

Africa

I hear the drums echoing tonight
But she hears only whispers of some quiet conversation
She's coming in 12:30 flight
The moonlit wings reflect the stars that guide me towards salvation
I stopped an old man along the way,
Hoping to find some long forgotten words or ancient melodies
He turned to me as if to say, "Hurry boy, it's waiting there for you"

CHORUS:

It's gonna take a lot to drag me away from you
There's nothing that a hundred men or more could ever do
I bless the rains down in Africa
Gonna take some time to do the things we never had... Ooh, ooh

The wild dogs cry out in the night
As they grow restless longing for some solitary company
I know that I must do what's right
As sure as Kilimanjaro rises like Olympus above the Serengeti
I seek to cure what's deep inside, frightened of this thing that I've become

CHORUS

(Instrumental break)

Hurry boy, she's waiting there for you

It's gonna take a lot to drag me away from you
There's nothing that a hundred men or more could ever do
I blessed the rains down in Africa, I blessed the rains down in Africa
I blessed the rains down in Africa, I blessed the rains down in Africa
I blessed the rains down in Africa
Gonna take some time to do the things we never had... Ooh, ooh

Ain't No Sunshine

Ain't no sunshine when she's gone
It's not warm when she's away
Ain't no sunshine when she's gone, and she's always gone too long
Any time she goes away

Wonder this time where she's gone
Wonder if she's gone to stay
Ain't no sunshine when she's gone, and this house just ain't no home
Any time she goes away

And I know, I know, I know, I know, I know, I know, I know, I know,
I know, I know, I know, I know, I know, I know, I know, I know, I know
Hey, I ought to leave the young thing alone
Ain't no sunshine when she's gone

Ain't no sunshine when she's gone
Only darkness every day
Ain't no sunshine when she's gone, and this house just ain't no home
Any time she goes away

Solo

And I know, I know, I know, I know, I know, I know, I know, I know,
I know, I know, I know, I know, I know, I know, I know, I know, I know
Hey, I ought to leave the young thing alone
Ain't no sunshine when she's gone

Ain't no sunshine when she's gone
Only darkness every day
Ain't no sunshine when she's gone, and this house just ain't no home
Any time she goes away

Ain't Nothing Like The Real Thing

Ain't nothing like the real thing, Baby
Ain't nothing like the real thing
Ain't nothing like the real thing, Baby
Ain't nothing like the real thing

I've got your picture hanging on the wall
But it can't see or come to me
When I call your name
I realize it's just a picture in a frame

I read your letters when you're not here
But they don't move me and they don't groove me
Like when I hear your sweet voice
Whispering in my ear

Chorus

I Play my game of fantasy
And I pretend that I'm not in reality
I need the shelter
Of your arms to comfort me

No other sound
Is quite the same as your name
No touch can do quite as much
To make me feel better
So let's stay together

I've got the memories to look back on
And though they help me when you're gone
I'm well aware
But nothing can take the place of your being there

So glad we've got the real thing, Baby
So glad we've got the real thing
Ain't nothing like the real thing, Baby... Ain't nothing like the real thing

Ain't That Peculiar

Honey you do me wrong but still I'm crazy about you
Stay away too long and I can't do without you
Every chance you get you seem to hurt me more and more
But each hurt makes my love stronger than before
I know flowers go through rain
But how can love go through pain

[Chorus]

Ain't that peculiar - A peculiar ality
Ain't that peculiar baby - Peculiar as can be

You tell me lies that should be obvious to me
I've been so much in love with you baby till I don't wanna see
That things you do and say are designed to make me blue
It's a doggone shame my love for you makes all your lies seem true
But if the truth makes love last longer
Why do lies make my love stronger

[Chorus]

I cried so much just like a child that's lost its toy
Maybe baby you think these tears i cry are tears of joy
A child can cry so much until you do everything they say
But unlike a child my tears don't help me to get my way
I know love can last through years
But how can love last through tears

[Chorus]

Ain't Too Proud To Beg

I know you want to leave me
But I refuse to let you go
But if I have to beg and plead for your sympathy
I don't mind because you mean that much to me

{Chorus}

Ain't too proud to beg, now sweet darlin'
Please don't leave me girl, now don't you go
Ain't too proud to plead, baby, baby
Please don't leave me girl now don't you go

Well, I heard a cryin' man is half a man
With no sense of pride
But if I have to cry to keep you, I don't mind weeping
If it will keep you by my side

{Chorus}

Now if I have to sleep on your door step, all night and day
Just to keep you from walkin' away
Let your friends laugh, even this I can stand
Because I want to keep you any way I can

{Chorus}

Solo

Now I've got a love so deep, in the pit of my heart
And each day it grows more and more
I'm not ashamed to come and plead to you baby
If pleading keeps you from walkin' out that door

{Chorus} {Chorus}

All Shook Up

1. A well'a bless my soul What'sa wrong with me?
I'm itchin' like a man on a fuzzy tree
My friends say I'm actin' wild as a bug
I'm in love... I'm all shook up
Mm mm mm, mm, yay, yay, yay

2. Well, my hands are shaky and my knees are weak
I can't seem to stand on my own two feet
Who do you think of when you have such luck?
I'm in love... I'm all shook up
Mm mm mm, mm, yay, yay, yay

Well, please don't ask me what'sa on my mind
I'm a little mixed up, but I'm feelin' fine
When I'm near that girl that I love best
My heart beats so it scares me to death!

3. Well she touched my hand what a chill I got
Her lips are like a volcano when it's hot
I'm proud to say that she's my buttercup
I'm in love... I'm all shook up
Mm mm mm, mm, yay, yay, yay

My tongue gets tied when I try to speak
My insides shake like a leaf on a tree
There's only one cure for this body of mine
That's to have that girl that I love so fine!

[Verse 3] Mm mm mm, mm, yay, yay... I'm all shook up

Another Saturday Night

{Chorus}

Another Saturday night and I ain't got nobody
I got some money 'cause I just got paid
How I wish I had some chick to talk to
I'm in an awful way

See I got in town a month ago
I've seen a lot of girls since then
If I could meet I could get 'em... But as yet I haven't met 'em
That's why I'm in the shape I'm in

{Chorus}

Another fella told me
He had a sister who looked just fine
Instead of being my deliverance... She had a strange resemblance
To a cat named Frankenstein

{Chorus}

Man, oh man... If I was back home... I'd have two chicks on my arms

It's hard on a fella
If he don't know his way around
I got to find me a honey... To help me spend my money
Or I'm gonna have to blow this town

{Chorus} "Everybody sing"

{Chorus} "Everybody sing"... {Chorus}

Baby I Need Your Lovin'

Baby I need your lovin' - Baby I need your lovin'

Although you're never near
Your voice I often hear
Another day, another night
I long to hold you tight
'Cause I'm so lonely

[CHORUS]

Baby, I need your lovin' - I got to have all your lovin'
Baby, I need your lovin' - Got to have all your lovin'

Some say it's a sign of weakness
For a man to beg
Then weak I'd rather be
If it means havin' you to keep
'Cause lately I've been losin' sleep

[CHORUS]

Empty nights - Echo your name
Sometimes I wonder - Will I ever be the same
Oh yeah, when you see me smile
You know Things have gotten worse
Any smile you might see - Has all been rehearsed
Darlin', I can't go on without you
This emptiness won't let me live without you
This loneliness inside me darlin' - Makes me feel not alive, honey

[CHORUS] 2X

Bad Moon Risin'

I see... a bad moon risin'
I see... trouble on the way
I see... earthquakes and lightnin'
I see... bad times today

(Chorus)

Don't go 'round tonight
It's bound to take your life
There's a bad moon on the rise

I hear... hurricanes a-blowin'
I know... the end is comin' soon
I fear... the river's over flowin'
I hear... the voice of rage and ruin

(Chorus)

(Solo)

Hope you... got your things together
Hope you... are quite prepared to die
Looks like... we're in for nasty weather
One eye... is taken for an eye

Billie Jean

1st verse

She was more like a beauty queen from a movie scene
I said don't mind, but what do you mean I am the one
Who will dance on the floor in the round
She said I am the one who will dance on the floor in the round

2nd verse

She told me her name was billie jean, as she caused a scene
Then every head turned with eyes that dreamed of being the one
Who will dance on the floor in the round

Bridge

People always told me be careful of what you do
And don't go around breaking young girls' hearts
And mother always told me be careful of who you love
And be careful of what you do 'cause the lie becomes the truth

Chorus

Billie jean is not my lover
She's just a girl who claims that I am the one
But the kid is not my son
She says I am the one, but the kid is not my son

3rd verse

For forty days and forty nights
The law was on her side
But who can stand when she's in demand
Her schemes and plans
'cause we danced on the floor in the round
So take my strong advice, just remember to always think twice
(do think twice)

Billie Jean - page 2

4th verse

She told my baby, we were dancing still 3:00
Then she looked at me, she show me a photo
My baby cried, 'cause his eyes were like mine

Bridge

People always told me be careful of what you do
And don't go around breaking young girls' hearts
She came and stood right by me - Then the smell of sweet perfume
This happened much too soon - She called me to her room

Chorus

Billie Jean is not my lover
She's just a girl who claims that I am the one
But the kid is not my son

Billie Jean is not my lover
She's just a girl who claims that I am the one
But the kid is not my son
She says I am the one, but the kid is not my son
She says I am the one, but the kid is not my son

Billie Jean is not my lover
She's just a girl who claims that I am the one
But the kid is not my son
She says I am the one, but the kid is not my son
She says I am the one, she says he is my son
She says I am the one

Billie Jean is not my lover... Billie Jean is not my lover
Billie Jean is not my lover... Billie Jean is not my lover
Billie Jean is not my lover... Billie Jean is not my lover

Born To Run

In the day we sweat it out on the streets of a runaway American dream
At night we ride through the mansions of glory in suicide machines
Sprung from cages out on highway 9,
Chrome wheeled, fuel injected, and steppin' out over the line
h-Oh, Baby this town rips the bones from your back
It's a death trap, it's a suicide rap
We gotta get out while we're young
`Cause tramps like us, baby we were born to run

Yes, girl we were

Wendy let me in I wanna be your friend
I want to guard your dreams and visions
Just wrap your legs 'round these velvet rims
And strap your hands 'cross my engines
Together we could break this trap
We'll run till we drop, baby we'll never go back
h-Oh, Will you walk with me out on the wire
`Cause baby I'm just a scared and lonely rider
But I gotta know how it feels
I want to know if love is wild Babe I want to know if love is real

Oh, can you show me

Beyond the Palace hemi-powered drones scream down the boulevard
Girls comb their hair in rearview mirrors
And the boys try to look so hard
The amusement park rises bold and stark
Kids are huddled on the beach in a mist
I wanna die with you Wendy on the street tonight In an everlasting kiss

Born To Run - page 2

1-2-3-4!

The highway's jammed with broken heroes
On a last chance power drive
Everybody's out on the run tonight but there's no place left to hide
Together Wendy we can live with the sadness
I'll love you with all the madness in my soul
h-Oh, Someday girl I don't know when we're gonna get to that place
Where we really wanna go and we'll walk in the sun
But till then tramps like us baby we were born to run

Oh honey, tramps like us baby we were born to run

Come on with me, tramps like us baby we were born to run

Ru-uh-uh-un

Mm-mm-mm-mm

Uh-uh-uh-oh-oh-oh-oh

Ru-uh-uh-uh-un

Bristol Stomp Lyrics

[Chorus]

The kids in Bristol are sharp as a pistol
When they do the Bristol Stomp
Really somethin' when the joint is jumpin'
When they do the Bristol Stomp

[Verse 1]

Whoa whoa the stars are spinnin' every Friday night
They dance the greatest and they do it right
Well it's the latest it's the greatest sight to see

[Chorus] (Whoa, oh, oh, ah-ah-ah, oh)

[Verse 2]

Whoa whoa it started in Bristol at a dee jay hop
They hollered and whistled never want to stop
We pony and twisted and we rocked with Daddy G

[Chorus]

(Duh-duh-doo)

It's got that groovy beat - That makes you stomp your feet
Come along and try - Gonna feel fine
And once you dance with me - You'll fall in love you see
The Bristol Stomp will make you mine - All mine

[Verse 1] ➔ [Chorus] ➔ [Verse 2] ➔ [Chorus]

Feel so fine - Oh, got to say, please, mine, I'm talkin'
When they do the Bristol Stomp- Mine baby (kids in Bristol...)

Brown Eyed Girl

Hey, where did we go... Days when the rains came
Out in a hollow... Playin' a new game
Laughin' and a runnin' hey, hey... Skippin' and a jumpin'
In the misty mornin' fog with... Our hearts, our hearts a-thumpin' and you
My brown eyed girl
You my, brown eyed girl

What ever happened... Tuesdays were so slow
Goin' down the old mine with a... Transistor radio
Standin' in the sun light laughin'... Hidin' 'hind the rainbow's walls
Slippin' and a slidin'... All along, the waterfall with you
My brown eyed girl
You my, brown eyed girl

Do you remember when... We used to sing
Sha-la-la-la-la-la-la-la-la-la-ti-da, Sha-la-la-la-la-la-la-la-la-la-ti-da

[SOLO]

So hard to find my way... Now that I'm on my own
Saw you just the other day... My, how you have grown
Cast my memory back there lord... Sometimes I'm overcome thinkin' 'bout
Makin' love in the green grass... Behind the stadium with you
My brown eyed girl
You my, brown eyed girl

Do you remember when... We used to sing
Sha-la-la-la-la-la-la-la-la-la-ti-da, Sha-la-la-la-la-la-la-la-la-la-ti-da
Sha-la-la-la-la-la-la-la-la-la-ti-da, Sha-la-la-la-la-la-la-la-la-la-ti-da

Brown Sugar

Gold coast slave ship bound for cotton fields,
Sold in a market down in New Orleans.
Scarred old slaver know he's doin' alright.
Hear him whip the women just around midnight.
Ah brown sugar how come you taste so good?
(a-ha) brown sugar, just like a young girl should
A-huh.

Drums beating, cold English blood runs hot,
Lady of the house wondrin' where its gonna stop.
House boy knows that he's doin alright.
You should a heard him just around midnight.
Ah brown sugar how come you taste so good?
(a-ha) brown sugar, just like a black girl should
A-huh.

