

A Hard Day's Night

It's been a hard day's night, and I been working like a dog
It's been a hard day's night, I should be sleeping like a log
But when I get home to you I find the things that you do
Will make me feel alright

You know I work all day to get you money to buy you things
And it's worth it just to hear you say you're going to give me everything
So why on earth should I moan, 'cause when I get you alone
You know I feel ok

When I'm home everything seems to be right
When I'm home feeling you holding me tight, tight

It's been a hard day's night, and I been working like a dog
It's been a hard day's night, I should be sleeping like a log
But when I get home to you I find the things that you do
Will make me feel alright Owww!

So why on earth should I moan, 'cause when I get you alone
You know I feel ok

When I'm home everything seems to be right
When I'm home feeling you holding me tight, tight

It's been a hard day's night, and I been working like a dog
It's been a hard day's night, I should be sleeping like a log
But when I get home to you I find the things that you do
Will make me feel alright
You know I feel alright
You know I feel alright

Addicted To Love

Your lights are on, but you're not home
Your mind... is not your own
Your heart sweats, your body shakes
Another kiss... is what it takes
You can't sleep, you can't eat
There's no doubt, you're in deep
Your throat is tight, you can't breathe
Another kiss... is all you need

[BRIDGE]

Whoa, you like to think that you're immune to the stuff, oh yeah
It's closer to the truth to say you can't get enough
You know you're gonna have to face it, you're addicted to love

You see the signs, but you can't read
You're runnin' at a different speed
Your heart beats in double time
Another kiss and you'll be mine, a one track mind
You can't be saved
Oblivion is all you crave
If there's some left for you
You don't mind if you do

[BRIDGE] - Might as well face it, you're addicted to love (5X)

----- **lead guitar** -----

Your lights are on, but you're not home
Your will is not your own
Your heart sweats and teeth grind
Another kiss and you'll be mine

[BRIDGE] - Might as well face it, you're addicted to love (5X)

Africa

I hear the drums echoing tonight
But she hears only whispers of some quiet conversation
She's coming in 12:30 flight
The moonlit wings reflect the stars that guide me towards salvation
I stopped an old man along the way,
Hoping to find some long forgotten words or ancient melodies
He turned to me as if to say, "Hurry boy, it's waiting there for you"

CHORUS:

It's gonna take a lot to drag me away from you
There's nothing that a hundred men or more could ever do
I blessed the rains down in Africa
Gonna take some time to do the things we never had... Ooh, ooh

The wild dogs cry out in the night
As they grow restless longing for some solitary company
I know that I must do what's right
As sure as Kilimanjaro rises like Olympus above the Serengeti
I seek to cure what's deep inside, frightened of this thing that I've become

CHORUS

(Instrumental break)

Hurry boy, she's waiting there for you

It's gonna take a lot to drag me away from you
There's nothing that a hundred men or more could ever do
I blessed the rains down in Africa, I blessed the rains down in Africa
I blessed the rains down in Africa, I blessed the rains down in Africa
I blessed the rains down in Africa
Gonna take some time to do the things we never had... Ooh, ooh

After Midnight

After midnight, we're gonna let it all hang down
After midnight, we're gonna chug-a-lug and shout

We're gonna stimulate some action
We're gonna get some satisfaction
We're gonna find out what it is all about

After midnight, we're gonna let it all hang down
After midnight, we're gonna shake your tambourine
After midnight, it's all gonna be peaches and cream

We're gonna cause talk and suspicion
We're gonna give an exhibition
We're gonna find out what it is all about

After midnight, we're gonna let it all hang down
After midnight, we're gonna let it all hang down

[REPEAT SECOND VERSE]

After midnight, we're gonna let it all hang down
After midnight, we're gonna let it all hang down
After midnight, we're gonna let it all hang down
After midnight, we're gonna let it all hang down

Ain't No Mountain High Enough

[Guy] *Listen, baby*

Ain't no mountain high, Ain't no valley low,
Ain't no river wide enough, baby

[Girl] If you need me, call me,
No matter where you are, No matter how far

[Guy] *Don't worry baby*
Just call my name, I'll be there in a hurry,
You don't have to worry

[Both] 'Cause baby, there...

[Chorus]

Ain't no mountain high enough
Ain't no valley low enough
Ain't no river wide enough
To keep me from getting to you, babe

[Guy] Remember the day, I set you free
I told you "You could always count on me, darling"
From that day on I made a vow
I'll be there when you want me, Some way, some how

Ain't No Mountain High Enough - 2

[Both] 'Cause baby, there

[Chorus]

[Guy] *Oh, no darlin'*

[Girl] No wind, no rain, or winter's cold, can stop me baby

[Guy] *Nah, nah, baby*

[Girl] 'Cause you are my love

[Guy] If you're ever in trouble, I'll be there on the double,
Just send for me

[Both] Oh, baby

[Girl] My is alive, Way down in my heart,
Although we are miles apart

[Guy] If you ever need, A helping hand,
I'll be there on the double, Just as fast as I can

[Both] Don't you know that there...

[Chorus] ➔ **[Chorus]**

Ain't No Stoppin' Us Now

Ain't no stopping us now, we're on the move
Ain't no stopping us now, we got the groove
There's been so many things - That held us down
But now it looks like things - Are finally coming around
I know we've got - A long long way to go
And where we'll end up - I don't know

(Chorus)

But we won't let nothin' hold us back -
Put our show together
We're polishing up our act well - And if you've ever been
Held down before - I know you refuse to be
Held down any more -
Don't you let nothin' stand in your way
I want y'all to listen - Listen to every word I say
Every word I say
I know you know someone - Who has a negative vibe
And if you're trying to make it - They only push you aside
They really don't have nowhere to go
Ask them where they're goin' - They don't know

(Chorus)

Ain't No Sunshine

Ain't no sunshine when she's gone

It's not warm when she's away

Ain't no sunshine when she's gone,

And she's always gone too long - Any time she goes away

Wonder this time where she's gone

Wonder if she's gone to stay

Ain't no sunshine when she's gone,

And this house just ain't no home - Any time she goes away

[Break]

And I know, I know, I know, I know,

I know, I know, I know, I know,

I know, I know, I know, I know,

I know, I know, I know, I know, I know

Hey, I ought to leave the young thing alone

Ain't no sunshine when she's gone

[Verse 3]

Ain't no sunshine when she's gone

Only darkness every day

Ain't no sunshine when she's gone,

And this house just ain't no home

Any time she goes away

[Solo] ➔ [Break] ➔ [Verse 3]

Any time she goes away - Any time she goes away

Any time she goes away

Ain't That Peculiar

Honey you do me wrong but still I'm crazy about you
Stay away too long and I can't do without you
Every chance you get you seem to hurt me more and more
But each hurt makes my love stronger than before
I know flowers go through rain
But how can love go through pain

[Chorus]

Ain't that peculiar - A peculiar ality
Ain't that peculiar baby - Peculiar as can be

You tell me lies that should be obvious to me
I've been so much in love with you baby till I don't wanna see
That things you do and say are designed to make me blue
It's a doggone shame my love for you makes all your lies seem true
But if the truth makes love last longer
Why do lies make my love stronger

[Chorus]

I cried so much just like a child that's lost its toy
Maybe baby you think these tears i cry are tears of joy
A child can cry so much until you do everything they say
But unlike a child my tears don't help me to get my way
I know love can last through years
But how can love last through tears

[Chorus]

Ain't Too Proud To Beg

I know you want to leave me
But I refuse to let you go
But if I have to beg and plead for your sympathy
I don't mind because you mean that much to me

{Chorus}

Ain't too proud to beg, now sweet darlin'
Please don't leave me girl, now don't you go
Ain't too proud to plead, baby, baby
Please don't leave me girl now don't you go

Well, I heard a cryin' man is half a man
With no sense of pride
But if I have to cry to keep you, I don't mind weeping
If it will keep you by my side

{Chorus}

Now if I have to sleep on your door step, all night and day
Just to keep you from walkin' away
Let your friends laugh, even this I can stand
Because I want to keep you any way I can

{Chorus} ➔ Solo

Now I've got a love so deep, in the pit of my heart
And each day it grows more and more
I'm not ashamed to come and plead to you baby
If pleading keeps you from walkin' out that door

{Chorus} ➔ {Chorus}

All Along the Watchtower

There must be some kind of way outta here
Said the joker to the thief
There's too much confusion...
I can't get no relief

Business men, they drink my wine
Come and dig my herb
No one were level on the mind
Nobody up at his word... hey, hey

No reason to get excited
The thief he kindly spoke
There are many here among us
Who feel that life is but a joke

But, uh...but you and I, we've been through that
And this is not our fate
So let us stop talkin' falsely now
The hour's getting late, hey

All along the watchtower
Princes kept the view
While all the women came and went
Barefoot servants, too

Outside in the cold distance
A wildcat did growl
Two riders were approaching
And the wind began to howl

All My Life

Baby, baby, baby, baby, baby, baby, baby, baby, baby, baby, baby,

I will never find another lover sweeter than you, sweeter than you
I will never find another lover more precious than you, more precious than U
Girl You are Close to me you're like my mother,
Close to me you're like my father,
Close to me you're like my sister,
Close to me you're like my brother
You are the only one you're my everything and for you this song I sing

[CHORUS]

All my life... I pray for someone like you
And I thank God that I, that I finally found you
All my life... I pray for someone like you
And I hope that you feel the same way too
Yes, I pray that you do, love me too

Said I promised to never fall in love with a stranger,
You're all I'm thinking of I praise the Lord above,
For sending me your love, I cherish every hug,
I REALLY LOVE YOU!!!

[CHORUS]

You're all that I've ever known, your smile on your face, all I see is a glow,
You turned my life around, You picked me up when I was down,
You're all that I've ever known, when you smile your face glows,
You picked me up when I was down
You're all that I've ever known, when you smile your face glows,
You picked me up when I was down & I hope that you feel the same way too,
Yes I pray that you do love me too

[CHORUS] - All my life I pray for someone like you...

All Of Me

All of me
Why not take all of me
Can't you see
I'm no good without you
Take my lips
I want to loose them
Take my arms
I'll never use them

Your goodbye
Left me with eyes that cry
How can I
Go on dear without you
You took the part
That once was my heart
So why not... take all of me

All Star

Somebody once told me the world is gonna roll me
I ain't the sharpest tool in the shed
She was looking kind of dumb -
With her finger and her thumb
In the shape of an "L" on her forehead

[Pre-Chorus]

Well the years start coming and they don't stop coming
Fed to the rules and I hit the ground running
Didn't make sense not to live for fun
Your brain gets smart but your head gets dumb

So much to do, so much to see
So what's wrong with taking the back streets?
You'll never know if you don't go
You'll never shine if you don't glow

[Chorus]

Hey now, you're an all-star, get your game on, go play
Hey now, you're a rock star, get the show on, get paid
And all that glitters is gold
Only shooting stars break the mold

All Star - 2

It's a cool place and they say it gets colder
You're bundled up now, wait till you get older
But the meteor men beg to differ
Judging by the hole in the satellite picture

The ice we skate is getting pretty thin
The water's getting warm so you might as well swim
My world's on fire, how about yours?
That's the way I like it and I never get bored

[Chorus] → [Chorus]

Somebody once asked could I spare some change for gas?
I need to get myself away from this place
I said yep what a concept
I could use a little fuel myself
And we could all use a little change

[Pre-Chorus] → [Chorus]

And all that glitters is gold –
Only shooting stars break the mold

All Summer Long

It was 1989, my thoughts were short my hair was long
Caught somewhere between a boy and man
She was seventeen and she was far from in-between
It was summertime in Northern Michigan
Ahh Ahh Ahh - Ahh Ahh Ahh

Splashing through the sand bar - Talking by the campfire
It's the simple things in life, like when and where
We didn't have no internet - But man I never will forget
The way the moonlight shined upon her hair

[Chorus:]

And we were trying different things - We were smoking funny things
Making love out by the lake to our favorite song
Sipping whiskey out the bottle - Not thinking 'bout tomorrow
Singing Sweet home Alabama all summer long
Singing Sweet home Alabama all summer long

Catchin' Walleye from the dock - Watchin' the waves roll off the rocks
She'll forever hold a spot inside my soul
We'd blister in the sun - We couldn't wait for night to come
To hit that sand and play some rock and roll

[Chorus:] - [SOLO]

Now nothing seems as strange as when the leaves began to change
Or how we thought those days would never end
Sometimes I'll hear that song and I'll start to sing along
And think man I'd love to see that girl again

[Chorus:] 2X

Singing Sweet Home Alabama all summer long - **(REPEAT 4X)**

Always And Forever

Always and forever, Each moment with you
Is just like a dream to me, That somehow came true
And I know tomorrow, Will still be the same
'Cause we've got a life of love, That won't ever change and

Everyday, Love me your own special way
Melting my heart away, With a smile
Take time to tell me, You really care
And we'll spend tomorrow, Together
I'll always love you, Forever

There'll always be sunshine, When I look at you
It's something I can't explain, Just the things that you do
And if you get lonely, hold me and take
A second to give to me, That magic you make and

Everyday, Love me your own special way
Melting my heart away, With a smile
Take time to tell me, You really care
And we'll spend tomorrow, Together
I'll always love you, Ever

Ad lib until band pukes

Always On My Mind

Maybe I didn't love you
Quite as often as I could have
And maybe I didn't treat you
Quite as good as I should have

If I made you feel second best
Girl I'm sorry I was blind
You were always on my mind
You were always on my mind

And maybe I didn't hold you
All those lonely, lonely times
And I guess I never told you
I'm so happy that you're mine

Little things I should have said and done
I just never took the time
You were always on my mind
You were always on my mind

Tell me,
Tell me that your sweet love hasn't died
Give me, give me
One more chance to keep you satisfied
I'll keep you satisfied

Amazing Grace

Amazing grace! How sweet the sound
That saved a wretch like me!
I once was lost, but now am found,
Was blind, but now can see.

'Twas grace that taught my heart to fear,
And grace my Fears relieved;
How precious did that grace appear
The hour I first believed!

Through many dangers, toils and snares,
I have already come;
'Tis grace hath brought me safe thus far,
And grace will lead me home.

And when we've been there ten thousand years,
Bright shining as the sun,
We'll have no less days to sing God's praise
Than when we first begun.

American Girl

Well, she was an American girl - Raised on promises
She couldn't help thinkin' that there -
Was a little more to life - Somewhere else
After all it was a great big world -
With lots of places to run to -
Yeah, and if she had to die - Tryin' she...
Had one little promise - She was gonna keep

[CHORUS]

Oh yeah - all right - Take it easy baby -
Make it last all night - She was - An American girl

It was kind of cold that night -
She stood alone on her balcony
She could hear the cars roll by -
Out on 4-41 - Like waves crashin' in the beach
And for one desperate moment there -
He crept back in her memory
God it's so painful - Something that's so close
And still so far out of reach

[CHORUS]

[Instrumental]

American Kids

[A] - Doublewide Quick Stop, midnight T-Top,
Jack in her Cherry Coke town
Momma and Daddy put their roots right here
'Cause this is where the car broke down
Yellow dog school bus kickin' up red dust
Pickin' us up by a barbed wire fence
M-TV on the RCA, no A/C in the vents

[B] - We were Jesus save me, blue jean baby, Born in the USA
Trailer park truck stop, faded little map dots, New York to LA
We were teenage dreamin', front seat leanin',
Baby, come give me a kiss
Put me on the cover of the Rolling Stone
Uptown down home American kids

[C] - Growin' up in little pink houses
Makin' out on living room couches
Blowin' that smoke on a Saturday night
A little messed up, but we're all alright - Hey! - Hey

[A] - Baptist church parkin' lot, tryin' not to get caught
Take her home and give her your jacket
Makin' it to second base, but sayin' you went all the way
Monday afternoon at practice
Sisters got a boyfriend Daddy doesn't like
Now he's sittin' out back, 3030 in his lap
In the blue bug zapper light ➡

American Woman

American Woman, stay away from me
American Woman, mama let me be
Don't come a hangin' around my door... I don't wanna see your face no more
I got more important things to do... Than spend my time growin' old with you
Now Woman, I said stay away
American Woman, listen what I say-ay-ay-ay-ay

--- Lead Guitar ---

American Woman, get away from me
American Woman, mama let me be
Don't come knockin' around my door... Don't wanna see your shadow no more
Coloured lights can hypnotize... Sparkle someone else's eyes
Now Woman, I said get away
American Woman, listen what I say-ay-ay-ay

--- Lead Guitar Solo ---

American Woman, said get away
American Woman, listen what I say
Don't come a hangin' around my door... Don't wanna see your face no more
I don't need your war machines... I don't need your ghetto scenes
Coloured lights can hypnotize... Sparkle someone else's eyes
Now Woman, get away from me
American Woman, mama let me be

Go, gotta get away, gotta get away now go, go, go
I'm gonna leave you woman... Gonna leave you woman
Bye-bye Bye-bye Bye-bye Bye-bye
You're no good for me... I'm no good for you
Gonna look you right in the eye... Tell you what I'm gonna do
You know I'm gonna leave... You know I'm gonna go
You know I'm gonna leave... You know I'm gonna go-o, woman
I'm gonna leave you woman Goodbye
American Woman Goodbye American chick

Another Saturday Night

{Chorus}

Another Saturday night and I ain't got nobody
I got some money 'cause I just got paid
How I wish I had some chick to talk to
I'm in an awful way

See I got in town a month ago
I've seen a lot of girls since then
If I could meet I could get 'em... But as yet I haven't met 'em
That's why I'm in the shape I'm in

{Chorus}

Another fella told me
He had a sister who looked just fine
Instead of being my deliverance.. She had a strange resemblance
To a cat named Frankenstein

{Chorus}

Man, oh man, If I was back home I'd have two chicks on my arms

It's hard on a fella
If he don't know his way around
I got to find me a honey... To help me spend my money
Or I'm gonna have to blow this town

{Chorus} "Everybody sing" - 3X

As

As around the sun the earth knows she's revolving
And the rosebuds know to bloom in early May
Just as hate knows love's the cure - You can rest your mind assure
That I'll be loving you always

As now can't reveal the mystery of tomorrow
But in passing will grow older every day
Just as all that's born is new - You know what I say is true
That I'll be loving you always

(Until the rainbow burns the stars out in the sky) - Always
(Until the ocean covers every mountain high) - Always
(Until the dolphin flies and parrots live at sea) - Always
(Until we dream of life and life becomes a dream)

Did you know that true love asks for nothing
Her acceptance is the way we pay
Did you know that life has given love a guarantee
To last through forever and another day

Just as time knew to move on since the beginning
And the seasons know exactly when to change
Just as kindness knows no shame - Know thru all your joy and pain
That I'll be loving you always

As today I know I'm living but tomorrow...
Could make me the past but that I mustn't fear
For I'll know deep in my mind - The love of me I've left behind
'Cause I'll be loving you always

As - page 2

(Until the day is night and night becomes the day) - Always

(Until the trees and seas just up and fly away) - Always

(Until the day that eight times eight times eight is four) - Always

(Until the day that is the day that are no more)

Did you know you're loved by somebody

(Until the day the earth starts turnin' right to left) - Always

(Until the earth just for the sun denies itself) I'll be lovin you forever

(Until dear mother nature says her work is through) - Always

(Until the day that you are me and I am you) - Always

(Until the rainbow burns the stars out in the sky)

(Until the ocean severs every mountain high) - Always

We all know sometimes life hates and troubles

Can make you wish you were born in another time and space

But you can bet your lifetimes that and twice it's double

That God knew exactly where he wanted you to be placed

So make sure when you say you're in it, but not of it

You're not helpin' to make this earth

A place sometimes called hell

Change your words into truths

And then change that truth into love

And maybe our children's grandchildren

And their great grandchildren will tell

I'll be loving you until the rainbow burns the stars out in the sky

As Time Goes By

You must remember this
A kiss is still a kiss
A sigh is just a sigh
The fundamental things apply
As time goes by

And when two lovers woo
They still say "I love you"
On that you can rely
No matter what the future brings
As time goes by

Moonlight and love songs never out of date
Hearts full of passion, jealousy, and hate
Woman needs man, and man must have his mate
That no one can deny

It's still the same old story
A fight for love and glory
A case of do or die
The world will always welcome lovers
As time goes by

Auld Lang Syne

Should auld acquaintance be forgot,
And never brought to min'?
Should auld acquaintance be forgot,
And days o' lang syne?

For auld lang syne, my dear,
For auld lang syne,
We'll take a cup o' kindness yet,
For auld lang syne.

Baby I Need Your Lovin'

Baby I need your lovin' - Baby I need your lovin'

Although you're never near
Your voice I often hear
Another day, another night
I long to hold you tight
'Cause I'm so lonely

[CHORUS]

Baby, I need your lovin' - I got to have all your lovin'
Baby, I need your lovin' - Got to have all your lovin'

Some say it's a sign of weakness
For a man to beg
Then weak I'd rather be
If it means havin' you to keep
'Cause lately I've been losin' sleep

[CHORUS]

Empty nights - Echo your name
Sometimes I wonder - Will I ever be the same
Oh yeah, when you see me smile
You know Things have gotten worse
Any smile you might see - Has all been rehearsed
Darlin', I can't go on without you
This emptiness won't let me live without you
This loneliness inside me darlin' - Makes me feel not alive, honey

[CHORUS] 2X

Baby What You Want Me To Do

Bad, Bad Leroy Brown

Well the South side of Chicago
Is the baddest part of town
And if you go down there - You better just beware
Of a man named Leroy Brown

Now Leroy more than trouble
You see he stand 'bout six foot four
All the downtown ladies call him "Treetop Lover" - All the men just call him "Sir"

Chorus: And it's bad, bad Leroy Brown
The baddest man in the whole damned town
Badder than old King Kong
And meaner than a junkyard dog

Now Leroy he a gambler
And he like his fancy clothes
And he like to wave his diamond rings
In front of everybody's nose

He got a custom Continental
He got an Eldorado too
He got a 32 gun in his pocket for fun
He got a razor in his shoe

(Repeat Chorus)

Now Friday 'bout a week ago
Leroy shootin' dice
And at the edge of the bar - Sat a girl named Doris
And oo that girl looked nice

Well he cast his eyes upon her
And the trouble soon began'
Cause Leroy Brown learned a lesson 'bout messin'
With the wife of a jealous man

(Repeat Chorus)

Well the two men took to fighting
And when they pulled them off the floor
Leroy looked like a jigsaw puzzle
With a couple of pieces gone

(Repeat Chorus)

You go to school and learn the golden rule
So why are you acting like a bloody fool?
If you get hot then you must get cool!

