou, dou, dou, dou - Dou, dou, dou, dou  
Dou, dou, dou, dou - Dou, dou, dou, dou

Another mother's breakin' - Heart is taking over  
When violence causes silence - We must be mistaken

It's the same old theme since nineteen-sixteen  
In your head, in your head - They're still fightin'  
With their tanks & their bombs - And their bombs & their guns  
In your head, in your head - They are dyin'

In your head, in your head - Zombie, zombie, zombie-e-e  
What's in your head, in your head - Zombie, zombie, zombie-e-e-e  
Oh, oh, oh, oh, oh, oh - Hey, oh, ya, ya-a...ow