I bet your mama was a tent show queen,
And all her boy Friends were sweet sixteen.
I'm no schoolboy but I know what I like,
You should have heard me just around midnight.

Build Me Up Buttercup

[CHORUS]

Why do you build me up (build me up) Buttercup, baby
Just to let me down (let me down) and mess me around
And then worst of all (worst of all) you never call, baby
When you say you will (say you will) but I love you still
I need you (I need you) more than anyone, darlin'
You know that I have from the start
So build me up (build me up) Buttercup, don't break my heart

"I'll be over at ten", you told me time and again
But you're late, I wait around and then (bah-dah-dah)
I went to the door, I can't take any more
It's not you, you let me down again

[PRE-CHORUS]

(Hey, hey, hey!) Baby, baby, try to find
(Hey, hey, hey!) A little time and I'll make you mine
(Hey, hey, hey!) I'll be home
I'll be beside the phone waiting for you
Ooo-oo-ooo, ooo-oo-ooo

[CHORUS]

You were my toy but I could be the boy you adore
If you'd just let me know (bah-dah-dah)
Although you're untrue, I'm attracted to you all the more
Why do I need you so

Burning Down The House

Watch out you might get what you're after
Cool babies strange but not a stranger
I'm an ordinary guy
Burning down the house

Hold tight wait till the party's over
Hold tight We're in for nasty weather
There has got to be a way
Burning down the house

Here's your ticket pack your bag: time for jumpin' overboard
The transportation is here
Close enough but not too far, Maybe you know where you are
Fightin' fire with fire

All wet hey you might need a raincoat
Shakedown dreams walking in broad daylight
Three hun-dred six-ty five de-grees
Burning down the house

It was once upon a place sometimes I listen to myself
Gonna come in first place
People on their way to work baby what did you expect
Gonna burst into flame

My house S'out of the ordinary
That's might Don't want to hurt nobody
Some things sure can sweep me off my feet
Burning down the house

No visible means of support and you have not seen nuthin' yet
Everything's stuck together
I don't know what you expect starring into the TV set
Fighting fire with fire

Can't Help Falling In Love With You

Wise men say
Only fools rush in
But I can't help
Falling in love with you

Shall I stay
Would it be a sin
If I can't help
Falling in love with you

Like a river flows... Surely to the sea
Darling so it goes... Some things are meant to be

Take my hand
Take my whole life too
For I can't help
Falling in love with you

Can't Help Myself (Sugar Pie Honey Bunch)

Sugar pie honey bunch - you know that I love you
I can't help myself - I love you and nobody else

In and out my life - you come and you go
Leaving just your picture behind - and I've kissed it a thousand times

When you snap your finger or wink your eye - I come runnin' to you
I'm tied to your apron string - and there's nothing I can do

Solo

Sugar pie honey bunch - I'm weaker than a man should be
Can't help myself - I'm a fool in love you see

Wanna tell ya I don't love ya, tell you that we're through, I'm not tied
But every time I see your face - I get all choked up inside

{Break}

When I call your name girl it starts the flame
Burnin' in my heart tearin' it all apart
No matter how I try my love I can not hide

Sugar pie honey bunch - you know that I'm waitin' for you
I can't help myself - I love you and nobody else

Sugar pie honey bunch - do anything you ask me to
I can't help myself - I want you and nobody else

Sugar pie honey bunch - you know that I love you
I can't help myself - no I can't help myself

Charlie Brown, Charlie Brown
He's a clown, that Charlie Brown
He's gonna get caught; just you wait and see

That's him on his knees, I know that's him
Yeah, from 7 come 11 down in the boys' gym

[Chorus]

Who's always writing on the wall?
Who's always goofin' in the hall?
Who's always throwin' spit balls?
Guess who (Who, me?) Yeah, you!

Daddy's Little Girl

You're the end of the rainbow, my pot of gold
You're daddy's little girl to have and to hold
A precious gem is what you are
You're mommy's bright and shining star

You're the spirit of Christmas, my star on the tree
You're the Easter Bunny to mommy and me
You're sugar, you're spice, you're everything nice
And you're daddy's little girl

<Instrumental Interlude>

You're the treasure I cherish, so sparkling and bright
You were touched by the holy and beautiful light
Like angels that sing, a heavenly thing
And you're daddy's little girl

Dance To The Music

Cynthia: Get up and dance to the music!
Get on up and dance to the funky music!

Dum dum - dum dum dum - dum dum dum dum - dum dum dum dum

All: Dance to the Music, Dance to the Music

Freddie: Hey Greg!

Greg: What?

Freddie: All we need is a drummer, for people who only need a beat

I'm gonna add a little guitar - And make it easy to move your feet

Larry: I'm gonna add some bottom,
So that the dancers just won't hide

Sly: You might like to hear my organ, I said "Ride Sally Ride"

You might like to hear the horns blowin', Cynthia on the throne, yeah!

Cynthia & Jerry got a message they're sayin':

Cynthia: All the squares, go home!

Listen to the voices:

Dum dum - dum dum dum - dum dum dum dum - dum dum dum dum

All: Dance to the Music, Dance to the Music

Dancing In The Dark

I get up in the evening, and I ain't got nothing to say
I come home in the morning; I go to bed feeling the same way
I ain't nothing but tired; man I'm just tired and bored with myself
Hey there baby, I could use just a little help

You can't start a fire; you can't start a fire without a spark
This guns for hire even if we're just dancing in the dark

Message keeps getting clearer, radios on and I'm moving round the place
I check myself out in the mirror... -
I wanna change my clothes my hair my face
Man I ain't getting nowhere just sitting in a dump like this
There's something happening somewhere baby I just know that there is

You can't start a fire...

You sit around getting older there's a joke here somewhere and it's on me
Ill shake this world off my shoulders come baby this laughs on me

Stay on the streets of this town and they'll be carving you up alright
They say you got to stay hungry hey baby I'm just about starving tonight
I'm dying for some action I'm sick of sitting round here trying to write
This book
I need a love reaction come on now baby give me just one look

You can't start a fire... 4x ... Hey baby

Dancin' In The Streets

Callin' out around the world - Are you ready for a brand new beat
Summer's here, the time is right - For dancin' in the street
Dancin' in Chicago - Down in New Orleans - Up in New York City
All we need is music, sweet music
They'll be music everywhere
They'll be swingers swayin' and records playin'
And dancin' in the street

It doesn't matter what you wear - Just as long as you are there
So every guy grab a girl - Everywhere around the world

They'll be dancin'... dancin' in the street

It's an invitation across the nation
A chance for folks to meet
They'll be laughin', singin' and music swingin'
And dancin' in the street
Philadelphia PA, Baltimore & DC now, Don't forget the Motor City

All we need is music, sweet music
They be music every day
Gather laughin playin records playin
And dancin' in the street

It doesn't matter what you wear - Just as long as you are there
So every guy grab a girl - Everywhere around the world

They'll be dancin'... dancin' in the street
They'll be dancin'... dancin' in the street

Devil With The Blue Dress On

Fee, fee, fi, fi, fo-fo, fum

Look at Molly now [2: look out once again, now], here she comes

Wearin' her wig hat and shades to match

She's got high-heel shoes and an alligator hat

Wearin' her pearls and her diamond rings

She's got bracelets on her fingers, now, and everything

She's the devil with the blue dress, blue dress, blue dress,

Devil with the blue dress on

Devil with the blue dress, blue dress, blue dress,

Devil with the blue dress on

Wearin' her perfume, Chanel No. 5

Got to be the finest girl alive

She walks real cool, catches everybody's eye

She's got such good lovin' that they can't say good-bye

Not too skinny, she's not too fat

She's a real humdinger and I like it like that

She's the devil with the blue dress, blue dress, blue dress,

Devil with the blue dress on

Devil with the blue dress, blue dress, blue dress,

Devil with the blue dress on ("Good Golly Miss Molly" interlude:)

Good golly, Miss Molly... You sure like to ball

Good golly, Miss Molly... You sure like to ball

While you're rockin' and rollin'... Can't you hear your mama call

From the early, early mornin' 'til the early, early nights

See Miss Molly rockin' at the House of Blue Lights

Good golly, Miss Molly... You sure like to ball

While you're rockin' and rollin'... Can't you hear your mama call

Dirty Water

(Spoken:)

I'm gonna tell you a story

I'm gonna tell you about my town

I'm gonna tell you a big fat story, baby

Aww, it's all about my town

Yeah, down by the river

Down by the banks of the river Charles *aw, that's what's happenin' baby*

That's where you'll find me

Along with lovers, fuggers, and thieves *aw, but they're cool people*

Well I love that dirty water

Oh, Boston, you're my home *oh, you're the Number One place*

Frustrated women *I mean they're frustrated*

Have to be in by twelve o'clock *oh, that's a shame*

But I'm wishin' and a-hopin, oh

That just once those doors weren't locked *I like to save time for my baby to walk around*

Well I love that dirty water

Oh, Boston, you're my home (oh, yeah)

Because I love that dirty water

Oh, oh, Boston, you're my home (oh, yeah)

Well, I love that dirty water *I love it, baby*

I love that dirty water *I love Baw-stun*

I love that dirty water *Have you heard about the Strangler?*

I love that dirty water *I'm the man, I'm the man*

I love that dirty water *Owww!*

I love that dirty water *Come on, come on*

Domino

Don't wanna discuss it - Think it's time for a change
You may get disgusted - Start thinkin that I'm strange
In that case I'll go underground - Get some heavy rest
Never have to worry - About what is worst or what is best, hit it

{CHORUS}

Oh Domino, alright
Roll me over, Romeo, there you go - Lord have mercy

I said, oh Domino
Roll me over, Romeo - There you go - Say it again

I said oh-ooooh, Domino
I said oh-oh-oooooh, Domino - Dig it!

Instrumental

There's no need for argument - There's no argument at all
And if you never hear from him - That just mean he didn't call
Or vice versa - That depends on whatever you're at, alright
'N if you never hear from me, That just means I would rather not, hit it!

{CHORUS}

Hey Mr. DJ - I just wanna hear some rhythm and blues music
On the radio ... On the radio ... On the radio
Uh-uh alright... Uh-uh, alright... Uh-uh, alright... Uh-uh, alright

Hear the band! -- One more time...

Down On The Corner

Early in the evenin', Just about supper time
Over by the court house, It's startin' to unwind
Four kids on the corner, Tryin' to bring you up
Willie picks a tune out, And blows it on the harp

(Chorus)

Down on the corner, Out here in the street
Willie and the Poor-Boys are playin' Bring a nickel, tap your feet

Rooster hits the wash board, People just gotta smile
Blinky thumps a gut bass, And solos for a while
Poor Boy twangs the rhythm out On his Kalamazoo
Willie goes into his dance, And doubles on kazoo

(Chorus)

(Solo)

(Chorus)

(Rhythm guitar break)

You don't need a penny, Just to hang around
But if you got a nickel, Won't you lay your money down
Over on the corner, There's a magic noise
People come from all around To watch the magic boys

(Chorus 3x or more)

Drift Away

Day after day I'm more confused
And I look for the light in the pouring rain
You know that's a game that I hate to lose
I'm feelin' the strain, ain't it a shame

[Chorus]

Oh, give me the beat, boys, and free my soul
I wanna get lost in your rock and roll and drift away
Oh, give me the beat, boys, and free my soul
I wanna get lost in your rock and roll and drift away

Beginning to think that I'm wastin' time
I don't understand the things I do
The world outside looks so unkind
I'm countin' on you to carry me through

[Chorus]

And when my mind is free
You know a melody can move me
And when I'm feelin' blue
The guitar's comin' through to soothe me

Thanks for the joy that you've given me
I want you to know I believe in your song
Rhythm and rhyme and harmony
You help me along makin' me strong

[Chorus] - Repeat until cue

Fire

You don't care for me, I don't care about that
You got a new fool, ha, I like it like that

Folsom Prison

I hear the train a comin' It's rollin' 'round the bend
And I ain't seen the sunshine since... I don't know when
I'm stuck in Folsom Prison... And time keeps draggin' on
But that train keeps a' rollin'... On down to San Antone

When I was just a baby... My mama told me "Son,
Always be a good boy, Don't ever play with guns"
But I shot a man in Reno... Just to watch him die
When I hear that whistle blowin'... I hang my head and cry

I bet there's rich folks eatin' In a fancy dinin' car
They're probably drinkin' coffee And smokin' big cigars
But I know I had it comin'... I know I can't be free
But those people keep a' movin'... And that's what tortures me

Well if they freed me from this prison If that railroad train was mine
I bet I'd move it on A little farther down the line
Far from Folsom Prison... That's where I want to stay
And I'd let that lonesome whistle... Blow my blues away

409

She's real fine my 409 - She's real fine my 409

Get Off Of My Cloud

I live in an apartment on the ninety-ninth floor of my block
And I sit at home looking out the window
Imagining the world has stopped
Then in flies a guy who's all dressed up like a Union Jack
And says, I've won five pounds if I have his kind of detergent pack

[CHORUS]

I said, Hey! You! Get off of my cloud
Hey! You! Get off of my cloud
Hey! You! Get off of my cloud
Don't hang around 'cause two's a crowd - On my cloud, baby

The telephone is ringing
I say, "Hi, it's me. Who is it there on the line?"
A voice says, "Hi, hello, how are you
Well, I guess I'm doin' fine"
He says, "It's three a.m., there's too much noise
Don't you people ever wanna go to bed?
Just 'cause you feel so good, do you have
To drive me out of my head?"