[Chorus]

You chuck it on that one, ya chuck it on this one
You chuck it on ya mother and ya chuck it on ya father
You chuck it on ya brother and ya chuck it on ya sister

Born from a mother with the love from a father
Reflections come and reflections go

Bad Case Of Loving You (Doctor, Doctor)

Wooah - A hot summer night, fell like a net
I've gotta find my baby yet
I need you to soothe my head
Turn my blue heart to red

Chorus:

Doctor, doctor give me the news
I've got a bad case of lovin' you
No pill's gonna cure my ill
I've got a bad case of lovin' you

A pretty face don't make no pretty heart
I learned that buddy, from the start
You think I'm cute, a little bit shy
Momma, I ain't that kind of guy

(Chorus) Wooah

I know you like it, you like it on top
Tell me momma are you gonna stop
You had me down, 21 to zip
Smile of Judas on your lip
Shake my fist, knock on wood
I've got it bad and I've got it good

(Chorus)

Ballerina Girl

Ballerina girl you are so lovely
With you standing there
I'm so aware
Of how much I care for you
You are more than now
You are for always
I can see in you my dreams come true
Don't you ever go away

You make me feel like
There's nothing I can't do
And when I hold you
I only want to say I love you
Ballerina girl the joy you bring me
Every day and night
Holding you tight
How I've waited for your love

Sometimes I've wondered
If you'd ever come my way
Now that I've finally found you
This is where my heart will stay woah

Never gonna break your heart
Never will we drift apart

Bear Down, Chicago Bears

Bear down, Chicago Bears,
Make every play clear the way to victory;
Bear down, Chicago Bears,
Put up a fight with a might so fearlessly.

We'll never forget the way you thrilled the nation
With your T-formation.

Bear down, Chicago Bears,
And let them know why you're wearing the crown.
You're the pride and joy of Illinois,
Chicago Bears, bear down.

Beast Of Burden

I'll never be your beast of burden
My back is broad but it's a hurting
All I want is for you to make love to me

I'll never be your beast of burden
I've walked for miles my feet are hurting
All I want is for you to make love to me

Am I hard enough - Am I rough enough
Am I rich enough - I'm not too blind to see

I'll never be your beast of burden
So let's go home and draw the curtains
Music on the radio - Come on baby make sweet love to me

Am I hard enough - Am I rough enough
Am I rich enough - I'm not too blind to see

Oh little sister
Pretty, pretty, pretty, pretty, girl
You're a pretty, pretty, pretty, pretty, pretty, pretty girl
Pretty, pretty
Such a pretty, pretty, pretty girl
Come on baby please, please, please

Beast Of Burden - page 2

I'll tell ya, You can put me out - On the street
Put me out - With no shoes on my feet
But, put me out, put me out - Put me out of misery

Yeah, all your sickness - I can suck it up
Throw it all at me - I can shrug it off
There's one thing baby - That I don't understand
You keep on telling me - I ain't your kind of man

Ain't I rough enough, ooh baby
Ain't I tough enough
Ain't I rich enough, in love enough - Ooh! Ooh! Please

I'll never be your beast of burden
I'll never be your beast of burden
Never, never, never, never, never, never, never be

I don't need no beast of burden
I need no fussing - I need no nursing
Never, never, never, never, never, never, never be

Because Of Me / Right Next Door

Music Intro (4 bars)

I could hear the couple fighting right next door
Their angry words sound clear through these thin walls
Around midnight I heard him shout unfaithful one
And I new right then the ax was gonna fall
It's because of me, it's because of me

I heard him shout who is he she mumbled low
He said baby don't you lie to me no more
And I'm listening through these thin walls in silent shame
As she called out my name, I was right next door
It's because of me, it's because of me
Because of me, it's because of me

{Chorus}

She was right next door and I'm such a strong persuader
She was just another notch on my guitar
She's gonna lose the man that really loves her
In the silence I can hear them breakin' hearts

Solo ➔ Music Intro (4 bars)

At daybreak I hear 'em pack and say good-bye
I could hear him slam the door and walk away
Right next door I hear that woman start to cry
I should go to her but what would I say

{Chorus} 2x - Solo

Best Is Yet To Come

Out of the tree of life, I just picked me a plum
You came along and everything started to hum
Still it's a real good bet, the best is yet to come

The best is yet to come, and won't that be fine
You think you've seen the sun, but you ain't seen it shine

Wait till the warm-up is underway
Wait till our lips have met
Wait till you see that sunshine day
You ain't seen nothin' yet

The best is yet to come, and won't that be fine
The best is yet to come, come the day that your mine

Come the day that your mine
I'm gonna teach you to fly
We've only tasted the wine
We're gonna drain that cup dry

Wait till your charms are right, for the arms to surround
You think you've flown before, but you ain't left the ground

Wait till you're locked in my embrace
Wait till I hold you near
Wait till you see that sunshine place
There ain't nothin' like it here

The best is yet to come, and won't that be fine

Beyond The Sea

Somewhere beyond the sea
Somewhere waitin' for me
My lover stands on golden sands
And watches the ships that go sailin'.

Somewhere beyond the sea
She's there watchin' for me
If I could fly like birds on high
Then straight to her arms I'd go sailin'.

It's far beyond the stars
It's near beyond the moon
I know beyond a doubt
My heart will lead me there soon.

We'll meet beyond the shore
We'll kiss just as before
Happy we'll be beyond the sea
And never again I'll go sailin'.

I know beyond a doubt
My heart will lead me there soon
We'll meet ... I know we'll meet ... beyond the shore
We'll kiss just as before.

Happy we'll be beyond the sea
And never again I'll go sailin'.

No more sailin' ... So long sailin' ...
Bye, bye sailin'... Move on out, captain ... So long, ensign ...

Billie Jean

1st verse

She was more like a beauty queen from a movie scene
I said don't mind, but what do you mean I am the one
Who will dance on the floor in the round
She said I am the one who will dance on the floor in the round

2nd verse

She told me her name was billie jean, as she caused a scene
Then every head turned with eyes that dreamed of being the one
Who will dance on the floor in the round

Bridge

People always told me be careful of what you do
And don't go around breaking young girls' hearts
And mother always told me be careful of who you love
And be careful of what you do 'cause the lie becomes the truth

Chorus

Billie jean is not my lover
She's just a girl who claims that I am the one
But the kid is not my son
She says I am the one, but the kid is not my son

3rd verse

For forty days and forty nights
The law was on her side
But who can stand when she's in demand
Her schemes and plans
'cause we danced on the floor in the round
So take my strong advice, just remember to always think twice
(do think twice)

Billie Jean - page 2

4th verse

She told my baby, we were dancing still 3:00
Then she looked at me, she show me a photo
My baby cried, 'cause his eyes were like mine

Bridge

People always told me be careful of what you do
And don't go around breaking young girls' hearts
She came and stood right by me - Then the smell of sweet perfume
This happened much too soon - She called me to her room

Chorus

Billie Jean is not my lover
She's just a girl who claims that I am the one
But the kid is not my son

Billie Jean is not my lover
She's just a girl who claims that I am the one
But the kid is not my son
She says I am the one, but the kid is not my son
She says I am the one, but the kid is not my son

Billie Jean is not my lover
She's just a girl who claims that I am the one
But the kid is not my son
She says I am the one, but the kid is not my son
She says I am the one, she says he is my son
She says I am the one

The Bitch Is Back

I was justified when I was five
Raising cane, I spit in your eye
Times are changing, now the poor get fat
But the fever's gonna catch you when the bitch gets back

Eat meat on Friday that's alright
Even like steak on a Saturday night
I can bitch the best at your social do's
I get high in the evening sniffing pots of glue

[Chorus]

I'm a bitch, I'm a bitch, Oh the bitch is back
Stone cold sober as a matter of fact
I can bitch, I can bitch, 'Cause I'm better than you
It's the way that I move, The things that I do, Whoa

I entertain by picking brains
Sell my soul by dropping names
I don't like those, my God, what's that
Oh it's full of nasty habits when the bitch gets back

[Chorus] ➔ [Solo] ➔ [Chorus]

[Tag]: Bitch, bitch, The Bitch is back! (Repeat until cue)

Black Magic Woman

Got a black magic woman
Got a black magic woman.

I got a black magic woman
Got me so blind I can't see
That she's a black magic woman
She's tryin' to make a devil out of me.

Turn your back on me baby
Turn your back on me baby.

Yes, don't turn your back on me baby
Stop messin' 'round with your tricks
Don't turn your back on me baby
You just might pick up my magic sticks.

Got your spell on me baby
Got your spell on me baby.

Yes you got your spell on me baby
Turning my heart into stone
I need you so bad - magic woman
I can't leave you alone.

Black Or White

I took my baby on a Saturday bang
"Boy is that girl with you?" yes we're one and the same
Now I believe in miracles and a miracle has happened tonight
But if you're thinkin' 'bout my baby it don't matter if you're black or white

They print my message in the Saturday Sun
I had to tell them "I ain't second to none"
And I told about equality, & it's true either you're wrong or you're right
But if you're thinkin' 'bout my baby it don't matter if you're black or white

I am tired of this devil, I am tired of this stuff
I am tired of this business - So, when the going gets rough
I ain't scared of your brother, I ain't scared of no sheets
I ain't scare of nobody - Girl, when the goin' gets mean

Protection - For gangs, clubs and nations
Causing grief in human relations
It's a turf war, on a global scale
I'd rather hear both sides of the tale
See, it's not about races... Just places
Faces, where your blood comes from
Is where your space is - I've seen the bright get duller
I'm not going to spend my life being a color

Don't tell me you agree with me when I saw you kicking dirt in my eye
But if you're thinkin' 'bout my baby it don't matter if you're black or white
I said if you're thinkin' of bein' my baby it don't matter if you're black or white
I said if you're thinkin' of bein' my brother it don't matter if you're black or white

Ooh, ooh... Yea, yea, yea now - **2X**

It's black, it's white, It's tough for you to be
It's black , it's white, whoo - **2X**

Blister In The Sun

When I'm a walkin', I strut my stuff & I'm so strung out
I'm high as a kite; I just might stop to check you out
Let me go on... like I blister in the sun
Let me go on... big hands, I know you're the one

Body and beats, I stain my sheets - I don't even know why
My girlfriend, she's at the end -- she is starting to cry
Let me go on... like I blister in the sun
Let me go on... big hands, I know you're the one

When I'm out walkin', I strut my stuff, yeah I'm so strung out
I'm high as a kite; I just might stop to check you out
When I'm out walkin', I strut my stuff - & I'm so strung out
I'm high as a kite; I just might stop to check you out

Body and beats, I stain my sheets -- I don't even know why
My girlfriend, she's at the end -- she is starting to cry
When I'm out walkin', I strut my stuff, yeah I'm so strung out
I'm high as a kite; I just might stop to check you out

Let me go on... like I blister in the sun
Let me go on... big hands, I know you're the one

Blue Collar Man

Give me a job, give me security - Give me a chance to survive
I'm just a poor soul in the unemployment line - My God, I'm hardly alive

My mother & father, my wife & my friends -

I see them laugh in my face

But I've got the power, and I've got the will - I'm not a charity case

[Chorus]

I'll take those long nights, impossible odds

Keepin' my eye to the keyhole

If it takes all that to be just what I am

Well, I'm gonna be a blue collar man

Make me an offer that I can't refuse - Make me respectable, man

This is my last time in the unemployment line - So like it or not

[Chorus]

Keeping my mind on a better life

Where happiness is only a heartbeat away

Paradise, can it be all I heard it was

I close my eyes and maybe I'm already there ➔ **[Solo over Verse]**

[Chorus 2]

I'll take those long nights, impossible odds, Keepin' my back to the wall

All that be just what I am - Well, I'm gonna be a blue collar man...

[Break Down] You don't understand

[Chorus 3]

I'll take those long nights, impossible odds

Keeping my eye to the keyhole

If it takes all that be just who I am

Well I vow to be a blue collar, gotta be a blue collar,

Gonna be a Blue collar man. - All Right! - Believe it!

Blue Eyes Cryin' In The Rain

In the twilight glow I see
Blue eyes cryin' in the rain

When we kissed good-bye and parted
I knew we'd never meet again

{Bridge}
Love is like a dyin' ember
Only memories remain

Through the ages I'll remember
Blue eyes cryin' in the rain

{Bridge}
Someday when we meet up yonder
We'll stroll hand in hand again

In that land that knows no parting
Blue eyes cryin' in the rain

Blue Moon

Blue Moon, you saw me standing alone
Without a dream in my heart
Without a love of my own

Blue Moon, you knew just what I was there for
You heard me saying a prayer for
Someone I really could care for

And then there suddenly appeared before me
The only one my arms will ever hold
I heard somebody whisper, 'Please adore me'
And when I looked, the moon had turned to gold

Blue Moon, now I'm no longer alone
Without a dream in my heart
Without a love of my own

Blue Suede Shoes

Well it's one for the money
Two for the show
Three to get ready now go cat go
But don't you... Step on my Blue Suede Shoes
You can do anything
But lay off of my Blue Suede Shoes

Well you can knock me down
Step on my face
Slander my name all over the place
Do anything that you want to do
But uh, uh, honey lay off of my shoes
Don't you... Step on my Blue Suede Shoes
You can do anything
But lay off of my Blue Suede Shoes

Well you can burn my house
Steal my car
Drink my cider from my old fruit jar
Do anything that you want to do
But uh, uh, honey lay off of my shoes
Don't you... Step on my Blue Suede Shoes
You can do anything
But lay off of my Blue Suede Shoes

Hey, hey, hey - Hey, hey, hey - WOO!

If you can't read from the same page
Maybe I'm going deaf - Maybe I'm going blind
Maybe I'm out of my mind - Everybody get up

Ok, now he was close - Tried to domesticate you

Lemme be the one you back that ass up to
From Malibu to Paris boo - Had a bitch, but she ain't bad as you
So, hit me up when you pass through
I'll give you something big enough to tear your ass in two
Swag on 'em even when you dress casual
I mean, it's almost unbearable
In a hundred years not dare would I
Pull a Pharcyde, let you pass me by
Nothin' like your last guy, he too square for you
He don't smack that ass and pull your hair like that
So I'm just watching and waitin'
For you to salute the true big pimpin'
Not many women can refuse this pimping
I'm a nice guy, but don't get confused, this pimpin'

Shake your rump - Get down, get up-a

And your shoes get so hot, -
You wish your tired feet were fire proof
Under the boardwalk, down by the sea
On a blanket with my baby, is where I'll be

Boot Scootin' Boogie

Out in the country - Past the city limits sign
Well there's a honky tonk - Near the county line
The joint starts jumpin' ev'ry nite - When the sun goes down
They got whiskey and women, - Music and smoke
It's where all the cowboy folk - Go to boot scootin' boogie

I've got a good job I work hard for my money
When it's quittin' time I hit the door runnin'
I fire up my pickup truck And let the horses run
I go flyin' down that highway - To that hide-a-way
Stuck out in the woods - To do the boot scootin' boogie

Chorus:

Yeah, heal, toe, docie doe,
Come on baby, let's go boot scootin'
Oh Cadillac, Blackjack,
Baby meet me out back - We're gonna boogie
Oh, get down, turn around,
Go to town - Boot scootin' boogie

The bartender asks me - Says, 'Son what'll it be?'
I want a shot at that redhead - Yonder, lookin' at me
The dance floor's hoppin' - An' it's hotter than the 4th o' July
I see outlaws, in-laws, - Crooks, and straights
All out makin' it shake - Doin' the boot scootin' boogie

Born Under A Bad Sign

[Chorus]

Born under a bad sign.

I've been down since I began to crawl.

If it wasn't for bad luck,

I wouldn't have no luck at all.

Bad luck and trouble's my only friend,

I've been down ever since I was ten.

[Chorus]

You know, wine and women is all I crave.

A big bad woman's gonna carry me to my grave.

[Chorus]

Bad luck and trouble's been my only friend,

I've been down ever since I was ten.

[Chorus]

If it wasn't for real bad luck,

I wouldn't have no luck at all.

Born under a bad sign.

Born under a bad sign.

Born In The U.S.A.

Born down in a dead man's town
The first kick I took was when I hit the ground
You end up like a dog that's been beat too much
'Til you spend half your life just covering up

[Chorus]:

Born in the USA, Born in the USA, Born in the USA, Born in the USA

I got in a little hometown jam - And so they put a rifle in my hands
Sent me off to Vietnam - To go and kill the yellow man

[Chorus]

Come back home to the refinery
Hiring man says "Son if it was up to me"
I go down to see the V.A. man - He said "Son don't you understand"

[Chorus]

I had a buddy at Khe Sahn - Fighting off the Viet Cong
They're still there, - He's all gone
He had a little girl in Saigon - I got a picture of him in her arms

Down in the shadow of the penitentiary
Out by the gas fires of the refinery
I'm ten years down the road
Nowhere to run, ain't got nowhere to go

I'm a long gone Daddy in the USA - Born in the USA
I'm a cool rocking Daddy in the USA - Born in the U.S.A.

Born To Be Wild

Get your motor running
Head out on the highway
Lookin' for adventure
In whatever comes our way

Here and god are gonna' make it happen
Take the world in a love embrace
Fire all of your guns at once and
Explode into space

I like smoke and lightning
Heavy metal thunder
Racin' with the wind
And the feeling that that I'm under

Like a true nature's child
We were born, born to be wild
We can climb so high
I never want to die
Born to be wild

Born Under A Bad Sign

[Chorus]

Born under a bad sign.

I've been down since I began to crawl.

If it wasn't for bad luck,

I wouldn't have no luck at all.

Bad luck and trouble's my only friend,

I've been down ever since I was ten.

[Chorus]

You know, wine and women is all I crave.

A big bad woman's gonna carry me to my grave.

[Chorus]

Bad luck and trouble's been my only friend,

I've been down ever since I was ten.

[Chorus]

If it wasn't for real bad luck,

I wouldn't have no luck at all.

Born under a bad sign.

Born under a bad sign.

Brick House

Chorus A: She's a brick----house

She's mighty mighty just lettin' it all hang out

She's a brick----house

I like ladies stacked an' that's a fact ain't holdin' nothin' back

Chorus B: She's a brick----house

We're together everybody knows, this is how the story goes

Verse 1. She knows she's got everything

That a woman needs to get a man, yeah, yeah

How can she lose, with the stuff she use

36-24-36, what a winning hand!

Chorus A

Chorus C: She's a brick----house

She's the one, the only one, built like a black amazon

Verse 2. The clothes she wears, her sexy ways,

Make an old man wish for younger days yeah, yeah

She knows she's built and knows how to please

Sure enough to knock a strong man to his knees

Chorus A - B

Bridge: Shake it down, shake it down now (repeat)

Chorus A - C

Bring It On Home To Me

If you ever change your mind
About leaving, leaving me behind
Please bring it to me - Bring your sweet lovin'
Bring it on home to me - Yeah, *yeah* yeah, *yeah* yeah, *yeah*

I know I laughed when you left
But now I know I only hurt myself
Please bring it to me - Bring your sweet lovin'
Bring it on home to me - Yeah, *yeah* yeah, *yeah* yeah, *yeah*

I'd give you children, and money too
That ain't all, that ain't all I'd do for you
If you'd bring it to me - Bring your sweet lovin'
Bring it on home to me - Yeah, *yeah* yeah, *yeah* yeah, *yeah*

You know I'll always be your slave
Till I'm buried, buried in my grave
Please bring it to me - Bring your sweet lovin'
Bring it on home to me - Yeah, *yeah* yeah, *yeah* yeah, *yeah*

I try to treat you right
But you stay out, stay out late at night
Please bring it to me - Bring your sweet lovin'
Bring it on home to me - Yeah, *yeah* yeah, *yeah* yeah, *yeah*

Brown Eyed Girl

Hey, where did we go... Days when the rains came
Out in a hollow... Playin' a new game
Laughin' and a runnin' hey, hey... Skippin' and a jumpin'
In the misty mornin' fog with... -
Ah, our hearts a-thumpin' & you
My brown eyed girl - You my, brown eyed girl

What ever happened... Tuesdays were so slow
Goin' down the old mine with a... Transistor radio
Standin' in the sun light laughin'... -
Hidin' 'hind the rainbow's walls
Slippin' and a slidin'... All along, the waterfall with you
My brown eyed girl - You my, brown eyed girl

Do you remember when... We used to sing
Sha-la-la-la-la-la-la-la-la-la-ti-da,
Sha-la-la-la-la-la-la-la-la-la-la-ti-da - La-ti-da

[SOLO]

So hard to find my way... Now that I'm on my own
Saw you just the other day... My, how you have grown
Cast my memory back there lord, -
Sometimes I'm overcome thinkin' 'bout
Makin' love in the green grass, Behin' the stadium with you
My brown eyed girl - You my, brown eyed girl

Do you remember when... We used to sing
Sha-la-la-la-la-la-la-la-la-la-ti-da, (4x) - La-ti-da

Buffalo Soldier

Buffalo Soldier, Dreadlock Rasta

There was a Buffalo Soldier, In the heart of America
Stolen from Africa, brought to America
Fighting on arrival, fighting for survival

I mean it, when I analyze the stench, -

To me, it makes a lot of sense

How the Dreadlock Rasta, was the Buffalo Soldier
And he was taken from Africa, brought to America
Fighting on arrival, fighting for survival

Said he was a Buffalo Soldier, Dreadlock Rasta
Buffalo Soldier, in the heart of America

If you know your history

Then you would know where you coming from

Then you wouldn't have to ask me

Who the heck do I think I am?

