

# MOTOR CITY MUSIC MACHINE

**T**he Motor City Music Machine is Detroit's premier Motown, R&B, Blues band. Featuring the sweet tenor vocals of "Blue Jay" and the big energy of the Music Machine, MCMM rekindles America's love affair with Motown's golden era of hit music. On any given Music Machine show, you will hear from such legendary artists as The Temptations, Smoky Robinson, Marvin Gaye, and Steve Wonder. The songs you will hear are all time classics such as "My Girl", "Soul Man", "Stand By Me", "Sweet Home Chicago", "The Thrill Is Gone", and "When A Man Loves A Woman". This decidedly family-oriented show is an entertaining and enlightening experience. Audiences agree, a Motor City Music Machine performance is a nostalgic and awe inspiring trip down memory lane. Let's welcome them to Chicago!!
