

# **A Mother's Song**

Tying little shoe laces - Wiping off dirty faces  
Are just a couple of things - That a mother will do...

Mending a broken heart - Is only just a part  
Of the care and the love - That I've given you...

With a Kool-aid smile - And a sparkle in your eyes  
I wrap you in my arms - And whisper this advice...

Be strong, be kind - Be patient and in time  
You'll find out, my son - What true love is all about

Be faithful and be true - Show love in all you do  
Then you'll know, just how - You make your mother proud

Now, little boy days have passed - And you've grown up so fast  
But in my heart - That little boy will never be far...

So on this blessed day - There's so much I want to say  
But above all, I thank God - For the man that you are...

With a tender smile - And a twinkle in your eyes  
I wrap you in my arms - And whisper this advice...

Be strong, be kind - Be patient and in time  
You'll find out, my son - What true love is all about

Be faithful and be true - Show love in all you do  
Then you'll know, just how - You make your mother proud  
You've made your mother so proud...

# Africa

I hear the drums echoing tonight  
But she hears only whispers of some quiet conversation  
She's coming in 12:30 flight  
The moonlit wings reflect the stars that guide me towards salvation  
I stopped an old man along the way,  
Hoping to find some long forgotten words or ancient melodies  
He turned to me as if to say, "Hurry boy, it's waiting there for you"

## **CHORUS:**

It's gonna take a lot to drag me away from you  
There's nothing that a hundred men or more could ever do  
I bless the rains down in Africa  
Gonna take some time to do the things we never had... Ooh, ooh

The wild dogs cry out in the night  
As they grow restless longing for some solitary company  
I know that I must do what's right  
As sure as Kilimanjaro rises like Olympus above the Serengeti  
I seek to cure what's deep inside, frightened of this thing that I've become

## **CHORUS**

(Instrumental break)

Hurry boy, she's waiting there for you

It's gonna take a lot to drag me away from you  
There's nothing that a hundred men or more could ever do  
I blessed the rains down in Africa, I blessed the rains down in Africa  
I blessed the rains down in Africa, I blessed the rains down in Africa  
I blessed the rains down in Africa  
Gonna take some time to do the things we never had... Ooh, ooh

## Ain't That A Kick In The Head?

How lucky can one guy be;  
I kissed her and she kissed me  
Like the fella once said, Ain't that a kick in the head?

The room was completely black  
I hugged her and she hugged back.  
Like the sailor said, quote, "Ain't that a hole in the boat?"

My head keeps spinning; I go to sleep and keep grinning;  
If this is just the beginning, My life's gonna be beautiful.

I've sun- shine enough to spread;  
It's like the fella said,  
"Tell me quick Ain't love like a kick in the head?"

Like the fella once said, Ain't that a kick in the head?

Like the sailor said, quote, "Ain't that a hole in the boat?"

My head keeps spinning; I go to sleep and keep grinning;  
If this is just the beginning, My life's gonna be beautiful.

She's telling me we'll be wed;  
She's picked out a king size bed.  
I couldn't feel any better or I'd be sick;  
Tell me quick, oh ain't love a kick?  
Tell me quick, ain't love a kick in the head?

## Ain't Too Proud To Beg

I know you want to leave me  
But I refuse to let you go  
But if I have to beg and plead for your sympathy  
I don't mind because you mean that much to me

### **{Chorus}**

Ain't too proud to beg, now sweet darlin'  
Please don't leave me girl, now don't you go  
Ain't too proud to plead, baby, baby  
Please don't leave me girl now don't you go

Well, I heard a cryin' man is half a man  
With no sense of pride  
But if I have to cry to keep you, I don't mind weeping  
If it will keep you by my side

### **{Chorus}**

Now if I have to sleep on your door step, all night and day  
Just to keep you from walkin' away  
Let your friends laugh, even this I can stand  
Because I want to keep you any way I can

### **{Chorus} ➔ Solo**

Now I've got a love so deep, in the pit of my heart  
And each day it grows more and more  
I'm not ashamed to come and plead to you baby  
If pleading keeps you from walkin' out that door

### **{Chorus} ➔ {Chorus}**

# All She Wants To Do Is Dance

They're pickin up the prisoners - And puttin' em in a pen  
And all she wants to do is dance, dance  
Rebels been rebels - Since I don't know when  
And all she wants to do is dance

Molotov cocktail - The local drink  
And all she wants to do is dance, dance  
They mix 'em up right - In the kitchen sink  
And all she wants to do is dance

Crazy people walkin' 'round - With blood in their eyes  
And all she wants to do is dance, dance, dance  
Wild-eyed pistols wavers - Who ain't afraid to die  
And all she wants to do is, All she wants to do is

Dance - And make romance  
She can't feel the heat - Comin off the street  
She wants to party - She wants to get down  
All she wants to do is - All she wants to do is dance

Well the government bugged the men's room - In the local disco lounge  
And all she wants to do is dance, dance  
To keep the boys from sellin' - All the weapons they could scrounge  
And all she wants to do is dance

But that don't keep the boys from makin' a buck or two  
And all she wants to do is dance, dance  
The still can sell the army - All the drugs that they can do  
And all she wants to do is - All she wants to do is  
Dance - And make romance

## **All She Wants To Do Is Dance - 2**

[Instrumental]

Well we barely make the airport - For the last plane out  
As we taxied down the runway - I could hear the people shout  
The said, "don't come back here Yankee - "But if I ever do  
I'll bring more money - Cause all she wants to do is

Dance - And make romance  
Never mind the heat - Comin off the street  
She wants to party - She wants to get down  
All she wants to do is - All she wants to do is

Dance - And make romance  
All she wants to do is dance

## All Shook Up

1. A well'a bless my soul What'sa wrong with me?  
I'm itchin' like a man on a fuzzy tree  
My friends say I'm actin' wild as a bug  
I'm in love... I'm all shook up  
Mm mm mm, mm, yay, yay, yay

2. Well, my hands are shaky and my knees are weak  
I can't seem to stand on my own two feet  
Who do you think of when you have such luck?  
I'm in love... I'm all shook up  
Mm mm mm, mm, yay, yay, yay

Well, please don't ask me what'sa on my mind  
I'm a little mixed up, but I'm feelin' fine  
When I'm near that girl that I love best  
My heart beats so it scares me to death!

3. Well she touched my hand what a chill I got  
Her lips are like a volcano when it's hot  
I'm proud to say that she's my buttercup  
I'm in love... I'm all shook up  
Mm mm mm, mm, yay, yay, yay

My tongue gets tied when I try to speak  
My insides shake like a leaf on a tree  
There's only one cure for this body of mine  
That's to have that girl that I love so fine!

**[Verse 3]** Mm mm mm, mm, yay, yay... I'm all shook up

## And She Was

& she was lying in the grass - & she could hear the hiway breathing  
& she could see a nearby factory - She's makin' sure shes not dreamin'  
See the lights of a neighbor's house - Now she's starting to rise  
Take a minute to concentrate - And she opens up her eyes

The world was moving and she was right there with it (and she was)  
The world was moving she was floating above it (and she was)  
and she was

& she was drifting thru the backyard - & she was taking off her dress  
And she was moving very slowly - Rising up above the earth  
Moving into the universe - Drifting this way and that  
Not touching ground at all - Up above the yard

### CHORUS

She was glad about it... no doubt about it  
She isn't sure where she's gone  
No time to think about what to tell them  
No time to think about what she's done  
And she was

And she was looking at herself - And things were looking like a movie  
She had a pleasant elevation - She's moving out in all directions

### CHORUS

Joining the world of missing persons (and she was)  
Missing enough to feel alright (and she was)

# At Last

## **{Verse 1}**

At last

My love has come along

My lonely days are over

And life is like a song

## **{Verse 2}**

At last

The skies above are blue

My heart was wrapped up in clover

The night I looked at you

## **{Bridge}**

I found a dream... That I could speak to

A dream that I... can call my own

I found a thrill... To press my cheek to

A thrill that I... have never known

## **{Verse 3}**

You smiled, you smiled

Oh, and then the spell was cast

And here we are in heaven

For you are mine at last

**{Solo} ➔ {Bridge} ➔ {Verse 3}**

## **Baby Got Back**

Oh, my, god. Becky, look at her butt. It is so big. \*scoff\*  
She looks like one of those rap guys' girlfriends.  
But, y'know, who understands those rap guys? \*scoff\*  
They only talk to her, because,  
She looks like a total prostitute, 'kay?  
I mean, her butt, is just so big. \*scoff\*  
I can't believe it's just so round, it's like, out there,  
I mean - gross. Look! - She's just so ... black!

I like big butts and I can not lie - You other brothers can't deny  
That when a girl walks in with an itty bitty waist  
And a round thing in your face

You get sprung, wanna pull out your tough  
'Cause you notice that butt was stuffed  
Deep in the jeans she's wearing - I'm hooked and I can't stop staring

Oh baby, I wanna get wit'cha - And take your picture  
My homeboys tried to warn me  
But with that butt you got makes me feel so horny

Ooh, Rump-o'-smooth-skin - You say you wanna get in my Benz?  
Well, use me, use me - 'Cause you ain't that average groupy

I've seen them dancin' - The hell with romancin'  
She's sweat, wet, - Got it goin' like a turbo 'Vette

I'm tired of magazines - Sayin' flat butts are the thing  
Take the average black man and ask him that  
She gotta pack much back

## **Baby Got Back - 2**

So, fellas! (Yeah!) - Fellas! (Yeah!)  
Has your girlfriend got the butt? (Hell yeah!)  
Tell 'em to shake it! (Shake it!) Shake it! (Shake it!)  
Shake that healthy butt! - Baby got back! - Baby got back!

I like 'em round, and big - And when I'm throwin' a gig  
I just can't help myself, I'm actin' like an animal Now here's my scandal  
I wanna get you home - And ugh, double-up, ugh, ugh  
I ain't talkin' bout Playboy - 'Cause silicone parts are made for toys

I want 'em real thick and juicy - So find that juicy double  
Mix-a-Lot's in trouble - Beggin' for a piece of that bubble  
So I'm lookin' at rock videos - Knock-kneeded bimbos walkin' like hoes  
You can have them bimbos - I'll keep my women like Flo Jo

A word to the thick soul sistas, I wanna get with ya  
I won't cuss or hit ya  
But I gotta be straight when I say I wanna \*fuck\* Til the break of dawn  
Baby got it goin' on - A lot of simps won't like this song  
'Cause them punks like to hit it and quit it - And I'd rather stay and play  
'Cause I'm long, and I'm strong - And I'm down to get the friction on

So, ladies! {Yeah!} - Ladies! {Yeah}  
If you wanna role in my Mercedes {Yeah!}  
Then turn around! Stick it out!  
Even white boys got to shout - Baby got back!

Baby got back! - Yeah, baby ... when it comes to females,  
Cosmo ain't got nothin' to do with my selection.  
36-24-36? Ha ha, only if she's 5'3".

## **Baby Got Back - 3**

So your girlfriend rolls a Honda, - Playin' workout tapes by Fonda  
But Fonda ain't got a motor in the back of her Honda  
My anaconda don't want none - Unless you've got buns, hun

You can do side bends or sit-ups, - But please don't lose that butt  
Some brothers wanna play that "hard" role  
And tell you that the butt ain't gold  
So they toss it and leave it - And I pull up quick to retrieve it

So Cosmo says you're fat - Well I ain't down with that!  
'Cause your waist is small and your curves are kickin'  
And I'm thinkin' bout stickin'  
To the beanpole dames in the magazines: - You ain't it, Miss Thing!  
Give me a sista, I can't resist her - Red beans and rice didn't miss her

Some knucklehead tried to dis - 'Cause his girls are on my list  
He had game but he chose to hit 'em - An' I pull up quick to get wit 'em  
So ladies, if the butt is round, - And you want a triple X throw down,  
Dial 1-900-MIXALOT - And kick them nasty thoughts  
Baby got back! - Baby got back!

Little in the middle but she got much back [4x]

## **Bad Boys**

Huh! - Bad boys!

What'cha want? What'cha want? - What'cha gonna do  
When Sheriff John Brown come for you?

Tell me, what'cha ya wanna do, what'cha gonna do? - Yeah!

### **[Chorus]**

Bad boys, bad boys - What'cha gonna do?  
What'cha gonna do when they come for you?  
Bad boys, bad boys - What'cha gonna do?  
What'cha gonna do when they come for you?