I'm just a Buffalo Soldier, In the heart of America

Stolen from Africa, brought to America

Said he was fighting on arrival, Fighting for survival

Said he was a Buffalo Soldier, Win the war for America

Buffalo Soldier – page 2

[CHORUS]

Dreadie, woe yoe yoe, woe woe yoe yoe

Woe yoe yoe yo, yo yo woe yo, woe yoe yoe (repeat)

Buffalo Soldier, trodding through the land

Said he wanna ran, then you wanna hand

Trodding through the land, yea, yea

Said he was a Buffalo Soldier, Win the war for America

Buffalo Soldier, Dreadlock Rasta

Fighting on arrival, fighting for survival

Driven from the mainland, To the heart of the Caribbean

[CHORUS]

Trodding through San Juan, In the arms of America

Trodding through Jamaica, a Buffalo Soldier

Fighting on arrival, fighting for survival

Buffalo Soldier, Dreadlock Rasta

[CHORUS]

Build Me Up Buttercup

[CHORUS]

Why do you build me up (build me up) Buttercup, baby
Just to let me down (let me down) and mess me around
And then worst of all (worst of all) you never call, baby
When you say you will (say you will) but I love you still
I need you (I need you) more than anyone, darlin'
You know that I have from the start
So build me up (build me up) Buttercup, don't break my heart

"I'll be over at ten", you told me time and again
But you're late, I wait around and then (bah-dah-dah)
I went to the door, I can't take any more
It's not you, you let me down again

[PRE-CHORUS]

(Hey, hey, hey!) Baby, baby, try to find
(Hey, hey, hey!) A little time and I'll make you mine
(Hey, hey, hey!) I'll be home
I'll be beside the phone waiting for you
Ooo-oo-ooo, ooo-oo-ooo

[CHORUS]

You were my toy but I could be the boy you adore
If you'd just let me know (bah-dah-dah)
Although you're untrue, I'm attracted to you all the more
Why do I need you so

[PRE-CHORUS] ➔ [CHORUS] 2X

Burnin' Love

Lawd almighty, I feel my temperature risin'
Higher and higher it's burnin' through to my soul
Girl, girl, girl, girl, you gonna set me on fire
My brain is flamin', I don't know which way to go

[Chorus]

Cause your kisses lift me higher
Like the sweet song of a choir
Light my mornin' sky, with burnin' love

Ooh, ooh, ooh, I feel my temperature risin'
Help me I think, it must a-hundred-and-nine
Burnin' burnin' burnin' nothing can cool me
I just might turn to smoke, but I feel fine

[Chorus] ➔ {Solo}

It's coming close, flames are now liftin' my body
Won't you help me, I feel like I'm slippin' away
It's hard to breathe... my chest is just a heavin'
Lawd have mercy, burnin' a hole in me

[Chorus]

I'm just a hunk-a, hunk-a burnin' love...
I'm just a hunk-a, hunk-a burnin' love...

Butterfly Kisses

There's two things I know for sure.

She was sent here from heaven, and she's daddy's little girl.

As I drop to my knees by her bed at night, she talks to Jesus,
and I close my eyes.

And I thank God for all the joy in my life,

Oh, but most of all, for...

Butterfly kisses after bedtime prayer.

Stickin' little white flowers all up in her hair.

"Walk beside the pony, daddy, it's my first ride."

"I know the cake looks funny, daddy, but I sure tried."

Oh, with all that I've done wrong, I must have done something right
To deserve a hug every morning, and butterfly kisses at night.

Sweet sixteen today,

She's looking like her momma a little more every day.

One part woman, the other part girl.

To perfume and makeup, from ribbons and curls.

Trying her wings out in a great big world.

But I remember...

Butterfly kisses after bedtime prayer.

Stickin' little white flowers all up in her hair.

"You know how much I love you, daddy, but if you don't mind,
I'm only going to kiss you on the cheek this time."

Oh, with all that I've done wrong, I must have done something right.
To deserve her love every morning, and butterfly kisses at night.

Butterfly Kisses - page 2

All the precious time ... Like the wind, the years go by
Precious butterfly ... Spread your wings and fly

She'll change her name today.
She'll make a promise and I'll give her away.
Standing in the bride room just staring at her,
she asked me what I'm thinking, and I said "I'm not sure,
I just feel like I'm losing my baby girl."
Then she leaned over... and gave me...

Butterfly kisses, with her mama there
sticking little flowers all up in her hair
"Walk me down the aisle, daddy, it's just about time"
"Does my wedding gown look pretty, daddy?" "Daddy, don't cry."
Oh, with all that I've done wrong, I must have done something right
To deserve her love every morning, and butterfly kisses
I couldn't ask God for more. Man, this is what love is.
I know I've gotta let her go, but I'll always remember
every hug in the morning, and butterfly kisses...

By The Time I Get To Phoenix

By the time I get to Phoenix she'll be rising
She'll find the note I left hangin' on her door
She'll laugh when she reads the part that says I'm leavin'
'Cause I've left that girl so many times before

By the time I make Albuquerque she'll be working
She'll prob'ly stop at lunch and give me a call
But she'll just hear that phone keep on ringin'
Off the wall that's all

By the time I make Oklahoma she'll be sleepin'
She'll turn softly and call my name out loud
And she'll cry just to think I'd really leave her
Tho' time and time I try to tell her so
She just didn't know I would really go.

Bye, Bye, Bye

(Hey, Hey) Bye, Bye, Bye - Bye, Bye... - Bye, Bye... - Oh, Oh..

I'm doin' this tonight, - You're probably gonna start a fight.

I know this can't be right. - Hey baby come on,

I loved you endlessly, - When you weren't there for me.

So now it's time to leave and make it alone

[Pre-Chorus]

I know that I can't take no more - It ain't no lie

I wanna see you out that door - Baby, bye, bye, bye...

[Chorus]

Bye Bye - Don't wanna be a fool for you -

Just another player in your game for two

You may hate me but it ain't no lie, - Baby, bye, bye, bye...

Bye Bye - Don't really wanna make it tough, -

I just wanna tell you that I had enough.

It might sound crazy, But it ain't no lie, - Baby, bye, bye, bye - Oh, Oh

Just hit me with the truth, - Now, girl you're more than welcome to.

So give me one good reason, Baby come on

I live for you and me, - And now I really come to see,

That life would be much better once you're gone.

[Pre-Chorus] ➔ [Chorus]

I'm giving up I know for sure

I don't wanna be the reason for your love no more

Bye Bye - I'm checkin' out, I'm signin' off

Don't wanna be the loser and I've had enough

I Don't wanna be your fool - In this game for two

So I'm leavin' you behind

Bye, bye, bye... I don't wanna make it tough - *Make it tough*

But I had enough And it ain't no lie - *Bye, bye baby...* - Bye, Bye

[Chorus] Bye, bye

Bye-Bye Love

[Chorus]

Bye-bye love - Bye-bye happiness
Hello loneliness - I think I'm-a gonna cry-y
Bye-bye love - Bye-bye sweet caress
Hello emptiness - I feel like I could die
Bye-bye my love goodbye

There goes my baby with-a someone new
She sure looks happy, I sure am blue
She was my baby till he stepped in
Goodbye to romance that might have been

[Chorus]

I'm-a through with romance, I'm a-through with love
I'm through with a-countin' the stars above
And here's the reason that I'm so free
My lovin' baby is through with me

[Chorus]

Bye-bye my love goodbye
Bye-bye my love goodbye

Cadillac Ranch

Well there she sits buddy just a-gleaming in the sun
There to greet a working man when his day is done
I'm gonna pack my pa and I'm gonna pack my aunt
I'm gonna take them down to the Cadillac Ranch

Eldorado fins, whitewalls and skirts
Rides just like a little bit of heaven here on earth
Well buddy when I die throw my body in the back
And drive me to the junkyard in my Cadillac

Cadillac, Cadillac
Long and dark shiny and black
Open up your engines let 'em roar
Tearing up the highway like a big old dinosaur

James Dean in that Mercury '49
Junior Johnson runnin' through the woods of Caroline
Even Burt Reynolds in that black Trans Am
All gonna meet down at the Cadillac Ranch

Cadillac, Cadillac...

Hey little girlie in the blue jeans so tight
Drivin' alone through the Wisconsin night
You're my last love you're my last chance
Don't let 'em take me to the Cadillac Ranch

Cadillac, Cadillac...

Cake By The Ocean

Oh no - See you walking 'round like it's a funeral
Not so serious, girl; why those feet cold?
We just getting started; don't you tip toe, tip toe

[Pre-Chorus]

Ah! Waste time with a masterpiece, waste time with a masterpiece
You should be rollin' with me, you should be rollin' with me *ah*
You're a real life fantasy, you're a real life fantasy
But you're moving so carefully; let's start living dangerously *Whoa*

[Chorus]

Talk to me, baby - I'm going blind from
This sweet, sweet craving, whoa - Let's lose our minds and
Go crazy crazy - Ah ya ya ya ya
I keep on hoping we'll eat cake by the ocean
Walk for me, baby - I'll be Diddy,
You'll be Naomi, whoa - Let's lose our minds and
Go crazy crazy - Ah ya ya ya ya
I keep on hoping we'll eat cake by the ocean *huh!*

Oh, no - See you licking frosting from your own hands
Want another taste, I'm begging, "Yes, ma'am."
I'm tired of all this candy on the dry land, dry land, oh

[Pre-Chorus] ➔ [Chorus]

Ooh aha - Ah ya ya ya ya I keep on hoping we'll eat cake by the ocean
Ooh aha - Ah ya ya ya ya I keep on hoping we'll eat cake by the ocean

Huh, Hey - Delicious - Talk to me, girl ➔ **[Chorus]** - Red velvet,
vanilla, chocolate in my life - Funfetti, I'm ready, I need it ev'ry nite;
Red velvet-vanilla-chocolate in my life
Ah ya ya ya ya I keep on hoping we'll eat cake by the ocean *Huh!*

Caldonia

Walkin' with my baby, she got great big feet
She long, lean and lanky and ain't had nothing to eat
But she's my baby, I love her just the same
Crazy 'bout that woman, 'cause Caldonia is her name

Caldonia, Caldonia

What makes your big head so hard?

I love you, Love you just the same

I'll always love you, baby, 'Cause Caldonia is your name

You know my mama told me to leave Caldonia, alone

She Said "Son, Caldonia's bad for your morale, son.

Keep away from her."

But Mama didn't know I was in love with Caldonia

So I'm going down to Caldonia's house

And ask her just one more time

Caldonia, Caldonia

What makes your big head so hard?

(Solo)

Can I Change My Mind?

Aw, she didn't bat an eye - As I packed my bags to leave
I thought she would start to cry - I sit around my room an' weep

But your the girl, she fooled me this time
She acted like I was the last thing on her mind
I would like to start all over again
Baby can I change my mind?
I just wanna change my mind - Baby let me change my mind

As I took those steps - Toward that open door
Knowing all the time - Oh lord, I just didn't wanna go

But She didn't give me no sign
Nothing that would make me change my mind
I would like to start all over again
Baby can I change my mind?
Please, please, please, baby - I just wanna change my mind

Aw I've played my games - Many times before
But peoples let me tell y'all - Oh, I never reached the door

But ooh, the wind is high out tonight
I keep lookin' back but my baby's not in sight
I would like to start all over again
Baby can I change my mind? - Baby let me change my mind
I'm so sorry baby
Baby I love you, baby I need, I got to have you, baby I want you

Can't Get Enough Of Your Love, Babe

(spoken)

I've heard people say that too much of anythin is no good for you
But I don't know about that There's many times that we've loved
We shared love and made love It doesn't seem to me like it's enough
There's just not enough of it There's just not enough - Oh oh, babe

[Chorus]

My darling, I... can't get enough of your love babe
Girl, I don't know, I don't know why -
Can't get enough of your love babe
Oh, some things I can't get used to - No matter how I try
It's like the more you give, the more I want -
And baby, that's no lie - Oh no, babe

Tell me... what can I say? What am I gonna do?
How should I feel when everything is you?
What kind of love is this - that you're givin' me?
Is it in your kiss or just because you're sweet?

Girl, all I know is every time you're here - I feel the change,
Somethin' moves, I scream your name, Look whatcha got me doin'

[Chorus]

Darling, I... can't get enough of your love babe
Girl, I don't know, I don't know, I don't know why
I can't get enough of your love babe Oh no, babe
Girl, if I could only make you see And make you understand
Girl, your love for me is all I need And more than I can stand
Oh well, babe

Can't Get Enough Of Your Love, Babe - 2

How can I explain - all the things I feel?
You've given me so much Girl, you're so unreal, Still
I keep loving you - More and more each time
Girl, what am I gonna do - Because you blow my mind

I get the same old feelin' every time you're here - I feel the change,
Somethin' moves, I scream your name, Look whatcha got me doin'

Darling, I can't get enough of your love babe - Oh no, babe

(spoken)

Baby, let me take all of my life to find you But you can believe it's
gonna take the rest of my life to keep you

(sung)

Oh no, babe
My darling, I... can't get enough of your love babe
Yeah, I don't know, I don't know, I don't know why
Can't get enough of your love babe

I don't know, I don't know, I don't know why
I can't get enough of your love babe Oh babe

Can't Help Falling In Love With You

Wise men say - Only fools rush in
But I can't help - Falling in love with you

Shall I stay - Would it be a sin
If I can't help - Falling in love with you

{BRIDGE}

Like a river flows... Surely to the sea
Darling so it goes... Some things are meant to be

Take my hand - Take my whole life too
For I can't help - Falling in love with you

{Solo}

{BRIDGE}

Take my hand - Take my whole life too
For I can't help - Falling in love with you

{TAG}

For I can't help - Falling in love with you

Can't Help Myself (Sugar Pie Honey Bunch)

Sugar pie honey bunch - you know that I love you
I can't help myself - I love you and nobody else

In and out my life - you come and you go
Leaving just your picture behind - and I've kissed it a thousand times

When you snap your finger or wink your eye - I come runnin' to you
I'm tied to your apron string - and there's nothing I can do

Solo

Sugar pie honey bunch - I'm weaker than a man should be
Can't help myself - I'm a fool in love you see

Wanna tell ya I don't love ya, tell you that we're through, I'm not tied
But every time I see your face - I get all choked up inside

{Break}

When I call your name girl it starts the flame
Burnin' in my heart tearin' it all apart
No matter how I try my love I can not hide

Sugar pie honey bunch - you know that I'm waitin' for you
I can't help myself - I love you and nobody else

Sugar pie honey bunch - do anything you ask me to
I can't help myself - I want you and nobody else

Sugar pie honey bunch - you know that I love you
I can't help myself - no I can't help myself

Can't Stop The Feeling!

I got this feeling inside my bones
It goes electric, wavy when I turn it on
All through my city, all through my home
We're flying up, no ceiling, when we in our zone

[Chorus 1]

I got that sunshine in my pocket - Got that good soul in my feet
I feel that hot blood in my body when it drops, ooh
I can't take my eyes up off it, - Moving so phenomenally
Room on lock the way we rock it, so don't stop

[Pre-Chorus]

And under the lights when everything goes
Nowhere to hide when I'm getting you close
When we move, well, you already know
So just imagine, just imagine, just imagine

[Chorus 2]

Nothing I can see but you when you dance, dance, dance Feeling
Good, good creepin up on you, So just dance, dance, dance, c'mon
All those things I shouldn't do - But you dance, dance, dance
And ain't nobody leaving soon, so keep dancing

[Chorus 3]

I can't stop the feeling - So just dance, dance, dance
I can't stop the feeling - So just dance, dance, dance, c'mon

Can't Stop The Feeling! - 2

Ooh, it's something magical -
It's in the air, it's in my blood, it's rushing on
Don't need no reason, - Don't need control
I fly so high, no ceiling, when I'm in my zone

[Chorus 1] ➔ [Pre-Chorus] ➔ [Chorus 2]

[Chorus 3] ➔ [Chorus 3]

[Bridge:]

I can't stop the, - I can't stop the
I can't stop the, I can't stop the - I can't stop the feeling

[Chorus 2] - (With - *I can't stop the feeling*)

Everybody sing - (I can't stop the feeling)
Got this feeling in my body - (I can't stop the feeling)
Got this feeling in my body - (I can't stop the feeling)
Wanna see you move your body - (I can't stop the feeling)
Got this feeling in my body

Break it down

Got this feeling in my body - Can't stop the feeling
Got this feeling in my body - Can't stop the feeling
Got this feeling in my body, come on - Oooh

(I) Can't Take My Eyes Off Of You

{Verse}

You're just too good to be true , Can't take my eyes off of you
You'd be like heaven to touch, I want to hold you so much
At long last love has arrived, And I thank God I'm alive
You're just too good to be true , Can't take my eyes off of you

Pardon the way that I stare, There's nothing else to compare
The sight of you leaves me weak -
There are no words left to speak
But if you feel like I feel, Please let me know that it's real
You're just too good to be true , Can't take my eyes off of you

{Music Interlude}

{Chorus}

I love you baby...
And if it's quite all right, I need you baby...
To warm the lonely night, I love you baby...
Trust in me when I say...
Oh, pretty baby...
Don't bring me down I feel, Oh, pretty baby...
Now that I found you, stay
Let me love you baby... Let me love you...

Repeat 1st Verse, Chorus

Car Wash

Ooh ooh You might not ever get rich
But let me tell ya it's better than diggin' a ditch
There ain't no tellin' who you might meet
A movie star or maybe even an Indian chief

(Workin') At the car wash - Workin' at the car wash, girl
Come on and sing it with me
(Car wash) Sing it with the feelin' ya'all (Car wash, girl)

Ooh! Some of the work gets kinda hard
This ain't no place to be if you planned on bein' a star
Let me tell you it's always cool
And the boss don't mind sometimes if you act the fool

At the car wash Whoa whoa whoa whoa
Talkin' about the car wash, girl Come on, ya'all and sing it for me
(Car wash) Oooh oooh oooh - (Car wash, girl)

(Work and work) Well, those cars never seem to stop coming
(Work and work) Keep those rags and machines humming
(Work and work) My fingers to the bone
(Work) You probably can't wait till it's time to go home

(Hey, get your car washed today) - Fill up and you don't have to pay
Come on and give us a play - (Do the wash, right away)

(The car wash) Talkin' 'bout the car wash
(Car wash, girl) Come on, ya'all, let's sing it with me
(Car wash) Sing it with feelin', ya'all - (Car wash, girl)

Whoa whoa whoa whoa (Car wash) Never seem to stop comin'
What'd I say Keep those rags and machines hummin'
(Car wash) Let me tell you, it's always cool . . .

C. C. Rider

Oh, see, see, see rider - Oh, see what you have done
I said see, see, see rider - Oh, see what you have done
Oh girl, you made me love you -
Now, now, now your lovin' man has gone - Hear what I say

Well, I'm going away, baby - And I won't be back to fall
Well, I'm going away baby - And I won't be back to fall
And if I find me a good girl - I won't, I won't be back at all
Hear what I say, I said

Well now see, C. C. Rider - Well now see, see what you have done
Well now see, C. C. Rider - Well now see, see what you have done
Well you made me love you woman - Now yo' lovin' man has gone

So I'm goin' away now baby - And I won't be back till fall,
I'm goin' away now baby - And I won't be back till fall,
Just might find me a good girl - Might not be comin' back at all

Well now see, C. C. Rider - Well now see, see what you have done
Well now see, C. C. Rider - Well now see, see what you have done
Well you made me love you woman - Now yo' lovin' man has gone

Well now see, C. C. Rider - See now the moon is shining bright,
Well now see, C. C. Rider - See now the moon is shining bright,
Just might find me that good girl - And everything would be alright

Chain Gang

(hooh! aah! hooh!)
I hear somethin' sayin'
(hooh! aah!) (hooh! aah!)
(hooh! aah!) (hooh! aah!)

(Well, don't you know)
That's the sound of the men working on the chain ga-a-ang
That's the sound of the men working on the chain gang

All day long they're singin'
(hooh! aah!) (hooh! aah!)
(hooh! aah!) (hooh! aah!)

(Well, don't you know)
That's the sound of the men working on the chain ga-a-ang
That's the sound of the men working on the chain gang

All day long they work so hard
Till the sun is goin' down
Working on the highways and byways
And wearing, wearing a frown
You hear them moanin' their lives away
Then you hear somebody sa-ay

That's the sound of the men working on the chain ga-a-ang
That's the sound of the men working on the chain gang

Can't ya hear them singin'
Mm, I'm goin' home one of these days
I'm goin' home see my woman
Whom I love so dear
But meanwhile I got to work right he-ere

(Well, don't you know)
That's the sound of the men working on the chain ga-a-ang That's the sound of the men working on the chain gang

All day long they're singin', mm
My, my, my, my, my, my, my, my, my work is so hard
Give me water, I'm thirsty
FADE My work is so hard

Cheatin' In The Next Room

{Chorus}

Cheatin' in the next room
Makin' plans to meet him soon
Talkin' softly on the telephone
Makin' plans to meet him somewhere now

But love is no longer there
The woman of his heart no longer cares
It's best to call it quits
And go your separate ways
Playin' that cheatin' game
Only leads to hurt and pain
And cause each other unhappy days

{Chorus} ➔ Intro ➔ {Chorus}

Your kisses and your love makin'
You've been fakin', you've been fakin'
I've been goin' along with it
Hopin' we can still make it
Even though it might hurt me
I just can't be a fool
I'd rather step on my own heart and break it
Than it be used

{Chorus} ➔ {Chorus}

Cheeseburger In Paradise

Tried to amend my carnivorous habit
Made it nearly seventy days
Losin' weight without speed, eatin' sunflower seeds
Drinkin' lots of carrot juice and soakin' up rays

Night I'd have these wonderful dreams
Some kind of sensuous treat
Not Havanas or bananas or daiquiris
But that American creation on which I feed

Chorus 1:

Cheeseburger is paradise (paradise)
Heaven on earth with an onion slice (paradise)
Not too particular not too precise (paradise)
I'm just a cheeseburger in paradise

Heard about the old time Taylor man
He eat the same thing again and again
Warm beer and bread they said could raise the dead
Reminds me of the menu at a Holiday Inn

Times 've changed for sailors these days
When I'm in port I get what I need
Not Havanas or bananas or daiquiris
But that American creation on which I feed.