[CHORUS]

I was sick and tired, fed up with this
And decided to take a drive downtown
It was so very quiet and peaceful
There was nobody, not a soul around
I laid myself out, I was so tired and I started to dream
In the morning the parking tickets were just like
A flag stuck on my window screen

[CHORUS] 2X

Get Ur Freak On

Head banga, hit me - Hit me, hit me -
Hit me, hit me - Yeah, hit me, yeah
Gimme some new shit, yeah - Gimme some new shit, yeah
Gimme some new shit, yeah - Gimme some new shit

Missy be puttin' it down - I'm the hottest 'round
I told y'all mother *Skurt* - Y'all can't stop me now
Listen to me now - I'm lasting twenty rounds
And if you want me *Nigga* then come and get me now
Is you with me now? - Then biggie-biggie-bounce
I know you dig the way I sw-sw-switch my style
Holla... People sing around
Now people gather 'round - Now people jump around

[Chorus]

Go, get ur freak on - Go, get ur freak on
Go, get ur freak on - Go, get ur freak on
Go, get ur freak on - Go, get ur freak on
Go, get ur, get ur, get ur, get ur, get ur freak on - **(2X)**

Get Ur Freak On - pg 2

Who's that bitch? - People you know
Me and Timbaland been hot since twenty years ago
What the dealio? - Now what the drilly, yo
If you wanna battle then *Nigga* let me know
Holla... Gotta feel me son
Let me throw you some (*Aw di musica...*)
People here I come - Now sweat me when I'm done
We got the radio shook like we got a gun

[Chorus]

Quiet!! - Shhh, hush your mouth
Silence when I spit it out,
{Spit sound} in your face
Open your mouth, give you a taste
Holla... Ain't no stoppin' me
Copywritten, so don't copy me
Y'all do it, sloppy-ly
And y'all can't come close to me
I know you feel me now - I know you hear me loud
I scream it loud and proud - Missy gon' blow it down
People gon play me now, in and out of town
'Cause I'm the best around with the crazy style

[Chorus]

Glory Days

I had a friend was a big baseball player
Back in high school
He could throw that speedball by you
Make you look like a fool boy
Saw him the other night at this roadside bar
I was walking in, he was walking out
We went back inside sat down had a few drinks
But all he kept talking about was

Chorus:

Glory days well they'll pass you by
Glory days in the wink of a young girl's eye
Glory days, glory days

Well there's a girl that lives up the block
Back in school she could turn all the boy's heads
Sometimes on a friday I'll stop by
And have a few drinks after she put her kids to bed
Her and her husband bobby well they split up
I guess it's two years gone by now
We just sit around talking about the old times,
She says when she feels like crying
She starts laughing thinking about

Chorus

Glory Days - page 2

My old man worked 20 years on the line
And they let him go
Now everywhere he goes out looking for work
They just tell him that he's too old
I was 9 nine years old and he was working at the
Metuchen Ford plant assembly line
Now he just sits on a stool down at the legion hall
But I can tell what's on his mind

Glory days yeah goin back
Glory days aw he ain't never had
Glory days, glory days

Now I think I'm going down to the well tonight
And I'm going to drink till I get my fill
And I hope when I get old I don't sit around thinking about it
But I probably will
Yeah, just sitting back trying to recapture
A little of the glory of, well time slips away
And leaves you with nothing mister but
Boring stories of glory days

Chorus (repeat twice)

Assorted all rights, oh yeahs, come on nows, hoots, etc til fade

God Only Knows

I may not always love you
But long as there are stars above you
You never need to doubt it
I'll make you so sure about it
God only knows what I'd be without you

If you should ever leave me
Though life would still go on believe me
The world could show nothing to me
So what good would living do me
God only knows what I'd be without you

Oohh, Bah, ba bah...

God only knows what I'd be without you

If you should ever leave me
Well life would still go on believe me
The world could show nothing to me
So what good would living do me
God only knows what I'd be without you

God only knows what I'd be without you
God only knows what I'd be without you
God only knows what I'd be without you
God only knows what I'd be without you
God only knows...

Good Golly Miss Molly

[Chorus]

Good golly, Miss Molly, sure like to ball

Good golly, Miss Molly, sure like to ball

When you're rockin' and a rollin', Can't hear your mamma call

From the early early mornin' till the early early night

You can see Miss Molly rockin' at the house of blue lights

Good golly, Miss Molly, sure like to ball

When you're rockin' and a rollin', Can't hear your mamma call

Well now mamma, papa told me -

"Son, you better watch your step"

If you hear my mamma talking you'll remember what she said

Good golly, Miss Molly, sure like to ball

When you're rockin' and a rollin', Can't hear your momma call

[Chorus]

Yeah, I'm going to the corner, gonna buy a diamond ring

Would you hug me and a-kiss me, make me ting-a-ling-a-ling

Good golly, Miss Molly, sure like to ball

When you're rockin' and a rollin', Can't hear your momma call

[CHORUS]

Got To Get You Into My Life

I was alone, I took a ride
I didn't know what I would find there
Another road where maybe I
could see another kind of mind there
Ooo, then I suddenly see you
Ooo, did I tell you I need you
Every single day of my life

You didn't run, you didn't hide
And had you gone, you knew in time
We'd meet again for I had told you
Ooo, you were meant to be near me
Ooo, and I want you to hear me
Say we'll be together every day
Got to get you into my life

What can I do, what can I be
When I'm with you I want to stay there
If I'm true I'll never leave
And if I do I know the way there
Ooo, then I suddenly see you
Ooo, did I tell you I need you
Every single day of my life
Got to get you into my life

[Repeat 1st verse]

Grapevine

Ooh, ooh, I bet your wonderin' how I knew
'Bout your plans to make me blue
With some other guy you knew before
Between the two of us guys you know I love you more

It took me by surprise, I must say
When I found out yesterday
Don't you know that I heard it through the grapevine
Not much longer would you be mine
Oh, I heard it through the grapevine
Oh, I'm just about to lose my mind (honey, honey, well)

Heard it through the grapevine not much longer would you be my baby

I know a man ain't supposed to cry
But these tears I can't hold inside
Losin' you would end my life you see
'Cause you mean that much to me

You could have told me yourself
That you love someone else
Instead I heard it through the grapevine
Not much longer would you be mine
Oh, I heard it through the grapevine
And I'm just about to lose my mind (honey, honey, well)

Heard it through the grapevine not much longer would you be my baby
Heard it through the grapevine not much longer would you be my baby

People say believe half of what you see
Son, and none of what you hear
But I can't help bein' confused
If it's true please tell me dear

Ooh, I'm just about to lose my mind (honey, honey, yeah)

Heard it through the grapevine not much longer would you be my baby (4x)

Green, Green Grass Of Home

The old home town looks the same,
As I step down from the train,
And there to meet me is my mama and my papa.
Down the road I look, and there comes Mary,
Hair of gold and lips like cherries.
It's good to touch the green, green grass of home.

The old house is still standing,
Though the paint is cracked and dry,
And there's the old oak tree that I used to play on.
Down the lane I walk with my sweet Mary,
Hair of gold and lips like cherries.
It's good to touch the green, green grass of home.

Yes, they'll all come to see me,
Arms reaching, smiling sweetly.
It's good to touch the green, green grass of home.

Then I awake and look around me,
To the cold gray walls that surround me,
And then I realize that I was only dreaming.
For there's a guard, and a sad old padre,
Arm in arm, we'll walk at daybreak.
Again, I'll touch the green, green grass of home.

Yes, they'll all come to see me
In the shade of the old oak tree,
As they lay me 'neath the green, green grass of home.

Hang On Sloopy

(Chorus)

Hang on Sloopy, Sloopy hang on

Hang on Sloopy, Sloopy hang on

Sloopy lives in a very bad part of town

Everybody there tries to put my Sloopy down

Sloopy, I don't care what your daddy do

'Cause you know Sloopy girl I'm in love with you

And so I sing out...

(Chorus)

(Solo)

Sloopy, let your hair down girl, let it hang down on me

Sloopy, let your hair down girl, let it hang down on me, yeah, yeah

Come on, Sloopy *Come on, come on*

Come on, Sloopy *Come on, come on*

Well, come on, Sloopy *Come on, come on*

Well, come on, Sloopy *Come on, come on*

You know it feels so good *Come on, come on*

You know it feels so good *Come on, come on*

Well, shake it, shake it, shake it, Sloopy *Come on, come on*

Well, shake it, shake it, shake it, yeah! *Come on, come on.....*

(Chorus)

Heatwave

Whenever I'm with you - Something inside
Starts to burning - And I'm filled with desire

Could it be a devil in me
Or is this the way love's supposed to be

[Chorus]

It's like a heatwave - Burning in my heart
I can't keep from crying - Tearing me apart

Whenever he calls my name - Sounds low, sweet and plain
Right then, right there - I feel that burning flame
There's a high blood pressure got a hold on me
Or is this the way love is supposed to be

[Chorus]

[Instrumental]

Sometimes I stare in space - Tears all over my face
I can't explain it, don't understand it - I ain't never felt like this before

Now that funny feeling's has me amazed
Don't know what to do - My head's in a haze - It's like a heatwave

Yeah yeah, yeah yeah *You know it's alright girl* Oh yeah *Go ahead girl*
Yeah yeah, *Well it's alright girl* Ohh *Ain't nothin' but love girl*
I'm feelin' *Don't pass up this chance* Right here *It sounds like true romance*
Don't you know it's like a heatwave Yeah yeah *Burning burning burning*
Oh, *Burning burning burning* Don't you know it's like a heatwave
Burning burning burning Right hear in my heart *Burning burning burning*

He's A Rebel

See the way he walks down the street
Watch the way he shuffles his feet
My, he holds his head up high
When he goes walking by... he's my guy

When he holds my hand, I'm so proud
'Cause he's not just one of the crowd
I bet he always the one to try the thing they've never done
And just because of that, they say, hey

He's a rebel and he'll never ever be any good
He's a rebel 'cause he never ever does what he should
But just because he doesn't do what everybody else does
That's no reason why I can't give him all my love

He's always good to me, always treats me tenderly
'Cause he's not a rebel, oh, no, no,
He's not a rebel, no, no, no, to me

*** {Solo} ***

If they don't like him that way - They won't like me after today
I'll be standing right by his side when they say

He's a rebel and he'll never ever be any good
He's a rebel 'cause he never ever does what he should
Just because he doesn't do what everybody else does
That's no reason why we can't share a love

He's always good to me, good to him, I try to be
'Cause he's not a rebel, no, no, no
He's not a rebel, no, no, no, to me - Oh,
He's not a rebel, no, no, no - (Repeat with ad libs)

It's just a matter of time - Do-lang-do-lang

He's a soft spoken guy - Do-lang-do-lang-do-lang

Also seems kinda shy - Do-lang-do-lang-do-lang

Makes me wonder if I - Do-lang-do-lang-do-lang

If I were a queen - Do-lang-do-lang-do-lang

And he asked me to leave my throne - Do-lang-do-lang-do-lang

I'd do anything that he asked - Do-lang-do-lang-do-lang

Honky Tonk Women

I met a gin-soaked, bar-room queen in Memphis
She tried to take me upstairs for a ride
She had to heave me right across shoulder
'Cause I just can't seem to drink you off my mind

It's the Honky Tonk Women
Gimme, gimme, gimme the honky tonk blues

I laid a divorcée in New York City
I had to put up some kind of a fight
The lady then she covered me with roses
She blew my nose and then she blew my mind

It's the Honky Tonk Women
Gimme, gimme, gimme the honky tonk blues
It's the Honky Tonk Women
Gimme, gimme...
Alright!

It's the Honky Tonk Women
Gimme, gimme, gimme the honky tonk blues
Yeah, it's the Honky Tonk Women
Gimme, gimme...

Hungry Heart

Got a wife and kids in Baltimore Jack
I went out for a ride and I never went back
Like a river that don't know where it's flowing
I took a wrong turn and I just kept going

Everybody's got a hungry heart
Everybody's got a hungry heart
Lay down your money and you play your part
Everybody's got a hungry heart

I met her in a Kingstown bar
We fell in love I knew it had to end
We took what we had and we ripped it apart
Now here I am down in Kingstown again

Everybody's got a hungry heart...

Everybody needs a place to rest
Everybody wants to have a home
Don't make no difference what nobody says
Ain't nobody like to be alone

Everybody's got a hungry heart...

I Fought The Law

(A') Breakin' rocks in the ... hot sun
I Fought the Law and the ... law won
I Fought the Law and the ... law won
I needed money, 'cause I ... had none
I Fought the Law and the ... law won

I left my baby and I feel so bad
I guess my race is run
Well, she's the best girl ... I've ever had

I Fought the Law and the ... law won

(Instrumental Break)

Robbin' people with a . . . SIX gun
I Fought the Law and the ... law won
I Fought the Law and the ... law won

I Fought the Law and the ... law won
I Fought the Law and the ... law won

I left my baby and I feel so bad

I Get Around

[Intro]

Round round get around I get around
Yeah, Get around round round I get around

[Chorus]

I get around
Get around round round I get around
From town to town
Get around round round I get around
I'm a real cool head
Get around round round I get around
I'm makin' real good bread
Get around round round I get around

I'm gettin' bugged driving up and down the same old strip
I gotta find a new place where the kids are hip

My buddies and me are getting real well known
Yeah, the bad guys know us and they leave us alone

[Chorus]

I get around, Round, Get around round round
oooo - Wah wa ooo
Wah wa ooo - Wah wa ooo

We always take my car cause it's never been beat
And we've never missed yet with the girls we meet

None of the guys go steady cause it wouldn't be right
To leave their best girl home now on Saturday night

[Chorus]

I get around, Round, Ah ah ah ah ah ah ah

[Intro]

Get around round round I get around - Wah wa ooo
Get around round round I get around - Oooo ooo ooo
Get around round round I get around - Ahh ooo ooo
Get around round round I get around - Ahh ooo ooo
Get around round round I get around - Ahh ooo ooo

I Saw Her Standing There

One two three four!

Well, she was just seventeen,
You know what I mean,
And the way she looked was way beyond compare.
So how could I dance with another (ooh)
And I saw her standin' there.

Well she looked at me, and I, I could see
That before too long I'd fall in love with her.
She wouldn't dance with another (whooh)
And I saw her standin' there.

Chorus:

Well, my heart went "boom,"
When I crossed that room,
And I held her hand in mine...