When you were eight and had bad traits  
You go to school and learn the golden rule  
So why are you acting like a bloody fool?  
If you get hot then you must get cool!

### **[Chorus]**

You chuck it on that one, ya chuck it on this one  
You chuck it on ya mother and ya chuck it on ya father  
You chuck it on ya brother and ya chuck it on ya sister  
And you chuck it on that one and ya chuck it on me!

**[Chorus] ➔ [Chorus]**

## **Bad Boys - 2**

Nobody naw give you no break  
Police naw give you no break  
Soldier naw give you no break  
Not even you 'idren naw give you no break - Hey

**[Chorus]**

Why did you have to act so mean?  
Don't you know you're human being?  
Born from a mother with the love from a father  
Reflections come and reflections go  
I know sometimes you want to let go - Hehehe  
I know sometimes you want to let go

**[Chorus] ➔ [Chorus]**

*You're too bad, you're too rude You're too bad, you're too rude*

**[Chorus] ➔ [Chorus]**

You chuck it on that one, ya chuck it on this one  
You chuck it on ya mother and ya chuck it on ya father  
You chuck it on ya brother and ya chuck it on ya sister  
And you chuck it on that one and ya chuck it on me!

**[Chorus] ➔ [Chorus]**

# **Bad Girls**

## **[Chorus]**

Bad girls - Talking about the sad girls  
Sad girls - Talking 'bout bad, bad girls, yeah

See them out on the street at night, walkin'  
Picking up on all kinds of strangers If the price is right  
You can't score if you're pocket's tight  
But you want a good time  
You ask yourself... who they are  
Like everybody else, they come from near and far

## **[Chorus]**

Friday night and the strip is hot  
Sun's gone down and they're out to trot  
Spirit's high and legs look hot  
Do you wanna get down?  
Now don't you ask yourself... who they are?  
Like everybody else, they wanna be a star

Bad girl, sad girl, you such a naughty bad girl, Beep-Beep uh uh  
You bad girl, you sad girl, you such a dirty bad girl, Beep-Beep uh uh

Now you and me we're both the same  
But you call yourselves by different names  
Now your mama won't like it when she finds out  
That her girl is out at night

## **{Break Down}**

Hey mister, have ya got a dime? Mister do ya want to spent some time?  
I got what you want, you got what I need  
I'll be your baby, come and spend it on me

# **Beast Of Burden**

I'll never be your beast of burden  
My back is broad but it's a hurting  
All I want is for you to make love to me

I'll never be your beast of burden  
I've walked for miles my feet are hurting  
All I want is for you to make love to me

Am I hard enough - Am I rough enough  
Am I rich enough - I'm not too blind to see

I'll never be your beast of burden  
So let's go home and draw the curtains  
Music on the radio - Come on baby make sweet love to me

Am I hard enough - Am I rough enough  
Am I rich enough - I'm not too blind to see

Oh little sister  
Pretty, pretty, pretty, pretty, girl  
You're a pretty, pretty, pretty, pretty, pretty, pretty girl  
Pretty, pretty  
Such a pretty, pretty, pretty girl  
Come on baby please, please, please

I'll tell ya, You can put me out - On the street  
Put me out - With no shoes on my feet  
But, put me out, put me out - Put me out of misery

## **Beast Of Burden - page 2**

Yeah, all your sickness - I can suck it up  
Throw it all at me - I can shrug it off  
There's one thing baby - That I don't understand  
You keep on telling me - I ain't your kind of man

Ain't I rough enough, ooh baby  
Ain't I tough enough  
Ain't I rich enough, in love enough - Ooh! Ooh! Please

I'll never be your beast of burden  
I'll never be your beast of burden  
Never, never, never, never, never, never, never be

I don't need no beast of burden  
I need no fussing - I need no nursing  
Never, never, never, never, never, never, never be

## **Beyond The Sea**

Somewhere beyond the sea  
Somewhere waitin' for me  
My lover stands on golden sands  
And watches the ships that go sailin'.

Somewhere beyond the sea  
She's there watchin' for me  
If I could fly like birds on high  
Then straight to her arms I'd go sailin'.

It's far beyond the stars  
It's near beyond the moon  
I know beyond a doubt  
My heart will lead me there soon.

We'll meet beyond the shore  
We'll kiss just as before  
Happy we'll be beyond the sea  
And never again I'll go sailin'.

I know beyond a doubt  
My heart will lead me there soon  
We'll meet ... I know we'll meet ... beyond the shore  
We'll kiss just as before.

Happy we'll be beyond the sea  
And never again I'll go sailin'.

No more sailin' ... So long sailin' ...  
Bye, bye sailin'... Move on out, captain ... So long, ensign ...

## **Boogie Shoes**

## Brandy

There's a port on a western bay  
And it serves a hundred ships a day  
Lonely sailors pass the time away  
And talk about their homes

And there's a girl in this harbor town  
And she works layin' whiskey down  
They say, Brandy, fetch another round  
She serves them whiskey and wine

### **[Chorus 1]**

The sailors say: "Brandy, you're a fine girl" - *You're a fine girl*  
"What a good wife you would be" - *Such a fine girl*  
"Yeah, your eyes could steal a sailor from the sea"

Brandy wears a braided chain  
Made of finest silver from the North of Spain  
A locket that bears the name  
Of the man that Brandy loved

He came on a summer's day  
Bringin' gifts from far away  
But he made it clear he couldn't stay  
No harbor was his home

## Brandy - 2

### [Chorus 2]

The sailors say: "Brandy, you're a fine girl" - *You're a fine girl*  
"What a good wife you would be" - *Such a fine girl*  
"But my life, my lover, my lady is the sea"

Yeah, Brandy used to watch his eyes  
When he told his sailor stories  
She could feel the ocean fall and rise  
She saw its ragin' glory  
But he had always told the truth, Lord, he was an honest man  
And Brandy does her best to understand

At night when the bars close down  
Brandy walks through a silent town  
And loves a man who's not around  
She still can hear him say

### [Chorus 2]

She hears him say "Brandy, you're a fine girl" *You're a fine girl*  
"What a good wife you would be" *Such a fine girl*  
"But my life, my lover, my lady is the sea" - It is, yes it is,

### [Chorus 2]

He said, "Brandy, you're a fine girl" - *You're a fine girl*  
"What a good wife you would be" - *Such a fine girl*  
"But my life, my lover, my lady is the sea"

# **Brick House**

We're together everybody knows, this is how the story goes.

36-24-36, what a winning hand!

## **Chorus A:**

## **Chorus C:**

She's a brick----house

She's the one, the only one, built like a black amazon

**Verse 2.** The clothes she wears, her sexy ways,

Make an old man wish for younger days yeah, yeah

She knows she's built and knows how to please

Sure enough to knock a strong man to his knees

## **Chorus A - B**

Bridge: Shake it down, shake it down now (repeat)

## **Chorus A - C**

# **Buffalo Soldier**

Buffalo Soldier, Dreadlock Rasta

There was a Buffalo Soldier, In the heart of America  
Stolen from Africa, brought to America  
Fighting on arrival, fighting for survival

I mean it, when I analyze the stench, To me, it makes a lot of sense  
How the Dreadlock Rasta, was the Buffalo Soldier  
And he was taken from Africa, brought to America  
Fighting on arrival, fighting for survival

Said he was a Buffalo Soldier, Dreadlock Rasta  
Buffalo Soldier, in the heart of America

If you know your history  
Then you would know where you coming from  
Then you wouldn't have to ask me  
Who the heck do I think I am?

I'm just a Buffalo Soldier, In the heart of America  
Stolen from Africa, brought to America  
Said he was fighting on arrival, Fighting for survival  
Said he was a Buffalo Soldier, Win the war for America

## **Buffalo Soldier – page 2**

### **[CHORUS]**

Dreadie, woe yoe yoe, woe woe yoe yoe

Woe yoe yoe yo, yo yo woe yo, woe yoe yoe (repeat)

Buffalo Soldier, trodding through the land

Said he wanna ran, then you wanna hand

Trodding through the land, yea, yea

Said he was a Buffalo Soldier, Win the war for America

Buffalo Soldier, Dreadlock Rasta

Fighting on arrival, fighting for survival

Driven from the mainland, To the heart of the Caribbean

### **[CHORUS]**

Trodding through San Juan, In the arms of America

Trodding through Jamaica, a Buffalo Soldier

Fighting on arrival, fighting for survival

Buffalo Soldier, Dreadlock Rasta

### **[CHORUS]**

# **Build Me Up Buttercup**

## **[CHORUS]**

Why do you build me up (build me up) Buttercup, baby  
Just to let me down (let me down) and mess me around  
And then worst of all (worst of all) you never call, baby  
When you say you will (say you will) but I love you still  
I need you (I need you) more than anyone, darlin'  
You know that I have from the start  
So build me up (build me up) Buttercup, don't break my heart

"I'll be over at ten", you told me time and again  
But you're late, I wait around and then (bah-dah-dah)  
I went to the door, I can't take any more  
It's not you, you let me down again

## **[PRE-CHORUS]**

(Hey, hey, hey!) Baby, baby, try to find  
(Hey, hey, hey!) A little time and I'll make you mine  
(Hey, hey, hey!) I'll be home  
I'll be beside the phone waiting for you  
Ooo-oo-ooo, ooo-oo-ooo

## **[CHORUS]**

You were my toy but I could be the boy you adore  
If you'd just let me know (bah-dah-dah)  
Although you're untrue, I'm attracted to you all the more  
Why do I need you so

**[PRE-CHORUS] ➔ [CHORUS] 2X**

# **Burning Down The House**

Watch out... you might get what you're after  
Cool babies... strange but not a stranger  
I'm an ordinary guy - Burnin' down the house

Hold tight... wait till the party's over  
Hold tight... We're in for nasty weather  
There has got to be a way - Burnin' down the house

Here's your ticket pack your bag: time for jumpin' overboard  
The transportation is here  
Close enough but not too far, Maybe you know where you are  
Fightin' fire with fire

All wet... hey you might need a raincoat  
Shakedown... dreams walking in broad daylight  
Three hun-dred six-ty five de-grees - Burnin' down the house

It was once upon a place sometimes I listen to myself  
Gonna come in first place  
People on their way to work baby what did you except  
Gonna burst into flame

My house... S'out of the ordinary  
That's might... Don't want to hurt nobody  
Some things sure can sweep me off my feet - Burnin' down the house

No visible means of support and you have not seen nuthin' yet  
Everything's stuck together  
I don't know what you expect starring into the TV set  
Fighting fire with fire

## **Burnin' Love**

Lawd almighty, I feel my temperature risin'  
Higher and higher it's burnin' through to my soul  
Girl, girl, girl, girl, you gonna set me on fire  
My brain is flamin', I don't know which way to go

### **[Chorus]**

Cause your kisses lift me higher  
Like the sweet song of a choir  
Light my mornin' sky, with burnin' love

Ooh, ooh, ooh, I feel my temperature risin'  
Help me I think, it must a-hundred-and-nine  
Burnin' burnin' burnin' nothing can cool me  
I just might turn to smoke, but I feel fine

### **[Chorus] ➔ {Solo}**

It's coming close, flames are now liftin' my body  
Won't you help me, I feel like I'm slippin' away  
It's hard to breathe... my chest is just a heavin'  
Lawd have mercy, burnin' a hole in me

### **[Chorus]**

I'm just a hunk-a, hunk-a burnin' love...  
I'm just a hunk-a, hunk-a burnin' love...

# Can't Get Enough Of Your Love, Babe

**(spoken)**

I've heard people say that too much of anythin is no good for you  
But I don't know about that There's many times that we've loved  
We shared love and made love It doesn't seem to me like it's enough  
There's just not enough of it There's just not enough - Oh oh, babe

**[Chorus]**

My darling, I... can't get enough of your love babe  
Girl, I don't know, I don't know why -  
Can't get enough of your love babe  
Oh, some things I can't get used to - No matter how I try  
It's like the more you give, the more I want -  
And baby, that's no lie - Oh no, babe

Tell me... what can I say? What am I gonna do?  
How should I feel when everything is you?  
What kind of love is this - that you're givin' me?  
Is it in your kiss or just because you're sweet?