Cheeseburger In Paradise - page 2

Chorus 2:

Cheeseburger is paradise (paradise)
Medium rare with mustard 'be nice (paradise)
Heaven on earth with an onion slice (paradise)
I'm just a cheeseburger in paradise

I like mine with lettuce and tomato
Heinz 57 , French fried potatoes
Big kosher pickle and a cold draft beer
Well good God Almighty which way do I steer

Chorus 3:

Cheeseburger in paradise (paradise)
Heaven on earth with an onion slice (paradise)
Worth every damn bit of sacrifice (paradise)
To get a cheeseburger in paradise
I'm just a cheeseburger in paradise
To be a cheeseburger in paradise

Chicago (That Toddling Town)

Chicago, Chicago, that toddlin' town
Chicago, Chicago, I'll show you around
Bet your bottom dollar you'll lose the blues in Chicago
Chicago, the town that *Mart Faye* could not shut down

On State Street, that great street I just want to say
They do things that they don't do on Broadway, say
They have the time, the time of their life
I saw a man, he danced with his wife
In Chicago, my home town

<instrumental break>

They have the time, the time of their life
I saw a man, he danced with his wife
In Chicago In Chicago In Chicago

<last 3 notes are instrumental>

China Grove

When the sun comes up on a sleepy little town
Down around San Antone
Where the folks are risin' for another day
Round about their homes
The people of the town are strange
And their proud of where they came
Talkin' 'bout China Grove, whoa whoa, Whoa, China Grove

The preacher and the teacher, Lawd, they're a caution
They are the talk of the town
When the gossip gets to flyin' and they ain't a lyin'
When the sun goes fallin' down
They say that the father's insane
And dear miss Perkin's a game
Talkin' 'bout China Grove, whoa whoa, Whoa, China Grove

Every day there's a new thing comin'
The ways of an oriental view
The sheriff and his buddies with their samurai swords
You can even hear the music at night

And though it's a part of the lone star state
The people don't seem to care
They'll just keep on lookin' to the east → (Solo)

Talkin' 'bout China Grove, whoa whoa, Whoa, China Grove

Coconut

Brother bought a coconut, he bought it for a dime
His sister had another one she paid it for the lime

She put the lime in the coconut, she drank 'em both up
She put the lime in the coconut, she drank 'em both up
She put the lime in the coconut, she drank 'em both up
She put the lime in the coconut, she call the doctor, woke him up

And said "Doctor, ain't there nothin' I can take?"
I said "Doctor, to relieve this belly ache"
I said "Doctor, ain't there nothin' I can take?"
I said "Doctor, to relieve this belly ache"

Now lemme get this straight
You put the lime in the coconut, you drank 'em both up
Put the lime in the coconut, you drank 'em both up

Put the lime in the coconut, you call your doctor, woke him up

Said "Doctor, ain't there nothing' I can take?"
I said, "Doctor, to relieve this belly ache"

Put the lime in the coconut and you'll feel better
Put the lime in the coconut, drink 'em both up
Put the lime in the coconut and call me in the morning"

Cold Shot

Once was a sweet thing, baby - Held that love in our hands
But now I reach to kiss your lips - It just don't mean a thing

And that's a cold shot, baby - Yeah that's a drag
A cold shot, babe - I've let our love go bad

Remember the way that you loved me - Do anything I say
Now I see you out somewhere -
You won't give me the time of day

And that's a cold shot, girl - Yeah that's a drag
That's a cold shot, babe - We've let our love go bad

I really meant I was sorry - For ever causing you pain
You showed your appreciation - By walking out anyway

And that's a cold shot, baby - Yeah that's a drag
That's a cold shot, babe - We've let our love go bad

So sad... Too bad... So sad...

[Spoken] Don't let our true love run cold

Colour My World

As time goes on
I realize
Just what you mean
To me

And now
Now that you're near
Promise love
That I've waited to share

And dreams
Of our moments together
Colour my world
With hopes
Of loving you

Come And Get Your Love

Copacabana

Her name was Lola, she was a showgirl
With yellow feathers in her hair & a dress cut down to there
She would merengue and do the cha-cha
And while she tried to be a star, Tony always tended bar
Across a crowded floor, they worked from 8 till 4
They were young and they had each other -
Who could ask for more?

[CHORUS]

At the Copa (CO!), Copacabana (Copacabana)
The hottest spot north of Havana (here)
At the Copa (CO!), Copacabana
Music and passion were always the fashion
At the Copa....they fell in love

(Copa Copacabana)

His name was Rico, he wore a diamond
He was escorted to his chair, he saw Lola dancin' there
And when she finished, he called her over
But Rico went a bit too far, Tony sailed across the bar
And then the punches flew and chairs were smashed in two
There was blood and a single gun shot
But just who shot who?

Copacabana – 2

[CHORUS]....she lost her love

(Copa. . Copacabana)

(Copa Copacabana) (Copacabana, ahh ahh ahh ahh)

(Ahh ahh ahh ahh Copa Copacabana)

(Talking Havana have a banana)

(Music and passion...always the fash--shun)

Her name is Lola, she was a showgirl

But that was 30 years ago, when they used to have a show

Now it's a disco, but not for Lola

Still in the dress she used to wear, faded feathers in her hair

She sits there so refined, and drinks herself half-blind

She lost her youth and she lost her Tony - Now she's lost
her mind!

[CHORUS]....

Don't fall in love, (Copa) don't fall in love,

Copacabana, Copacabana...

Cotton Eye Joe

[1]

If it hadn't been for Cotton-Eye Joe
I'd been married long time ago
Where did you come from. Where did you go?
Where did you come from Cotton-Eye Joe?
(repeat)

He came to town like a midwinter storm
He rode through the fields so
Handsome and strong
His eyes was his tools and his smile was his gun
But all he had come for was having some fun
(repeat 1)

He brought disaster wherever he went
The hearts of the girls was to hell broken sent
They all ran away so nobody would know
And left only men cause of Cotton-Eye Joe
(repeat 1)

Crazy

Crazy,
I'm crazy for feeling so lonely
I'm crazy,
Crazy for feeling so blue

I knew
You'd love me as long as you wanted
And then someday
You'd leave me for somebody new

Worry,
Why do I let myself worry?
Wond'ring
What in the world did I do?

Crazy
For thinking that my love could hold you
I'm crazy for trying and crazy for crying
And I'm crazy for loving you

Crazy
For thinking that my love could hold you
I'm crazy for trying and crazy for crying
And I'm crazy for loving you.

Crazy

I remember when, I remember
I remember when I lost my mind
There was something so pleasant about that place
Even your emotions have an echo in so much space

And when you're out there without care
Yeah, I was out of touch
But it wasn't 'cause I didn't know enough - I just knew too much

Does that make me crazy? - Does that make me crazy?
Does that make me crazy? - Possibly

And I hope that you are having the time of your life
But think twice - That's my only advice

Come on now, who do you
Who do you, who do you, who do you think you are?
Ha ha ha, bless your soul - You really think you're in control?

Well, I think you're crazy - I think you're crazy
I think you're crazy - Just like me

My heroes had the heart - To lose their lives out on a limb
And all I remember - Is thinking, I want to be like them

Ever since I was little - Ever since I was little - It looked like fun
And it's no coincidence I've come - And I can die when I'm done

But maybe I'm crazy - Maybe you're crazy
Maybe we're crazy - Probably

Crazy Love

I can hear her heart beat for a thousand miles
And the heavens open every time she smiles
And when I come to her that's where I belong
Yet I'm running to her like a river's song

Chorus:

She give me love, love, love, love, crazy love
She give me love, love, love, love, crazy love

She's got a fine sense of humor when I'm feeling low down
And when I come to her when the sun goes down
Take away my trouble, take away my grief
Take away my heartache, in the night like a thief

Chorus

Yes I need her in the daytime
Yes I need her in the night
Yes I want to throw my arms around her
Kiss her hug her kiss her hug her tight

And when I'm returning from so far away
She gives me some sweet lovin' brighten up my day
Yes it makes me righteous, yes it makes me feel whole
Yes it makes me mellow down in to my soul

Chorus

Crimson And Clover

Ah, now I don't hardly know her
But I think I could love her
Crimson and clover

Ah when she comes walking over
Now I've been waitin' to show her
Crimson and clover over and over

Yeah, my, my such a sweet thing
I wanna do everything
What a beautiful feeling
Crimson and clover over and over

Crimson and clover over and over
Crimson and clover over and over
Crimson and clover over and over
Crimson and clover over and over

Crocodile Rock

I remember when rock was young
Me and Suzie had so much fun
holding hands and skimming stones
Had an old gold Chevy and a place of my own
But the biggest kick I ever got
was doing a thing called the Crocodile Rock
While the other kids were Rocking Round the Clock
we were hopping and bopping to the Crocodile Rock

Well Crocodile Rocking is something shocking
when your feet just can't keep still
I never knew me a better time and I guess I never will
Oh Lawdy mama those Friday nights
when Suzie wore her dresses tight
and the Crocodile Rocking was out of sight

But the years went by and the rock just died
Suzie went and left us for some foreign guy
Long nights crying by the record machine
dreaming of my Chevy and my old blue jeans
But they'll never kill the thrills we've got
burning up to the Crocodile Rock
Learning fast as the weeks went past
we really thought the Crocodile Rock would last

Crossroads

I went down to the crossroads, Fell down on my knees
I went down to the crossroads, Fell down on my knees
Asked the Lord above for mercy, "Save me if you please."

I went down to the crossroads, Tried to flag a ride
I went down to the crossroads, Tried to flag a ride
Nobody seemed to know me, Everybody passed me by.

I'm goin' down to Rosedale, Take my rider by my side.
I'm goin' down to Rosedale, Take my rider by my side.
You can still barrelhouse, baby, On the riverside.

You can run, you can run, Tell my friend-boy Willie Brown
You can run, you can run, Tell my friend-boy Willie Brown
And I'm standin' at the crossroads, Believe I'm sinkin' down

Cum On Feel The Noize

[Chorus:]

Cum on feel the noize - Girls rock your boys
We get wild, wild, wild - wild, wild, wild

So you think I got an evil mind, - I'll tell you honey
I don't know why - I don't know why
So you think my singing's out of time, - it makes me money
I don't know why - I don't know why - anymore - Oh no

[Chorus:] 2x

[Chorus:] 2x Baby Come on

Well you think we have a lazy time, - You should know better
I don't know why - I don't know why

[Chorus:] 2x

OH YEAH!! Ah, ah, ah (woooo) Ah, ah, ah **[Chorus:]** Ah, ah, ah

Cupid

[CHORUS]

Cupid, draw back your bow

And let your arrow go

Straight to my lover's heart for me, for (nobody but) me

Cupid, please hear my cry

And let your arrow fly

Straight to my lover's heart for me

Now, I don't mean to bother you

But I'm in distress

There's danger of me losing all of my happiness

For I love a girl who doesn't know I exist

And this you can fix - So,

[CHORUS]

Now, Cupid, if your arrow make her love strong for me

I promise I will love her until eternity

I know between the two of us her heart we can steal

Help me if you will - So,

[CHORUS]

Now, Cupid - Don't you hear me - Calling you?

I need you - Cupid - Help me

I need you - Cupid - Don't fail

Daddy's Little Girl

You're the end of the rainbow, my pot of gold
You're daddy's little girl to have and to hold
A precious gem is what you are
You're mommy's bright and shining star

You're the spirit of Christmas, my star on the tree
You're the Easter Bunny to mommy and me
You're sugar, you're spice, you're everything nice
And you're daddy's little girl

<Instrumental Interlude>

You're the treasure I cherish, so sparkling and bright
You were touched by the holy and beautiful light
Like angels that sing, a heavenly thing
And you're daddy's little girl

Dance Little Sister

Get up outta' your rockin chair grandma!
Or rather would you care to dance grandmother?

Hey you!

Give up the ghost that's haunting you now

Shout it out

Don't let it stay inside and eat you alive

Make up your mind

Don't you want to stay this side of the line

I can assure you

When you're my age you'll learn from all you've left behind

[Chorus]

(You've gPot to) Dance little sister don't give up today

Hang on till tomorrow i don't wanna hear you're late

Dance little sister don't give up today

Hang on till tomorrow don't give up your stay

Say now

Share the weight and lay your cross down

And let the long

Reaching arm of hope bring you around

It ain't easy

But giving up is the easy thing to do

Time is on your side

Would you just watch the clock and let it tick for you

[Chorus]

Dance To The Music

Cynthia: Hey! Get up and dance to the music!

Freddie: Hey Greg! - *What?*

Freddie: All we need is a drummer, for people who only need a beat

I'm gonna add a little guitar - And make it easy to move your feet

Larry: I'm gonna add some bottom,
So that the dancers just won't hide

Sly: You might like to hear my organ, I said Ride Sally Ride, now

Cynthia! - *What?* Jerry - *What?*

If I could hear the horns blowin', Cynthia on the throne, yeah!

Listen to Me, Cynthia & Jerry got a message they're sayin':

Yeeeeaaaaaaaaahhhhhhhh... Ha!

Listen to the voices:

Dum dum - dum dum dum - dum dum dum dum - dum dum dum dum

Dance With Me

[Chorus]

Dance with me, I want to be your partner
Can't you see the music is just starting
Night is calling, and I am falling
Dance with me

Fantasy could never be so killing
I feel free, I hope that you are willing
Pick the beat up, and kick your feet up
Dance with me

Let it lift you off the ground
Starry eyes, and love is all around us
I can take you where you want to go

[Chorus]

[Musical Interlude]

Let it lift you off the ground
Starry eyes, and love is all around us
I can take you where you want to go

[Chorus]

Dance With My Father

Back when I was a child
Before life removed all the innocence
My father would lift me high
And dance with my mother and me and then

Spin me around till I fell asleep
Then up the stairs he would carry me
And I knew for sure
I was loved

If I could get another chance
Another walk, another dance with him
I'd play a song that would never, ever end
How I'd love, love, love to dance with my father again

Ooh, ooh

When I and my mother would disagree
To get my way I would run from her to him
He'd make me laugh just to comfort me, yeah, yeah
Then finally make me do just what my mama said

Dance With My Father - page 2

Later that night when I was asleep
He left a dollar under my sheet
Never dreamed that he
Would be gone from me

If I could steal one final glance
One final step, one final dance with him
I'd play a song that would never, ever end
'Cause I'd love, love, love to dance with my father again

Sometimes I'd listen outside her door
And I'd hear her, mama cryin' for him
I pray for her even more than me
I pray for her even more than me

I know I'm prayin' for much too much
But could You send back the only man she loved
I know You don't do it usually
But Lord, she's dyin' to dance with my father again
Every night I fall asleep
And this is all I ever dream

Dancin' In The Street

[Pre-Chorus] ➔ [Chorus] ➔ [Chorus]

Dancing With Myself

On the floor of Tokyo - Or down in London town to go, go
With the record selection - With the mirror reflection
I'm dancing with myself

When there's no-one else in sight - In the crowded lonely nite
Well I wait so long - For my love vibration
And I'm dancing with myself

[CHORUS 1]

Oh dancing with myself - Oh dancing with myself
Well there's nothing to lose - And there's nothing to prove
I'll be dancing with myself

If I looked all over the world - And there's every type of girl
But your empty eyes - Seem to pass me by
Leave me dancing with myself

So let's sink another drink - 'Cause it'll give me time to think
If I had the chance - I'd ask the world to dance
And I'll be dancing with myself

[CHORUS 1]

If I looked all over the world - And there's every type of girl
But your empty eyes - Seem to pass me by
Leave me dancing with myself

Dancing With Myself - 2

So let's sink another drink - 'Cause it'll give me time to think
If I had the chance - I'd ask the world to dance
And I'll be dancing with myself

[CHORUS 2]

Oh dancing with myself - Oh dancing with myself
If I had the chance - I'd ask the world to dance
If I had the chance - I'd ask the world to dance
If I had the chance - I'd ask the world to dance

[Scat]

Dancing with myself - Dancing with myself
Dancing with myself - Dancing with myself

If I looked all over the world - And there's every type of girl
But your empty eyes - Seem to pass me by
Leave me dancing with myself

So let's sink another drink - 'Cause it'll give me time to think
If I had the chance - I'd ask the world to dance
And I'll be dancing with myself

[CHORUS 2]

Dead Flowers

[VERSE 1]

Well when you're sitting there in your silk upholstered chair
Talkin' to some rich folk that you know
Well I hope you won't see me in my ragged company
Well, you know I could never be alone

[CHORUS]

Take me down little Susie, take me down
I know you think you're the queen of the underground
And you can send me dead flowers every morning
Send me dead flowers by the mail
Send me dead flowers to my wedding
And I won't forget to put roses on your grave

[VERSE 2]

Well when you're sitting back in your rose pink Cadillac
Making bets on Kentucky Derby Day
Ah, I'll be in my basement room with a needle and a spoon
And another girl can take my pain away

[CHORUS] - yeah!

{SOLO (verse)}

[CHORUS]

And I won't forget to put roses on your grave

Desperado

Desperado, - Why don't you come to your senses?
You been out ridin' fences - For so long now
Oh, you're a hard one - I know that you got your reasons
These things that are pleasin' you - Can hurt you somehow

Don't you draw the queen of diamonds, boy
She'll beat you if she's able
You know the queen of hearts is always your best bet

Now it seems to me, some fine things
Have been laid upon your table
But you only want the ones that you can't get

Desperado, oh, you ain't gettin' no younger
Your pain and your hunger, they're drivin' you home
And freedom, oh freedom well, that's just some people talkin'
Your prison is walking through this world all alone

Don't your feet get cold in the winter time?
The sky won't snow and the sun won't shine
It's hard to tell the night time from the day
You're loosin' all your highs and lows
Ain't it funny how the feeling goes away?

Desperado, why don't you come to your senses?
Come down from your fences, open the gate
It may be rainin', but there's a rainbow above you
You better let somebody love you, before it's too late

Devil With The Blue Dress On

[Chorus]

She's the devil with the blue dress, blue dress, blue dress,
Devil with the blue dress on
Devil with the blue dress, blue dress, blue dress,
Devil with the blue dress on

Fee, fee, fi, fi, fo-fo, fum

[1. Look at Molly] [2. Look out once again] Now here she comes
Wearin' her wig hat and shades to match
She's got high-heel shoes and an alligator hat
Wearin' her pearls and her diamond rings
She's got bracelets on her fingers, now, and everything

[Chorus]

Wearin' her perfume, Chanel No. 5 - Got to be the finest girl alive
She walks real cool, catches everybody's eye
She's got such good lovin' that they can't say good-bye
Not too skinny, she's not too fat
She's a real humdinger and I like it like that

[Chorus] ➔ ("*Good Golly Miss Molly*" interlude)

Good golly, Miss Molly... You sure like to ball
Good golly, Miss Molly... You sure like to ball
While you're rockin' and rollin'... Can't you hear your mama call

From the early, early mornin' 'til the early, early nights
See Miss Molly rockin' at the House of Blue Lights
Good golly, Miss Molly... You sure like to ball
While you're rockin' and rollin'... Can't you hear your mama call

Return to "*Devil With The Blue Dress*" ➔ **Repeat 1st Verse w/ [2.]**

Disco Inferno

To my surprise one hundred stories high
People getting loose now, getting down on the roof
Folks screaming, out of control
It was so entertaining when the boogie started to explode
I heard somebody say

[Chorus]

(Burn baby burn) Disco Inferno
(Burn baby burn) Burn that mother down
(Burn baby burn) Disco Inferno
(Burn baby burn) Burn that mother down

Satisfaction came in a chain reaction
I couldn't get enough, so I had to self-destruct
The heat was on, rising to the top
Everybody is goin' strong, an' that is when my spark got hot
I heard somebody say

[Chorus]

Up above my head
I hear music in the air
That makes me know
There's a party somewhere

(Just can't stop) When my spark gets hot
(Just can't stop) When my spark gets hot

Dock of the Bay

Sittin' in the morning sun
I'll be sittin' when the evenin' come
Watchin' the ships roll in
Then I watch 'em roll away again

{Chorus}

I'm sittin' on the dock of the bay
Watchin' the tide roll away
Sittin' on the dock of the bay, wastin' time

Left my home in Georgia
Headed for the Frisco bay
I have nothin' to live for
Look like nothin' gonna come my way

{Chorus}

{Bridge}

Looks like nothin' gonna change
Everything still remains the same
I can't do what ten people tell me to do
So I guess I'll just remain the same

{Last Verse}

Sittin' here restin' my bones
And this loneliness won't leave me alone
Two thousand miles from home
Just to make this dock my home

{Chorus} → Whistle → {Bridge} → {Last Verse} → {Chorus 2X}

Domino

Don't wanna discuss it - Think it's time for a change
You may get disgusted - Start thinkin that I'm strange
In that case I'll go underground - Get some heavy rest
Never have to worry - About what is worst or what is best, hit it

{CHORUS}

Oh Domino, alright
Roll me over, Romeo, there you go - Lord have mercy

I said, oh Domino
Roll me over, Romeo - There you go - Say it again

I said oh-ooooh, Domino
I said oh-oh-oooooh, Domino - Dig it!

