

the Associates

Exciting! Talented! Versatile! Experienced! Just a few small words to describe Chicago-land's ultimate entertainment experience, The Associates Band, at your service for your once in a lifetime celebrations. We've performed at over 5,000 engagements and regularly play over 3000 songs (and we will add your favorites if they're not already on the list). We emcee your entire event and we even custom mix cd's for our breaks so you are always hearing the absolute best songs. Our most popular package is the ten-piece band, which includes Drums, Bass, Guitar, Keyboards, Male & Female vocalists, and our four-piece horn section. Larger packages are available for more extravagant affairs and for the more intimate engagements, we have smaller packages as well. The Associates hail from the Chicagoland area but will travel virtually anywhere (special travel rates may apply). Add class and magic to your memorable moments with The Associates. Simply amazing!!