Girl, all I know is every time you're here - I feel the change,  
Somethin' moves, I scream your name, Look whatcha got me doin'

**[Chorus]**

Darling, I... can't get enough of your love babe  
Girl, I don't know, I don't know, I don't know why  
I can't get enough of your love babe Oh no, babe  
Girl, if I could only make you see And make you understand  
Girl, your love for me is all I need And more than I can stand  
Oh well, babe

## Can't Get Enough Of Your Love, Babe - 2

How can I explain - all the things I feel?

You've given me so much Girl, you're so unreal, Still

I keep loving you - More and more each time

Girl, what am I gonna do - Because you blow my mind

I get the same old feelin' every time you're here - I feel the change,

Somethin' moves, I scream your name, Look whatcha got me doin'

Darling, I can't get enough of your love babe - Oh no, babe

**(spoken)**

Baby, let me take all of my life to find you But you can believe it's  
gonna take the rest of my life to keep you

**(sung)**

Oh no, babe

My darling, I... can't get enough of your love babe

Yeah, I don't know, I don't know, I don't know why

Can't get enough of your love babe

Oh my darling, I can't get enough of your love babe Oh babe

I don't know, I don't know, I don't know why

I can't get enough of your love babe Oh babe

# **Can't Stop The Feeling!**

All through my city, all through my home  
We're flying up, no ceiling, when we in our zone

## **[Chorus 1]**

I got that sunshine in my pocket - Got that good soul in my feet  
I feel that hot blood in my body when it drops, ooh  
I can't take my eyes up off it, - Moving so phenomenally  
Room on lock the way we rock it, so don't stop

## **[Pre-Chorus]**

And under the lights when everything goes  
Nowhere to hide when I'm getting you close  
When we move, well, you already know  
So just imagine, just imagine, just imagine

## **[Chorus 2]**

Nothing I can see but you when you dance, dance, dance Feeling  
Good, good creepin up on you, So just dance, dance, dance, c'mon  
All those things I shouldn't do - But you dance, dance, dance  
And ain't nobody leaving soon, so keep dancing

## **[Chorus 3]**

I can't stop the feeling - So just dance, dance, dance  
I can't stop the feeling - So just dance, dance, dance, c'mon

## **Can't Stop The Feeling! - 2**

Ooh, it's something magical -  
It's in the air, it's in my blood, it's rushing on  
Don't need no reason, - Don't need control  
I fly so high, no ceiling, when I'm in my zone

**[Chorus 1] ➔ [Pre-Chorus] ➔ [Chorus 2]**

**[Chorus 3] ➔ [Chorus 3]**

**[Bridge:]**

## Chain Of Fools

Chain, chain, chain, chain, chain, chain

Chain, chain, chain, chain of fools

Five long years - I thought you were my man

But I found out - I'm just a link in your chain

You got me where you want me -

I ain't nothing but your fool

You treated me mean, oh - You treated me cruel

Chain, chain, chain, chain of fools

Every chain - Has got a weak link

I might be weak child, - But I'll give you strength

*Ooh!!* You told me to leave you alone

My father said come on home

My doctor said take it easy

Whole bunch of lovin is much too strong

I'm added to your

Chain, chain, chain

Chain, chain, chain, chain, Chain, chain of fools

One of these mornings - The chain is gonna break

But up until then, yeah, - I'm gonna take all I can take

Chain, chain, chain, chain, chain, chain

Chain, chain, chain, chain of fools

## Cold Shot

Once was a sweet thing, baby - Held that love in our hands  
But now I reach to kiss your lips - It just don't mean a thing

And that's a cold shot, baby - Yeah that's a drag  
A cold shot, babe - I've let our love go bad

Remember the way that you loved me - Do anything I say  
Now I see you out somewhere -  
You won't give me the time of day

And that's a cold shot, girl - Yeah that's a drag  
That's a cold shot, babe - We've let our love go bad

I really meant I was sorry - For ever causing you pain  
You showed your appreciation - By walking out anyway

And that's a cold shot, baby - Yeah that's a drag  
That's a cold shot, babe - We've let our love go bad

So sad... Too bad... So sad...

[Spoken] Don't let our true love run cold

Way deep down south, well we play this game  
It's them Quad City D.J.'s and you,  
We call it "the train"  
So if you wanna ride your thing  
Just come on down the train  
We gonna rock, ooh, Lord, just jump aboard, baby  
So get your next of kin, your sister and your friend  
Pack it up now, choo choo, ride on this, choo choo  
And, boo, you need to stop faking, and come on with me  
I wanna take you home with me, to be alone with me  
And I can see you wanna hide it, come on, just divide it  
And please don't knock it, until you ride it  
So to all of you girls, you know, I'm calling your name

## C'mon 'N Ride It (The Train) - page 2

Michelle, Tamika and Tanya  
Wanna ride this train, ride out now  
(repeat 1)

3-If you feel like dancing, well come on, it's up to you  
We got the sound to keep you getting down, down  
The train is coming through  
(repeat 2, 2)

I can smell them tranquil breezes from a mile away  
Graduated from Boone up to Alize  
Baby, you looking tough to death  
Got your weave done right, it's on so tight  
Now it's on tonight, yeah, yeah  
Right about now it's about that time for me to holler  
Girl, I wanna waller in the back of my Impala  
Woo, don't need no tickets for this thing  
Just jump on in, let me hit them switches on the train  
And it ain't no thing, it's all the same  
Get on the train tracks  
Here we go, so get on the floor  
And put a hump in your back  
So pack your bags, come on, get ready, say what?  
We're coming through your town  
Move your arm up and down  
And make that choo choo sound, like this

Ride that choo choo, woo woo...

Come on it's the choo choo, woo woo  
Come on it's the choo choo train  
(rpt 3, 2, 2)

# Do You Think I'm Sexy

Sugar... Sugar... mmm... ooh

She sits alone waiting for suggestions

He's so nervous avoiding all her questions

His lips are dry, her heart is gently pounding

Don't you just know exactly what they're thinking?

**[CHORUS]** - If you want my body and you think I'm sexy

Come on, sugar, let me know

If you really need me just reach out and touch me

Come on, honey, tell me so

He's acting shy looking for an answer

Come on, honey, let's spend the night together

Now hold on a minute before we go much further

Give me a dime so I can phone my mother

They catch a cab to his high rise apartment

At last he can tell her exactly what his heart meant

**[CHORUS]**

His heart's beating like a drum - 'Cause at last he's got his girl home

Relax, baby, now we are alone

**[Break]**

They wake at dawn 'cause all the birds are singing

Two total strangers but that ain't what they're thinking

Outside it's cold, misty and it's raining

They got each other, neither one's complaining

He say's I'm sorry but I'm out of milk and coffee

Never mind, sugar, we can watch the early movie

**[CHORUS]** Tell me so, baby

## Down Under

Travelling in a fried-out Kombi  
On a hippie trail, head full of zombie  
I met a strange lady, she made me nervous  
She took me in and gave me breakfast

And she said: "Do you come from a land down under  
Where women glow and men plunder  
Can't you hear, can't you hear the thunder  
You better run, you better take cover."

Buying bread from a man in Brussels  
He was six foot four and full of muscle  
I said, "Do you speak-a my language?"  
He just smiled and gave me a Vegemite sandwich

And he said: "I come from a land down under  
Where beer does flow and men chunder  
Can't you hear, can't you hear the thunder  
You better run, you better take cover." *yeah*

Lying in a den in Bombay  
With a slack jaw, and not much to say  
I said to the man, "Are you trying to tempt me?  
Because I come from the land of plenty."

And he said:  
"Oh! Do you come from a land down under *oh yeah yeah*  
Where women glow and men plunder  
Can't you hear, can't you hear the thunder  
You better run, you better take cover."

# Drop It Like It's Hot

I got the roly on my arm and I'm pouring Chandon  
And I roll the best weed cause I got it going on

**[Verse]** - Uh! I'm a nice dude, with some nice dreams  
See these ice cubes, see these Ice Creams?  
Eligible bachelor, million dollar boat  
That's whiter than what's spilling down your throat  
The Phantom, exterior like fish eggs  
The interior like suicide wrist red  
I can exercise you, this can be your Phys. Ed  
Cheat on your man ma, that's how you get ahizzead  
Killer wit the beat, I know killers in the street  
Wit the steel that'll make you feel like Chinchilla in the heat  
So don't try to run up on my ear talking all that raspy shit  
Trying to ask me shit  
When my niggaz fill ya vest they ain't gon pass me shit  
You should think about it, take a second  
Matter fact, you should take four B  
And think before you fuck wit lil skateboard P

## Groovin'

Groovin', on a Sunday afternoon  
Really couldn't get away too soon

I can't imagine anything that's better  
The world is ours whenever we're together  
There ain't a place I'd like to be instead of

Groovin', down a crowded avenue  
Doin' anything we like to do

There's always lots of things that we can see  
We can be anyone we want to be  
And all those happy people we could meet just

Groovin', on a Sunday afternoon  
Really couldn't get away too soon

Ah-ha-ha - Ah-ha-ha - Ah-ha-ha

We'll keep on spending sunny days this way  
We're gonna talk and laugh our time away  
I feel it comin' closer day by day  
Life would be ecstasy, you and me endlessly

Groovin', on a Sunday afternoon  
Really couldn't get away too soon

Ah-ha-ha - Ah-ha-ha - Ah-ha-ha

## Harvest Moon

Come a little bit closer -  
Hear what I have to say  
Just like children sleepin' -  
We could dream this nite away

But there's a full moon risin' -  
Let's go dancin' in the light  
We know where the music's playin' -  
Let's go out and feel the nite

### **[Chorus]**

Because I'm still in love with you -  
I want to see you dance again  
Because I'm still in love with you -  
On this harvest moon.

When we were strangers -  
I watched you from afar  
When we were lovers -  
I loved you with all my heart

But now it's gettin' late -  
And the moon is climbin' high  
I want to celebrate -  
See it shinin' in your eye

**[Chorus] ➔ [Solo] ➔ [Chorus]**

# Heatwave

Whenever I'm with you - Something inside  
Starts to burning - And I'm filled with desire

Could it be a devil in me  
Or is this the way love's supposed to be

## **[Chorus]**

It's like a heatwave - Burning in my heart  
I can't keep from crying - Tearing me apart

Whenever he calls my name - Sounds low, sweet and plain  
Right then, right there - I feel that burning flame  
There's a high blood pressure got a hold on me  
Or is this the way love is supposed to be

## **[Chorus]**

## **[Instrumental]**

Sometimes I stare in space - Tears all over my face  
I can't explain it, don't understand it - I ain't never felt like this before

Now that funny feeling's has me amazed  
Don't know what to do - My head's in a haze - It's like a heatwave

Yeah yeah, yeah yeah *You know it's alright girl* Oh yeah *Go ahead girl*  
Yeah yeah, *Well it's alright girl* Ohh *Ain't nothin' but love girl*  
I'm feelin' *Don't pass up this chance* Right here *It sounds like true romance*  
Don't you know it's like a heatwave Yeah yeah *Burning burning burning*  
Oh, *Burning burning burning* Don't you know it's like a heatwave  
*Burning burning burning* Right hear in my heart *Burning burning burning*

## **Here I Am (Come And Take Me)**

I can't believe that it's real, - The way that you make me feel.  
A burning deep down inside, - A love that I cannot hide.

Our love is you and me baby, - That makes the world go round.  
And if you've been doin' lovin' with me, layin' all my troubles down

### **[CHORUS]**

Here I am, baby, - Come and take me.  
Here I am, baby, - Come and take me,  
Take me by the hand - Show me, - here I am, baby.

It always ends up this way, - Me begging you every day.  
A love that I cannot have, - You broke my heart into half.

Our love is you and me baby, - That make's the world go round.  
And if you've been doin' lovin' with me, layin' all my troubles down

### **[CHORUS]**

When I'm down... I can always call you,  
For a helpin' hand... I know you'll do the best you can.  
But it don't take much from me... just hold my cup of joe.  
Oh there's love inside me... I believe there's goin' to be an explosion  
It's tough for me, oh baby, I can do worry,  
Tell me all your troubles. You won't ever have to worry now,  
Just one more thing, ask everybody, everybody you see,  
You'll find yourself lost and alone on a darkened street,

### **[CHORUS]**

## I Believe I Can Fly

I used to think that I could not go wrong  
And life was nothing but that an awful song  
But now I know the meaning of true love  
I'm leaning on the everlasting arms

If I can see it, then I can do it  
If I just believe it, there's nothing to it

I believe I can fly  
I believe I can touch the sky  
I think about it every night and day  
Spread my wings and fly away  
I believe I can soar  
I see me running through that open door  
I believe I can fly  
I believe I can fly  
Oh I believe I can fly

See I was on the verge of breaking down  
Sometimes inside us, it can seem so long  
There are miracles in life I must achieve  
But first I know it starts inside of me

Could I believe in it?  
If I can see it, then I can be it  
If I just believe it, there's nothing to it  
I believe I can fly.....