Instrumental

There's no need for argument - There's no argument at all
And if you never hear from him - That just mean he didn't call
Or vice versa - That depends on whatever you're at, alright
'N if you never hear from me, That just means -
I would rather not, hit it!

{CHORUS}

Hey Mr. DJ - I just wanna hear some rhythm and blues music
On the radio ... On the radio ... On the radio
Uh-uh alright... Uh-uh, alright... Uh-uh, alright... Uh-uh, alright
Hear the band! -- One more time...

Don't Stop Believin'

Just a small town girl - Livin' in a lonely world
She took the midnight train goin' anywhere
Just a city boy - Born and raised in south Detroit
He took the midnight train goin' anywhere

A singer in a smoky room - A smell of wine and cheap perfume
For a smile they can share the nite -
It goes on and on and on and on

(Pre-chorus)

Strangers, waiting - Up and down the boulevard
Their shadows searching in the night
Streetlights, people, - Living just to find emotion
Hiding, somewhere in the night.....

Working hard to get my fill - Everybody wants a thrill
Payin' anything to roll the dice, Just one more time
Some will win, some will lose - Some were born to sing the blues
Oh, the movie never ends It goes on and on and on and on

(Pre-chorus) ➔ (Instrumental Chorus)

(Chorus)

Don't stop believin' Hold on to the feelin'
Streetlights, people oooooooooo

(Chorus)

Don't Worry, Be Happy

Here's a little song I wrote - You might want to sing it note-for-note
Don't worry, be happy
In every life we have some trouble - But when you worry, you make it double
Don't worry, be happy Don't worry, be happy now

[Chorus]

Ooo-oo-hoo-hoo-oo hoo-hoo-oo-oo-oo-oo-ooo - Don't worry
Woo-oo-woo-oo-woo-oo-ooo - Be happy
Woo-oo-oo-oo-ooo - Don't worry, be happy

[Chorus]

Ain't got no place to lay your head - Somebody came and took your bed
Don't worry, be happy
The landlord say your rent is late - He may have to litigate
Don't worry, (ha-ha ha-ha ha-ha) be happy (look at me, I'm happy)

[Chorus]

Here, I'll give you my phone number. When you're worried, call me. I'll make you happy

[Chorus] 2x

Ain't got no cash, ain't got no style - Ain't got no gal to make you smile
But don't worry, be happy
'Cause when you're worried, your face will frown - And that will bring everybody down
So don't worry, be happy Don't worry, be happy now

[Chorus] 2x

Now there, is this song I wrote - I hope you learned it note-for-note, like good little children
Don't worry, be happy - A-listen to a-what I say
In your life, expect some trouble - When you worry you make it double
Don't worry, be happy, be happy now

[Chorus] 2x

[Chorus] 2x with these ad-libs:

Don't worry, don't worry - Don't do it, be happy - Put a smile on your face
Don't bring everybody down like this - Don't worry - It will soon pass, whatever it is
Don't worry, be happy - I'm not worried - I'm happy

Down So Long

I've been down so long, been down like worries me
I've been down so long, been down like worries me
I'm gonna take all my troubles, -
Catching them in the deep blue sea

Oh baby, what is this you've been doing to me?
Tell me, baby, what is this you've been doing to me?
Oh, you know I love you, -
You keep my heart in misery

Been down like worries me
I've been down so long, been down like worries me
I'm gonna take all my troubles, -
Catching them in the deep blue sea

Dr. My Eyes

Doctor, my eyes have seen the years
And the slow parade of fears
Without crying, Now I want to understand

I have done all that I could
To see the evil and the good
Without hiding, You must help me if you can

Doctor, my eyes... Tell me what is wrong
Was I unwise... To leave them open for so long

'Cause I have wandered through this world
And as each moment has unfurled
I've been waiting, To awaken from these dreams

People go just where there will
I never noticed them until
I got this feeling, That it's later than it seems

Doctor, my eyes... Tell me what you see
I hear their cries... Just say if it's too late for me

{SOLO}

Doctor, my eyes... Cannot see the sky
Is this the prize... For having learned how not to cry

Drift Away

Day after day I'm more confused
And I look for the light in the pouring rain
You know that's a game that I hate to lose
I'm feelin' the strain, ain't it a shame

[Chorus]

Oh, give me the beat, boys, and free my soul
I wanna get lost in your rock and roll and drift away
Oh, give me the beat, boys, and free my soul
I wanna get lost in your rock and roll and drift away

Beginning to think that I'm wastin' time
I don't understand the things I do
The world outside looks so unkind
I'm countin' on you to carry me through

[Chorus]

And when my mind is free
You know a melody can move me
And when I'm feelin' blue
The guitar's comin' through to soothe me

Thanks for the joy that you've given me
I want you to know I believe in your song
Rhythm and rhyme and harmony
You help me along makin' me strong

[Chorus] - Repeat until cue

Dynamite

I came to dance, dance, dance, dance
I hit the floor 'cause that's my plans, plans, plans, plans
I'm wearing all my favorite brands, brands, brands, brands
Give me space for both my hands, hands, hands, hands

[Pre-Chorus]

Ye, ye
'Cause it goes on and on and on.....
And it goes on and on and on..... Yeah!

[Chorus 1]

I throw my hands up in the air sometimes,
Saying AYO! Gotta let go!
I wanna celebrate and live my life,
Saying AYO! Baby, let's go!

[Chorus 2]

'Cause we gon' rock this club, We gon' go all night,
We gon' light it up, Like it's dynamite!
'Cause I told you once, Now I told you twice,
We gon' light it up, Like it's dynamite!

Dynamite - page 2

I came to move, move, move, move
Get out the way me and my crew, crew, crew, crew
I'm in the club so I'm gonna do, do, do, do
Just what the f**k I came here to do, do, do, do

[Pre-Chorus]

[Chorus 1]

[Chorus 2]

[Bridge]

I'm gonna take it all out, I'm gonna be the last one standing
I'm over it all and I... I'm gonna be the last one landing
Cause I, I, I.. Believe it, And I, I, I ..
I just want it all..... I just want it all.....
I'm gonna put my hands in the air! Hands, hands in the air!
Put your hands in the air.....

[Chorus 1]

[Chorus 2]

Embraceable You

(verse)

Dozens of girls would storm up;
I had to lock my door,
Somehow I couldn't warm up
To one before.

What was it that controlled me?
What kept my lovelife lean?
My intuition told me
You'd come on the scene.

Lady, listen to the rhythm of my heartbeat,
And you'll get just what I mean.

(refrain)

Embrace me, my sweet embraceable you!
Embrace me, you irreplaceable you!
Just one look at you, my heart grew tipsy in me;
You and you alone bring out the gypsy in me!

I love all the many charms about you!
Above all I want my arms about you.
Don't be a naughty baby,
Come to papa, come to papa, do!
My sweet embraceable you!

Everyday People

Sometimes I'm right and I can be wrong
My own beliefs are in my song
The butcher, the banker, the drummer and then
Makes no difference what group I'm in
I am everyday people, yeah, yeah

There is a blue one, Who can't accept the green one
For living with a fat one, Trying to be a skinny one
Different strokes, For different folks
And so on and so on, And scooby dooby dooby
Oh sha sha, We got to live together

I am no better and neither are you
We are the same, whatever we do
You love me, you hate me, you know me and then
You can't figure out the bag I'm in
I am everyday people, yeah yeah

There is a long hair, That doesn't like the short hair
For being such a rich one, That will not help the poor one
Different strokes, For different folks
And so on and so on, And scooby dooby dooby
Oh sha sha, We got to live together

There is a yellow one, That won't accept the black one
That won't accept the red one, That won't accept the white one
Different strokes, For different folks...
And so on and so on, And scooby dooby dooby
Oh sha sha, I am everyday people

Evil Ways

You've got to change your evil ways... baby
Before I stop loving you.

You've got to change... baby
And every word that I say, it's true.
You've got me running and hiding, -
All over town.

You've got me sneaking and peeping -
And running you down
This can't go on...
Lord knows you got to change... baby.

When I come home... baby
My house is dark and my pots are cold
You're hanging 'round... baby
With Jean and Joan and a who knows who
I'm getting tired of waiting, -
And fooling around
I'll find somebody, who won't make me, -
Feel like a clown
This can't go on...
Lord knows you got to change

Organ Solo

(Repeat 2nd verse) - Yeah ... Yeah ... Yeah ...

Eye of the Tiger

Risin' up, back on the street
Did my time, took my chances
Went the distance, now I'm back on my feet
Just a man and his will to survive

So many times, it happens too fast
You change your passion for glory
Don't lose your grip on the dreams of the past
You must fight just to keep them alive

CHORUS:

It's the eye of the tiger, it's the thrill of the fight
Risin' up to the challenge of our rival
And the last known survivor stalks his prey in the night
And he's watchin' us all in the eye of the tiger

Face to face, out in the heat
Hangin' tough, stayin' hungry
They stack the odds 'til we take to the street
For we kill with the skill to survive

CHORUS

Risin' up, straight to the top
Have the guts, got the glory
Went the distance, now I'm not gonna stop
Just a man and his will to survive

CHORUS -- The eye of the tiger...

Feeling Alright

Seems I've got to have a change of scene
Cause every night I have the strangest dreams
Imprisoned by the way it could have been
Left here on my own or so it seems
I've got to leave before I start to scream
Someone locked the door and turned the key

(Chorus)

Feeling alright -- I'm not feeling good myself
Feeling alright -- I don't have to feel alright
I'm feeling good myself
Boy you sure took me for a ride
And even now I sit and wonder why
That when I think of you I stop myself from crying
I just can't waist my time
I must keep tryin

I've got to stop believing all your lies
Cause there's to much to do before I die

(Chorus)

Don't you get to lost in all I say
But at the time you know
I really felt that way
But that was then and now you know its today
Lord I can't escape I guess I'm here to stay
Till someone comes along to take my place
With a different name and a different face

(Chorus)

Fever

Never know how much I love you
Never know how much I care
When you put your arms around me
I get a fever that's so hard to bear; You give me fever

Chorus: When you kiss me
Fever when you hold me tight
Fever! In the morning
Fever all through the night

Sun lights up the daytime
Moon lights up the night
I light up when you call my name
And you know I'm gonna treat you right; You give me fever

(Chorus)

Everybody's got the fever
That is something you all know
Fever isn't such a new thing
Fever started long ago; You give me fever

Romeo loved Juliet
Juliet, she felt the same
When he put his arms around her
He said Julie baby, you're my flame

She said, daddy oh don't you dare; He gives me fever

Chorus: With his kisses

Fooled Around And Fell In Love

I must have been through about a million girls
I'd love 'em and I'd leave 'em alone
I didn't care how much they cried, no sir
Their tears left me cold as a stone

[Chorus]

But then I fooled around and fell in love
I fooled around and fell in love
I fooled around and fell in love
I fooled around and fell in love

It used to be when I'd see a girl that I liked
I'd get out my book and write down her name
But when the grass got a little greener on the other side
I'd just tear out that page

[Chorus] ➔ [Bridge "Ah's"] ➔ [Solo] ➔

Free, on my own, that's the way I used to be
But since I met you baby, love's got a hold on me

Eight hours, for what - Oh, tell me what I got

Now I gotta cut...

[CHORUS]

Loose, footloose - Kick off your Sunday shoes
Please, Louise - Pull me offa my knees
Jack, get back - C'mon before we crack
Lose your blues - Everybody cut footloose

You're playing so cool - Obeying every rule
Dig way down in your heart - You're yearning, yearning for some
Somebody to tell you - That life ain't passing you by
I'm trying to tell you - It will if you don't even try
You can fly if you'd only cut...

The whole day through
Just an old sweet song Keeps Georgia on my mind

I say Georgia... Georgia
A song of you
Comes as sweet and clear As moonlight through the pines

Other eyes smile tenderly
Still in peaceful dreams I see
The road leads back to you

Good Golly Miss Molly

[Chorus]

Good golly, Miss Molly, sure like to ball

Good golly, Miss Molly, sure like to ball

When you're rockin' and a rollin', Can't hear your mamma call

From the early early mornin' till the early early night

You can see Miss Molly rockin' at the house of blue lights

Good golly, Miss Molly, sure like to ball

When you're rockin' and a rollin', Can't hear your mamma call

Well now mamma, papa told me -

"Son, you better watch your step"

If you hear my mamma talking you'll remember what she said

Good golly, Miss Molly, sure like to ball

When you're rockin' and a rollin', Can't hear your momma call

[Chorus]

Yeah, I'm going to the corner, gonna buy a diamond ring

Would you hug me and a-kiss me, make me ting-a-ling-a-ling

Good golly, Miss Molly, sure like to ball

When you're rockin' and a rollin', Can't hear your momma call

Good Times

Good times, these are the good times
Leave your cares behind, these are the good times
Good times, these are the good times
Our new state of mind, these are the good times

Happy days are here again
The time is right for makin' friends
Let's get together, how 'bout a quarter to ten
Come tomorrow, let's all do it again

Boys will be boys, better let them have their toys
Girls will be girls, cute pony tails and curls
Must put an end to this stress and strife
I think I want to live the sporting life

[CHORUS]

A rumor has it that it's getting late
Time marches on, just can't wait
The clock keeps turning, why hesitate
You silly fool, you can't change your fate
Let's cug the rug, a little jive and jitterbug
We want the best, we won't settle for less
Don't be a drag, participate
Clams on the half shell and roller-skates, roller-skates

[CHORUS]

Between the two of us guys you know I love you more

It took me by surprise, I must say - When I found out yesterday
Don't you know that I heard it thru the grapevine -
Not much longer would you be mine
Oh, I heard it thru the grapevine
Oh, I'm just about to lose my mind (honey, honey, well)

Heard it thru the grapevine not much longer would you be my baby

I know a man ain't supposed to cry - But these tears I can't hold inside
Losin' you would end my life you see - Cuz you mean that much to me

You could have told me yourself - That you love someone else
Instead I heard it thru the grapevine - Not much longer would you be mine
Oh, I heard it thru the grapevine
And I'm just about to lose my mind (honey, honey, well)

Heard it thru the grapevine not much longer would you be my baby (2x)

People say believe half of what you see - Son and none of what you hear
But I can't help bein' confused - If it's true please tell me dear

Do you plan to let me go - For the other guy you loved before
Don't you know I heard it thru the grapevine -
Not much longer would you be mine -
Baby, I heard it thru the grapevine
Ooh, I'm just about to lose my mind (honey, honey, yeah)

Heard it thru the grapevine not much longer would you be my baby (4x)

With the air, like I don't care, baby, by the way - Uh!

[Chorus]

Because I'm happy - Clap along if you feel like a room without a roof
Because I'm happy - Clap along if you feel like happiness is the truth

Hard To Handle

Baby here I am - I'm the man on the scene
I can give you what you want -
But you gotta' come home with me
I have got some good old lovin' - And I got some more in store
When I get thru throwin' it on you -
You gotta' come back for more

(Chorus 1)

Boys and things that come by the dozen
That ain't nothin' but drugstore lovin'
Pretty little thing let me light your candle
'Cause mama I'm so hard to handle now - Yes I am

Action speaks louder than words -
And I'm a man of great experience
I know you got another man - But I can love you better than him
Take my hand don't be afraid - I'm gonna prove every word I say
I'm advertising love for free - So you can place your ad with me

(Chorus 2)

Boys come along a dime by the dozen
That ain't nothing but ten cent lovin'
Pretty little thing let me light your candle
'Cause mama I'm so hard to handle now - Yes I am

(Repeat Verse 1) (Repeat Chorus 1)

Have I Told You Lately?

[CHORUS]

Have I told you lately that I love you
Have I told you there's no one above you
Fill my heart with gladness - Take away all my sadness
Ease my troubles, that's what you do

Oh the morning sun in all its glory
Greets the day with hope and comfort too
And you fill my life with laughter - You can make it better
Ease my troubles that what you do

There's a love that's divine - And it's yours and it's mine,
Like the sun
At the end of the day - We should give thanks and pray
To the one

[CHORUS] ➔ {Solo over verse}

There's a love that's divine - And it's yours and it's mine
And it shines like the sun
At the end of the day - We will give thanks and pray to the one

[CHORUS]

Take away all my sadness - Fill my life with gladness
Ease my troubles, that's what you do

Fill my life with gladness - Take away all my sadness
Ease my troubles, that's what you do

Have Yourself A Merry Little Christmas

Have yourself a merry little Christmas
Let your heart be light
From now on our troubles will be out of sight

Have yourself a merry little Christmas
Make the Yule-Tide gay
From now on our troubles will be miles away

Here we are as in olden days
Happy golden days of yore
Faithful friends who are dear to us
Gather near to us once more

Through the years we all will be together
If the fates allow
Hang a shining star upon the highest bough
And have yourself a merry little Christmas now

Heartbreak Hotel

Well, since my baby left me, - I found a new place to dwell.
Its down at the end of lonely street - At heartbreak hotel.

[Chorus]

You make me so lonely baby, - I get so lonely,
I get so lonely I could die.

And although its always crowded, -
You still can find some room.
Where broken hearted lovers - Do cry away their gloom.

[Chorus]

Well, the bell hops tears keep flowin, -
And the desk clerks dressed in black.
Well they been so long on lonely street -
They ain't ever gonna look back.

[Chorus]

Hey now, if your baby leaves you, -
And you got a tale to tell.
Just take a walk down lonely street - To heartbreak hotel.

[Chorus]

Here And Now

One look in your eyes and there I'll see
Just what you mean to me
And here in my heart, I believe
Your love is all I'll ever need
Holding you close through the night - I need you

I look in your eyes and there I see
What happiness really means
The love that we share makes life so sweet
Together we'll always be
This pledge of love feels so right - And ooh, I need you

{Chorus}

Here and now - I promise to love faithfully
'Cause you're all I need
Here and now - I vow to be one with thee
Yeah, yeah, yeah, Your love is all I need

I look in your eyes and there I see
All that a love should really be
And I need you more and more each day
Nothing could take your love away
More than just a dream - I need you

I'm starting right here, right now because
I believe in your love so I'm bound to take the vow

{Chorus} ➔ {Tag} - Your love is all I need (ad lib)

Here I Am (Come And Take Me)

I can't believe that it's real, - The way that you make me feel.
A burning deep down inside, - A love that I cannot hide.

Our love is you and me baby, - That makes the world go round.
And if you've been doin' lovin' with me, layin' all my troubles down

[CHORUS]

Here I am, baby, - Come and take me.
Here I am, baby, - Come and take me,
Take me by the hand - Show me, - here I am, baby.

It always ends up this way, - Me begging you every day.
A love that I cannot have, - You broke my heart into half.

Our love is you and me baby, - That make's the world go round.
And if you've been doin' lovin' with me, layin' all my troubles down

[CHORUS]

When I'm down... I can always call you,
For a helpin' hand... I know you'll do the best you can.
But it don't take much from me... just hold my cup of joe.
Oh there's love inside me... I believe there's goin' to be an explosion
It's tough for me, oh baby, I can do worry,
Tell me all your troubles. You won't ever have to worry now,
Just one more thing, ask everybody, everybody you see,
You'll find yourself lost and alone on a darkened street,

[CHORUS]

Heeey heeeey heeeey

Your lipstick stains on the front lobe of my left side brains

I knew I wouldn't forget you

And so I went and let you blow my mind

Your sweet moonbeam The smell of you in every single dream I dream

I knew when we collided you're the one I have decided

Who's one of my kind

The way you move ain't fair you know

Hey soul sister, I don't wanna miss a single thing you do tonight

And I'm always gonna wanna blow your mind

How Deep Is Your Love

I know your eyes in the morning sun
I feel you touch me in the pouring rain
And the moment that you wander far from me
I wanna feel you in my arms again

[Pre-Chorus 1]

And you come to me on a summer breeze
Keep me warm in your love and then softly leave
And it's me you need to show - How Deep Is Your Love

[Chorus]

How deep is your love, How deep is your love
I really need to learn
'Cause we're living in a world of fools, Breaking us down
When they all should let us be - We belong to you and me

I believe in you
You know the door to my very soul
You're the light in my deepest darkest hour
You're my saviour when I fall

And you may not think I care for you
When you know down inside - That I really do
And it's me you need to show - How Deep Is Your Love

And there you were

With sweet love and devotion - Deeply touchin' my emotions
I wanna stop, and thank you baby - I wanna stop, and thank you baby

(Chorus)

Close my eyes at night -
And wonder what would I be without you in my life
Everything was just a bore -
All the things I did, seems I've done 'em before

But you brighten up, all my days
With a love so sweet in so many ways
I wanna stop, and thank you baby - I wanna stop, and thank you baby

I Believe

Shattered dreams - worthless years
Here am i encased inside a hollow shell
Life began - then was done
Now i stare into a cold and empty well
The many sounds that meet our ears the sights our eyes behold
Will open up our melting hearts and feed our empty souls

[Chorus]

I believe when i fall in love with you, it will be forever
I believe when i fall in love this time, it will be forever

Without despair - we will care
And the joys of caring will not be replaced
What has been - must never end
And with the strength we have wont be erased
When the truths of love are planted firm they wont be hard to find
And the words of love i speak to you will echo in my mind

[Chorus] - [Chorus] with ad libs..

I'm so glad that i found someone to believe in again...
God answered my prayers...
God always will answer your prayers...
Believe in god he will answer your prayers...
Thank you god...