Whoah, we danced through the night,
And we held each other tight,
And before too long I fell in love with her.
Now I'll never dance with another (whooh)
Since I saw her standing there

[Guitar Solo]

[Chorus]

[Repeat last verse]

I Still Miss Someone

At my door the leaves are falling
A cold wild wind has come
Sweethearts walk by together
And I still miss someone

I go out on a party
And look for a little fun
But I find a darkened corner
because I still miss someone

Oh, no I never got over those blues eyes
I see them every where
I miss those arms that held me
When all the love was there

I wonder if she's sorry
For leavin' what we'd begun
There's someone for me somewhere
And I still miss someone

I Walk The Line

I keep a close watch on this heart of mine
I keep my eyes wide open all the time
I keep the ends out for the tie that binds
Because you're mine, I walk the line

I find it very, very easy to be true
I find myself alone when each day is through
Yes, I'll admit that I'm a fool for you
Because you're mine, I walk the line

As sure as night is dark and day is light
I keep you on my mind both day and night
And happiness I've known proves that it's right
Because you're mine, I walk the line

You've got a way to keep me on your side
You give me cause for love that I can't hide
For you I know I'd even try to turn the tide
Because you're mine, I walk the line

I keep a close watch on this heart of mine
I keep my eyes wide open all the time
I keep the ends out for the tie that binds
Because you're mine, I walk the line

I Wanna Be Sedated

Twenty-twenty-twenty four hours to go - I wanna be sedated
Nothin' to do no where to go-ho - I wanna be sedated
Just get me to the airport, Put me on a plane
Hurry hurry hurry, Before I go insane
I can't control my fingers, I can't control my brain
Oh, no oh oh, oh oh

Twenty-twenty-twenty four hours to go - I wanna be sedated
Nothin' to do no where to go-ho - I wanna be sedated
Just put me in a wheelchair, Get me on a plane
Hurry hurry hurry, Before I go insane
I can't control my fingers, I can't control my brain
Oh, no oh oh, oh oh

Instrumental

[Verse 3]

Twenty-twenty-twenty four hours to go - I wanna be sedated
Nothin' to do no where to go-ho - I wanna be sedated
Just put me in a wheelchair, Get me to the show
Hurry hurry hurry, Before I go loco
I can't control my fingers, I can't control my toes
Oh, no oh oh, oh oh

[Verse 3]

Ba-ba-bamp-ba, Ba-ba-ba-bamp-ba - I wanna be sedated
Ba-ba-bamp-ba, Ba-ba-ba-bamp-ba - I wanna be sedated (2X)

I Want You Back

When I had you to myself
I didn't want you around
Those pretty faces always make you
Stand out in a crowd

But someone picked you from the bunch
One glance was all it took
Now it's much too late for me
To take a second look

Oh, baby give me one more chance
Won't you please let me... Back in your heart
Oh, darling I was blind to let you go
But now since I see you in his arms

I want you back... Oh, I do now I want you back... Ooh, ooh baby
I want you back... Yeah, yeah, yeah, yeah I want you back... Na, na, na, na

Tryin' to live without your love
Is one more stupid night
Let me show you girl...
That I know wrong from right

Every street you walk on
I leave tear stains on the ground
Followin' the girl
I didn't even want around

Oh, baby give me one more chance
Won't you please let me... Back in your heart
Oh, darling I was blind to let you go
But now since I see you in his arms

I'll Have To Say I Love You In A Song

Well, I know it's kinda late.
I hope I didn't wake you.
But what I gotta say can't wait,
I know you'd understand.

Every time I tried to tell you,
The words just came out wrong,
So I'll have to say I love you in a song.

Yeah, I know it's kinda strange.
Every time I'm near you,
I just run out of things to say.
I know you'd understand.

Every time I tried to tell you,
The words just came out wrong,
So I'll have to say I love you in a song.

(Solo)

Every time the time was right,
All the words just came out wrong,
So I'll have to say I love you in a song

Yeah, I know it's kinda late.
Hope I didn't wake you,
But there's something I just gotta say.
Know you'd understand.

Every time I tried to tell you,
The words just came out wrong
So I'll have to say I love you in a song.

Into The Mystic

We were born before the wind
Also younger than the sun
Ere the bonnie boat was won
As we sailed into the mystic

Hark now hear the sailor's cry
Smell the sea and feel the sky
Let your soul and spirit fly
Into the mystic

{Bridge}

When that fog horn blows
I will be coming home
And when that fog horn blows
I want to hear it... I don't have to fear it and

I want to rock your gypsy soul
Just like way back in the days of old
And I remember suddenly we will float
Into the mystic

{Solo}

{Bridge}

I want to rock your gypsy soul
Just like way back in the days of old
And together we will float
Into the mystic.... Come on, girl

It's Too Late

Stayed in bed all morning just to pass the time
There's something wrong here
There can be no denying
One of us is changing
Or maybe we've just stopped trying

[CHORUS]

And it's too late baby, now it's too late
Though we really did try to make it
Something inside has died and I can't hide
And I just can't fake it

It used to be so easy living here with you
You were light and breezy
And I knew just what to do
Now you look so unhappy
And I feel like a fool

[CHORUS]

There'll be good times again for me and you
But we just can't stay together
Don't you feel it too
Still I'm glad for what we had
And how I once loved you

[CHORUS]

Don't you know that I... - I just can't fake it
Oh it's too late my baby - Too late my baby
You know - It's too late my baby

Jackson

We got married in a fever, hotter than a pepper sprout,
We've been talkin' 'bout Jackson, ever since the fire went out.
I'm goin' to Jackson, I'm gonna mess around,
Yeah, I'm goin' to Jackson, - Look out Jackson town.

Well, go on down to Jackson; go ahead and wreck your health.
Go play your hand you big-talkin' man, make a big fool of yourself,
Yeah, go to Jackson; go comb your hair!
Honey, I'm gonna snowball Jackson. - See if I care.

When I breeze into that city, people gonna stoop and bow. (Hah!)
All them women gonna make me, teach 'em what they don't know how,
I'm goin' to Jackson, you turn-a loose-a my coat.
'Cos I'm goin' to Jackson. - "Goodbye," that's all she wrote.

But they'll laugh at you in Jackson, and I'll be dancin' on a Pony Keg.
They'll lead you 'round town like a scalded hound,
With your tail tucked between your legs,
Yeah, go to Jackson, you big-talkin' man. -
And I'll be waitin' in Jackson, behind my Jaypan Fan,

Well now, we got married in a fever, hotter than a pepper Sprout,
We've been talkin' 'bout Jackson, ever since the fire went.
I'm goin' to Jackson, and that's a fact.
Yeah, we're goin' to Jackson, ain't never comin' back.

Well, we got married in a fever, hotter than a pepper sprout'
And we've been talkin' 'bout Jackson, ever since the fire went...

(To Fade.)

Jailhouse Rock

The warden threw a party in the county jail
The prison band was there and they began to wail
The band was jumpin' and the joint began to swing
You should've heard them knocked out jailbirds sing
Let's rock, everybody, let's rock
Everybody in the whole cell block
Was dancin' to the Jailhouse Rock

Spider Murphy played the tenor saxophone
Little Joe was blowin' on the slide trombone
The drummer boy from Illinois went crash, boom, bang
The whole rhythm section was the Purple Gang
Let's rock, everybody, let's rock
Everybody in the whole cell block
Was dancin' to the Jailhouse Rock

Number forty-seven said to number three
"You're the cutest jailbird I ever did see"
"I sure would be delighted with your company"
"Come on and do the Jailhouse Rock with me"
Let's rock, everybody, let's rock.
Everybody in the whole cell block
Was dancin' to the Jailhouse Rock.

Sad sack was sittin' on a block of stone
Way over in the corner weepin' all alone.
The warden said, "Hey, buddy, don't you be no square
"If you can't find a partner use a wooden chair"
Let's rock, everybody, let's rock
Everybody in the whole cell block
Was dancin' to the Jailhouse Rock

Shifty Henry said to Bugs, "For Heaven's sake,"
"No one's lookin', now's our chance to make a break"
Bugsy turned to Shifty and he said, "Nix nix,
"I wanna stick around a while and get my kicks"
Let's rock, everybody, let's rock
Everybody in the whole cell block
Was dancin' to the Jailhouse Rock
Dancin' to the Jailhouse Rock, Dancin' to the Jailhouse Rock, (repeat)

Jump Around

Pack it up, pack it in
Let me begin
I came to win
Battle me that's a sin

So get out your seats and jump around
Jump around [3x]
Jump up Jump up and get down.
Jump [17x]

If your girl steps up, I'm smacking the ho
Word to your moms I came to drop bombs

psalms

And just like the Prodigal Son I've returned
Anyone stepping to me you'll get burned
Cause I got lyrics and you ain't got none
So if you come to battle bring a shotgun
But if you do you're a fool, cause I duel to
the death
Try and step to me you'll take your last
breath
I gots the skill, come get your fill
Cause when I shoot ta give, I shoot to kill

[Chorus]

I'm the cream of the crop, I rise to the top
I never eat a pig cause a pig is a cop
Or better yet a terminator
Like Arnold Schwarzenegger
Try'n to play me out like as if my name was
Sega
But I ain't going out like no punk bitch
Get used to one style and you know I might
switch
It up up and around, then buck buck you
down
Put out your head then you wake up in the
Dawn of the Dead
I'm coming to get ya, coming to get ya
Spitting out lyrics homie I'll wet ya

[Chorus]

Jump [32x]

Yo, this is dedicated
To Joe, da flava, Dakota
Grag yo bozac, punk

Knock On Wood

I don't want to lose - this good thing - that I've got
If I do - I would surely - surely lose a lot
'Cause your love - is better - than any love I've known
It's like thunder, lightnin'
The way you love me is frightin'
I think I'd better knock - on wood - baby

I'm not superstitious - about you - I can't take no chance
You got to understand it baby - baby I'm in a trance
'Cause your love - is better - than any love I've known
It's like thunder, lightnin'
The way you love me is frightin'
I think I'd better knock - on wood - baby

{Bridge}

It's no secret - that woman - is my lovin' cup
Cause she sees - to it - that I get enough
Just one touch - from her - you know you do so much
It's like thunder, lightnin'
The way you love me is frightin'
I think I 'd better knock - on wood - baby

(Ad Lib with breaks)

La Vie En Rose

Hold me close and hold me fast
The magic spell you cast
This is la vie en rose

When you kiss me heaven sighs
And though I close my eyes
I see la vie en rose

When you press me to your heart
I'm in a world apart
A world where roses bloom

And when you speak
Angels sing from above
Everyday words seems
To turn into love song

Give your heart and soul to me
And life will always be la vie en rose

Let's Get It Started

Let's Get It Started, in here...

And the base keep runnin' runnin', and runnin' runnin',
and runnin' runnin', and runnin' runnin',
and runnin' runnin', and runnin' runnin', and
runnin' runnin', and runnin' runnin', and...

In this context, there's no disrespect,
So, when I bust my rhyme, you break your necks.
We got five minutes for us to disconnect,
From all intellect collect the rhythm effect.
Obstacles are inefficient, follow your intuition,
Free your inner soul and break away from tradition.
Coz when we beat out, girl it's pullin without.
You wouldn't believe how we wow shit out.
Burn it till it's burned out. - Turn it till it's turned out.
Act up from north, west, east, south.

Everybody, - everybody, - let's get into it. - Get stupid.
Get it started, get it started, get it started.

Let's get it started (ha), let's get it started in here.
Let's get it started (ha), let's get it started in here.
Let's get it started (ha), let's get it started in here.

Yo mama say

Ya, ya, ya, ya, ya, ya, ya, ya, ya, ya, ya, ya, ya, ya, ya...

Runnin' runnin', and runnin' runnin',
and runnin' runnin', and runnin' runnin'

Let's Stay Together

I - I'm so in love with you
What ever you want to do - Is all right with me
'Cause you make me feel so brand new
And I want to spend my life with you

Seems - Since we've been together
Lovin' you forever - Is what I need
Let me be the one you come runnin' to
I'll never be untrue

[Chorus]

Let's - let's stay together
Lovin' you whether, whether
Times are good or bad and are happy or sad

[Instrumental]

Whether times are good or bad and are happy or sad

Why, somebody - Why people break up
Turn around and make up - I just can't see
You'd never do that to me (would you baby)
'SBein' around you is all I see

[Chorus] (Let's - we ought to stay together)

[Chorus]

(The) Letter

[VERSE 1]

Lonely days are gone, I'm a goin' home

Sayin' she couldn't live without me no more
Listen, mister, can't you see
I got to get back to my baby once more, Anyway, yeah!

[VERSE 1]

Sayin' she couldn't live without me no more

The Loco-Motion

Everybody's doin' a brand-new dance, now
(*Come on baby, do the Loco-motion*)
I know you'll get to like it if you give it a chance now
(*Come on baby, do the Loco-motion*)
My little baby sister can do it with me;
It's easier than learning your A-B-C's,
So come on, come on, do the Loco-motion with me.

You gotta swing your hips, now. Come on, baby.
Jump up. Jump back. Well, now, I think you've got the knack.

Now that you can do it, let's make a chain, now.
(*Come on baby, do the Loco-motion*)
A chug-a chug-a motion like a railroad train, now.
(*Come on baby, do the Loco-motion*)
Do it nice and easy, now, don't lose control:
A little bit of rhythm and a lot of soul.
So come on, come on, do the Loco-motion with me.

Move around the floor in a Loco-motion.
(*Come on baby, do the Loco-motion*)
Do it holding hands if you get the notion.
(*Come on baby, do the Loco-motion*)
There's never been a dance that's so easy to do.
It even makes you happy when you're feeling blue,
So come on, come on, do the Loco-motion with me.

Lola

I met her in a club down in North Soho
Where you drink champagne and it tastes just like Cherry Cola
C-O-L-A Cola.

She walked up to me and she asked me to dance.
I asked her name and in a dark brown voice she said,
"Lola" L-O-L-A Lola, lo lo lo Lola

Well, I'm not the world's most physical guy,
But when she squeezed me tight she nearly broke my spine
Oh my Lola, lo lo lo Lola

Well, I'm not dumb but I can't understand
Why she walks like a woman and talks like a man
Oh my Lola, lo lo lo Lola, lo lo lo Lola

**Well, we drank champagne and danced all night,
Under electric candlelight,
She picked me up and sat me on her knee,
She said, "Little boy won't you come home with me?"**

Well, I'm not the world's most passionate guy,
But when I looked in her eyes, I almost fell for my Lola,
Lo lo lo Lola, lo lo lo Lola

I pushed her away. I walked to the door.
I fell to the floor. I got down on my knees.
I looked at her, and she at me.