## **[CHORUS 2X] - Woohoo**

# I Wanna Dance With Somebody

Clock strikes upon the hour - And the sun begins to fade  
Still enough time to figure out - How to chase my blues away

I've done alright up till now - It's the light of day that shows me how  
And when the night falls... - The loneliness calls

## **[CHORUS]**

Oh I wanna dance with somebody, I wanna feel the heat with somebody  
Yeah I wanna dance with somebody, With somebody who loves me

## **[CHORUS]**

I've been in love, And lost my senses, Spinning through the town  
Sooner or later the fever ends, - And I wind up feeling down

I need a man who'll take a chance, on a love that burns hot enough to last  
So when the night falls, - My lonely heart calls.

## **[CHORUS] 2X**

(Somebody who somebody who) somebody who loves me,  
(Somebody who somebody who) to hold me in his arms.

I need a man who'll take a chance, on a love that burns hot enough to last  
So when the night falls, - my lonely heart calls.

## **[CHORUS] 2X**

Yeah, - Don't you wanna dance with me baby?

Don't you wanna dance with me boy, Don't you wanna dance with me baby  
With somebody who loves me,

Don't you wanna dance, Say you wanna dance, Don't you wanna dance  
Don't you wanna dance, Say you wanna dance, Don't you wanna dance  
Don't you wanna dance - Say you wanna dance

Uh-huh - With somebody who loves me?

## I Want You Back

When I had you to myself - I didn't want you around  
Those pretty faces always make you - Stand out in a crowd

But someone picked you from the bunch -  
One glance was all it took  
Now it's much too late for me - To take a second look

### **[Chorus]**

Oh, baby give me one more chance  
Won't you please let me... Back in your heart  
Oh, darling I was blind to let you go  
But now since I see you in his arms

*I want you back... Oh, I do now*  
*I want you back... Ooh, ooh baby*  
*I want you back... Yeah, yeah, yeah, yeah*  
*I want you back... Na, na, na, na*

Tryin' to live without your love - Is one more stupid night  
Let me show you girl... - That I know wrong from right

Every street you walk on - I leave tear stains on the ground  
Followin' the girl - I didn't even want around

### **[Chorus] - 2X**

## I Will Survive

At first I was afraid, - I was petrified  
Kept thinkin' I could never live -  
Without you by my side  
But then I spent so many nights -  
Thinkin' how you did me wrong  
And I grew strong, and I learned how to get along

And so you're back, - From outer space  
I just walked in to find you here -  
Without that look upon your face  
I shoulda changed that stupid lock, -  
I shoulda made you leave your key  
If I'd have known for just one second -  
You'd be back to bother me

Well now go, - Walk out the door  
Just turn around now, -  
'Cause you're not welcome any more  
Weren't you the one that tried to hurt me with "good-bye"  
You think I'd crumble, You think I'd lay down and die

Oh, no now I, I will survive  
Oh, as long as I know how to love I know I'll stay alive  
I've got all my life to live, I've got all my love to give  
I'll survive, - I will survive, Hey, hey!

# I Wish

Looking back on when I - Was a little nappy headed boy  
Then my only worry - Was for Christmas what would be my toy  
Even though we sometimes - Would not get a thing  
We were happy with the - Joy the day would bring

Sneaking out the back door -  
To hang out with those hoodlum friends of mine - ooooo  
Greeted at the back door with: Boy thought I told you not to go outside  
Tryin' your best to bring the - Water to your eyes  
Thinkin' it might stop her - From woopin' your behind

## **[Chorus]**

I wish those days... could... - Come back once more  
Why did those days... e... - ver have to go  
I wish those days... could... - Come back once more  
Why did those days... e... - ver have to go - Cause I love them so

Do-do do-do do do do do do do-do do - Do-do do-do do do do do-do do

Brother says he's tellin' - 'Bout you playin' doctor with that girl  
Just don't tell & I'll give you; Anythin' you want in this whole wide worl'  
Mama gives you money - For Sunday school  
You trade yours for candy - After church is through

Smokin' cigarettes an' writing somethin' nasty on the wall - *You nasty boy*  
Teacher sends you to the - Principal's office down the hall  
You grow up and learn that - Kinda thing ain't right  
But while you were doin' it - It sure felt outta sight

**[Chorus] ➔ [Solo] ➔ [Chorus]**

## I Wish It Would Rain

Sunshine, blue skies, please go away  
My girl has found another, and gone away  
With her went my future, my life is filled with gloom  
So day after day, I stay locked up in my room  
I know to you, it might sound strange  
But I wish it would rain, Oh yeah, yeah, yeah, yeah

'Cause so badly, I want to go outside  
But everyone knows, that a man ain't supposed to cry, Listen  
I gotta cry 'cause cryin' ooh  
Eases the pain oh, yeah  
Even this hurt I feel inside, words could never explain  
I just wish it would rain, Oh let it rain  
Rain, rain, rain

Let it rain... Let it rain ➔ **Music interlude**

Day in day out my tear stain stays, pressed against the window pane  
My eyes search the skies, desperately for rain  
'Cause rain drops will hide my tear drops, an' no one will ever know  
That I'm cryin', cryin', when I go outside  
To the world outside my tears, I refuse to explain  
Ooh, I wish it would rain, ooh, baby

Let it rain, let it rain  
I need rain to disguise the tears in my eyes  
Ooh, let it rain  
Oh yeah, yeah, Listen  
I'm a man and I got my pride  
If it rains I'm gonna sneak outside

## I'm Gonna Be (500 Miles)

When I wake up, well I know I'm gonna be,  
I'm gonna be the man who wakes up next to you  
When I go out, yeah I know I'm gonna be  
I'm gonna be the man who goes along with you  
If I get drunk, well I know I'm gonna be  
I'm gonna be the man who gets drunk next to you  
And if I haver, hey I know I'm gonna be  
I'm gonna be the man who's havering to you

### **[CHORUS]**

But I would walk 500 miles -  
And I would walk 500 more  
Just to be the man who walked a thousand miles -  
To fall down at your door

When I'm working, yes I know I'm gonna be  
I'm gonna be the man who's working hard for you  
And when the money, comes in for the work I do  
I'll pass almost every penny on to you

When I come home *When I come home* -  
Well I know I'm gonna be  
I'm gonna be the man who comes back home to you  
And if I grow old, well I know I'm gonna be  
I'm gonna be the man who's growing old with you

## I'm Gonna Be (500 Miles) - 2

**[CHORUS]**

fa la la la, fa la la la - Da Da Da

Dun Diddle Un Diddle Un Diddle Uh Da Da (2X)

When I'm lonely, well I know I'm gonna be

I'm gonna be the man who's lonely without you

And when I'm dreaming, well I know I'm gonna dream

I'm gonna Dream about the time when I'm with you

When I go out *When I go out*, -

Well I know I'm gonna be

I'm gonna be the man who goes along with you

And when I come home *When I come home*, -

Yes I know I'm gonna be

I'm gonna be the man who comes back home with you

I'm gonna be the man who's coming home with you

**[CHORUS] -- fa la la la... (4X) -- [CHORUS]**

## **In The Midnight Hour**

I'm gonna wait 'til the midnight hour  
That's when my love comes tumbling down  
I'm gonna wait 'til the midnight hour  
When there's no one else around

I'm gonna take you girl and hold you  
And do all the things I told you - In the midnight hour  
Yes I am, oh, yes I am,  
One more thing I'm just gonna say right here

I'm gonna wait 'til the stars come out  
And see that twinkle in your eyes  
I'm gonna wait 'til the midnight hour  
That's when my love begins to shine

You're be the only girl I know  
That really loves me so - In the midnight hour  
Oh yeah, in the midnight hour

### **Horn Interlude**

I'm gonna wait 'til the midnight hour  
That's when my love comes tumbling down  
I'm gonna wait 'til the midnight hour  
That's when my love begins to shine - Just you and I

# In Your Eyes

Love... I get so lost, sometimes  
Days pass... and this emptiness fills my heart  
When I want to run away - I drive off in my car  
But whichever way I go - I come back to the place you are

## **[Pre-Chorus]**

All my instincts, they return  
And the grand facade, so soon will burn  
Without a noise, without my pride  
I reach out from the inside

## **[Chorus]**

In your eyes - The light the heat  
In your eyes - I am complete  
In your eyes - I see the doorway  
In your eyes - To a thousand churches  
In your eyes - The resolution  
In your eyes - Of all the fruitless searches  
In your eyes - I see the light and the heat  
In your eyes - Oh, I want to be that complete  
In your eyes - I want to touch the light  
In your eyes - The heat I see in your eyes

Love... I don't like to see so much pain  
So much wasted... and this moment keeps slipping away  
I get so tired of working so hard for our survival  
I look to the time with you to keep me awake and alive

## **[Pre-Chorus]**

**[Chorus]** In your eyes in your eyes, In your eyes in your eyes, In...

## Into The Mystic

We were born before the wind  
Also younger than the sun  
Ere the bonnie boat was won  
As we sailed into the mystic

Hark now hear the sailor's cry  
Smell the sea and feel the sky  
Let your soul and spirit fly  
Into the mystic

### **{Bridge}**

When that fog horn blows  
I will be coming home  
And when that fog horn blows  
I want to hear it... I don't have to fear it and

I want to rock your gypsy soul  
Just like way back in the days of old  
And I remember suddenly we will float  
Into the mystic

### **{Solo} ➔ {Bridge}**

I want to rock your gypsy soul  
Just like way back in the days of old  
And together we will float  
Into the mystic.... Come on, girl

## It's Your Thing

### {Chorus}

It's your thing, do what you wanna do  
I can't tell you, who to sock it to  
It's your thing, do what you wanna do  
I can't tell you, who to sock it to

If you want me to love you, maybe I will  
Believe me woman, it ain't no big deal  
You need love now, just as bad as I do  
Makes me no difference now, who you give your thing to

### {Chorus}

I'm not tryin' to run your life  
I know you wanna do what's right  
Give your love girl, to whom ever you choose  
How can you lose, with the stuff you use

### {Chorus} ➔ Solo ➔ {Chorus}

## Johnny B. Goode

Way down Louisiana close to New Orleans,  
Way back up in the woods among the evergreens...  
There stood a log cabin made of earth and wood,  
Where lived a country boy name of Johnny B. Goode...  
He never ever learned to read or write so well,  
But he could play the guitar like ringing a bell.

Go Go  
Go Johnny Go Go Go  
Go Johnny Go Go Go  
Go Johnny Go Go Go  
Go Johnny Go Go Go  
Johnny B. Goode

He use to carry his guitar in a gunny sack  
And sit beneath the trees by the railroad track.  
Oh, the engineers used to see him sitting in the shade,  
Playing to the rhythm that the drivers made.  
People passing by would stop and say  
Oh my that little country boy could play

His mama told him someday he would be a man,  
And he would be the leader of a big old band.  
Many people coming from miles around  
To hear him play his music when the sun go down  
Maybe someday his name would be in lights  
Saying Johnny B. Goode tonight.