I Believe I Can Fly

I used to think that I could not go wrong
And life was nothing but that an awful song
But now I know the meaning of true love
I'm leaning on the everlasting arms

If I can see it, then I can do it
If I just believe it, there's nothing to it

I believe I can fly
I believe I can touch the sky
I think about it every night and day
Spread my wings and fly away
I believe I can soar
I see me running through that open door
I believe I can fly
I believe I can fly
Oh I believe I can fly

See I was on the verge of breaking down
Sometimes inside us, it can seem so long
There are miracles in life I must achieve
But first I know it starts inside of me

Could I believe in it?
If I can see it, then I can be it
If I just believe it, there's nothing to it
I believe I can fly.....

I Can See Clearly Now

I can see clearly now, the rain is gone,
I can see all obstacles in my way
Gone are the dark clouds that had me blind
It's gonna be a bright (bright), bright (bright)
Sun-Shiny day.
It's gonna be a bright (bright), bright (bright)
Sun-Shiny day.

I think I can make it now, the pain is gone
All of the bad feelings have disappeared
Here is the rainbow I've been prayin' for
It's gonna be a bright (bright), bright (bright)
Sun-Shiny day.

Look all around, there's nothin' but blue skies
Look straight ahead, nothin' but blue skies.....

I can see clearly now, the rain is gone,
I can see all obstacles in my way
Gone are the dark clouds that had me blind
It's gonna be a bright (bright), bright (bright)
Sun-Shiny day.
It's gonna be a bright (bright), bright (bright)
Sun-Shiny day.
It's gonna be a bright (bright), bright (bright)
Sun-Shiny day.....

I Can't Get Next To You

I can turn your gray sky blue
I could make it rain whenever I wanted to
I can build a castle from a single grain of sand
I can make a ship sail on dry land
But my life is incomplete and I'm so blue
'Cause I can't get next to you
Next to you, I just can't get next to you

I can fly like a bird in the sky
Hey, and I can buy anything that money can buy
I can turn a river into a raging fire
I could live forever if I so desired
Unimportant are all these things I can do
'Cause I can't get next to you
No matter what I do

I can turn back the hands of time
You'd better believe I can
I can make the seasons change
Just by a wave of my hand
I can change anything from old to new
The thing I want to do the most I'm unable to do
Unhappy am I with all the powers I possess
Cause girl, you're the key to my happiness
And I, wo, I can't get next to you

Fade: Girl, you're blowin' my mind 'cause I can't get *next to you*
Can't you see these tears I'm cryin'? I can't get *next to you*
Girl, it's you that I need; I gotta get (next to you)

I Can't Help Falling In Love With You

Wise men say - Only fools rush in
But I can't help - Falling in love with you

Shall I stay - Would it be a sin
If I can't help - Falling in love with you

{BRIDGE}

Like a river flows... Surely to the sea
Darling so it goes... Some things are meant to be

Take my hand - Take my whole life too
For I can't help - Falling in love with you

{Solo}

{BRIDGE}

Take my hand - Take my whole life too
For I can't help - Falling in love with you

{TAG}

For I can't help - Falling in love with you

I Can't Help Myself (Sugar Pie Honey Bunch)

Sugar pie honey bunch - you know that I love you
I can't help myself - I love you and nobody else

In and out my life - you come and you go
Leaving just your picture behind - and I've kissed it a thousand times

When you snap your finger or wink your eye - I come runnin' to you
I'm tied to your apron string - and there's nothing I can do

Solo

Sugar pie honey bunch - I'm weaker than a man should be
Can't help myself - I'm a fool in love you see

Wanna tell ya I don't love ya, tell you that we're through, I'm not tied
But every time I see your face - I get all choked up inside

{Break}

When I call your name girl it starts the flame
Burnin' in my heart tearin' it all apart
No matter how I try my love I can not hide

Sugar pie honey bunch - you know that I'm waitin' for you
I can't help myself - I love you and nobody else

Sugar pie honey bunch - do anything you ask me to
I can't help myself - I want you and nobody else

Sugar pie honey bunch - you know that I love you
I can't help myself - no I can't help myself

I Can't Take My Eyes Off Of You

{Verse}

You're just too good to be true
Can't take my eyes off of you
You'd be like heaven to touch
I want to hold you so much
At long last love has arrived
And I thank God I'm alive
You're just too good to be true
Can't take my eyes off of you

Pardon the way that I stare
There's nothing else to compare
The sight of you leaves me weak
There are no words left to speak
But if you feel like I feel
Please let me know that it's real
You're just too good to be true
Can't take my eyes off of you

{Music Interlude}

{Chorus}

I love you baby... And if it's quite all right
I need you baby... To warm the lonely night
I love you baby... Trust in me when I say...
Oh, pretty baby... Don't bring me down I feel
Oh, pretty baby... Now that I found you stay
Let me love you baby... Let me love you...

Repeat 1st Verse, Chorus

I Don't Want To Set The World On Fire

I don't want to set the world on fire
I just want to start a flame in your heart

In my heart I have but one desire
And that one is you
No other will do

I've lost all ambition for worldly acclaim
I just want to be the one you love

And with your admission that you feel the same
I'll have reached the goal I'm dreaming of

Believe me

I don't want to set the world on fire
I just want to start a flame in your heart

I Just Called To Say I Love You

No New Year's Day... To celebrate
No chocolate covered candy hearts to give away
No first of spring... No song to sing
In fact here's just another ordinary day

No April rain... No flowers bloom
No wedding Saturday within the month of June
But what it is... Is something true
Made up of these three words that I must say to you

[CHORUS]

I just called to say I love you
I just called to say how much I care
I just called to say I love you
And I mean it from the bottom of my heart

No summer's high... No warm July
No harvest moon to light one tender August night
No autumn breeze... No falling leaves
Not even time for birds to fly to southern skies

No Libra sun... No Halloween
No giving thanks to all the Christmas joy you bring
But what it is... Though old so new
To fill your heart like no three words could ever do

[CHORUS] 2x

Of my heart... Of my heart

I Second That Emotion

Maybe you want to give me kisses sweet
But only for one night with no repeat
Maybe you'd go away and never call
And a taste of honey is worse than none at all (oh little girl)

Chorus:

In that case I don't want no part
That would only break my heart - Oh!
But if you feel like loving me If you got the notion
I second that emotion - Said!
If you feel like giving me A lifetime of devotion
I second that emotion

Maybe you think that love would tie you down
You ain't got the time to hang around
Maybe you think that love was made for fools
So it makes you wise to break the rules

Chorus

Chorus

Well, if you feel like giving me

I Want It That Way

You are... my fire -- The one... desire
Believe... when I say -- I want it that way

But we... are two worlds -- Apart... can't reach to
Your heart... when you say -- That I want it that way

[Chorus]

Tell me why -- *Ain't nothin' but a heartache*
Tell me why -- *Ain't nothin' but a mistake*
Tell me why -- I never wanna hear you say
I want it that way

Am I... your fire -- Your one... desire
Yes I know... it's too late -- But I want it that way

[Chorus]

Now I can see that we're falling apart
From the way that it used to be, yeah
No matter the distance, I want you to know
That deep down inside of me...

You are... my fire -- The one... desire
You are... -- *You are, you are, you are*

Don't wanna hear you say -- *Ain't nothin' but a heartache*
Ain't nothin' but a mistake -- Don't wanna hear you say
I never wanna hear you say -- *I want it that way*

[Chorus] -- I want it that way

I Wish

Looking back on when I - Was a little nappy headed boy
Then my only worry - Was for Christmas what would be my toy
Even though we sometimes - Would not get a thing
We were happy with the - Joy the day would bring

Sneaking out the back door -
To hang out with those hoodlum friends of mine - ooooo
Greeted at the back door with: Boy thought I told you not to go outside
Tryin' your best to bring the - Water to your eyes
Thinkin' it might stop her - From woopin' your behind

[Chorus]

I wish those days... could... - Come back once more
Why did those days... e... - ver have to go
I wish those days... could... - Come back once more
Why did those days... e... - ver have to go - Cause I love them so

Do-do do-do do do do do do do-do do - Do-do do-do do do do do-do do

Brother says he's tellin' - 'Bout you playin' doctor with that girl
Just don't tell & I'll give you; Anythin' you want in this whole wide worl'
Mama gives you money - For Sunday school
You trade yours for candy - After church is through

Smokin' cigarettes an' writing somethin' nasty on the wall - *You nasty boy*
Teacher sends you to the - Principal's office down the hall
You grow up and learn that - Kinda thing ain't right
But while you were doin' it - It sure felt outta sight

[Chorus] ➔ [Solo] ➔ [Chorus]

I Wish It Would Rain

Sunshine, blue skies, please go away
My girl has found another, and gone away
With her went my future, my life is filled with gloom
So day after day, I stay locked up in my room
I know to you, it might sound strange
But I wish it would rain, Oh yeah, yeah, yeah, yeah

'Cause so badly, I want to go outside
But everyone knows, that a man ain't supposed to cry, Listen
I gotta cry 'cause cryin' ooh
Eases the pain oh, yeah
Even this hurt I feel inside, words could never explain
I just wish it would rain, Oh let it rain
Rain, rain, rain

Let it rain... Let it rain ➔ **Music interlude**

Day in day out my tear stain stays, pressed against the window pane
My eyes search the skies, desperately for rain
'Cause rain drops will hide my tear drops, an' no one will ever know
That I'm cryin', cryin', when I go outside
To the world outside my tears, I refuse to explain
Ooh, I wish it would rain, ooh, baby

Let it rain, let it rain
I need rain to disguise the tears in my eyes
Ooh, let it rain
Oh yeah, yeah, Listen
I'm a man and I got my pride
If it rains I'm gonna sneak outside

If I Could Turn Back The Hands Of Time

Oh, Darlin' I'm so lonely with out you
I can't sleep at night always thinkin' about you
But if I had the chance to start all over
I would be wishing today on a four leaf clover
And leaving you would be the last thing on my mind
If I could turn back the hands of time

If I could turn back the hands of time oh baby
If I could turn back the hands of time

Oh, Darlin' I can't hold out much longer
But my pain is getting deep oh, the hurt keep getting stronger
But if I had just one more try
I would be at home until the day I die
And we would have a love so divine
If I could turn back the hands of time

If I could turn back the hands of time oh baby
If I could turn back the hands of time

And leaving you would be the last thing on my mind
If I could turn back the hands of time

If I could turn back the hands of time oh baby
If I could turn back the hands of time I love you

If You Don't Know Me By Now

{Chorus}

If you don't know me by now

You should understand me... Like I understand you
Now baby, I know the difference... Between right & wrong
I ain't gonna do nothin'... To upset our happy home

{Bridge}

Don't get so excited
When I come home a little late at night
'Cause we only act like children
When we argue, fuss, and fight

I've got mine... Woman, you got yours too
Just trust in me... Like I trust in you
As long as we've been together, That should be so easy to do

Or we might as well say good-bye
What good is a love affair
When we can't see eye to eye

A tiny spark remains, yeah
And sparks turn into flames
And love can burn once again, but I know you know

Into The Mystic

We were born before the wind
Also younger than the sun
Ere the bonnie boat was won
As we sailed into the mystic

Hark now hear the sailor's cry
Smell the sea and feel the sky
Let your soul and spirit fly
Into the mystic

{Bridge}

When that fog horn blows
I will be coming home
And when that fog horn blows
I want to hear it... I don't have to fear it and

I want to rock your gypsy soul
Just like way back in the days of old
And I remember suddenly we will float
Into the mystic

{Solo} ➔ {Bridge}

I want to rock your gypsy soul
Just like way back in the days of old
And together we will float
Into the mystic.... Come on, girl

Is This Love

[VERSE 1]

I wanna love you and treat you right;
I wanna love you every day and every night:
Well be together with a roof right over our heads;
Well share the shelter of my single bed;
Well share the same room, yeah! - for Jah provide the bread.

Is this love? Is this love? Is this love? Is this love that I'm feelin?
Is this love? Is this love? Is this love? Is this love that I'm feelin?
I wanna know - wanna know - wanna know now!
I got to know - got to know - got to know now!

I-i-i-i-i-i-i-i-i - I'm willing and able,
So I... throw my cards on your table!

[VERSE 1]

Is this love? Is this love? Is this love? Is this love that I'm feelin?
Is this love? Is this love? Is this love? Is this love that I'm feelin?
Wo-o-o-oah! oh yes, I know; yes, I know - yes, I know now!
Yes, I know; yes, I know - yes, I know now!

I-i-i-i-i-i-i-i-i - Im willing and able,
So... I throw my cards on your table! - See:

[VERSE 1]

Well share the shelter of my single bed - /fadeout/

Isn't She Lovely

Isn't she lovely
Isn't she wonderful
Isn't she precious
Less than one minute old
I never thought through love we'd be
Making one as lovely as she
But isn't she lovely made from love

Isn't she pretty
Truly the angel's best
Boy, I'm so happy
We have been heaven blessed
I can't believe what God has done
Through us he's given life to one
But isn't she lovely made from love

Isn't she lovely
Life and love are the same
Life is Aisha
The meaning of her name
Londie, it could not have been done
Without you who conceived the one
That's so very lovely made from love

It Had To Be You

It had to be you
It had to be you
I wandered around, and finally found,
The somebody who
Could make me be true
Could make me be blue
And even be glad, just to be sad, thinking of you

Some others I've seen
Might never be mean
Might never be cross, or try to be boss,
But they wouldn't do
For nobody else gave me a thrill
With all of your faults, I love you still
It had to be you, wonderful you, Had to be you

It's Not Unusual

It's not unusual to be loved by anyone,
It's not unusual to have fun with anyone,
But when I see you hanging about with anyone
It's not unusual to see me cry, I wanna die

It's not unusual to go out at any time,
But when I see you out and about it's just a crime,
If you should ever wanna be loved by anyone,
It's not unusual, it happens every day,
No matter what you say
You'll find it happens all the time

Love will never do, what you want it to
Why can't this crazy love be mine.

It's not unusual to be mad with anyone,
It's not unusual to be sad with anyone
But if I ever find that you've changed at any time
It's not unusual, to find that I'm in love with you
Whoa whoa whoa whoa
Yeah yeah yeah yeah

It's Your Thing

{Chorus}

It's your thing, do what you wanna do
I can't tell you, who to sock it to
It's your thing, do what you wanna do
I can't tell you, who to sock it to

If you want me to love you, maybe I will
Believe me woman, it ain't no big deal
You need love now, just as bad as I do
Makes me no difference now, who you give your thing to

{Chorus}

I'm not tryin' to run your life
I know you wanna do what's right
Give your love girl, to whom ever you choose
How can you lose, with the stuff you use

{Chorus} → Solo → {Chorus}

I'm not tryin' to run your life
I know you wanna do what's right
Give your love girl, to whom ever you choose
How can you lose, with the stuff you use

{Chorus} → {Chorus}

Jailhouse Rock

The warden threw a party in the county jail
The prison band was there and they began to wail
The band was jumpin' and the joint began to swing
You should've heard them knocked out jailbirds sing
Let's rock, everybody, let's rock
Everybody in the whole cell block
Was dancin' to the Jailhouse Rock

Spider Murphy played the tenor saxophone
Little Joe was blowin' on the slide trombone
The drummer boy from Illinois went crash, boom, bang
The whole rhythm section was the Purple Gang
Let's rock, everybody, let's rock
Everybody in the whole cell block
Was dancin' to the Jailhouse Rock

Number forty-seven said to number three
"You're the cutest jailbird I ever did see"
"I sure would be delighted with your company"
"Come on and do the Jailhouse Rock with me"
Let's rock, everybody, let's rock.
Everybody in the whole cell block
Was dancin' to the Jailhouse Rock.

Jailhouse Rock - 2

Sad sack was sittin' on a block of stone
Way over in the corner weepin' all alone.
The warden said, "Hey, buddy, don't you be no square
"If you can't find a partner use a wooden chair"
Let's rock, everybody, let's rock
Everybody in the whole cell block
Was dancin' to the Jailhouse Rock

Shifty Henry said to Bugs, "For Heaven's sake,"
"No one's lookin', now's our chance to make a break"
Bugsy turned to Shifty and he said, "Nix nix,
"I wanna stick around a while and get my kicks"
Let's rock, everybody, let's rock
Everybody in the whole cell block
Was dancin' to the Jailhouse Rock
Dancin' to the Jailhouse Rock, Dancin' to the Jailhouse
Rock, (repeat)

Jammin'

Ooh, yeah! All right!

We're jammin':

I wanna jam it wid you.

We're jammin', jammin',

And I hope you like jammin', too.

Ain't no rules, ain't no vow, we can do it anyhow:

I'n'I will see you through,

'Cos everyday we pay the price with a little sacrifice,

Jammin' till the jam is through.

We're jammin' -

To think that jammin' was a thing of the past;

We're jammin',

And I hope this jam is gonna last.

No bullet can stop us now, we neither beg nor we won't bow;

Neither can be bought nor sold.

We all defend the right; Jah - Jah children must unite:

Your life is worth much more than gold.

We're jammin' (jammin', jammin', jammin')

And we're jammin' in the name of the Lord;

We're jammin' (jammin', jammin', jammin'),

We're jammin' right straight from Yah.

Yeh! Holy Mount Zion;

Holy Mount Zion:

Jah sitteth in Mount Zion

And rules all creation.

Jammin' - 2

Yeah, we're - we're jammin' (wotcha-wa),
Wotcha-wa-wa-wa, we're jammin' (wotcha-wa),
See, I wanna jam it wid you
We're jammin' (jammin', jammin', jammin')
I'm jammed: I hope you're jammin', too.

Jam's about my pride and truth I cannot hide
To keep you satisfied.
True love that now exist is the love I can't resist,
So jam by my side.

We're Jammin' (jammin', jammin', jammin'), yeah-eah-eah!
I wanna jam it wid you.
We're jammin', we're jammin', we're jammin', we're jammin',
We're jammin', we're jammin', we're jammin', we're jammin';
Hope you like jammin', too.

We're jammin', we're jammin' (jammin'),
We're jammin', we're jammin' (jammin').
I wanna (I wanna jam it wid you) - I wanna -
I wanna jam wid you now.
Jammin', jammin' (hope you like jammin' too).

Eh-eh! I hope you like jammin', I hope you like jammin',
'Cause (I wanna jam it wid you). I wanna ... wid you.
I like - I hope you - I hope you like jammin', too.
I wanna jam it;
I wanna jam it.

It's just your jive talkin' - You're telling me lies, yeah
Jive talkin' - You wear a disguise
Jive talkin' - So misunderstood, yeah
Jive talkin' - You really no good

[Verse]

Oh, my child - You'll never know
Just what you mean to me
Oh, my child - You got so much
You're gonna take away my energy

Good lovin' - Still gets in my eyes
Nobody - Believes what you say
It's just your Jive talkin' - That gets in the way

{Instrumental}

[Verse]

Oh my love - You're so good
Treating me so cruel
There you go - With your fancy lies
Leavin' me lookin' like a dumbstruck fool

Jive Talkin' - 2

With all your Jive talkin' - You're telling me lies, yeah
Jive talkin' - You wear a disguise
Jive talkin' - So misunderstood, yeah
Jive talkin' - You just ain't no good

Love talkin' - Is all very fine, yeah
Jive talkin' - Just isn't a crime
And if there's Somebody - You'll love till you die
Then all that jive talkin' - just gets in your eye

{Instrumental} - Break

Jive talkin' - You're telling me lies, yeah
Good lovin' - Still gets in my eyes
Nobody - Believes what you say
It's just your Jive talkin' - That gets in the way

Jive talkin', - Just isn't a crime
And if there's Somebody - You'll love till you die
Then all that Jive talkin' - Just gets in your eye
Jive talkin'

Johnny B. Goode

Way down Louisiana close to New Orleans,
Way back up in the woods among the evergreens...
There stood a log cabin made of earth and wood,
Where lived a country boy name of Johnny B. Goode...
He never ever learned to read or write so well,
But he could play the guitar like ringing a bell.

[Chorus]

Go Go - Go Johnny Go Go Go - Go Johnny Go Go Go
Go Johnny Go Go Go - Go Johnny Go Go Go
Johnny B Goode

[Chorus]

He use to carry his guitar in a gunny sack
And sit beneath the trees by the railroad track.
Oh, the engineers used to see him sitting in the shade,
Playing to the rhythm that the drivers made.
People passing by would stop and say
Oh my that little country boy could play

[Chorus]

His mama told him someday he would be a man,
And he would be the leader of a big old band.
Many people coming from miles around
To hear him play his music when the sun go down
Maybe someday his name would be in lights
Saying Johnny B. Goode tonight.

Joy To The World

Jeremiah was a bullfrog
Was a good friend of mine
I never understood a single word he said
But I helped him a-drink his wine
And he always had some mighty fine wine, Singin'...

[Chorus]

Joy to the world
All the boys and girls now
Joy to the fishes in the deep blue sea
Joy to you and me

If I were the king of the world
Tell you what I'd do
I'd throw away the cars and the bars and the war
Make sweet love to you
Sing it now...