Well that's the way that I want it to stay
I always want it to be that way for my Lola.
Lo lo lo Lola.

Girls will be boys, and boys will be girls.
It's a mixed up, muddled up, shook up world, except for Lola.
Lo lo lo Lola. Lo lo lo Lola.

**Well I left home just a week before,
And I never ever kissed a woman before,
Lola smiled and took me by the hand,
She said, "Little boy, gonna make you a man."**

Well I'm not the world's most masculine man,
But I know what I am and that I'm a man, so is Lola.
Lo lo lo Lola. Lo lo lo Lola.

Love me one time
Yeah, my knees got weak
Love me two times girl
Last me all through the week

Love Potion Number Nine

I took my troubles down to Madame Rue
You know that gypsy with the gold-capped tooth
She's got a pad down on Thirty-Fourth and Vine
Sellin' little bottles of Love Potion Number Nine

I told her that I was a flop with chicks
I've been this way since 1956
She looked at my palm and she made a magic sign
She said "What you need is Love Potion Number Nine"

She bent down and turned around and gave me a wink
She said "I'm gonna make it up right here in the sink"
It smelled like turpentine, it looked like Indian ink
I held my nose, I closed my eyes, I took a drink

I didn't know if it was day or night
I started kissin' everything in sight
But when I kissed a cop down on Thirty-Fourth and Vine
He broke my little bottle of Love Potion Number Nine

----- Guitar Solo -----

I held my nose, I closed my eyes, I took a drink

I didn't know if it was day or night
I started kissin' everything in sight
But when I kissed a cop down on Thirty-Fourth and Vine
He broke my little bottle of Love Potion Number Nine
Love Potion Number Nine - Love Potion Number Nine
Love Potion Number Nine

Love Shack

If you see a faded sign by the side of the road that says
15 miles to the... Love Shack! Love Shack yeah
I'm headin' down the Atlanta highway, lookin' for the love getaway
Heading for the love getaway, love getaway,
I got me a car, it's as big as a whale
And we're headin' on down To the Love Shack
I got me a Chrysler, it seats about 20
So hurry up and bring your jukebox money

The Love Shack is a little old place where we can get together
Love Shack baby, Love Shack bay-bee.
Love baby, that's where it's at, Ooo love baby, that's where it's at

Sign says.. Woo... stay away fools, 'cause love rules at the Love Shack!
Well it's set way back in the middle of a field,
Just a funky old shack and I gotta get back

Glitter on the mattress
Glitter on the highway
Glitter on the front porch
Glitter on the hallway

The Love Shack is a little old place where we can get together
Love Shack baby! Love Shack, that's where it's at!
Huggin' and a kissin', dancin' and a lovin', wearin' next to nothing
Cause it's hot as an oven

Love Shack - page 2

The whole shack shimmies!
The whole shack shimmies when everybody's
Movin' around and around and around!
Everybody's movin', everybody's groovin' baby!
Folks linin' up outside just to get down
Everybody's movin', everybody's groovin' baby
Funky little shack! Funky little shack!

Hop in my Chrysler, it's as big as a whale and it's about to set sail!
I got me a car, it seats about 20
So hurry up and bring your jukebox money.

Bang bang bang on the door baby! Knock a little louder baby!
Bang bang bang on the door baby! I can't hear you
Your what?... Tin roof, rusted!
Love Shack, baby Love Shack!
Love baby, that's where it's at
Huggin' and a kissin', dancin' and a lovin' at the love shack

Loves Me Like A Rock

When I was a little boy *When I was just a boy*
And the Devil would call my name *When I was just a boy*
I'd say "Now who do... *Who...*
Who do you think you're fooling?" *When I was just a boy*
I'm a consecrated boy *When I was just a boy...*
Singer in a Sunday choir *Yeah oooh...*

[Chorus]

Oh, My mama loves, she loves me
She gets down on her knees and hugs me
She loves me like a rock
She rock me like the rock of ages
And she loves me... - She love me, love me, love me, love me...

When I was grown to be a man *Grown to be a man*
And the Devil would call my name *Grown to be a man*
I'd say "Now who do... *Who...*
Who do you think you're fooling?" *Grown to be a man*
I'm a consummated man *Grown to be a man...*
I can snatch a little purity *Yeah oooh...*

[Chorus]

And If I was the President *Was the President*
And the Congress call my name *Was the President*
I'd say "Now who do... *Who...*
Who do you think you're fooling?" *Who do you think you're fooling?*
I've got the Presidential Seal *Was the President*
I'm up on the Presidential Podium *Oooh...*

[Chorus]

Love me like a rock She loves me, loves me, loves me, loves me (**Repeat**)

Maggie May

Wake up Maggie I think I got something to say to you
It's late September and I really should be back at school
I know I keep you amused but I feel I'm being used
Oh Maggie I couldn't have tried any more
You lured me away from home just to save you from being alone
You stole my heart and that's what really hurts

The morning sun when it's in your face really shows your age
But that don't worry me none in my eyes you're everything
I laughed at all of your jokes my love you didn't need to coax
Oh, Maggie I couldn't have tried any more
You lured me away from home, just to save you from being alone
You stole my soul and that's a pain I can do without

All I needed was a friend to lend a guiding hand
But you turned into a lover and Mother what a lover, you wore me out
All you did was wreck my bed And in the morning kick me in the head
Oh Maggie I couldn't have tried any more
You lured me away from home 'cause you didn't want to be alone
You stole my heart I couldn't leave you if I tried

I suppose I could collect my books and get on back to school
Or steal my daddy's cue and make a living out of playing pool
Or find myself a rock and roll band that needs a helpin' hand
Oh Maggie I wish I'd never seen your face
You made a first-class fool out of me But I'm as blind as a fool can be
You stole my heart but I love you anyway

Maggie I wish I'd never seen your face
I'll get on back home one of these days

Maybelline

[Chorus]

Maybelline, why can't you be true?

Oh Maybelline, why can't you be true?

You just started back doing the things you used to do

As I was motivatin' over the hill

I saw Maybelline in a Coup de Ville

A Cadillac a-rollin' on open road

Nothin' outrun my V8 Ford

The Cadillac doin' 'bout ninety-five

She's bumper to bumper rollin' side by side

[Chorus]

The Cadillac pulled up to hundred and fo'

The Ford gotta hot and wouldn't do no mo'

It then got cloudy and started to rain

I tooted my horn for a passin' lane

The rainwater blowin' all under my hood

I knew'd I was doin' my motor good

[Chorus] ➔ [Solo] ➔ [Chorus]

The motor cooled down, the heat went down

And that's when I heard that highway sound

The Cadillac a-sittin' like a ton of lead

A hundred and ten a half a mile ahead

The Cadillac lookin' like it's sittin' still

And I caught Maybelline at the top of the hill

[Chorus] ➔ [Solo]

Mockingbird

Everybody have you heard
He's gonna buy me a mockingbird
And if that mockingbird don't sing
He's gonna buy me a diamond ring
And if that diamond ring won't shine
He's gonna surely break this heart of mine
And that's why I keep on tellin' everybody.....

Hear me now and understand
He's gonna find me some piece of mind
And if that piece of mind won't stay
I'm gonna find myself a better way
And if that better way ain't so
I'll ride with the tide and go with the flow
And that's why I keep on shoutin' in your ear.....

Everybody have you heard
She's gonna buy me a mockingbird
And if that mockingbird don't sing
She's gonna buy me a diamond ring
And if that diamond ring won't shine
Gonna surely break this heart of mine
And that's the reason why I keep on tellin' everybody...

Listen now and understand
She's gonna find me some piece of mind
And if that piece of mind won't stay
I'm gonna get myself a better way
I might rise above, I might go below
Ride with the tide and go with the flow
And that's the reason why I keep on shouting in your ear...

Mustang Sally

Mustang Sally

Guess you better slow your Mustang down

Mustang Sally now baby

Guess you better slow your Mustang down

You've been runnin' all over town now

Oh, I guess I have to put your flat feet on the ground

I bought you a brand new Mustang - 1995

Now you come around, signfin' woman

You don't wanna let me a ride

Mustang Sally now baby

Guess you better slow that Mustang down

You've been runnin' all over town

Oh, I got to put your flat feet on the ground

{Chorus}

All you wanna do, is ride around Sally, *Ride, Sally ride!*

All you wanna do, is ride around Sally, *Ride, Sally ride!*

All you wanna do, is ride around Sally, *Ride, Sally ride!*

All you wanna do, is ride around Sally, *Ride, Sally ride!*

One of these early mornin's

Gonna be wipin' your weepin' eyes

Solo

I bought you a brand new Mustang - 1995

Now you come around, signfin' woman

You don't wanna let me a ride

Mustang Sally now baby

Guess you better slow that Mustang down

You've been runnin' all over town

Oh, I got to put your flat feet on the ground

{Chorus} - {Chorus} (with breaks)

My Girl

I've got sunshine... On a cloudy day
When it's cold outside... I've got the month of May

I guess you say
What can make me feel this way?
My Girl, My Girl, My Girl
Talkin' 'bout My Girl, My Girl

I've got so much honey... The bees envy me
I've got a sweeter song... Than the birds in the tree

Well, I guess you say
What can make me feel this way?
My Girl, My Girl, My Girl
Talkin' 'bout My Girl, My Girl
Ooh, ooh,

Hey, hey, hey
Hey, hey, hey

I don't need no money... Fortune or fame
I've got, all the riches baby... One man can claim

Well, I guess you say
What can make me feel this way?
My Girl, My Girl, My Girl
Talkin' 'bout My Girl, My Girl

(Ad lib)

Natural Woman

Lookin' out on the mornin' rain
I used to feel so uninspired
And when I knew I had to face another day
Lord, it made me feel so tired

Before the day I met you... Life was so unkind
You're the key to my peace of mind

{CHORUS}

'Cause You make me feel
You make me feel
You make me feel like a natural woman

When my soul was in the lost and found
You came along... To claim it
I didn't know just what was wrong with me
Till your kiss helped me name it

Now I'm no longer doubtful... Of what I'm livin' for
And if I make you happy I don't need to do more

{CHORUS}

Oh, baby what you've done to me *What you've done to me*
You make me feel so good inside *Good inside*
And I just want to be *Want to be*
Close to you, you make me feel so alive

{CHORUS} (Repeat until cue)

Not Fade Away

I'm gonna tell you how it's gonna be
You're gonna give your love to me
I wanna love you night and day
You know my lovin' won't fade away
Oh but you know my lovin' won't fade away

My love is bigger than a Cadillac
I try to show you, you drive me back
Your love for me has got to be real
For you to know just how I feel
A love for real, not fade away

I'm gonna tell you how it's gonna be
You're gonna give your love to me
A love to last more than one day
A love that's love and not fade away
A love that's love and not fade away

Old Time Rock'n Roll

Take those old records off the shelf
I'll sit an' listen to 'em by myself
Today's music ain't got the same soul
I like that old time rock'n roll

Don't ever take me to a disco
You'll never even get me out on the floor
In just 10 minutes I'll be late for the door
I like that old time rock'n roll

{CHORUS}

I like that old time rock'n roll
That kind of music just soothes the soul
We'll reminisce about the days of old
I like that old time rock'n roll

Solo

Won't go to hear them play a tango
I'd rather hear some blues or funky old soul
There's only one sure way to get me to go
Start playing old time rock n' roll

Call me a rebel, call me what you will
Call me old fashioned, call me over the hill
There's only one sure way to get me to go
Play that old time rock'n roll

{CHORUS} -- {CHORUS} *A cappella* -- Solo

Orange Blossom Special

Look a-yonder comin'
Comin' down that railroad track
Hey, look a-yonder comin'
Comin' down that railroad track
It's the Orange Blossom Special
Bringin' my baby back

Well, I'm going down to Florida
And get some sand in my shoes
Or maybe Californy
And get some sand in my shoes
I'll ride that Orange Blossom Special
And lose these New York blues

"Say man, when you going back to Florida?"

"When am I goin' back to Florida? -

I don't know, don't reckon I ever will."

"Ain't you worried about getting your nourishment in New York?"

"Well, I don't care if I do-die-do-die-do-die-do-die."

Hey talk about a-ramblin'
She's the fastest train on the line
Talk about a-travellin'
She's the fastest train on the line
It's that Orange Blossom Special
Rollin' down the seaboard line

Paradise By The Dashboard Light

BOY: I remember every little thing
As if it happened only yesterday
Parking by the lake
And there was not another car in sight
And I never had a girl
Looking any better than you did
And all the kids at school
They were wishing they were me that night
And now our bodies are oh so close and tight
It never felt so good, it never felt so right
And we're glowing like the metal on the edge of a knife
Glowing like the metal on the edge of a knife
C'mon! Hold on tight!
C'mon! Hold on tight!
Thought it's cold and lonely in the deep dark night
I can see paradise by the dashboard light
GIRL: Ain't no doubt about it
We were doubly blessed
'Cause we were barely seventeen
And we were barely dressed
Ain't no doubt about it
Baby got to go and shout it
Ain't no doubt about it
We were doubly blessed
BOY: 'Cause we were barely dressed
And we were barely dressed
Baby doncha hear my heart
You got it drowning out the radio
I've been waiting so long
For you to come along and have some fun
And I gotta let you know
No you're never gonna regret it
So open up your eyes I got a big surprise
It'll feel all right
Well I wanna make your motor run
And now our bodies are oh so close and tight
It never felt so good, it never felt so right
And we're glowing like the metal on the edge of a knife

Glowing like the metal on the edge of a knife
C'mon! Hold on tight!
C'mon! Hold on tight!
Though it's cold and lonely in the deep dark night
I can see paradise by the dashboard light
Paradise by the dashboard light
You got to do what you can
And let Mother Nature do the rest
Ain't no doubt about it
We were doubly blessed
'Cause we were barely seventeen
And we were barely-
We're gonna go all the way tonight
We're gonna go all the way
And tonight's the night...