## **Just My Imagination**

Each day through my window I watch out as she passes by  
I say to myself - "You're such a lucky guy"  
To have a girl like her is truly a dream come true  
Out of all the fellows in the world she belongs to you

### **{Chorus}**

But it was just my imagination  
Runnin' away with me  
It was just my imagination  
Runnin' away with me

Soon we'll be married and raise a family  
A cozy little home, out in the country, With 2 children, maybe 3  
I tell you ahh, ahh, and as the wind blows  
This couldn't be a dream all too real it all seems

### **{Chorus}**

Every night on my knees I pray  
Dear Lord, hear my plea  
Don't ever let another take her love from me  
Or I will surely die, her love is  
Heavenly when her arms enfold me  
I hear her tender laugh so deep  
But in reality, she doesn't even know me

### **{Chorus} - {Chorus}**

# Kung Fu Fighting

Everybody was kung-fu fighting  
Those cats were fast as lightning  
In fact it was a little bit frightening  
But they fought with expert timing

They were funky China men from funky Chinatown  
They were chopping them up and they were chopping them down  
It's an ancient Chinese art and everybody knew their part  
From a feint into a slip, and kicking from the hip

Everybody was kung-fu fighting  
Those cats were fast as lightning  
In fact it was a little bit frightening  
But they fought with expert timing

There was funky Billy Chin and little Sammy Chung  
He said here comes the big boss, lets get it on  
We took a bow and made a stand, started swinging with the hand  
The sudden motion made me skip now we're into a brand new trip

Everybody was kung-fu fighting  
Those cats were fast as lightning  
In fact it was a little bit frightening  
But they did it with expert timing

(repeat)..make sure you have expert timing  
Kung-fu fighting, had to be fast as lightning

# Last Dance

## {Verse 1}

Last dance... Last chance for love

Yes, it's my last chance... For romance tonight

I need you... by me... Beside me, to guide me

To hold me, to scold me - 'Cause when I'm bad I'm so, so bad...

So let's dance the last dance - Let's dance the last dance

Let's dance this last dance tonight.....

Repeat {Verse 1}

## [Bridge]

**Ad lib:** Yeah... ooh... ooh... oooooh... yeah...

Will you... ooh... be my Mr. Right?

Can... you... fill my appetite

I can't be sure - That you're the one for me

But all that I ask, Is that you

Dance with me, Dance with me, Dance with me, yeah

I need you... by me... Beside me, to guide me

To hold me... to scold me... - 'Cause when I'm bad I'm so, so bad

So let's dance... the last dance - Let's dance... the last dance

Let's dance... the last dance - Let's dance the last dance tonight...

Oooooo..... Oooooo..... - Hey - Oooooo..... Oooooooooo.....

Ooh, I need you... by me... Beside me, to guide me

To hold me... to scold me... - 'Cause when I'm bad I'm so, so bad

So come on baby, dance that dance - Come on baby, dance that dance

Come on baby, let's dance tonight..... Yeah...

## **Let The Good Times Roll**

Hey everybody, let's have some fun  
You only live but once and when you're dead you're done  
So let the good times roll - Let the good times roll  
I don't care if you're young or old, -  
Get together & let the good times roll

Don't stand there moaning, talking trash  
If you wanna have some fun, -  
You'd better go out & spend some cash  
And let the good time roll - Let the good time roll  
I don't care if you're young or old,  
Get together & let the good times roll

Hey mister landlord, lock up all the doors  
When the police comes around, tell them joint is closed  
Let the good times roll Let the good times roll  
And Lord I don't care if you young or old,  
That's good enough to let the good times roll

Hey everybody! Tell everybody!  
That B.B. and Bobby's in town  
I got a dollar and a quarter - And I'm just raring to clown  
Don't let nobody play me cheap  
I got fifty cents to know that I'm gonna keep  
Let the good times roll Let the good times roll  
I don't care if you're young or old  
Let's get together and let the good times roll

# Let's Get It On

I've been really tryin' baby  
Tryin' to hold back this feelin' for so long  
And if you feel like I feel, baby  
Come on, oh, come on  
Let's get it on  
Let's get it on, let's love baby  
Let's get it on, sugar  
Let's get it on

We're all sensitive people with so much to give understand each other  
Since we've got to be here, lets live, I love you  
There's nothing wrong with me lovin' you, baby no no and  
Givin' yourself to me can never be wrong, if the love is true, oh baby

Don't you know how sweet and wonderful life can be  
I'm askin' you baby, to get it on with me  
I ain't gonna worry, I ain't gonna push, won't push you baby  
Come on, come on, come on, come on, come on, baby, stop beatin' 'round the bush

Let's get it on  
Let's get it on, you know what I'm talkin' 'bout  
Come on baby, hey

Let's get it on  
Let's get it on baby, let me in it aw yeah,  
Let's get it on, please  
Please get it on

Come on, come on, come on, come on, come on, darlin' stop beatin' 'round the bush

Gonna get it on, threatenin' you baby  
I wanna get it on, you don't have to worry that it's wrong  
If the spirit moves you, let me groove you, good  
Let your love come down oh, get it on  
Come on, baby, do your love baby, I've been sanctified  
Girl you give me good feelings

# Let's Get It Started

Let's Get It Started, in here...

And the base keep runnin' runnin', and runnin' runnin',  
and runnin' runnin', and runnin' runnin',  
and runnin' runnin', and runnin' runnin', and  
runnin' runnin', and runnin' runnin', and...

In this context, there's no disrespect,  
So, when I bust my rhyme, you break your necks.  
We got five minutes for us to disconnect,  
From all intellect collect the rhythm effect.  
Obstacles are inefficient, follow your intuition,  
Free your inner soul and break away from tradition.  
Coz when we beat out, girl it's pullin without.  
You wouldn't believe how we wow shit out.  
Burn it till it's burned out. - Turn it till it's turned out.  
Act up from north, west, east, south.

Everybody, - everybody, - let's get into it. - Get stupid.  
Get it started, get it started, get it started.

Let's get it started (ha), let's get it started in here.  
Let's get it started (ha), let's get it started in here.  
Let's get it started (ha), let's get it started in here.

Yo mama say

Ya, ya, ya, ya, ya, ya, ya, ya, ya, ya, ya, ya, ya, ya, ya...

Runnin' runnin', and runnin' runnin',  
and runnin' runnin', and runnin' runnin'

## Let's Twist Again

Come on everybody clap your hands  
Now you're looking good  
I'm gonna sing my song and you won't take long  
We gotta do the twist and it goes like this

Come on let's twist again like we did last summer  
Yea, let's twist again like we did last year  
Do you remember when things were really hummin'  
Yea, let's twist again, twistin' time is here

Yeah round 'n around 'n up 'n down we go again  
Oh baby make me know you love me so then  
Come on let's twist again like we did last summer  
Yea, let's twist again, twistin' time is here

Come on let's twist again like we did last summer  
Yea, let's twist again like we did last year  
Do you remember when things were really hummin'  
Yea, let's twist again, twistin' time is here

Yeah round 'n around 'n up 'n down we go again  
Oh baby make me know you love me so then  
Come on let's twist again like we did last summer  
Yea, let's twist again, twistin' time is here

## The Loco-Motion

Everybody's doin' a brand-new dance, now

*(Come on baby, do the Loco-motion)*

I know you'll get to like it if you give it a chance now

*(Come on baby, do the Loco-motion)*

My little baby sister can do it with me;

It's easier than learning your A-B-C's,

So come on, come on, do the Loco-motion with me.

You gotta swing your hips, now. Come on, baby.

Jump up, jump back. Well now, I think you've got the knack

Now that you can do it, let's make a chain, now.

*(Come on baby, do the Loco-motion)*

A chug-a chug-a motion like a railroad train, now.

*(Come on baby, do the Loco-motion)*

Do it nice and easy, now, don't lose control:

A little bit of rhythm and a lot of soul.

So come on, come on, do the Loco-motion with me.

Move around the floor in a Loco-motion.

*(Come on baby, do the Loco-motion)*

Do it holding hands if you get the notion.

*(Come on baby, do the Loco-motion)*

There's never been a dance that's so easy to do.

It even makes you happy when you're feeling blue,

So come on, come on, do the Loco-motion with me.

## The Man in Me

La la la la - La la la la

La la la la - La la la la

The man in me will do nearly any task  
And as for compensation, there's little he would ask  
Take a woman like you  
To get through to the man in me

Storm clouds are raging all around my door  
I think to myself I might not take it any more  
Take a woman like your kind  
To find the man in me

But, oh, what a wonderful feeling  
Just to know that you are near  
Sets my a heart a-reeling  
From my toes up to my ears

The man in me will hide sometimes to keep from bein' seen  
But that's just because he doesn't want turn into some  
machine  
Took a woman like you  
To get through to the man in me

La la la la - La la la la

## **Move This**

Yo! Come on move this!

Shake that body - Shake that body

Shake that body - Shake that body

### **[Verse 1]**

People don't you know, - Don't you know it's about time

Many different flavors - And the spice is strong

Get into the hot stuff - Let me pour a little some

### **[Verse 2]**

Baby let me show you how to do this

You've gotta move this - You're doin' fine

Shake that body for me - Shake that body

## Mustang Sally

Mustang Sally

Guess you better slow your Mustang down

Mustang Sally now baby

Guess you better slow your Mustang down

You've been runnin' all over town now

Oh, I guess I have to put your flat feet on the ground

**[Verse 2]**

I bought you a brand new Mustang - 1995

Now you come around, signfin' woman

You don't wanna let me a ride

Mustang Sally now baby

You've been runnin' all over town

Oh, I got to put your flat feet on the ground

**[Chorus]**

All you wanna do, is ride around Sally, *Ride, Sally ride!*

All you wanna do, is ride around Sally, *Ride, Sally ride!*

**[Solo] ➔ [Verse 2]**

**[Chorus] ➔ [Chorus] (with breaks)**

## My Girl

I've got sunshine... On a cloudy day  
When it's cold outside... I've got the month of May

I guess you say  
What can make me feel this way?  
My Girl, My Girl, My Girl  
Talkin' 'bout My Girl, My Girl

I've got so much honey... The bees envy me  
I've got a sweeter song... Than the birds in the tree

Well, I guess you say - What can make me feel this way?  
My Girl, My Girl, My Girl  
Talkin' 'bout My Girl, My Girl - Ooh, ooh,

Hey, hey, hey - Hey, hey, hey

I don't need no money... Fortune or fame  
I've got, all the riches baby... One man can claim

Well, I guess you say - What can make me feel this way?  
My Girl, My Girl, My Girl  
Talkin' 'bout My Girl, My Girl - (Ad lib)

# Natural Woman

Lookin' out on the mornin' rain  
I used to feel so uninspired  
And when I knew I had to face another day  
Lord, it made me feel so tired

Before the day I met you... Life was so unkind  
You're the key to my peace of mind

## {CHORUS}

'Cause You make me feel  
You make me feel  
You make me feel like a natural woman

When my soul was in the lost and found  
You came along... To claim it  
I didn't know just what was wrong with me  
Till your kiss helped me name it

Now I'm no longer doubtful... Of what I'm livin' for  
And if I make you happy I don't need to do more

## {CHORUS}

Oh, baby what you've done to me    *What you've done to me*  
You make me feel so good inside    *Good inside*  
And I just want to be    *Want to be*  
Close to you, you make me feel so alive

{CHORUS} (Repeat until cue)

# Never Gonna Give You Up

We're no strangers to love  
You know the rules and so do I  
A full commitment's what I'm thinking of  
You wouldn't get this from any other guy

I just wanna tell you how I'm feeling  
Gotta make you understand

## **[Chorus]**

Never gonna give you up - Never gonna let you down  
Never gonna run around and desert you  
Never gonna make you cry - Never gonna say goodbye  
Never gonna tell a lie and hurt you

## **[Verse 2]**

We've know each other for so long  
Your heart's been aching - But you're too shy to say it  
Inside we both know what's been going on  
We know the game and we're gonna play it

And if you ask me how I'm feeling  
Don't tell me you're too blind to see

## **[Chorus] 2X**

*Ooh... Give you up Ooh... give you up*  
*Ooh... Never gonna give, Never gonna give Give you up*  
*Ooh... Never gonna give, Never gonna give Give you up*

## **[Verse 2]**

I just wanna tell you how I'm feeling  
Gotta make you understand

## **[Chorus] 3X**

# Old Time Rock'n Roll

Take those old records off the shelf  
I'll sit an' listen to 'em by myself  
Today's music ain't got the same soul  
I like that old time rock'n roll

Don't try to take me to a disco  
You'll never even get me out on the floor  
In 10 minutes I'll be late for the door  
I like that old time rock'n roll

## **{CHORUS}**

Still like that old time rock'n roll  
That kind of music just soothes the soul  
I'll reminisce about the days of old  
With that old time rock'n roll

## **Solo**

Won't go to hear 'em play a tango  
I'd rather hear some blues or funky old soul  
There's only one sure way to get me to go  
Start playing old time rock n' roll

Call me a relic, call me what you will  
Say I'm old fashioned, Say I'm over the hill  
Today's music ain't got the same soul  
I like that old time rock'n roll

**{CHORUS} - Solo - {CHORUS} - {CHORUS} *A cappella* - Solo**

*Let's get together and feel all right*

# One Of These Nights

One of these nights, one of these crazy old nights  
We're gonna find out, pretty mama, what turns on your lights.  
The full moon is callin', the fever is high & the wicked wind whispers & moans  
You got your demons, you got desires, well, i got a few of my own.