[Chorus] → [Solo]

You know I love the ladies
Love to have my fun
I'm a high life flyer and a rainbow rider
A straight shootin' son-of-a-gun
I said a straight shootin' son-of-a-gun

[Chorus] repeat until fade

Jump Jive An' Wail

Baby, baby it looks like it's gonna hail

Baby, baby it looks like it's gonna hail

You betta come inside let me teach you how to jive an' wail

{Chorus}

You gotta jump, jive and then you wail

You gotta jump, jive and then you wail

You gotta jump, jive and then you wail

You gotta jump, jive and then you wail

You gotta jump, jive and then you wail away

{Solo}

Papa's in the icebox lookin' for a can of ale

Papa's in the icebox lookin' for a can of ale

Mama's in the backyard learnin' how to jump an' wail

{Chorus} → {Solo}

A woman is a woman, a man ain't nothin but a male

A woman is a woman, a man ain't nothin but a male

One good thing about him, he knows how to jump an' wail

(Key Change): Jack and Jill went up the hill to get a pail

Jack and Jill went up the hill to get a pail

Jill stayed up she wants to learn how to jump an' wail

{Chorus} → {Key Change} → {Chorus}

Just My Imagination

Each day through my window I watch out as she passes by
I say to myself - "You're such a lucky guy"
To have a girl like her is truly a dream come true
Out of all the fellows in the world she belongs to you

{Chorus}

But it was just my imagination - Runnin' away with me
It was just my imagination - Runnin' away with me

Soon we'll be married and raise a family
A cozy little home out in the country, -
With 2 children, maybe 3
I tell you ahh, ahh, and as the wind blows
This couldn't be a dream all too real it all seems

{Chorus}

Every night on my knees I pray
Dear Lord, hear my plea
Don't ever let another take her love from me
Or I will surely die, her love is
Heavenly when her arms enfold me
I hear her tender laugh so deep
But in reality, she doesn't even know me

{Chorus} - {Chorus}

Just The Two Of Us

I see the crystal raindrops fall, And the beauty of it all
When the sun comes shining through
To make those rainbows in my mind, When I think of you some time
And I want to spend some time with you

CHORUS:

Just the two of us - We can make it if we try
Just the two of us
Just the two of us - Building castles in the sky
Just the two of us, You and I

We look for love, no time for tears, Wasted waters all that is
And it don't make no flowers grow
Good things might come to those who wait, Not to those who wait to late
We got to go for all we know

CHORUS:

I hear the crystal raindrops fall, On the window down the hall
And it becomes the morning dew
Darling, when the morning comes, And I see the morning sun
I want to be the one with you

CHORUS

Just the two of us - Let's get together, baby
Just the two of us - We can make it
Just the two of us - We can make it
Just the two of us
Just the two of us - We can make it

Just The Way You Are

Don't go changing, to try and please me
You never let me down before - mmmmm
Don't imagine you're too familiar
And I don't see you anymore

I would not leave you in times of trouble
We never could have come this far - mmmmm
I took the good times, I'll take the bad times
I'll take you just the way you are

(Bridge)

I need to know that you will always be
The same old someone that I knew
Ah, What will it take till you believe in me
The way that I believe in you.

I said I love you and that's forever
And this I promise from the heart - mmmmm
I could love you any better
I love you just the way you are.

SOLO

I don't want clever conversation
I never want to work that hard
I just want someone that I can talk to
I want you just the way you are.

Just The Way You Are

Ahhhhh - Ahhhhhh - Ahhhhhh - Ahhhhhh

Oh her eyes, her eyes - Make the stars look like they're not shinin'
Her hair, her hair - Falls perfectly without her trying
She's so beautiful - And I tell her everyday - Yeah

I know, I know - When I compliment her she won't believe me
And it's so, it's so - Sad to think that she don't see what I see
But every time she asks me, "Do I look okay?" - I say...

[Chorus]

When I see your face - There's not a thing that I would change
'Cause you're amazing - Just the way you are
And when you smile - The whole world stops an' stares for a while
'Cause, girl, you're amazing - Just the way you are - Yeah!

Her lips, her lips - I could kiss them all day if she'd let me
Her laugh, her laugh - She hates but I think it's so sexy
She's so beautiful - And I tell her everyday

Oh you know, you know, you know - I'd never ask you to change
If perfect's what you're searching for - Then just stay the same
So don't even bother asking if you look okay - You know I'll say,

[Chorus]

The way you are - The way you are
Girl, you're amazing - Just the way you are

[Chorus]

Kansas City

I'm going to Kansas City, Kansas City here I come
I'm going to Kansas City, Kansas City here I come
They got a crazy way of loving there
And I'm gonna get me some

I'll be standing on the corner
On the corner of Twelfth Street and Vine
I'm gonna be standing on the corner
On the corner of Twelfth Street and Vine
With my Kansas City baby and a bottle of Kansas City wine

Well I might take a train I might take a plane
But if I have to walk I'm gonna get there just the same
I'm going to Kansas City, Kansas City here I come
They got a crazy way of loving there
And I'm gonna get me some

I'm gonna pack my clothes Leave at the break of dawn
I'm gonna pack my clothes Leave at the break of dawn
Everybody will be sleepin' -
Nobody will know where I've gone
Cause if I stay in town I know I'm gonna die.
Gotta find a friendly city And that's the reason why,
I'm going to Kansas City Kansas City here I come
They got a crazy way of loving there
And I'm gonna get me some.

(Ad Lib with breaks)

Knockin' On Heaven's Door

[Verse]

Mama, take this badge off of me
I can't use it anymore.
It's gettin' dark, too dark for me to see
I feel like I'm knockin' on heaven's door.

[Chorus]

Knock, knock, knockin' on heaven's door
Knock, knock, knockin' on heaven's door
Knock, knock, knockin' on heaven's door

Knock, knock, knockin' on heaven's door
Knock, knock, knockin' on heaven's door
Knock, knock, knockin' on heaven's door
Knock, knock, knockin' on heaven's door

Kung Fu Fighting

Everybody was kung-fu fighting
Those cats were fast as lightning
In fact it was a little bit frightening
But they fought with expert timing

They were funky China men from funky Chinatown
They were chopping them up and they were chopping them down
It's an ancient Chinese art and everybody knew their part
From a feint into a slip, and kicking from the hip

Everybody was kung-fu fighting
Those cats were fast as lightning
In fact it was a little bit frightening
But they fought with expert timing

There was funky Billy Chin and little Sammy Chung
He said here comes the big boss, lets get it on
We took a bow and made a stand, started swinging with the hand
The sudden motion made me skip now we're into a brand new trip

Everybody was kung-fu fighting
Those cats were fast as lightning
In fact it was a little bit frightening
But they did it with expert timing

(repeat)..make sure you have expert timing
Kung-fu fighting, had to be fast as lightning

Lady In Red

I've never seen you looking so lovely as you did tonight
I've never seen you shine so bright, mmm, mmm, mmm
I've never seen so many men ask you if you wanted to dance
They're looking for a little romance, given half a chance
I have never seen that dress you're wearing
Or the highlights in your hair that catch your eyes
I have been blind

[Chorus]

The lady in red is dancing with me cheek to cheek
There's nobody here, it's just you and me, It's where I wanna be
But I hardly know this beauty by my side
I'll never forget, the way you look tonight

I've never seen you looking so gorgeous as you did tonight
I've never seen you shine so bright you were amazing
I've never seen so many people want to be there by your side
And when you turned to me and smiled, It took my breath away
I have never had such a feeling
Such a feeling of complete and utter love, as I do tonight

[Chorus]

The way you look tonight
I never will forget, the way you look tonight
The lady in red... The lady in red
The lady in red... My lady in red (I love you.)

Lady Is A Tramp

She gets too hungry, for dinner at eight
She loves the theater, but doesn't come late
She'd never bother, with people she'd hate
That's why the lady is a tramp

Doesn't like crap games, with barons and earls
Won't go to Harlem, in ermine and pearls
Won't dish the dirt, with the rest of those girls
That's why the lady is a tramp

She loves the free, fresh wind in her hair
Life without care
She's broke, but it's o.k.
She hates California, it's cold and it's damp
That's why the lady is a tramp

Doesn't like dice games, with sharpies and frauds
Won't go to Harlem, in Lincolns or Fords
Won't dish the dirt, with the rest of those broads
That's why the lady is a tramp

Land of a Thousand Dances

Lay Down Sally

There is nothing that is wrong
In wanting you to stay here with me.
I know you've got somewhere to go,
But won't you make yourself at home and stay with me?
And don't you ever leave.

[Chorus]

Lay down, Sally, and rest you in my arms.
Don't you think you want someone to talk to?
Lay down, Sally, no need to leave so soon.
I've been trying all night long just to talk to you.

The sun ain't nearly on the rise
And we still got the moon and stars above.
Underneath the velvet skies,
Love is all that matters. Won't you stay with me?
And don't you ever leave.

[Chorus]

I long to see the morning light
Coloring your face so dreamily.
So don't you go and say goodbye,
You can lay your worries down and stay with me.
And don't you ever leave.

[Chorus 2x]

Le freak

[Chorus] (2X)

Ah, freak out, Le freak, c'est chic, Freak out

Ah, freak out, Le freak, c'est chic, Freak out

Have you heard about the new dance craze

Listen to us, I'm sure you'll be amazed

Big fun to be had by everyone

It's up to you, it surely can be done

Young and old are doing it, I'm told

Just one try, and you too will be sold

It's called Le Freak, they're doing it night and day

Allow us, we'll show you the way

[Chorus]

[VERSE 2]

All that pressure got you down

Has your head spinning all around

Feel the rhythm, check the rhyme

Come on along and have a real good time

Like the days of stomping at the Savoy

Now we freak, oh what a joy

Just come on down, two fifty four

Find a spot out on the floor

[Chorus]

Now freak...

I said freak...

Now freak...

[VERSE 2] -- [Chorus] 2X

Lean On Me

Sometimes in our lives,
We all have pain, we all have sorrow
But, if we are wise,
We know that there's, always tomorrow

{CHORUS}

Lean on me when your not strong
I'll be your friend I'll help you carry on
For it won't be long
'Til I'm gonna need somebody to lean on

Please swallow your pride,
If I have faith, you need to borrow
For no one can feel,
Those of your needs, that you won't let show

{BRIDGE}

Just call on me brother when you need a hand
We all need somebody to lean on
I just might have a problem that you'll understand
We all need somebody to lean on

{CHORUS} → Solo → {BRIDGE}

If there is a load,
You have to bear, that you can't carry
I'm right up the road,
I'll share your load, if you just call me → Ad lib: Call me

Learn To Fly

Run and tell all of the angels
This could take all night
Think I need a devil to help me get things right
Hook me up a new revolution
Cause this one is a lie
We sat around laughing and watched the last one die

[Chorus]

I'm looking to the sky to save me
Looking for a sign of life
Looking for something to help me burn out bright
I'm looking for a complication
Looking cause I'm tired of lying (trying)
Make my way back home when I learn to fly

I think I'm done nursing the patience
It can wait one night
I'd give it all away if you give me one last try

We'll live happily ever trapped if you just save my life
Run and tell all the angels that everything is alright. . .

[Chorus]

Make my way back home when I learn to...

Fly along with me, I can't quite make it alone
Try and make this life my own

[Chorus] 2X

Make my way back home when I learn to fly **(2X)**

Let The Good Times Roll

Hey everybody, let's have some fun
You only live but once and when you're dead you're done
So let the good times roll - Let the good times roll
I don't care if you're young or old, -
Get together & let the good times roll

Don't stand there moaning, talking trash
If you wanna have some fun, -
You'd better go out & spend some cash
And let the good time roll - Let the good time roll
I don't care if you're young or old,
Get together & let the good times roll

Hey mister landlord, lock up all the doors
When the police comes around, tell them joint is closed
Let the good times roll Let the good times roll
And Lord I don't care if you young or old,
That's good enough to let the good times roll

Hey everybody! Tell everybody!
That B.B. and Bobby's in town
I got a dollar and a quarter - And I'm just raring to clown
Don't let nobody play me cheap
I got fifty cents to know that I'm gonna keep
Let the good times roll Let the good times roll
I don't care if you're young or old
Let's get together and let the good times roll

[Chorus] (Let's - we ought to stay together)

[Chorus]

Let's Straighten It Out

Sit yourself down girl, and talk to me
And tell me what's on your mind
Don't you keep on tellin' me everything's okay
'Cause if it was then you wouldn't be cryin'

You've been tossin' and turnin' in your sleep lately baby
Sittin' around poutin' all day long
Now how in the hell do expect me to understand
When I don't even know what's wrong

{Chorus}

Let's straighten it out, let's straighten it out
Let's straighten it out, let's straighten it out

For the last five nights, honey, when we went to bed
I could tell something just wasn't right
When you turned your back 2 me and you covered your head
You didn't even say good night

If you're tired and you don't want to be bothered baby
Just say the word and I'll leave you alone
Instead of lyin' there cryin' your eyes out baby
You and me ought to be getting it on

Little Red Corvette

I guess I shoulda known - By the way u parked your car sideways
That it wouldn't last

See you're the kinda person - That believes in makin' out once
Love 'em and leave 'em fast

I guess I must be dumb - 'Cuz U had a pocket full of horses
Trojan and some of them used

But it was Saturday night - I guess that makes it all right
And U say what have I got 2 lose? - And honey I say

[Chorus]

Little red corvette - Baby you're much 2 fast
Little red corvette - U need a love that's gonna last

I guess I shoulda closed my eyes - When U drove me 2 the place
Where your horses run free

'Cuz I felt a little ill - When I saw all the pictures
Of the jockeys that were there before me

Believe it or not - I started to worry
I wondered if I had enough class

But it was Saturday night - I guess that makes it all right
And U say, "Baby, have U got enough gas?"
Oh yeah

[Chorus]

Little Red Corvette - page 2

A body like yours (A body like yours)
Oughta be in jail (Oughta be in jail)
'Cuz it's on the verge of bein' obscene
('Cuz it's on the verge of bein' obscene)

Move over baby (Move over baby)
Gimme the keys (Gimme the keys)
I'm gonna try 2 tame your little red love machine
(I'm gonna try 2 tame your little red love machine)

[Chorus] w/ ad libs

Girl, U got an ass like I never seen
And the ride... I say the ride is so smooth U must be a limousine

[Chorus]

'Cuz if U don't, 'cuz if U don't,
U gonna run your body right into the ground (Right into the ground)
Right into the ground (Right into the ground)
Right into the ground (Right into the ground)

Little Sister

[Chorus]

Little sister, don't you - Little sister, don't you
Little sister, don't you kiss me once or twice
Then say it's very nice. And then you run
Little sister, don't you do what your big sister done

Well, I dated your big sister - And took her to a show
I went for some candy, Along came Jim Dandy
And they snuck right out of the door

[Chorus]

Ev'ry time I see your sister - Well she's got somebody new
She's mean and she's evil, Like that little old Bo' Weevil
Guess I'll try my luck with you

[Chorus]

Well, I used to pull your pigtails -
And pinch your turned-up nose
But you been a growin', And baby, it's been showin'
From your head down to your toes

[Chorus]

Little sister, don't you do what your big sister done **(2X)**

Little Wing

Well she's walking through the clouds
With a circus mind that's running wild
Butterflies and zebras and moonbeams and fairly tales,
That's all she ever thinks about...
Riding the wind

When I'm sad she comes to me
With a thousand smiles she gives to me free
It's alright, she says, it's alright,
Take anything you want from me, anything.
Fly on, little wing.

Livin' La Vida Loca

She's into superstition... Black cats and voodoo dolls
I feel a premonition... That girls gonna make me fall
She's into new sensations... New kicks in the candle light
She's got a new addiction... For every day and night

She'll make you take your clothes off an' go dancin' in the rain
She'll make you live her crazy life & she'll take away your pain
Like a bullet to the brain... Come on

[Chorus]

Upside, inside out... She's livin' la vida loca
She'll push and pull you down... Livin' la vida loca
Her lips are devil red... And her skin's the color mocha
She will wear you out... Livin' la vida loca
She's livin' la vida loca... She's livin' la vida loca

Woke up in New York City... In a funky cheap motel
She took my heart and she took my money...
She must have slipped me a sleeping pill

She never drinks the water Makes you order French champagne
Once you've had a taste of her You will never be the same
She will make you go insane... Come on

[Chorus]

Livin' On A Prayer

Once upon a time -- Not so long ago

Tommy used to work on the docks

Unions been on strike He's down on his luck

It's tough, so tough

Gina works the diner all day

Working for her man, she brings home her pay

For love - for love

Pre-Chorus:

She says we've got to hold on to what we've got

'Cause it doesn't make a difference If we make it or not

We've got each other and that's a lot

For love - well give it a shot

Chorus:

Whooah, were half way there

Whooah, Livin on a prayer

Take my hand and well make it - I swear

Whooah, Livin on a prayer

Tommy's got his six string in hock

Now he's holding in what he used To make it talk

So tough, its tough

Gina dreams of running away

When she cries in the night Tommy whispers baby its okay

Someday

Pre-Chorus:

Chorus

We've got to hold on ready or not

You live for the fight when its all that you've got

The Loco-Motion

Everybody's doin' a brand-new dance, now

(Come on baby, do the Loco-motion)

I know you'll get to like it if you give it a chance now

(Come on baby, do the Loco-motion)

My little baby sister can do it with me;

It's easier than learning your A-B-C's,

So come on, come on, do the Loco-motion with me.

You gotta swing your hips, now. Come on, baby.

Jump up, jump back. Well now, I think you've got the knack

Now that you can do it, let's make a chain, now.

(Come on baby, do the Loco-motion)

A chug-a chug-a motion like a railroad train, now.

(Come on baby, do the Loco-motion)

Do it nice and easy, now, don't lose control:

A little bit of rhythm and a lot of soul.

So come on, come on, do the Loco-motion with me.

Move around the floor in a Loco-motion.

(Come on baby, do the Loco-motion)

Do it holding hands if you get the notion.

(Come on baby, do the Loco-motion)

There's never been a dance that's so easy to do.

It even makes you happy when you're feeling blue,

So come on, come on, do the Loco-motion with me.

Love And Happiness

(Slow *Rubato*) - Love and happiness

Something that can make you do wrong, make you do right.

Love...

Love and happiness

Something's goin' wrong, someone's on the phone

It's three o'clock in the morning, talkin' 'bout

How she can make it right

Happiness is when you really feel good about somebody

There's nothin' wrong with bein' in love with someone

Love and happiness, love and happiness

(Music Interlude)

Love and happiness, love and happiness

Be good to me, I'll be good to you

We be together, see each other

Walk away with victory

Baby's into runnin' round - Hangin' with the crowd
Putting your business in the street - Talkin' out loud
Sayin' you bought her this and that -
And how much you done spent
I swear she must believe - Its all heaven sent
Hey boy - You better bring the chick around
To the sad sad truth - The dirty lowdown

(Oooh oooh - I wonder wonder wonder wonder who)
Taught her how to talk like that
(Oooh oooh.. - I wonder wonder wonder wonder who)
Gave her that big idea

Nothin' you can't handle - Nothin' you ain't got
Put your money on the table - And drive it off the lot
Turn on that old lovelight - And turn a maybe to a yes
Same old schoolboy game - Got you into this mess
Hey son - You better get back to town
Face the sad old truth - The dirty lowdown

(Oooh oooh - I wonder wonder wonder wonder who)
Put those ideas in your head
(Oooh oooh - I wonder wonder wonder wonder who)

[Instrumental]

Lowdown - 2

Yeah

Come on back down to earth son -
Dig the low low low low lowdown

[Solo]

You ain't got to be so bad - Got to be so cold
This dog eat dog existence - Sure is gettin' old
Got to have a Jones for this - Jones for that
This runnin' with the Jones's boy - Just ain't where it's at
You gonna come back around - To the sad sad truth..The
dirty lowdown

(Oooh oooh - I wonder wonder wonder wonder who)
Got you thinking like that boy
(Oooh oooh - I wonder wonder wonder wonder who)

[Instrumental]

I wonder wonder wonder wonder who
Said I wonder wonder wonder wonder who
Oh look out for that lowdown - That dirty dirty dirty lowdown
I wonder wonder wonder wonder who
Ooooh hooo - I wonder who got you thinking like that...

Macarena

[Verse 1]

Dale a tu cuerpo alegría Macarena
Que tu cuerpo es pa' darle alegría y cosa buena
Dale a tu cuerpo alegría, Macarena Hey Macarena

Macarena tiene un novio que se llama
Que se llama de apellido Vitorino,
Que en la jura de bandera el muchacho
Se metio con dos amigos
Macarena tiene un novio que se llama
Que se llama de apellido Vitorino,
Y en la jura de bandera el mucacho
Se metio con dos amigos

[Verse 1]

Macarena sueña con El Corte Ingles
Que se compra los modelos mas modernos
Le gustaria vivir en Nueva York
Y ligar un novio nuevo
Macarena sueña con El Corte Ingles
Que se compra los modelos mas modernos
Le gustaria vivir en Nueva York
Y ligar un novio nuevo

Man In The Mirror

I'm gonna make a change - For once in my life
It's gonna feel real good - Gonna make a difference
Gonna make it right...

As I, turn up the collar on - My favorite winter coat
This wind is blowin' my mind
I see the kids in the street With not enough to eat
Who am I, to be blind? Pretending not to see their needs

A summer's disregard A broken bottle top
And a one man's soul
They follow each other on The wind ya' know
'Cause they got nowhere to go That's why I want you to know

[CHORUS]

I'm starting with the man in the mirror
I'm asking him to change his ways
And no message could have been any clearer
If you wanna make the world a better place
Take a look at yourself, and then make a change
(na na na, na na na, na na, na nah)

I've been a victim of A selfish kind of love
It's time that I realize
That there are some with no home Not a nickel to loan
Could it be really me Pretending that they're not alone?

A willow deeply scarred Somebody's broken heart
And a washed-out dream (Washed-out dream)
They follow the pattern of The wind, ya' see
Cause they got no place to be That's why I'm starting with me

[CHORUS] 2x

(Key change)

[CHORUS]

(You gotta get it right, while you got the time)
('cause when you close your heart) (Then you close your...mind!)

