

You May Be Right

Friday night I crashed your party... Saturday I said I'm sorry
Sunday came and trashed me out again
I was only having fun... Wasn't hurting any one
And we all enjoyed the weekend for a change

I've been stranded in the combat zone
I walked through Bedford Stuy alone
Even rode my motorcycle in the rain
And you told me not to drive... But I made it home alone
So you said that only proves that I'm insane

{CHORUS}

You may be right - I may be crazy
But it just may be a lunatic you're looking for
Turn out the light - Don't try to save me
You may be wrong for all I know... But you may be right

Remember how I found you there... Alone in your electric chair
I told you dirty jokes until you smiled
You were lonely for a man - I said take me as I am
Cause you might enjoy some madness for a while

Now think of all the years you tried to... Find someone to satisfy you
I might be as crazy as you say
If I'm crazy then it's true - That it's all because of you
And you wouldn't want me any other way

{CHORUS} - It's too late to fight - It's too late to change me

You may be wrong for all I know
But you may be right

{CHORUS} - Turn out the light - Don't try to save me

You may be wrong for all I know... But you may be right
You may be wrong but you may be right - *(Repeat and Fade)*