Oooh, someone to be kind to in between the dark and the light...  
Oh--ooh, coming right behind you, swear i'm gonna find you one of these nites!

One of these dreams, one of these lost and lonely dreams, now,  
we're gonna find one, mm, one that really screams.  
I've been searching for the daughter of the devil himself,  
I've been searching for an angel in white.  
I've been waiting for a woman who's a little of both  
And i can feel her but she's nowhere in sight.

Ooh, loneliness will blind you in between the wrong and the right...  
Oh--ooh, coming right behind you, swear i'm gonna find you one of these nites!

One of these nights oh, in between the dark and the light.  
Coming right behind you, swear i'm gonna find you,  
Get you, baby, one of these nights.

One of these nights ooh-ooh-ooh-ooh ooh-ooh-ooh-ooh  
One of these nights i can feel it, i can feel it  
One of these nights coming right behind you, swear i'm gonna find you now...  
One of these nights and it's so dark, it's so dark and cold and lonely...  
One of these nights one of these crazy crazy crazy nights  
One of these nights swear i'm gonna find you, coming right behind you  
One of these nights oh-o-o-o-o-o-o-o-o-o-o-o-o-o-o-o-o  
One of these nights and i wanna say ah  
One of these nights one of these, one of these  
One of these nights coming right behind you, swear i'm gonna find you  
One of these nights one of these nights, one of these crazy nights (fade out)

## Play That Funky Music White Boy

Once I was a boogie singer - Playin' in a rock 'n roll band  
I never had no problems - Rollin' down the one night stands  
And everything around me - Got to stop to feelin' so low  
And I decided quickly - To disco down and check out the show

**{BREAK}**

And they were dancin' and singin' and movin' to the groovin'  
And just when it hit them somebody turned around and shouted  
Play that funky music white boy, Play that funky music right  
Play that funky music white boy...  
Lay down the boogie and play that funky music 'til you die

I tried to understand this-I thought that they were out of there minds  
How could I be so foolish - To not think I was the one behind  
So still I kept on fighting - Losin' every step of the way  
I said I must go back there - To check if things still the same

**{BREAK}**

At first it wasn't easy - Changin' rock 'n rollin' minds  
And things were gettin' shaky -  
I thought I'd have to leave them behind  
But now it's so much better it's so much better -  
I'm funkkin' out in every way  
But I'll never lose that feelin' you know I won't -  
Of how I learned my lesson that day

**{BREAK}**

# Play That Song

## **[Chorus 1]**

The one that makes me think of you - That's all you gotta do

Hey Mister DJ - When you gonna spin it  
My baby's favorite record - She been waiting for a minute  
She invited all her friends - And I'm buying all the rounds  
And they're all dolled up - DJ please don't let me down

When you gonna play that song - And make my day - She said

## **Proud Mary**

Left a good job in the city  
Workin' for the man ev'ry night and day  
And I never lost one minute of sleepin'  
Worryin' 'bout the way things might have been

### **[Chorus]**

Big wheel keep on turnin'  
Proud Mary keep on burnin'  
Rollin', rollin', rollin' on the river  
Rollin', rollin', rollin' on the river

Cleaned a lot of plates in Memphis  
Pumped a lot of tain down in New Orleans  
But I never saw the good side of the city  
'Til I hitched a ride on a river boat queen

### **[Chorus]**

### **{Solo}**

If you come down to the river  
Bet you gonna find some people who live  
You don't have to worry 'cause you have no money  
People on the river are happy to give

### **[Chorus]**

## **Red, Red Wine**

Red, red wine goes to my head,  
Makes me forget that I still need her so

Red, red wine, it's up to you  
All I can do I've done  
Memories won't go, memories won't go

Life is fine every time,  
Thoughts of you leave my head  
I was wrong, now I find  
Just one thing makes me forget

Red, red wine, stay close to me  
Don't let me be alone  
It's tearing apart my blue heart

Red red wine, you make me feel so fine,  
You keep me rockin' all of the time  
Red red wine, you make me feel so grand,  
I feel a million dollar when you're just in my hand  
Red red wine, you make me feel so sad,  
Any time I see you go, it make me feel bad  
Red red wine, you make me feel so fine,  
Monkey back and ease up on the sweet deadline

## Red, Red Wine - page 2

Red red wine, you give me holy pahzing  
Holy pahzing, you make me do my own thing  
Red red wine, you give me not awful love  
Your kind of lovin' like a blessing from above  
Red red wine, I loved you right from the start,  
Right from the start, and with all of my heart  
Red red wine in an eighties style  
Red red wine in a modern beat style - Yeah

Give me a little time, let me clear out my mind  
Give me a little time, let me clear out my mind  
Give me red wine, the kind make me feel fine  
You make me feel fine all of the time  
Red red wine, you make me feel so fine  
Monkey back and ease up on the sweet deadline  
The line broke, the money get choked,  
Bunbah, ganjapani, little rubber boat  
Red red wine, I'm gonna hold on to you,  
Hold on to you 'cause I know you love truth  
Red red wine, I'm gonna love you till I die,  
Love you till I die, and that's no lie  
Red red wine, can't get your off my mind  
Wherever you may be, I'll surely find,  
I'll surely find. Make no fuss, just leave us

## Runaround Sue

Here's my story, sad but true  
It's about a girl that I once knew  
She took my love then ran around  
With every single guy in town

Ah, I should have known it from the very start  
This girl will leave me with a broken heart  
Now listen people what I'm telling you  
A-keep away from-a Runaround Sue

I miss her lips and the smile on her face  
The touch of her hair and this girl's warm embrace  
So if you don't wanna cry like I do  
A-keep away from-a Runaround Sue

Ah, she likes to travel around  
She'll love you but she'll put you down  
Now people let me put you wise  
Sue goes out with other guys

Here's the moral and the story from the guy who knows  
I fell in love and my love still grows  
Ask any fool that she ever knew, they'll say  
Keep away from-a Runaround Sue

**(Solo) ➔ (Repeat last verse)**

# Save The Last Dance For Me

You can dance-every dance with the guy  
Who gives you the eye, let him hold you tight  
You can smile-every smile for the man  
Who held your hand neath the pale moon light

## **[CHORUS]**

But don't forget who's takin' you home  
And in whose arms you're gonna be  
So darlin' save the last dance for me

[2]

Oh I know that the music's fine  
Like sparklin' wine, go and have your fun  
Laugh and sing, but while we're apart  
Don't give your heart to anyone

## **[CHORUS]**

Baby don't you know I love you so  
Can't you feel it when we touch  
I will never never let you go  
I love you oh so much

You can dance, go and carry on Till the night is gone  
And it's time to go  
If he asks if you're all alone  
Can he walk you home, you must tell him no

## **[CHORUS] - Repeat [2] - [CHORUS]**

"Save the last dance for me" - 2X

## September

Do you remember the 21st night of September?  
Love was changing the mind of pretenders  
While chasing the clouds away

Our hearts were ringing  
In the key that our souls were singing.  
As we danced in the night,  
Remember - how the stars stole the night away,  
yeah yeah yeah.

Hey hey hey,  
Ba de ya - say do you remember  
Ba de ya - dancing in September  
Ba de ya - never was a cloudy day

Ba duda, ba duda, ba duda, badu  
Ba duda, badu, ba duda, badu  
Ba duda, badu, ba duda

My thoughts are with you  
Holding hands with your heart to see you  
Only blue talk and love,  
Remember - how we knew love was here to stay

## **Shake Rattle And Roll**

Get out from that kitchen and rattle those pots and pans,  
Get out from that kitchen and rattle those pots and pans.  
Well, roll my breakfast, 'cause I'm a hungry man.

I said Shake rattle and roll, I said Shake rattle and roll,  
I said Shake rattle and roll, I said Shake rattle and roll;  
You never do nothin' to save your doggone soul.

Wearin' those dresses, your hair done up so right  
Wearin' those dresses, your hair done up so right;  
You look so warm, but your heart is cold as ice.

I said Shake rattle and roll .....

I'm like a one-eyed cat, peepin' in a sea-food store,  
I'm like a one-eyed cat, peepin' in a sea-food store;  
I can look at you, till you don't love me no more

I believe you're doin' me wrong and now I know,  
I believe you're doin' me wrong and now I know;  
The more I work, the faster my money goes.

I said Shake rattle and roll .....

# **Shake Your Body (Down To The Ground)**

Cause you do know that I want you  
You walk around this town with your head all up in the sky  
And I do know that I want you

You're the spark that lit the fire inside of me  
And you know that I love it  
I need to do just something to get closer to your soul  
And you do know that I want you

Like a fool I went and stayed too long  
But now I'm wondering if our love's still strong  
Ooh, baby, Here I am, signed, sealed, delivered, I'm yours

Then the time I went and said good-bye  
Now I'm back and not ashamed to cry  
Ooh, baby, Here I am, signed, sealed, delivered, I'm yours

### **{CHORUS}**

Now here I am baby, oh yeah, you got my future in your hands  
Here I am baby, oh yeah, you got my future in your hands  
Said a lot of foolish things that I really didn't mean  
Should be a stronger man

Seen a lot of things in this old world  
And I've touched some very pretty girls  
Ooh, baby, Here I am, signed, sealed, delivered, I'm yours

Ooh-wee baby, you set my soul on fire  
And that's I know your my, heart's only desire  
Ooh, baby, Here I am, signed, sealed, delivered, I'm yours

Should be a stronger man

### **{CHORUS}**

# Sledgehammer

You could have a steam train - If you'd just lay down your tracks  
You could have an aeroplane flying - If you bring your blue sky back

All you do is call me - I'll be anything you need

You could have a big dipper - Going up and down, all around the bends  
You could have a bumper car, bumping - This amusement never ends

I want to be your sledgehammer - Why don't you call my name  
Oh let me be your sledgehammer - This will be my testimony

Show me round your fruitcage - 'Cos I will be your honey bee  
Open up your fruitcage - Where the fruit is as sweet as can be

I want to be your sledgehammer - Why don't you call my name  
You'd better call the sledgehammer - Put your mind at rest

I'm going to be-the sledgehammer - This can be my testimony  
I'm your sledgehammer - Let there be no doubt about it

Sledge... sledge - Sledgehammer

I've kicked the habit - Shed my skin  
This is the new stuff - I go dancing in, we go dancing in  
Oh won't you show for me - And I will show for you  
Show for me, - I will show for you Yeah, yeah, yeah, yeah, yeah,  
I do mean you, only you - You've been coming through -  
Going to build that power, Build, build up that power, hey  
I've been feeding the rhythm - I've been feeding the rhythm  
Going to feel that power, build in you  
Come on, come on, help me do, Come on, come on, help me do  
Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah, you  
I've been feeding the rhythm - I've been feeding the rhythm  
It's what we're doing, doing - All day and night  
Come on, come on, help me do, Come on, come on, help me do

## Some Kind Of Wonderful

I don't need a whole lots 'a money; I don't need a big, fine car  
I got everything that a man could want; I got more than I could ask for  
Now, I don't have to run around; I don't have to stay out all night  
'Cause I got me a sweet, a sweet lovin' woman;  
And she knows just how to treat me right  
Well my baby, she's all right; Well my baby, she's clean out of sight,

### **[Chorus]**

Don't you know that she's; She's some kind 'a wonderful  
She's some kind 'a wonderful; Yes she is, she's a  
She's some kind 'a wonderful; Yeah, yeah, yeah, yeah

When I hold her in my arms; You know, she sets my soul on fire  
Oo, when my baby kisses me; My heart becomes filled with desire  
When she wraps her lovin' arms around me; It drives me outta my mind  
Yeah, when my baby kisses me; Chills run up and down my spine  
Well my baby, she's all right; Uh, my baby, she's clean out of sight

### **[Chorus]**

Now is there anybody... got a sweet little woman like mine  
Got to be somebody... got a sweet little woman like mine  
Can I get a witness... Can I get a witness  
Can I get a witness... Can I get a witness

Well, I'm talkin' about my baby; She's some kind 'a wonderful  
Talkin' about my baby; She's some kind 'a wonderful  
Talkin' about my baby; She's some kind 'a wonderful  
Talkin' about my baby; She's some kind 'a wonderful