RADIO BROADCAST

OK, here we go, we got a real pressure cooker going here, two down, nobody on, no score, bottom of the ninth, there's the windup, and there it is, a line shot up the middle, look at him go. This boy can really fly! He's rounding first and really turning it on now, he's not letting up at all, he's gonna try for second; the ball is bobbled out in center, and here comes the throw, and what a throw! He's gonna slide in head first, here he comes, he's out! No, wait, safe-safe at second base, this kid really makes things happen out there. Batter steps up to the plate, here's the pitch-he's going, and what a jump he's got, he's trying for third, here's the throw, it's in the dirt-safe at third! Holy cow, stolen base! He's taking a pretty big lead out there, almost daring him to try and pick him off. The pitcher glances over, winds up, and it's bunted, bunted down the third base line, the suicide squeeze is on! Here he comes, squeeze play, it's gonna be close, holy cow, I think he's gonna make it!

III. Praying For The End Of Time

BOY: I couldn't take it any longer

Lord I was crazed

And when the feeling came upon me

Like a tidal wave

I started swearing to my god and on my mother's grave

That I would love you to the end of time

That I would love you to the end of time

I swore that I would love you to the end of time!

So now I'm praying for the end of time

To hurry up and arrive

'Cause if I gotta spend another minute with you

I don't think that I can really survive

I'll never break my promise or forget my vow

But God only knows what I can do right now

I'm praying for the end of time

It's all that I can do

Praying for the end of time, so I can end my life with you!!

BOY: It was long ago and it was far away

And it was so much better that it is today

GIRL: It never felt so good

It never felt so right

And we were glowing like

A metal on the edge of a knife

Pink Cadillac

Well now you may think I'm foolish - for all the foolish things I do
You may wonder why I love you - when u get on my nerves like u do
Well baby you know you bug me - well there ain't no doubt about that
Come on over here and hug me - hey baby, I'll spill the facts
Honey it ain't your money - 'cause I got plenty of that

{CHORUS}:

I love you for your Pink Cadillac - crushed velvet seats
Drivin' down the road - cruisin' down the streets
Wavin' at the girls - peelin' out of sight
Spendin' all my money on a Saturday night
Honey, I just wonder what you do there in the back
Of your Pink Cadillac, Pink Cadillac

INSTR.

Well, way back in the bible - temptation always comes along
There's always somebody temptin' - and doin' somebody wrong
They tempt you with their silver - they tempt you with their gold
And they tempt you with the pleasures - that flesh does surely hold
They say Eve tempted Adam with an apple - but I ain't going for that

I know it was her **{CHORUS}** -- **{SOLO}**

Well some folks say it's too old - and it uses too much gas
Some folks say that it's too big - and it's movin' way too fast
It's bigger than a Honda - and it's bigger than a Subaru
And there's only one place baby - and only one car that'll do
Well we don't have to drive it - 'cause we can park it out in back

And have a party in your **{CHORUS}**

Please Mister Postman

For me to hear from that boy of mine

There must be some word today

From my boyfriend so far away

Please Mr. Postman, look and see

If there's a letter, a letter for me

I've been standin' here waitin' Mr. Postman

So, so patiently

For just a card, or just a letter

Sayin' he's returnin' home to me, Mr. Postman

[Chorus]

So many days you passed me by

You saw the tears standin' in my eyes

You wouldn't stop to make me feel better

By leavin' me a card or a letter

Please Mister Postman - Pg 2

[Chorus] with:

Please Mr. Postman, look and see

Is there a letter, oh yeah, in your bag for me

Poison Ivy

She comes on like a rose - But everybody knows
She'll get you in Dutch - You can look but you better not touch

[Chorus]

Poison iv-y-y-y-y, - Poison iv-y-y-y-y
Late at night while you're sleepin' -
Poison ivy comes a-creepin' around.....

She's pretty as a daisy - But look out man she's crazy
She'll really do you in - If you let her under your skin

[Chorus]

[Bridge]

Measles make you bumpy - And mumps'll make you lumpy
And chicken pox'll make you jump and switch
A common cold'll fool ya - And whooping cough can cool ya
But poison ivy, Lord'll make you itch!!

[Verse 3]

You're gonna need an ocean - Of calamine lotion
You'll be scratchin' like a hound -
The minute you start to mess around

[Chorus] ➔ [Bridge] ➔ [Verse 3] ➔ [Chorus]

La da la da la da - La da la da la da
La da la da la da - La da la da la da

Proud Mary

Left a good job in the city
Workin' for the man ev'ry night and day
And I never lost one minute of sleepin'
Worryin' 'bout the way things might have been

[Chorus]

Big wheel keep on turnin'
Proud Mary keep on burnin'
Rollin', rollin', rollin' on the river
Rollin', rollin', rollin' on the river

Cleaned a lot of plates in Memphis
Pumped a lot of tain down in New Orleans
But I never saw the good side of the city
'Til I hitched a ride on a river boat queen

[Chorus]

{Solo}

If you come down to the river
Bet you gonna find some people who live
You don't have to worry 'cause you have [if you got] no money
People on the river are happy to give

[Chorus]

Quarter To Three

Don't you know that I danced, I danced till a quarter to 3
With the help, last night, of Daddy G.
He was swingin' on the sax with a terrible tune
And I was dancin' all over the room.

Oh don't you know the people were dancin' like they were mad
It was the swingin'est band they had,
It was the swingin'est song that could ever be
It was a night with Daddy G.

[Bridge]

Let me tell you that I never had it so good
Yeah and I know you never could
Until you get hip with that jive
And take a band like the Church Street Five.

[Verse 3]

Oh don't you know that I danced, I danced till a quarter to 3
With the help last night of Daddy G.
Everybody was as happy as-a they could be
And they were swingin' with Daddy G. Blow Daddy!

[Bridge] ➔ [Verse 3] ➔ [Ad lib]

Reach Out I'll Be There

Now if you feel that you can't go on
Because all of your hope is gone
And your life is filled with much confusion
Until happiness is just an illusion
And your world around is crumbling down, darlin'

[Pre-Chorus] - *Reach out* - Come on girl reach out for me
Reach out - Reach out for me

[Chorus 1] - Hah, I'll be there - With a love that will shelter you
I'll be there with a love that will see you through

When you feel lost and about to give up
'Cause your best just ain't good enough
And you feel the world has grown cold
And you're drifting out all on your own
And you need a hand to hold, darlin'

[Pre-Chorus] ➔

[Chorus 2] - Hah, I'll be there - To love and comfort you
And I'll be there - To cherish and care for you

I'll be there - To always see you through
I'll be there - To love and comfort you

I can tell the way you hang your head
You're not in love now, now you're afraid
And through your tears you look around
But there's no peace of mind to be found, I know what you're thinking
You're a loner, no love of your own, but darling

[Pre-Chorus] - Just look over your shoulder
I'll be there - To give you all the love you need
And I'll be there - You can always depend on me - I'll be there...

Return To Sender

Return to sender - Return to sender

I gave a letter to the postman, - He put it his sack.
Bright in early next morning, - He brought my letter back.

[Chorus]

She wrote upon it: Return to sender, - Address unknown.
No such number, - No such zone.

We had a quarrel, - A lovers' spat
I write I'm sorry but my letter keeps coming back.

So then I dropped it in the mailbox - And sent it special D.
Bright in early next morning - It came right back to me.

[Chorus]

This time I'm gonna take it myself
And put it right in her hand.
And if it comes back the very next day
Then I'll understand the writing on it

[Chorus]

Return to sender - Return to sender
Return to sender - Return to sender...

Ring of Fire

Love is a burnin' thing,
And it makes a fiery ring
Bound by wild desire --
I fell into a ring of fire.

I fell into a burnin' ring of fire --
I went down, down, down
And the flames went higher,
And it burns, burn, burns,
The ring of fire, the ring of fire.

The taste of love is sweet
When hearts like ours meet.
I fell for you like a child --
Oh, but the fire ran wild.

I fell into a burnin' ring of fire --
I went down, down, down
And the flames went higher,
And it burns, burn, burns,
The ring of fire, the ring of fire.

I fell into a burnin' ring of fire --
I went down, down, down,
And the flames went higher,
And it burns, burn, burns,
The ring of fir, the ring of fire.
The ring of fire (and Fade)

Rock And Roll Music

Just let me hear some of that Rock And Roll Music,
Any old way you choose it;
It's got a back beat, you can't lose it,
Any old time you use it.
It's gotta be Rock And Roll Music,
If you want to dance with me, If you want to dance with me.

I've got no kick againt modern jazz,
Unless they try to play it too darn fast;
And change the beauty of the melody,
Until they sounded like a symphony,
That's why I go for that Rock And Roll Music ...

I took my loved one over cross the tracks
So she can hear my man await a sax,
I must admit the have a rockin' band,
Man they were going like a hurricane
That's why I go for that Rock and Roll music

Way down South they gave a jubilee,
the jockey folks they had a jamboree,
They're drinkin' homebrew from a water cup,
The folks dancin' they all got shook up
And started playin' that Rock and Roll music

Don't care to hear 'em play a tango,
I'm in the mood to dig a mambo;
It's way to early for a congo,
So keep a rockin' that piano
So I can hear some of that Rock And Roll Music ...

Rock The Casbah

Now the king told the boogie men - You have to let that raga drop
The oil down the desert way - Has been shakin' to the top
The shiek he drove his Cadillac - He went a' cruisin' down the ville
The muezzin was a' standing - On the radiator grille

CHORUS

The shareef don't like it - Rockin' the Casbah Rock the Casbah
The shareef don't like it - Rockin' the Casbah Rock the Casbah

By order of the prophet - We ban that boogie sound
Degenerate the faithful - With that craazy Casbah sound
But the Bedouin they brought out - The electric camel drum
The local guitar picker - Got his guitar picking thumb
As soon as the shareef - Had cleared the square - They began to wail

CHORUS

Now over at the temple - Oh! They really pack 'em in
The in crowd say it's cool - To dig this chanting thing
But as the wind changed direction - The temple band took five
The crowd caught a wiff - Of that crazy Casbah jive

CHORUS

The king called up his jet fighters - He said you better eaarn your pay
Drop your bombs between the minarets - Down the Casbah way
As soon as the shareef was - Chauffeured outta there
The jet pilots tuned to - The cockpit radio blare
As soon as the shareef was - Outta their hair - The jet pilots wailed

CHORUS - He thinks it's not kosher
Fundamentally he can't take it. - You know he really hates it.

Rockin' Robin

He rocks in the tree tops all day long
Hoppin' and a-boppin' and singing his song
All the little birdies on Jaybird Street
Love to hear the robin go tweet tweet tweet

Chorus:

Rockin' robin, rock rock
Rockin' robin'
Blow rockin' robin
'Cause we're really gonna rock tonight

Every little swallow, every chick-a-dee
Every little bird in the tall oak tree
The wise old owl, the big black crow
Flappin' their wings singing go bird go

Chorus

Pretty little raven at the bird-band stand
Told them how to do the bop and it was grand
They started going steady and bless my soul
He out-bopped the buzzard and the oriole

He rocks in the tree tops all day long
Hoppin' and a-boppin' and singing his song
All the little birdies on Jaybird Street
Love to hear the robin go tweet tweet tweet

Chorus

Ruby Tuesday

She would never say where she came from
Yesterday don't matter if it's gone
While the sun is bright - Or in the darkest night
No one knows - She comes and goes

[Chorus]

Goodbye, Ruby Tuesday -
Who could hang a name on you?
When you change with every new day -
Still I'm gonna miss you...

Don't question why she needs to be so free
She'll tell you it's the only way to be
She just can't be chained - To a life where nothing's gained
And nothing's lost - At such a cost

[Chorus]

There's no time to lose, I heard her say
Catch your dreams before they slip away
Dying all the time - Lose your dreams
And you will lose your mind. - Ain't life unkind?

[Chorus] - 2X

Runaround Sue

Here's my story, sad but true
It's about a girl that I once knew
She took my love then ran around
With every single guy in town

Ah, I should have known it from the very start
This girl will leave me with a broken heart
Now listen people what I'm telling you
A-keep away from-a Runaround Sue

I miss her lips and the smile on her face
The touch of her hair and this girl's warm embrace
So if you don't wanna cry like I do
A-keep away from-a Runaround Sue

Ah, she likes to travel around
She'll love you but she'll put you down
Now people let me put you wise
Sue goes out with other guys

Here's the moral and the story from the guy who knows
I fell in love and my love still grows
Ask any fool that she ever knew, they'll say
Keep away from-a Runaround Sue

(Solo)

(Repeat last verse)

(I Can't Get No) Satisfaction

I can't get no satisfaction, I can't get no satisfaction
'Cause I try and I try and I try and I try
I can't get no, I can't get no
When I'm drivin' in my car, and the man come on the radio
He's tellin' me more and more about some useless information
Supposed to fire my imagination
I can't get no. Oh, no, no, no. Hey, hey, hey That's what I say
I can't get no satisfaction, I can't get no satisfaction
'Cause I try and I try and I try and I try I can't get no, I can't get no

When I'm watchin' my TV and a man comes on and tell me
How white my shirts can be
But, he can't be a man 'cause he doesn't smoke
The same cigarettes as me
I can't get no. Oh, no, no, no. Hey, hey, hey
That's what I say

I can't get no satisfaction, I can't get no satisfaction
'Cause I try and I try and I try and I try
I can't get no, I can't get no

When I'm ridin' round the world
And I'm doin' this and I'm signin' that
And I'm tryin' to make some girl, who tells me
Baby, better come back maybe next week
'Cause you see I'm on a losing streak

I can't get no. Oh, no, no, no. Hey, hey, hey That's what I say.
I can't get no, I can't get no
I can't get no satisfaction, no satisfaction
No satisfaction, no satisfaction

Senorita

[Pharrell:]

Ladies and gentlemen, Ha, It's my pleasure to introduce to you,
He's a friend of mine

[Justin:] Yes, yes I am

[Pharrell:] And he goes by the name... Ha, Ha, Justin Wowoowoooo

He's gonna sing a song for y'all about this girl

[Justin:] Come in right here?

