

Use Me

My friends... feel it's their appointed duty
They keep trying to tell me... all you want to do is use me
But my answer... yeah to all that use me stuff
I I I and I wanna spread the news
That if it feels this good getting used
Oh you just keep on using me... until you use me up
Until you use me up

My brother... sit me right down and he talked to me
He told me... that I ought not to let you just walk on me
An' I'm sure he meant well, yeah but when our talk was thru
I I said brother if you only knew
You'd wish that you were in my shoes
You just keep on using me... until you use me up
Until you use me up

Oh sometimes... it's true you really do abuse me
You get in a crowd of hi class people& then ya act real rude t' me
But oh baby baby baby baby...
When you love me I can't get enough
I and I wanna spread the news
That if it feels this good getting used
Oh you just keep on using me... until you use me up
Until you use me up

Talking about you using me but it all depends on what you do
It ain't too bad the way you're using me
Cause I sure am using you to do the things you do
Ah ha to do the things you do