No I won't be afraid  
No I won't be afraid  
Just as long as you stand, stand by me

### **{CHORUS}**

So darling, darling, stand by me  
Oh, stand by me  
Oh, stand, stand by me, stand by me

If the sea, that we look upon

Just as long as you stand, stand by me

## Start Me Up

If you start me up - If you start me up I'll never stop  
If you start me up - If you start me up I'll never stop  
I've been running hot - You got me ticking gonna blow my top  
If you start me up - If you start me up I'll never stop  
You make a grown man cry

Spread out the oil, the gasoline  
I walk smooth, ride in a mean, mean machine  
Start it up

If you start it up  
Kick on the starter give it all you got, you got, you got  
I can't compete with the riders in the other heats  
If you rough it up - If you like it you can slide it up, slide it up  
Don't make a grown man cry  
My eyes dilate, my lips go green  
My hands are greasy She's a mean, mean machine  
Start it up

If start me up - Give it all you got  
You got to never, never, never stop  
Never, never - Slide it up  
You make a grown man cry  
Ride like the wind at double speed  
I'll take you places that you've never, never seen  
Start it up - Love the day when we will never stop, never stop  
Never stop, never stop  
Tough me up Never stop, never stop, never stop  
You, you, you make a grown man cry  
You, you make a dead man cum You, you make a dead man cum

# Stayin' Alive

## {Verse 1}

Well, you can tell by the way I use my walk

I'm a woman's man, no time to talk

Music loud & women warm - I've been kicked around since I was born

And now it's all right, it's okay - And you may look the other way

We can try to understand - the New York Times' effect on man

## [Chorus]

Whether you're a brother or whether you're a mother you're

Stayin' alive, stayin' alive

Feel the city breakin' and everybody shakin' and we're

Stayin' alive, stayin' alive

Ah, ah, ah, ah, stayin' alive, stayin' alive

Ah, ah, ah, ah, stayin' alive

Well now, I get low and I get high --

And if I can't get either, I really try

Got the wings of heaven on my shoes -

I'm a dancin' man & I just can't lose

You know it's all right, it's okay -- I'll live to see another day

We can try to understand -- the New York Times' effect on man

## [Chorus]

## {Bridge}

Life goin' nowhere, somebody help me -- Somebody help me, yeah

Life goin' nowhere, somebody help me -- Somebody help me, yeah

I'm Stayin' alive

{Verse 1} -- [Chorus] -- {Bridge}

# **Stop! In The Name Of Love**

## **[Chorus]**

Stop! In the name of love - Before you break my heart

Baby, baby - I'm aware of where you go

Each time you leave my door

I watch you walk down the street

Knowing your other love you'll meet

But this time before you run to her

Leaving me alone and hurt

(Think it over) After I've been good to you?

(Think it over) After I've been sweet to you?

## **[Chorus] 2x's - Think it over - Think it over**

I've known of your - Your secluded nights

I've even seen her - Maybe once or twice

But is her sweet expression

Worth more than my love and affection?

But this time before you leave my arms

And rush of to her charms

(Think it over) Haven't I been good to you?

(Think it over) Haven't I been sweet to you?

## **[Chorus] 2x's - Think it over - Think it over**

I've tried so hard, hard to be patient

Hoping you'd stop this infatuation

But each time you are together

I'm so afraid I'll be losing you forever - **[Chorus] 3x's ad lib**

She's a very kinky girl - The kind you don't take home to mother  
She will never let your spirits down -  
Once you get her off the street, ow girl  
She likes the boys in the band - She says that I'm her all-time favorite  
When I make my move to her room it's the right time -  
She's never hard to please

In a limousine - *Going back in Chinatown*  
There's not a crowd to her, she says - *The Girl she's wild*

## Suspicious Minds

We're caught in a trap... I can't walk out  
Because I love you too much baby  
Why can't you see... What you're doing to me  
When you don't believe a word I say?

We can't go on together - With suspicious minds  
And we can't build our dreams - On suspicious minds

So, if an old friend I know  
Drops by to say hello  
Would I still see suspicion in your eyes?  
Here we go again  
Asking where I've been  
You can't see these tears are real  
I'm crying

We can't go on together - With suspicious minds  
And we can't build our dreams - On suspicious minds

Oh let our love survive  
Or dry the tears from your eyes  
Let's don't let a good thing die  
When honey, you know  
I've never lied to you  
Mmm yeah, yeah

# Take Me To The River

I don't know why I love you like I do  
After all these changes that you put me through  
You stole my money and my cigarettes  
And I haven't seen hide nor hair of you yet

## **[Pre-Chorus]**

I wanna know, Won't you tell me - Am I in love to stay? Hey hey

## **[Chorus]**

Take me to the river - And wash me down  
Won't you cleanse my soul - Put my feet on the ground

I don't know why she treated me so bad  
After all the things that we could have had  
Love is a notion that I can't forget  
My sweet sixteen I will never regret

## **[Pre-Chorus]**

Hold me, love me, please me, tease me  
Till I can't, till I can't take no more  
Take me to the river

I don't know why I love you like I do  
After all the things that you put me through  
The sixteen candles burning on my wall  
Turning me into the biggest fool of them all

## **[Pre-Chorus] - I wanna know**

Take me to the river - I wanna know  
I want you to dip me in the water - I wanna know  
Won't you wash me in the water - Wash me in the water  
Wash me in the water - Won't you wash me in the water, Feeling good

## Takin' It To The Streets

You don't know me but I'm your brother  
I was raised here in this living hell  
You don't know my kind in your world  
Fairly soon the time will tell

Aw you... Tellin' me the things you're gonna do for me  
I ain't blind and I don't like what I think I see

### **{Chorus}**

*Takin' in to the streets, Takin' in to the streets*  
*Takin' in to the streets, No more need for runnin'*  
*Takin' in to the streets, Takin' in to the streets*  
*Takin' in to the streets*

Take this message to my brother  
You will find him everywhere  
Wherever people live together  
Tied in poverty's despair

Aw you... Tellin' me the things you're gonna do for me  
I ain't blind and I don't like what I think I see

### **{Chorus} ➔ (Solo)**

Aw you... Tellin' me the things you're gonna do for me  
I ain't blind and I don't like what I think I see

## **Thank You (Falettinme Be Mice Elf Agin)**

Lookin' at the devil - Grinnin' at his gun  
Fingers start shakin' - I begin to run  
Bullets start chasin' - I begin to stop  
We begin to wrestle - I was on the top

### **[Chorus]**

I want to thank you falettinme - Be mice elf agin  
Thank you falettinme - Be mice elf agin

Stiff all in the collar - Fluffy in the face  
Chit chat chatter tryin' - Stuffy in the place  
Thank you for the party - But I could never stay  
Many thangs is on my mind - Words in the way

### **[Chorus]**

Dance to the music - All nite long  
Everyday people - Sing a simple song  
Mama's so happy - Mama start to cry  
Papa still singin' - You can make it if you try

### **[Chorus]**

(Different strokes for different folks, yeah)

Flamin' eyes of people fear - Burnin' into you  
Many men are missin' much - Hatin' what they do  
Youth and truth are makin' love - Dig it for a starter, now  
Dyin' young is hard to take - Sellin' out is harder

**[Chorus] - Repeat & Fade**

## **These Boots Are Made For Walkin'**

You keep saying you've got something for me  
Something you call love, but confess  
You've been a-messin' where you shouldn'ta been a-messin'  
And now someone else is gettin' all your best

### **[Chorus]**

These boots are made for walkin'  
And that's just what they'll do  
One of these days these boots are gonna walk all over you  
Yeah

You keep lying when you oughta be truthin'  
And you keep losin' when you oughta not bet  
You keep samin' when you oughta be a-changin'  
Now what's right is right, but you ain't been right yet

### **[Chorus]**

You keep playin' where you shouldn't be playin'  
And you keep thinkin' that you'll never get burned, ha!

### **[Chorus]**

Are you ready boots? - Start walkin'!

# **This Magic Moment**

## **[Verse 1]**

This magic moment - So different and so new  
Was like any other - Until I met you  
And then it happened - It took me by surprise  
I knew that you felt it too - I could see it by the look in your eyes

Sweeter than wine - Softer than a summer's night  
Everything I want, I have - Whenever I hold you tight

This magic moment, - While your lips are close to mine,  
Will last forever, - Forever, 'til the end of time

So why won't you dance with me? -  
Why won't you dance with me?

## **[Verse 1]**

Sweeter than wine - Softer than a summer's night  
Everything I want, I have - Whenever I hold you tight

## To Make You Feel My Love

When the rain is blowing in your face  
And the whole world is on your case  
I would offer you a warm embrace  
To make you feel my love

When evening shadows and the stars appear  
And there is no one to dry your tears  
I could hold you for a million years  
To make you feel my love

I know you haven't made your mind up yet  
But I would never do you wrong  
I've known it from the moment that we met  
There's no doubt in my mind where you belong

I'd go hungry, I'd go black and blue  
I'd go crawling down the avenue  
There ain't nothing that I wouldn't do  
To make you feel my love

### **Solo**

The storms are raging on a rollin' sea  
And down the highway of regret  
The winds of change are blowing wild and free  
You ain't seen nothing like me yet

Make you happy, make your dreams come true  
Nothing that I wouldn't do  
Go to the ends of the earth for you  
To make you feel my love - To make you feel my love

# Twistin' The Night Away

Let me tell you 'bout a place - Somewhere up-a New York way  
Where the people are so gay - Twistin' the night away-ay  
Here they have a lot of fun - Puttin' trouble on the run  
Man, you find the old and young - Twistin' the night away

## **[Chorus]**

They're twistin', twistin', everybody's feelin' great  
They're twistin', twistin', they're twistin' the night away

Here's a man in evenin' clothes - How he got here, I don't know, but  
Man, you oughta see him go - Twistin' the night away-ay  
He's dancin' with the chick in slacks - She's a-movin' up and back  
Oh man, there ain't nothin' like - Twistin' the night away

## **[Chorus]**

Let's twist a while! - Lean up, lean back - Lean up, lean back  
Watusi, now fly, now twist - They're twistin' the night away

Here's a fella in blue jeans - Dancin' with an older Queen  
Who's dolled up in-a diamond rings and - Twistin' the night away-ay  
Man, you oughta see her go - Twistin' to the rock and roll  
Here you find the young and old - Twistin' the night away

## **[Chorus]**

One more time! - Lean up, lean back - Lean up, lean back  
Watusi, now fly, now twist - They're twistin' the night away

## **Uptight (Everything's Alright)**

Baby, ev'rything is all right - Uuptight, out of sight  
Baby, ev'rything is all right - Uuptight, out of sight

I'm a poor man's son, from across the railroad tracks  
The only shirt I own is hangin' on my back  
But I'm the envy of ev'ry single guy  
Since I'm the apple of my girl's eye  
When we go out stepping on the town for a while  
My money's low and my suit's out of style  
But it's all right if my clothes aren't new  
Out of sight because my heart is true

She says baby ev'rything is alright - Uptight, out of sight  
Baby, ev'rything is alright - Uptight, clean out of sight

She's a pearl of a girl, I guess that's what you might say  
I guess her folks brought her up that way  
The right side of the tracks, she was born and raised  
In a great big old house, full of butlers and maids  
She says no one is better than I, I know I'm just an average guy  
No football hero or smooth Don Juan  
Got empty pockets, you see I'm a poor man's son  
She says give her the things that money can buy  
But I'll never, never make my baby cry

And it's all right, what I can't do  
Out of sight because my heart is true  
She says baby ev'rything is alright, uptight, clean out of sight  
Baby, ev'rything is alright - Uptight, clean out of sight

# Valerie

## **[Verse 1]**

Well sometimes I go out by myself - And I look across the water  
And I think of all the things, what you're doing -  
And in my head I paint a picture

## **[Pre-Chorus]**

Since I've come on home, - Well my body's been a mess  
And I've missed your ginger hair - And the way you like to dress  
Won't you come on over - Stop making a fool out of me  
Why don't you come on over,

## **[Chorus]**

Valerie? - Valerie? - Valerie? - Valerie?

Did you have to go to jail, - Put your house on up for sale,  
Did you get a good lawyer?  
I hope you didn't catch a tan, - I hope you find the right man  
Who'll fix it for ya  
Are you shopping anywhere, - Changed the color of your hair,  
Are you busy?  
And did you have to pay that fine - You was dodging all the time  
Are you still dizzy?