[Pharrell:] Yea, come on

On that sunny day - Didn't know I'd meet
Such a beautiful girl - Walking down the street
Seen those bright brown eyes - With tears coming down
She deserves a crown - But where is it now, Mamma listen

[Chorus]

Senorita, I feel for you
You deal with things, that you don't have to
He doesn't love ya, I can tell by his charm
But you could feel this real love If you just lay in my...

"It feels like something's heating up, can I leave with you?"
And then the ladies go:
"I don't know but I'm thinking 'bout, really leaving with you"

Guys sing: It feels like something's heating up, can I leave with you?
And ladies: I don't know but I'm thinking 'bout, really leaving with you
Feels good don't it, come on:
It feels like something's heating up, can I leave with you?
Yea, ladies: I don't know but I'm thinking 'bout, really leaving with you
Show the good to me, Sing it one more time:
It feels like something's heating up, can I leave with you?
Ladies: I don't know but I'm thinking 'bout, really leaving with you
Yea, yea: It feels like something's heating up, can I leave with you?
Ladies: I don't know but I'm thinking 'bout, really leaving with you

Gentlemen, good night - Ladies, good morning [Laughs] That's it

Shop Around

When I became of age my mother called me to her side,
She said "Son, you're growing up now
Pretty soon you'll take a bride"

An' then she said "Just because you've become a young man now
There's still some things that you don't understand now,
Before you ask some girl for her hand now
Keep your freedom for as long as you can now."
My mama told me, "You better shop around,
Oh yeah, you better shop around."

Aha, got some things that I want you to know now.
Just as sure as the winds gonna blow now
The women come and the women gonna go now
Before you tell em that you love 'em so now.
My mama told me, "You better shop around,
Oh yeah, you better shop around."

[Bridge]

A-try to get yourself a bargain son.
Don't be sold on the very first one.
A-pretty girls come a dime a dozen,
A-try to find one who's gonna give you true lovin'

Before you take a girl and say I do, now,
Make sure she's in love with-a you now.
My mama told me, "You better shop around."

Shop Around - page 2

Aha, Don't let the first a-one get you
Oh no cause I don't want to see her with you

Be a man my son I know you can my son

Signed, Sealed, Delivered

Like a fool I went and stayed too long
But now I'm wondering if our love's still strong
Ooh, baby, Here I am, signed, sealed, delivered, I'm yours

Then the time I went and said good-bye
Now I'm back and not ashamed to cry
Ooh, baby, Here I am, signed, sealed, delivered, I'm yours

{CHORUS}

Now here I am baby, oh yeah, you got my future in your hands
Here I am baby, oh yeah, you got my future in your hands
Said a lot of foolish things that I really didn't mean
Should be a stronger man

Seen a lot of things in this old world
And I've touched some very pretty girls
Ooh, baby, Here I am, signed, sealed, delivered, I'm yours

Ooh-wee baby, you set my soul on fire
And that's I know your my, heart's only desire
Ooh, baby, Here I am, signed, sealed, delivered, I'm yours

{CHORUS}

(Solo)

Said a lot of foolish things that I really didn't mean
Should be a stronger man

{CHORUS}

Single Ladies (Put A Ring On It)

All the single ladies (All the single ladies) - All the single ladies (All the single ladies)
All the single ladies (All the single ladies) - All the single ladies - Now put your hands up

Up in the club, we just broke up
I'm doing my own little thing
You decided to dip but now you wanna trip
Cause another brother noticed me
I'm up on him, he up on me
Don't pay him any attention
Cause I cried my tears, for three good years
Ya can't be mad at me

[Chorus:]
Cause if you liked it then you should have put a ring on it
If you liked it then you should've put a ring on it
Don't be mad once you see that he want it
If you liked it then you should've put a ring on it

Wuh uh oh uh uh oh oh uh oh uh uh oh - Wuh uh oh uh uh oh oh uh oh uh uh oh

[Chorus]

I got gloss on my lips, a man on my hips
Hold me tighter than my Dereon jeans
Acting up, drink in my cup
I could care less what you think
I need no permission, did I mention
Don't pay him any attention
Cause you had your turn
And now you gonna learn
What it really feels like to miss me

[Chorus]

Wuh uh oh uh uh oh oh uh oh uh uh oh - Wuh uh oh uh uh oh oh uh oh uh uh oh

Don't treat me to these things of the world
I'm not that kind of girl
Your love is what I prefer, what I deserve
Is a man that makes me then takes me
And delivers me to a destiny, to infinity and beyond
Pull me into your arms
Say I'm the one you want
If you don't, you'll be alone
And like a ghost I'll be gone

All the single ladies (All the single ladies) - All the single ladies (All the single ladies)
All the single ladies (All the single ladies) - All the single ladies - Now put your hands up

Wuh uh oh uh uh oh oh uh oh uh uh oh - Wuh uh oh uh uh oh oh uh oh uh uh oh
[Chorus x2] - Wuh uh oh

Somebody To Love

When the truth is found to be lies
And all the joy within you dies

(Chorus)

Don't you want somebody to love
Don't you need somebody to love
Wouldn't you love somebody to love
You better find somebody to love

When the garden's flowers, baby, are dead
Yes, and your mind, your mind is so full of red

(Chorus)

Your eyes, I say your eyes may look like his
Yeah but in your head, baby
I'm afraid you don't know where it is

(Chorus)

Tears are running, they're all running down your breast
And your friends, baby, they treat you like a guest

(Chorus)

Standing In The Shadows Of Love

[Chorus]

Standin' in the shadows of love
I'm gettin' ready for the heartaches to come
Can't you see me standing in the shadows of love
I'm gettin' ready for the heartaches to come

I wanna run but there's no where to go
'Cause heartache will follow me I know
Without your love, the love I need
It's the beginning of the end for me

'Cause you've taken away all me reasons for livin'
When you pushed aside all the love I've been giving
Now wait a minute

Didn't I teach you right, now baby, didn't I?
Didn't I do the best I could, now didn't I?
So don't you leave me

[Chorus]

All alone I'm destined to be
With misery my only company
It may come today, in fact come tomorrow
But it's for sure, I ain't got nothin' but sorrow
Don't your conscience kinda bother you?
How can you watch me cry after all I've done for you?
Now hold a minute

Standing In The Shadows Of Love - page 2

Gave you all the love I had, didn't I?
When you needed me I was always there, now wasn't I?

Standing in the shadows of love
Gettin' ready for the heartaches to come
I've tried not to cry out loud
You know cryin', it ain't gonna help me now

What did I do to cause all this grief?
Now what'd I say to make you want to leave?
Now wait a minute

I gave my heart and soul to you, now didn't I?
And didn't I always treat you good, now didn't I?

[Chorus]

I'm Standing in the shadows of love
I'm gettin' ready for the heartaches to come
Hope to see me standing in the shadows of love
Tryin' my best to get ready for the heartaches to come
Standing in the shadows of...

Stars On The Water

Down in Louisiana - Bayous by and by
Perogue pole or your natural soul
Keeps you tied to a tree high tide
Beer joint lights come on
And then the crowd starts rollin' in

(Pretty soon you got) stars on the water
(Just like) stars on the water
You got stars on the water, let it rain

Beaumont to Biloxi - Sea breeze at your door
Gypsy rains, dang hurricanes
White silver sandy shores
The "Blue Light" lounge is shinin'
Way out on the view

(It looks just like) stars on the water
(Just like) stars on the water
Looks like stars on the water, let it rain

When it's midnight down in Mobile - Shinin' moonbeams on the bay
They come from miles around to dance the jukebox down
And dig the good time sounds they all play
And all across the harbor
Night lights shinin' in

(It looks just like) stars on the water
(Just like) stars on the water
(Feels like) stars on the water, let it rain

Stayin' Alive

{Verse 1}

Well, you can tell by the way I use my walk

I'm a woman's man, no time to talk

Music loud and women warm - I've been kicked around since I was born

And now it's all right, it's okay - And you may look the other way

We can try to understand - the New York Times' effect on man

[Chorus]

Whether you're a brother or whether you're a mother you're

Stayin' alive, stayin' alive

Feel the city breakin' and everybody shakin' and we're

Stayin' alive, stayin' alive

Ah, ah, ah, ah, stayin' alive, stayin' alive

Ah, ah, ah, ah, stayin' alive

Well now, I get low and I get high -- and if I can't get either, I really try

Got the wings of heaven on my shoes - I'm a dancin' man & I just can't lose

You know it's all right, it's okay -- I'll live to see another day

We can try to understand -- the New York Times' effect on man

[Chorus]

{Bridge}

Life goin' nowhere, somebody help me -- Somebody help me, yeah

Life goin' nowhere, somebody help me -- Somebody help me, yeah

I'm Stayin' alive

{Verse 1} -- [Chorus] -- {Bridge}

Stir It Up

{Chorus}

Stir it up, little darlin' stir it up

Stir it up, little darlin' stir it up

It's been a long, long time

Since I've had you on my mind

But now you are here, it's so very clear

So much we can do baby

Me and you, come on

{Chorus}

See I'll push the wood, light the fire

And be everything that your, heart desires

And I was starin' starin' starin' starin' every minute

And all you gotta do is, keep me in it

And be everything that your, heart desires

And I was starin' starin' starin' starin' every minute

And all you gotta do is, keep me in it

{Chorus}

{Chorus} *A cappella* {Chorus} *With music*

Stop! In The Name Of Love

[Chorus]

Stop! In the name of love - Before you break my heart

Baby, baby - I'm aware of where you go

Each time you leave my door

I watch you walk down the street

Knowing your other love you'll meet

But this time before you run to her

Leaving me alone and hurt

(Think it over) After I've been good to you?

(Think it over) After I've been sweet to you?

[Chorus] 2x's - Think it over - Think it over

I've known of your - Your secluded nights

I've even seen her - Maybe once or twice

But is her sweet expression

Worth more than my love and affection?

But this time before you leave my arms

And rush of to her charms

(Think it over) Haven't I been good to you?

(Think it over) Haven't I been sweet to you?

[Chorus] 2x's - Think it over - Think it over

I've tried so hard, hard to be patient

Hoping you'd stop this infatuation

But each time you are together

I'm so afraid I'll be losing you forever - **[Chorus] 3x's ad lib**

Sugar Sugar

[Chorus]

Sugar, ah honey honey

You are my candy girl And you've got me wanting you.

Honey, ah sugar sugar

You are my candy girl And you've got me wanting you.

I just can't believe the loveliness of loving you

(I just can't believe it's true)

I just can't believe the one to love this feeling to.

(I just can't believe it's true)

[Chorus]

When I kissed you, girl, I knew how sweet a kiss could be

(I know how sweet a kiss can be)

Like the summer sunshine pour your sweetness over me

(Pour your sweetness over me)

Sugar, pour a little sugar on it honey,

Pour a little sugar on it baby

I'm gonna make your life so sweet, yeah yeah yeah

Pour a little sugar on it oh yeah

Pour a little sugar on it honey,

Pour a little sugar on it baby

I'm gonna make your life so sweet, yeah yeah yeah

Pour a little sugar on it honey,

[Chorus]

[Chorus]

Suspicious Minds

We're caught in a trap... I can't walk out
Because I love you too much baby
Why can't you see... What you're doing to me
When you don't believe a word I say?

We can't go on together - With suspicious minds
And we can't build our dreams - On suspicious minds

So, if an old friend I know
Drops by to say hello
Would I still see suspicion in your eyes?
Here we go again
Asking where I've been
You can't see these tears are real
I'm crying

We can't go on together - With suspicious minds
And we can't build our dreams - On suspicious minds

Oh let our love survive
Or dry the tears from your eyes
Let's don't let a good thing die
When honey, you know
I've never lied to you
Mmm yeah, yeah

Sweet Soul Music

Do you like good music -- That sweet soul music
Just as long as it's swingin' -- Oh yeah, oh yeah

Out here on the floor now -- We're going to a go go
Ah dancin to the music -- Oh yeah, oh yeah

Spotlight on Lou Rawls y'all -- Ah don't he look tall y'all
Singin' loves a hurtin' thing now -- Oh yeah, oh yeah

Spotlight on Sam and Dave now -- Ah don't they look boss y'all
Singin' hold on I'm comin' -- Oh yeah, oh yeah

Spotlight on Wilson Pickett -- That wicked picket Pickett
Singin Mustang Sally -- Oh yeah, oh yeah

Spotlight on Otis Redding now -- Singing fa fa fa fa fa fa fa fa
Fa fa fa fa fa fa fa fa -- Oh yeah, oh yeah

Spotlight on James Brown now -- He's the king of them all, yeah
He's the king of them all, yeah -- Oh yeah, oh yeah

Tears Of A Clown

[Verse 1]

Now if there's a smile on my face
It's only there trying to fool the public
But when it comes down to fooling you
Now honey that's quite a different subject
But don't let my glad expression
Give you the wrong impression

Really, I'm sad - Oh I'm sadder than sad
You're gone and I'm hurtin' so bad -
Like a clown I pretend to be glad

[Pre-Chorus]

Now there's some sad things known to man
But ain't too much sadder than

[Chorus]

The tears of a clown, when there's no one around
Oh yeah baby

[Verse 2]

Now if I appear to be carefree
It's only to camouflage my sadness
And honey to shield my pride I try
To cover this hurt with a show of gladness
But don't let my show convince you
That I've been happy since you

Tears Of A Clown - page 2

Decided to go - Oh I need you so
I'm hurt and I want you to know -
But for others I put on a show, ooh yeah

[Pre-Chorus]

[Chorus]

[Bridge]

Just like Pagliacci did - I try to keep my sad face hid
Smiling in the public eye - But in my lonely room I cry

[Chorus]

[Outro]

Now if there's a smile on my face
Don't let my glad expression
Give you the wrong impression
Don't let this smile I wear
Make you think that I don't care
When really I'm sad, I'm hurting so bad

Thank You (Falettinme Be Mice Elf Agin)

Lookin' at the devil - Grinnin' at his gun
Fingers start shakin' - I begin to run
Bullets start chasin' - I begin to stop
We begin to wrestle - I was on the top

[Chorus]

I want to thank you falettinme - Be mice elf agin
Thank you falettinme - Be mice elf agin

Stiff all in the collar - Fluffy in the face
Chit chat chatter tryin' - Stuffy in the place
Thank you for the party - But I could never stay
Many thangs is on my mind - Words in the way

[Chorus]

Dance to the music - All nite long
Everyday people - Sing a simple song
Mama's so happy - Mama start to cry
Papa still singin' - You can make it if you try

[Chorus]

(Different strokes for different folks, yeah)

Flamin' eyes of people fear - Burnin' into you
Many men are missin' much - Hatin' what they do
Youth and truth are makin' love - Dig it for a starter, now
Dyin' young is hard to take - Sellin' out is harder

[Chorus] - Repeat & Fade

Things We Said Today

You say you will love me if I have to go,
You'll be thinking of me, somehow I will know,
Someday when I'm lonely, wishing you weren't so far away,
Then I will remember things we said today.