**[Pre-Chorus] ➔ [Chorus]**

**[Verse 1] ➔ [Pre-Chorus] ➔ [Chorus] ➔ [Chorus]**

# Volare

Volare, oh oh  
Cantare, oh oh oh oh  
Let's fly way up to the clouds  
Away from the maddening crowds  
We can sing in the glow of a star that I know of  
Where lovers enjoy peace of mind  
Let us leave the confusion and all disillusion behind  
Just like bird of a feather, a rainbow together we'll find

Volare, oh oh  
E contare, oh oh oh oh  
No wonder my happy heart sings  
Your love has given me wings  
Penso che un sogno così non ritorni mai più  
Mi dipingevo le mani e la faccia di blu  
Poi d'improvviso venivo dal vento rapito  
E incominciavo a volare nel cielo infinito

Volare, oh oh  
E contare, oh oh oh oh  
Nel blu, dipinto di blu  
Felice di stare lassù  
E volavo, volavo felice più in alto del sole ed ancora più su  
Mentre il mondo pian piano spariva lontano laggiù  
Una musica dolce suonava soltanto per me

Volare, oh oh  
E cantare, oh oh oh oh  
No wonder my happy heart sings  
Your love has given me wings  
Nel blu, dipinto di blu  
Felice di stare lassù

## (The) Way You Look Tonight

Someday - When I'm awfully low  
When the world is cold  
I will feel a glow just thinking of you  
And the way you look tonight

Oh, but you're lovely - With your smile so warm  
And your cheeks so soft  
There is nothing for me but to love you  
Just the way you look tonight

{Bridge}

With each word - Your tenderness grows  
Tearing my fear apart  
And that laugh - That wrinkles your nose  
Touches my foolish heart

Lovely - Never, never change  
Keep that breathless charm  
Won't you please arrange it because I love you  
Just the way you look tonight

{Tag} - Just the way you look tonight

## What's Up

Twenty-five years and my life is still  
Trying to get up that great big hill  
Of hope - For a destination  
I realized quickly when I knew I should  
That the world was made up of this brotherhood  
Of man - For whatever that means

### **[Verse 2]**

And so I cry sometimes when I'm lying in bed -  
Just to get it all out, what's in my head  
And I, I am feeling - A little peculiar  
And so I wake in the morning, and I step outside -  
And I take a deep breath, and I get real high  
And I scream from the top of my lungs - What's going on?

### **[Chorus]**

And I say, hey-ey-ey-ey hey-ey-ey - I said hey, what's going on?  
And I say, hey-ey-ey-ey hey-ey-ey - I said hey, what's going on?  
Ooh, ooh ooh... ooh... - Ooh, ooh ooh... ooh...

And I try... Oh my god do I try  
I try all the time - In this institution  
And I pray... Oh my god do I pray  
I pray every single day - For a revolution

# When A Man Loves a Woman

When a man loves a woman... Can't keep his mind on nothing else  
He'll trade the world for the good thing he's found

If she's bad he can't see it... She can do no wrong  
Turn his back on his best friend if he put her down

When a man loves a woman... Spend his very last dime  
Tryin' to hold on to what he needs

He'd give up all his comforts... Sleep out in the rain  
If she said that's the way it ought to be

## **{BRIDGE}**

Well, this man loves a woman  
I gave you everything I had  
Tryin' to hold on to your precious love  
Baby, please don't treat me bad

When a man loves a woman... Down deep in his soul  
She can bring him such misery

If she plays him for a fool... He's the last one to know  
Lovin' eyes can't ever see

When a man loves a woman... He can do no wrong  
He can never own some other girl

Yes when a man loves a woman... I know exactly how he feels  
'Cause baby, baby, baby, you're my world  
When a man loves a woman.....

## Wonderful Tonight

Its late in the evening - She's wondering what clothes to wear  
She puts on her makeup - And brushes her long blond hair  
And if she asks me - Do I look all right?  
And I say yes... - You look wonderful tonight

We go to a party - And everyone turns to see  
This beautiful lady - Walking around with me  
And then she asks me  
Do you feel all right?  
And I say yes... I feel wonderful tonight

### **[Bridge]**

I feel wonderful - Because I see  
The love light in your eyes  
And the wonder of it all  
Is you just don't realize - How much I love you

### **[Solo] ➔ [Bridge]**

Its time to go home now - And I've got an aching head  
So I give her the car keys - And she helps me to bed  
And then I tell her - As I turn out the light  
I say my darling... You were wonderful tonight  
Oh, my darling... You were wonderful tonight

# You Are The Best Thing

Baby, It's been a long day, baby  
Things ain't been going my way  
You know I need you here  
To clear my mind all the time

And baby, The way you move me, it's crazy  
It's like you see right through me  
And make it easier  
Believe me, you don't even have to try

## **[Chorus]**

Oh, because You are the best thing (*You're the best thing*)  
You are the best thing (*You're the best thing, baby*)  
You are the best thing (*You're the best thing, oooh*)  
Ever happened to me

Baby, We've come a long way  
And baby, You know I hope and I pray  
That you believe me  
When I say this love will never fade away

## **[Chorus]**

Both of us had no love before  
To come on all promising like a spring; to walk on out the door  
Our hearts are strong and our hearts are kind  
Let me tell you just exactly what's on my mind

## **[Chorus] 3X**

# You Are The Sunshine Of My Life

You are the sunshine of my life  
That's why I'll always be around  
You are the apple of my eye  
Forever you'll stay in my heart

I feel like this is the beginning  
Though I've loved you for a million years  
And if I thought our love was ending  
I'd find myself drowning in my own tears, Whoa, whoa

You are the sunshine of my life  
That's why I'll always be around  
You are the apple of my eye  
Forever you'll stay in my heart

You must know that I was lonely  
Because you came to my rescue  
And I know that this must be heaven  
How could so much love be inside you? - Whoa

## **You Got It**

Every time I look into your lovely eyes,  
I see a love that money just can't buy.

One look from you, I drift away.  
I pray that you are here to stay.

### **[Chorus]**

Anything you want, you got it.  
Anything you need, you got it.  
Anything at all, you got it. - Baby!

Every time I hold you I begin to understand,  
Everything about you tells me I'm your man.

I live my life to be with you.  
No one can do the things you do.

Anything you want - Anything you need - Anything at all

# You Make Me Feel Like Dancing

You've got a cute way of talking  
You got the better of me  
Just snap your fingers and I'm walking  
Like a dog hanging on your lead  
I'm in a spin you know  
Shaking on a string you know

## **[CHORUS]**

You make me feel like dancing  
I'm gonna dance the night away  
You make me feel like dancing  
I'm gonna dance the night away

I feel like dancing dancing ahhh

Quarter to four in the morning  
I ain't feeling tired no no no no no  
Just hold me tight and leave on the light  
Cause I don't want to go home

You put a spell on me  
I'm right where you want me to be

## **[CHORUS]**

# You Make My Dreams

What I want you've got - And it might be hard to handle  
Like the flame that burns the candle; The candle feeds the flame  
Yeah, yeah

What I've got's full stock - Of thoughts and dreams that scatter  
Then you pull them all together - And how I can't explain

## **[Chorus]**

Oh, yeah - Well, well you - *Ooh-ho, hoo-oo, ooh-oo*  
You make my dreams come true -  
*You-hoo, you, you-hoo, hoo, you, hoo*  
Well, well, well you - *You-hoo, hoo-hoo-oo*  
Oh, yeah - You make my dreams come true  
*You-hoo, you, you Well yeah you, hoo*

On a night when bad dreams become a screamer  
When they're messin' with the dreamer -  
I can laugh it in the face  
Twist and shout my way out - And wrap yourself around me  
'Cos I ain't the way you found me - And I'll never be the same

## **[Chorus] - Listen to this - (Instrumental)**

I'm down on my daydream -  
Oh, that sleepwalk should be over by now  
I know -

'Bout you

**[Chorus] ➔ [Chorus] - (Repeat & Fade)**

# You Should Be Dancing

My baby moves at midnight  
Goes right on till the dawn

What you doin' on your back aah?  
You should be dancing, yeah

She's juicy and she's trouble  
She gets it to me good  
My woman gives me power  
Goes right down to my blood

## **[CHORUS]**

My baby moves at midnight  
Goes right on till the dawn  
My woman takes me higher  
My woman keeps me warm

## **[CHORUS]**

You should be dancing, yeah

# Young Hearts Be Free Tonight

Billy left his home with a dollar in his pocket and a head full of dreams.

He said somehow, some way, its gotta get better than this.

Patti packed her bags left a note for her momma, she was just seventeen,

There were tears in her eyes when she kissed her little sister goodbye.

They held each other tight as they drove on through the night they were so exited.

We got just one shot of life, lets take it while were still not afraid.

Because life is so brief and time is a thief when you're undecided.

And like a fistful of sand, it can slip right through your hands.

## **[CHORUS]**

Young hearts be free tonight. Time is on your side,

Don't let them put you down, don't let 'em push you around,

Don't let 'em ever change your point of view.

Paradise was closed so they headed for the coast in a blissful manner.

They took a two room apartment that was jumping every night of the week.

Happiness was found in each others arms as expected, yeah

Billy pierced his ears, drove a pickup like a lunatic, ooh!

## **[CHORUS]**

[Instrumental verse]

Young hearts be free tonight. Time is on your side.

Billy wrote a letter back home to Patti's parents tryin to explain.

He said were both real sorry that it had to turn out this way.

But there ain't no point in talking when there's nobody listening so we just ran away

Patti gave birth to a ten pound baby boy, yeah!

Young hearts be free tonight, time is on your side. **3X**

Young hearts gotta run free, be free, live free

Time is on, time is on your side

Time, time, time, time is on your side

Is on your side Is on your side Is on your side

Young heart be free tonight - Tonight, tonight, tonight, tonight, tonight, yeah

# **You're My First, My Last, My Everything**

My first, my last, my everything  
And the answer to all my dreams  
You're my sun, my moon, my guiding star  
My kind of wonderful, that's what you are

I know, there's only, only one like you  
There's no way, they could have made two  
Girl you're all I'm livin' for, -  
Your love I'll keep for evermore  
You're the first, you're the last, my everything

In you, I find, so many things  
My love for you, only you, could bring  
Can't you see if you, you make me feel this way  
You're like the fresh morning dew, on a brand new day

I've seen, so many ways that I  
Can love you till, the day I die  
You're my reality  
Yet I'm lost and I-I-I'm fee  
You're the first, you're the last, my everything

# Zombie

Another head hangs lowly - Child is slowly taken  
And the violence caused such silence - Who are we mistaken

But you see it's not me - It's not my family  
In your head, in your head - They are fighting  
With their tanks & their bombs - And their bombs & their guns  
In your head, in your head - They are cryin'

In your head, in your head - Zombie, zombie, zombie-e-e  
What's in your head, in your head - Zombie, zombie, zombie-e-e-e  
Oh, Dou, dou, dou, dou - Dou, dou, dou, dou  
Dou, dou, dou, dou - Dou, dou, dou, dou

Another mother's breakin' - Heart is taking over  
When violence causes silence - We must be mistaken

It's the same old theme since nineteen-sixteen  
In your head, in your head - They're still fightin'  
With their tanks & their bombs - And their bombs & their guns  
In your head, in your head - They are dyin'

In your head, in your head - Zombie, zombie, zombie-e-e  
What's in your head, in your head - Zombie, zombie, zombie-e-e-e  
Oh, oh, oh, oh, oh, oh - Hey, oh, ya, ya-a...ow

## Zoot Suit Riot

Who's that whisperin' in the trees  
It's two sailors and they're on leave  
Pipes and chains and swingin' hands  
Who's your daddy? Yes I am  
Fat cat came to play  
Now he can't run fast enough  
You had best stay away  
When the pushers come to shove

Zoot Suit Riot  
Throw back a bottle of beer  
Zoot Suit Riot  
Pull a comb through your coal black hair

A whipped up jitterbuggin' brown eyed man  
A stray cat frontin' up an eight-piece band  
Cut me Sammy and you'll understand  
In my veins hot music ran  
You got me in a sway  
And I want to swing you dove  
Now you sailors know  
Where your women come for love

You're in a Zoot Suit Riot