You say you will be mine, girl, till the end of time,
These days such a kind girl seems so hard to find,
Someday when we're dreaming, deep in love,
Not alot to say,

Then I remember things we said today.

Me I'm just the lucky kind,
Love to hear you say that love is love,
And though we may be blind,
Love is here to stay.

And that's enough to make you mine girl,
Be the only one,

Love me all the time girl, we'll go on and on,
Someday when we're dreaming, deep in love,
Not alot to say,

Then I remember things we said today.

Me I'm just the lucky kind,
Love to hear you say that love is love,
And though we may be blind,
Love is here to stay.

And that's enough to make you mine girl,
Be the only one,

Love me all the time girl, we'll go on and on,
Someday when we're dreaming, deep in love,
Not alot to say,

Then I remember things we said today

Think

{Chorus}

You better think *Think* Think about what you're tryin' to do to me
Think *Think Think* Let your mind gonna let yourself be free

Let's go back, let's go back, let's go way on, way back when
I didn't even know you You couldn't have been too much more then ten
I ain't no psychiatrist I ain't no doctor with degrees
But it don't take too much I.Q. to see what you're doin' to me

{Chorus}

Freedom *Freedom* Freedom *Freedom* Freedom *Freedom* Freedom
Freedom *Freedom* Freedom *Freedom* Freedom *Freedom* Freedom

Ain't nothin' you could ask I could answer you but I won't *But I won't*
But I was gonna change see I'm not if you keep doin' things that I don't

{Chorus}

People walk around every day playin' games and makin' scores
Tryin' to make other people lose their minds well be careful you don't
loose yours

{Chorus}

You need me *Need me* And I need you *Don't you know*
Without each other there ain't nothin' we can do

To Make You Feel My Love

When the rain is blowing in your face
And the whole world is on your case
I would offer you a warm embrace
To make you feel my love

When evening shadows and the stars appear
And there is no one to dry your tears
I could hold you for a million years
To make you feel my love

I know you haven't made your mind up yet
But I would never do you wrong
I've known it from the moment that we met
There's no doubt in my mind where you belong

I'd go hungry, I'd go black and blue
I'd go crawling down the avenue
There ain't nothing that I wouldn't do
To make you feel my love

Mmmm

The storms are raging on a rollin' sea
And down the highway of regret
The winds of change are blowing wild and free
Yeah but you ain't seen nothing like me yet

There ain't nothing that I wouldn't do
Go to the ends of the earth for you
Make you happy, make your dreams come true
To make you feel my love

Twistin' The Night Away

Let me tell you 'bout a place - Somewhere up-a New York way
Where the people are so gay - Twistin' the night away-ay
Here they have a lot of fun - Puttin' trouble on the run
Man, you find the old and young - Twistin' the night away

[Chorus]

They're twistin', twistin', everybody's feelin' great
They're twistin', twistin', they're twistin' the night away

Here's a man in evenin' clothes - How he got here, I don't know, but
Man, you oughta see him go - Twistin' the night away-ay
He's dancin' with the chick in slacks - She's a-movin' up and back
Oh man, there ain't nothin' like - Twistin' the night away

[Chorus]

Let's twist a while! - Lean up, lean back - Lean up, lean back
Watusi, now fly, now twist - They're twistin' the night away

Here's a fella in blue jeans - Dancin' with an older Queen
Who's dolled up in-a diamond rings and - Twistin' the night away-ay
Man, you oughta see her go - Twistin' to the rock and roll
Here you find the young and old - Twistin' the night away

[Chorus]

One more time! - Lean up, lean back - Lean up, lean back
Watusi, now fly, now twist - They're twistin' the night away

Unchained Melody

Oh, my love, my darling,
I've hungered for your touch... a long, lonely time,
Time goes by so slowly
And time can do so much... Are you still mine?
I need your love, I need your love,
God speed your love to me.

Lonely rivers flow to the sea, to the sea
To the open arms of the sea
Lonely rivers sigh, "Wait for me, wait for me"
"I'll be coming home, wait for me!"

Oh, my love, my darling,
I've hungered for your touch a long, lonely time,
Time... goes by... so slowly
And time can do so much.
Are you still mine?
I need your love, I need your love,
God speed your love to me

Up Around The Bend

There's a place up ahead and I'm goin'
Just as fast as my feet can fly
Come away, come away if you're goin'
Leave the sinkin' ship behind

[CHORUS]

Come on the risin' wind, - We're goin' up around the bend. Ooh!

Bring a song & a smile for the banjo
Better get while the gettin's good
Hitch a ride to the end of the highway
Where the neons turn to wood

[CHORUS]

You can ponder perpetual motion,
Fix your mind on a crystal day
Always time for a good conversation,
There's an ear for what you say

[CHORUS] - Yeah!

[INSTRUMENTAL] - Oooh!

Catch a ride to the end of the highway
And we'll meet by the big red tree
There's a place up ahead and I'm goin',
Come along, come along with me

[CHORUS] - Yeah! - Do do doo do, Do do doo do, Do do doo do...

[VERSE 1]

Here comes Johnny singing oldies, goldies
Be-Bop-A-Lula, Baby What I Say

Down in the tunnels, trying to make it pay

Oh Yeah the boy can play
Dedication devotion
Turning all the night time into the day

Here comes Johnny with the power and the glory
Backbeat the talkin' blues

Little skirt climbing way up her knees
There was three young ladies in the school gym locker
When I noticed they was lookin' at me

Till the boys told me something I missed
Then my next door neighbour, With a daughter had a favour
So I gave her just a little kiss, like this! -- **Repeat 3. - 4. - [Chorus]**

Wanderer, The

Oh well I'm the type of guy who will never settle down,
Where pretty girls are well you know that I'm around

I hug 'em and I squeeze 'em they don't even know my name
They call me the wanderer , yeah I'm a wanderer,
I go around around around around

Well there's Moe on my left and Mary on my right,
And Janie is the girl well that I'll be with tonight,
And when she ask me which one I love the best,
I tear open my shirt and I show Rosie on my chest,
'Cause I'm a wanderer, yeah I'm a wanderer
I roam around around around around hmmm

Well I roam from town to town, I go through life without a care,
And I'm as happy as a clown,
With my two fists of iron, but I'm goin' nowhere.

Yeah I'm the type of guy that likes to roam around
I'm never in one place I roam from town to town
And when I find myself fallin' for some girl
I hop right in that car of mine, I drive around the world
And I'm a wanderer, yeah I'm a wanderer
I roam around around around around hmmm

SOLO

I'm the type of guy that likes to roam around
I'm never in one place I roam from town to town

What's The Frequency, Kenneth?

'What's the frequency, Kenneth?' is your Benzedrine, uh-huh
I was brain-dead, locked out, numb, not up to speed
I thought I'd pegged you an idiot's dream
Tunnel vision from the outsider's screen
I never understood the frequency, uh-huh
You wore our expectations like an armored suit, uh-huh

I'd studied your cartoons, radio, music, TV, movies, magazines
Richard said, 'Withdrawal in disgust is not the same as apathy'
A smile like the cartoon, tooth for a tooth
You said that irony was the shackles of youth
You wore a shirt of violent green, uh-huh
I never understood the frequency, uh-huh

'What's the frequency, Kenneth?' is your Benzedrine, uh-huh
Butterfly decal, rearview mirror, dogging the scene
You smile like the cartoon, tooth for a tooth
You said that irony was the shackles of youth
You wore a shirt of violent green, uh-huh
I never understood the frequency, uh-huh
You wore our expectations like an armored suit, uh-huh
I couldn't understand
You said that irony was the shackles of youth, uh-huh
I couldn't understand
You wore a shirt of violent green, uh-huh
I couldn't understand
I never understood, don't fuck with me, uh-huh

When A Man Loves a Woman

When a man loves a woman... Can't keep his mind on nothing else
He'll trade the world for the good thing he's found

If she's bad he can't see it... She can do no wrong
Turn his back on his best friend if he put her down

When a man loves a woman... Spend his very last dime
Tryin' to hold on to what he needs

He'd give up all his comforts... Sleep out in the rain
If she said that's the way it ought to be

{BRIDGE}

Well, this man loves a woman
I gave you everything I had
Tryin' to hold on to your precious love
Baby, please don't treat me bad

When a man loves a woman... Down deep in his soul
She can bring him such misery

If she plays him for a fool... He's the last one to know
Lovin' eyes can't ever see

When a man loves a woman... He can do no wrong
He can never own some other girl

Yes when a man loves a woman... I know exactly how he feels
'Cause baby, baby, baby, you're my world
When a man loves a woman.....

Willie The Wimp

Willie the Wimp was buried today,
They laid him to rest in a special way.
Sent him off in the finest style
That casket-mobile really drove 'em wild
Southside Chicago will think of him often
Talkin' 'bout Willie the Wimp and his Cadillac coffin,
Willie the Wimp and his Cadillac coffin

That casket, it looked like a fine Seville
He had a vanity license and a Cadillac grille
Willie was propped up in the driver's seat
He had diamonds on his fingers and a smile sweet
Fine red suit had the whole town talkin'
Talkin' 'bout Willie the Wimp and his Cadillac coffin
Willie the Wimp and his Cadillac coffin

Oh, Cadillac to Heaven he was wavin' the banner
He left like he lived, in a lively manner
With a-hundred dollar bills in his fingers tight
He had flowers for wheels and a-flashin' headlights
He been wishin' for wings, no way he was walkin'
Talkin' 'bout Willie the Wimp and his Cadillac coffin
Yeah, Willie the Wimp and his Cadillac coffin

Wooly Bully

Uno, dos, one, two, tres, quatro

Matty told Hatty about a thing she saw.
Had two big horns and a wooly jaw.
Wooly bully, wooly bully.
Wooly bully, wooly bully, wooly bully.

Hatty told Matty, "Let's don't take no chance.
Let's not be*L-seven*, come and learn to dance."
Wooly bully, wooly bully
Wooly bully, wooly bully, wooly bully.

Matty told Hatty, "That's the thing to do.
Get you someone really to pull the wool with you."
Wooly bully, wooly bully.
Wooly bully, wooly bully, wooly bully.

*L-seven" = the letter "L" and the number "7". When typed, they form a rough SQUARE (L7), so the lyrics mean "let's not be square."

Yeah

A Town's Down!

Yeah, Ok! Lil' Jon!

Yeah, Yeah Yeah, Yeah yeah, Yeaah
Yeah, Yeah yeah, Yeah yeah, Yeaah

I'm in the club with my homies, tryna get a lil V-I, keep it down on the low key, cause you know how it feels.

I said shorty she was checkin up on me, from the game she was spittin my ear you'd think that she knew me.

So we decided to chill

Conversation got heavy, she had me feelin like she's ready to blow!

(Watch Out!, Watch Out!)

She saying come get me, come get me,

So I got up and followed her to the floor, she said baby lets go,

When I told her I said

(Chorus):

Yeah (yeah) Shorty got down to come and get me

Yeah (yeah) I got so caught up I forgot she told me

Yeah (yeah) Cause if my girl new it'd be best to hold me

Yeah (yeah) Next thing I knew she was all up on me screaming:

Yeah, Yeah yeah, Yeah yeah, Yeaah

Yeah, Yeah yeah, Yeah yeah, Yeaah

Shes all up in my head now, got me thinking that it might good idea to take her with me, Cause she's ready to leave.

Now I gotta keep it real now, cause on a one-to-ten she's a certified twenty, and that just aint me.

Cause I do know if I take that chance just where is it gonna lead,

But what I do know is the way she dance makes shorty alright with me.

The way she getting low!

I'm like yeah, just work that out for me.

She asked for one more dance and I'm

Like yeah, how the hell am I supposed to leave?

And I said

[Chorus]

Luda!

Watch out!

My outfit's ridiculous, In the club lookin' so conspicuous.

And Row! These women al on the prow! if you hold the head steady I'm a milk the cow.

Forget about the game I'm a spit the truth, I won't stop till I get em in they birthday suits.

So gimme the rhythm and it'll be off with they clothes, then bend over to the front and touch your toes.

I left the jag and I took the roles, if they aint cutting then I put em on foot patrol.

How you like me now, when my pinky's valued over three hundred thousand,

Lets drank you the one to please, Ludacris fill cups like double d's.

Me and Ush once more and we leave em dead, we want a lady in the street but a freak in the bed to say

[Chorus]

Take that and rewind it back, Lil' Jon got the rhythm make ya booty go (clap)

Take that and rewind it back, Ursher got the voice make ya booty go (clap)

Take that and rewind it back, Ludacris got the flow make ya booty go (clap)

Take that and rewind it back, Lil' Jon got the rhythm make ya booty go (clap)

Your Song

It's a little bit funny, this feeling inside
I'm not one of those, who can easily hide
I don't have much money, but boy if I did
I'd buy a big house where we both could live

If I was a sculptor, but then again no,
Or a man who makes potions in a traveling show
I know it's not much, but it's the best I can do
My gift is my song and this one's for you

And you can tell everybody, this is your song
It may be quite simple but now that it's done
I hope you don't mind, I hope don't you mind
That I put down in words
How wonderful life is while you're in the world

I sat on the roof and kicked off the moss
Well a few of the verses, well they've got me quite cross
But the sun's been quite kind while I wrote this song,
It's for people like you, that keep it turned on.

So excuse me forgetting, but these things I do
You see I've forgotten, if they're green or they're blue
Anyway the things, what I really mean
Yours are the sweetest eyes I've ever seen.