Masquerade

Are we really happy here
With this lonely game we play
Lookin' for words to say
Searching but not finding understanding anyway
We're lost in a masquerade

Both afraid to say we're just so far away
From being close together from the start
We tried to talk it over but the words got in the way
We're lost - inside - this lonely game we play

Thoughts of leaving disappear
Every time I see your eyes
No matter how hard I try
To understand the reasons
That we carry on this way
We're lost in a masquerade

Me And Mrs. Jones

Me and Mrs. Jones, we've got a thing goin' on
We both know that it's wrong, but it's much too strong
To let it go now
We meet every day at the same cafe
Six-thirty and no one knows we'll be there
Holding hands, making all sorts of plans
While the jukebox plays our favorite song
Me And Mrs. - Mrs. Jones, Mrs. Jones, Mrs. Jones, Mrs. Jones

We've got a thing goin' on
We both know that it's wrong, but it's much too strong
To let it go now
We gotta be extra careful, that we don't build our hopes up too high
'Cause she's got her own obligations
And so, and so do I
Me And Mrs. - Mrs. Jones, Mrs. Jones, Mrs. Jones, Mrs. Jones

We've got a thing goin' on
We both know that it's wrong, but it's much too strong
To let it go now
Well it's time for us to be leaving
It hurts so much, it hurts so much, inside
Now she'll go her way, and I'll go mine
Tomorrow we'll meet at the same place and the same time
Me and Mrs. - Mrs. Jones, Mrs. Jones, Mrs. Jones, Mrs. Jones

{Ad lib}
Thing goin' on
We gotta be extra careful, we can't afford to build our hopes up too high
I wanna meet, and talk with you
At the same place, the same cafe, the same time
And we gonna hold hands like we used to
We're gonna talk it over talk it over
We know, they know, you know and I know that it was wrong
But our thing is strong, we gotta let 'em know now
We got a thing goin' on, we got a thing goin' on

Memphis Tennessee

Long distance information, give me Memphis Tennessee
Help me find the party trying to get in touch with me
She could not leave her number, -
But I know who placed the call
'Cuz my uncle took the message and he wrote it on the wall

Help me, information, get in touch with my Marie
She's the only one who'd phone me here from -
Memphis Tennessee
Her home is on the south side, high up on a ridge
Just a half a mile from the Mississippi Bridge

Help me, information, more than that I cannot add
Only that I miss her and all the fun we had
But we were pulled apart because her mom did not agree
And tore apart our happy home in Memphis Tennessee

Last time I saw Marie she's waving me good-bye
With hurry home drops on her cheek -
That trickled from her eye
Marie is only six years old, information please
Try to put me through to her in Memphis Tennessee

Mercy Mercy Me

Verse 1:

Ah, mercy, mercy me,
Ah, things ain't what they used to be, no, no.
Where did all the blue skies go?
Poison is the wind that blows from
The north and south and east.

Verse 2:

Mercy, mercy me,
Ah, things ain't what they used to be, no, no.
Oil wasted on the ocean and upon
Our seas fish full of mercury,

Verse 3:

Oh, mercy, mercy me.
Ah, things ain't what they used to be, no, no, no.
Radiation underground and in the sky;
Animals and birds who live near by are dying.

Verse 4:

Oh, mercy, mercy me.
Ah, things ain't what they used to be.
What about this over crowded land?
How much more abuse from man can she stand?

Minnie The Moocher

Hey folks here's the story 'bout Minnie the Moocher
She was a low-down Hoochie Koocher
She was the roughest toughest frail
But Minnie had a heart as big as a whale

Hidey Hidey Hidey Hi (Hidey Hidey Hidey Hi)
Hodey odey odey oh (Hodey odey odey oh)
Heedey Heedey Heedey Hee (Heedey Heedey Heedey Hee)
Hidey Hidey Hidey Ho (Hidey Hidey Hidey Ho)

She messed around with a bloke named smokey
She loved him though he was cokey
He took her down to Chinatown
And showed her how to kick the gong around

Hidey Hidey Hidey Hi (Hidey Hidey Hidey Hi)
Whoooooooooaaaap! (Whoooooooooaaaap!)
Heedey Heedey Heedey Hee (Heedey Heedey Heedey Hee)
Hidey Hidey Hidey Ho (Hidey Hidey Hidey Ho)

She had a dream about the King of Sweden
He gave her things that she was needin'
He gave her a home built of gold and steel
A diamond car with the platinum wheels

He gave her is townhouse and his racin' horses
Each meal she ate was a dozen courses
Had a million dollars worth of nickels and dimes
She sat around and counted them a million times

Poor Min'... Poor Min'... Poor Min'....

Misty

Look at me,
I'm as helpless as a kitten up a tree
And I feel like I'm clinging to a cloud
I can't understand,
I get misty just holding your hand.

Walk my way,
And a thousand violins begin to play
Or it might be the sound of your hello
That music I hear,
I get misty the moment you're near

You can say that you're leading me on
But it's just what I want you to do
Don't you notice how hopelessly I'm lost
That's why I'm following you.

On my own,
Would I wander through this wonderland alone
Never knowing my right foot from my left,
My hat from my glove,
I'm too misty, and too much in love.

Mony Mony

Here she comes now, say, Mony, Mony.
Shoot 'em down, turn around, come on, Mony.
Hey, she give me love and I feel all right now.
You gotta toss and turn in the middle of the night,
And I feel all right.
I say Yeah (Yeah) Yeah (Yeah)

'Cause you make me feel (Mony, Mony)
So (Mony, Mony) good.(Mony, Mony)
Well I feel all right, Yeah (Yeah) Yeah (Yeah)

Wake me, shake me, Mony, Mony
Shot gun dead and come on, Mony,
Don't stop cookin', it feels so good Yeah

(Yeah) Yeah (Yeah) Yeah.....

'Cause You make me feel (Mony, Mony)
So (Mony, Mony) good.(Mony, Mony)

Moondance

Well it's a marvelous night for a Moon-dance
With the stars up above in your eyes
Fantabulous night to make romance
'Neath the cover of October skies
And all the leaves on the trees are falling
To the sound of the breezes that blow
And I'm trying to please to the calling
Of your heart-strings that play soft and low

And all the night's magic seems to whisper and hush
And all the soft moonlight seems to shine in your blush
Can I just have one more Moon-dance with you my love?
Can I just have some more romance with you my love?

Well I want to make love to you tonight
I can't wait till the morning has come
And I know now the time is just right
And straight into my arms you will run
And when you come my heart will be waiting
To make sure that you're never alone
There and then all my dreams will come true dear
There and then I will make you my own

And every time I touch you, you just tremble in-side
And I know how much you want me that you can't hide
Can I just have one more Moon-dance with you my love?
Can I just have some more romance with you my love?

Mustang Sally

Mustang Sally

Guess you better slow your Mustang down

Mustang Sally now baby

Guess you better slow your Mustang down

You've been runnin' all over town now

Oh, I guess I have to put your flat feet on the ground

[Verse 2]

I bought you a brand new Mustang - 1995

Now you come around, signifi'n woman

You don't wanna let me a ride

Mustang Sally now baby

Guess you better slow that Mustang down

You've been runnin' all over town

Oh, I got to put your flat feet on the ground

[Chorus]

All you wanna do, is ride around Sally, *Ride, Sally ride!*

All you wanna do, is ride around Sally, *Ride, Sally ride!*

All you wanna do, is ride around Sally, *Ride, Sally ride!*

All you wanna do, is ride around Sally, *Ride, Sally ride!*

One of these early mornin's

Gonna be wipin' your weepin' eyes

My Cherie Amour

La la la la la la

La la la la la la

My Cherie Amour, lovely as a summer's day
My Cherie Amour, distant as the Milky Way
My Cherie Amour, pretty little one that I adore
You're the only girl my heart beats for
How I wish that you were mine

In a cafe or sometimes on a crowded street
I've been near you, but you never notice me
My Cherie Amour, won't you tell me how could you ignore
That behind that little smile I wore
How I wish that you were mine

Maybe someday you'll see my face among the crowd
Maybe someday I'll share your little distant cloud
Oh, Cherie Amour, pretty little one that I adore
You're the only girl my heart beats for
How I wish that you were mine

La la la la la la

La la la la la la

My First, My Last, My Everything

My first, my last, my everything
And the answer to all my dreams
You're my sun, my moon, my guiding star
My kind of wonderful, that's what you are

I know, there's only, only one like you
There's no way, they could have made two
Girl you're all I'm livin' for, your love I'll keep for
evermore
You're the first, you're the last, my everything

In you, I find, so many things
My love for you, only you, could bring
Can't you see if you, you make me feel this way
You're like the fresh morning dew, on a brand new day

I've seen, so many ways that I
Can love you till, the day I die
You're my reality
Yet I'm lost and I-I-I'm fee
You're the first, you're the last, my everything

My Funny Valentine

My funny Valentine
Sweet comic Valentine
You make me smile with my heart
Your looks are laughable
Unphotographable
Yet you're my favorite work of art

Is your figure less than Greek
Is your mouth a little weak
When you open it to speak
Are you smart?

But don't change a hair for me
Not if you care for me
Stay little Valentine stay
Each day is Valentine's day

Is your figure less than Greek
Is your mouth a little weak
When you open it to speak
Are you smart?

But don't you change one hair for me
Not if you care for me
Stay little Valentine stay
Each day is Valentine's day

My Girl

I've got sunshine... On a cloudy day
When it's cold outside... I've got the month of May

I guess you say
What can make me feel this way?
My Girl, My Girl, My Girl
Talkin' 'bout My Girl, My Girl

I've got so much honey... The bees envy me
I've got a sweeter song... Than the birds in the tree

Well, I guess you say
What can make me feel this way?
My Girl, My Girl, My Girl
Talkin' 'bout My Girl, My Girl - Ooh, ooh,

Hey, hey, hey - Hey, hey, hey

I don't need no money... Fortune or fame
I've got, all the riches baby... One man can claim

Well, I guess you say
What can make me feel this way?
My Girl, My Girl, My Girl
Talkin' 'bout My Girl, My Girl - (Ad lib)

My Kind Of Town

Now this could only happen to a guy like me
And only happen in a town like this
And so I say to each of you most gratefully
As I throw each one of you a kiss

This... is... My kind of town, Chicago is
My kind of town, Chicago is
My kind of people too
People who, smile at you

And each time I roam, Chicago is
Calling me home, Chicago is
One town that won't let you down
It's my kind of town

My kind of town, Chicago is
My kind of town, Chicago is
My kind of razzmatazz
And it has, all that jazz

And each time I leave, Chicago is
Tuggin' my sleeve, Chicago is
The Wrigley Building, Chicago is
The Chicago Cubbies, Chicago is
One town that won't let you down
It's my kind of town

My Prerogative

(Chorus:)

Everybody's talking all this stuff about me Why don't they just let me live?
I don't need commission, make my own decisions That's my prerogative

They say I'm crazy - I really don't care That's my prerogative
They say I'm nasty - But I don't give a damn Getting girls is how I live
Some messy questions - Why am I so real? But they don't undersand me
I really don't know the deal about her brother Trying hard to make it right
Not long ago Before I win this fight, sing

(Chorus:)

It's my prerogative (it's my prerogative)
It's the way that I wanna live (it's my prerogative)
I can do just what I feel (it's my prerogative)
No one can tell me what to do (it's my prerogative)
'Cause what I'm doing I'm doing for you

Don't get me wrong I'm really not souped
Ego trips is not my thing
All these strange relationships really gets me down
I see nothing wrong in spreading myself around

(Chorus)

I can do what I wanna do (it's my prerogative)
I can live my life (it's my prerogative)
And I'm doing it just for you (it's my prerogative)

Tell me, tell me why can't I live my life
Live my life without all of the things That people say oh

Yo, teddy kick it like this
Oh no no I can do what I wanna do
Me and you together together together together together
(Repeat chorus ad lib and fade)

My Way

And now, the end is near;
And so I face the final curtain.
My friend, I'll say it clear,
I'll state my case, of which I'm certain.

I've lived a life that's full.
I've traveled each and ev'ry highway;
But more, much more than this,
I did it my way.

Regrets, I've had a few;
But then again, too few to mention.
I did what I had to do
And saw it through without exemption.

I planned each charted course;
Each careful step along the byway,
But more, much more than this,
I did it my way.

[Bridge]

Yes, there were times, I'm sure you knew
When I bit off more than I could chew.
But through it all, when there was doubt,
I ate it up and spit it out.
I faced it all and I stood tall;
And did it my way.

I've loved, I've laughed and cried.
I've had my fill; my share of losing.
And now, as tears subside,
I find it all so amusing

To think I did all that;
And may I say - not in a shy way,
"No, oh no not me,
I did it my way".

[Bridge]

For what is a man, what has he got?
If not himself, then he has naught.
To say the things he truly feels;
And not the words of one who kneels.
The record shows I took the blows -
And did it my way!

New York, New York

Start spreading the news, I'm leaving today
I want to be a part of it - New York, New York
These vagabond shoes, are longing to stray
Right through the very heart of it - New York, New York

I wanna wake up in a city, that doesn't sleep
And find I'm king of the hill - top of the heap

These little town blues, are melting away
I'll make a brand new start of it - in old New York
If I can make it there, I'll make it anywhere
It's up to you - New York, New York

[Instrumental]

New York, New York
I want to wake up in a city, that never sleeps
And find I'm A number one, Top of the list,
King of the hill, A number one

These little town blues, are melting away
I'm gonna make a brand new start of it - in old New York
And if I can make it there, I'm gonna make it anywhere

It up to you - New York, New York - New York

No Woman No Cry

No woman no cry *No woman no cry*

No woman no cry *No woman no cry*

Say I remember when we used to sit
in the government yard in Trenchtown
Ob- observing all the hypocrites
as they'd mingle with the good people we met
Good friends we had and good friends we lost
along the way
in this bright future
you can forget your past
so dry your tears I say.

No woman no cry *No woman no cry*

Hey little darling don't shed no tears *No woman no cry*

I remember when we used to sit
in the government yard in Trenchtown
and then Georgie would make a fire light
as it was love wood burning through the night
and we would cook wholemeal porridge
of which I'd share with you
my feet is my only carriage
so I've got to push on through
but while I'm gone (I mean it)
everything's gonna be all right

No woman no cry *No woman no cry*

Oh my little sister don't shed no tears *No woman no cry*

Oh Girl

Oh, girl - I'd be in trouble if you left me now
'Cause I don't know where to look for love
I just don't know how

Oh, girl - How I depend on you
To give me love when I need it
Right on time you would always be

All my friends call me a fool
They say, "Let the woman take care of you"
So I try to be hip and think like the crowd
But even the crowd can't help me now oh...oh...oh...oh...oh

Oh, girl - Tell me what am I gonna do
I know I've got a guilty face
Girl, I feel so out of place, oh, yeah...yeah...
Don't know where to go, who to see, yeah

Oh, girl - I guess I better go
I can save myself a lot of useless tears
Girl, I've gotta get away from here

Oh, girl - Pain will double if you leave me now
'Cause I don't know where to look for love
And I don't, I don't know how

Oh, yeah - Mmm...hmm...Oh, girl
Why do I love you so, yeah Mmm...
Better be on my way, I can't stay
Have you ever seen such a helpless man Oh...oh...no...

Oh, What A Night

Oh, what a night - Late December back in '63
What a very special time for me - As I remember, what a night

Oh, what a night - You know I didn't even know her name
But I was never gonna be the same - What a lady what a night

{B}

Oh, I... I got a funny feelin' when she walks... me in the room
As... I... as I recall it ended much too soon

Oh, what a night - Hypnotize and mesmerizin' me
She was everything I'd dreamed she'd be - Sweet surrender what a night

{Music interlude}

{C}

I felt a rush like the rollin' from the thunder
Spinnin' my head around and takin' my body under - Oh, what a night

{Music interlude}

{B}

Oh, what a night - Why'd it take so long to see the light
Seemed so wrong but now it seems so right - What a lady what a night

{Music interlude}

{C}

Oh, what a night... Oh, what a night...

Old Time Rock'n Roll

Take those old records off the shelf
I'll sit an' listen to 'em by myself
Today's music ain't got the same soul
I like that old time rock'n roll

Don't try to take me to a disco
You'll never even get me out on the floor
In 10 minutes I'll be late for the door
I like that old time rock'n roll

{CHORUS}

Still like that old time rock'n roll
That kind of music just soothes the soul
I'll reminisce about the days of old
With that old time rock'n roll

Solo

Won't go to hear 'em play a tango
I'd rather hear some blues or funky old soul
There's only one sure way to get me to go
Start playing old time rock n' roll

Call me a relic, call me what you will
Say I'm old fashioned, Say I'm over the hill
Today's music ain't got the same soul
I like that old time rock'n roll

{CHORUS} - Solo - {CHORUS} - {CHORUS} *A cappella* - Solo

On Broadway

They say the neon lights are bright on Broadway
They say there's always magic in the air
But when you're walkin' down the street
And you ain't had enough to eat
The glitter rubs right off and you're nowhere

They say the women treat you fine on Broadway
But lookin' at them just gives me the blues
'Cause how ya gonna make some time
When all you got is one thin dime
And one thin dime won't even shine your shoes

They say that I won't last too long on Broadway
I'll catch a greyhound hound bus for home they all say
But they're dead wrong I know they are
'Cause I can play this here guitar
And I won't quit till I'm a star on Broadway

One In A Million

{VERSE}

Love had played it's games on me so long
I started to believe I'd never find anyone
Doubt had tried to convince me to give in
Said "You can't win"

{VERSE}

But one day the sun came shining through
The rain had stopped and the skies were blue
And oh, what a revelation... To see
Someone was saying "I love you" to me

{CHORUS}

A one in a million
Chance of a lifetime
And life showed compassion
And sent to me a stroke of love called you
A one in a million you

{VERSE}

I was a lonely man with empty arms to fill
Then I found a piece of happiness to call my own
And life is worth living again
For to love you to me is to live

{CHORUS} → {CHORUS}

Piano Man

It's nine o'clock on a Saturday - The regular crowd shuffles in
There's an old man sitting next to me - Makin' love to his tonic & gin
He say Son can you play me a memory - I'm not really sure how it goes
But it's sad and it's sweet and I knew it complete -
When I wore a younger man's clothes
Da da da de de dada da de de da da da

[Chorus]

Sing us a song, you're the piano man - Sing us a song tonight
Well we're all in the mood for a melody - & you've got us feelin' alright

Now John at the bar is a friend of mine - He gets me my drinks for free
And he's quick with a joke or to light up your smoke -
But there's someplace that he'd rather be
He says Bill I believe this is killing me -
As the smile ran away from his face
Well I'm sure that I could be a movie star - If I could get out of this place

[Chorus]

Now Paul is a real estate novelist - Who never had time for a wife
And he's talking with Davy who's still in the navy -
And probably will be for life
& the waitress is practicing politics - As a businessmen slowly gets stoned
Yes, they're sharing a drink they call loneliness
But it's better than drinking alone

It's a pretty good crowd for a Saturday - & the manager gives me a smile
'Cause he knows that it's me they've been coming to see -
To forget about life for a while.
& the piano sounds like a carnival - & the microphone smells like a beer
And they sit at the bar and put bread in my jar
And say "Man, what are you doin' here?"
Da da da de de dada da de de da da da ➔ **[Chorus]**

Pink Cadillac

Well now you may think I'm foolish - for all the foolish things I do
You may wonder why I love you - when u get on my nerves like u do
Well baby you know you bug me - well there ain't no doubt about that
Come on over here and hug me - hey baby, I'll spill the facts
Honey it ain't your money - 'cause I got plenty of that

{CHORUS}:

I love you for your Pink Cadillac - crushed velvet seats
Drivin' down the road - cruisin' down the streets
Wavin' at the girls - peelin' out of sight
Spendin' all my money on a Saturday night
Honey, I just wonder what you do there in the back
Of your Pink Cadillac, Pink Cadillac

INSTR.

Well, way back in the bible - temptation always comes along
There's always somebody temptin' - and doin' somebody wrong
They tempt you with their silver - they tempt you with their gold
And they tempt you with the pleasures - that flesh does surely hold
They say Eve tempted Adam with an apple - but I ain't going for that

I know it was her **{CHORUS}** -- **{SOLO}**

Well some folks say it's too old - and it uses too much gas
Some folks say that it's too big - and it's movin' way too fast
It's bigger than a Honda - and it's bigger than a Subaru
And there's only one place baby - and only one car that'll do
Well we don't have to drive it - 'cause we can park it out in back

And have a party in your **{CHORUS}**

Play That Funky Music White Boy

Once I was a boogie singer - Playin' in a rock 'n roll band
I never had no problems - Rollin' down the one night stands
And everything around me - Got to stop to feelin' so low
And I decided quickly - To disco down and check out the show

{BREAK}

And they were dancin' and singin' and movin' to the groovin'
And just when it hit them somebody turned around and shouted
Play that funky music white boy, Play that funky music right
Play that funky music white boy...
Lay down the boogie and play that funky music 'til you die

I tried to understand this-I thought that they were out of there minds
How could I be so foolish - To not think I was the one behind
So still I kept on fighting - Losin' every step of the way
I said I must go back there - To check if things still the same

{BREAK}

At first it wasn't easy - Changin' rock 'n rollin' minds
And things were gettin' shaky -
I thought I'd have to leave them behind
But now it's so much better it's so much better -
I'm funk' out in every way
But I'll never lose that feelin' you know I won't -
Of how I learned my lesson that day

{BREAK}

Play That Song

[Chorus 1]

Play that song - The one that makes me go all night long
The one that makes me think of you - That's all you gotta do

Hey Mister DJ - When you gonna spin it
My baby's favorite record - She been waiting for a minute
She invited all her friends - And I'm buying all the rounds
And they're all dolled up - DJ please don't let me down

When you gonna play that song, now - When you gonna earn that pay
When you gonna play that song - And make my day - She said

[Chorus 1] - Hey

[Chorus 2]

Play that song - The one that makes me stay out till dawn
The one that makes me go ooh - That's all you gotta do

Hey Mister Guitar - When you gonna strum it
My girl just heard this song - And you should play it cause she loves it
Can you get me off the hook - Get them fingers picking now
I'll throw some money in your cup - Mister please don't let me down

When you gonna play that song, now - Why you gotta hesitate
When you gonna play that song - And make my day - She said

[Chorus 1] - Hey - **[Chorus 2]**

Oh, wait till you see my baby - Mooove... moooove... moooove
Oh, wait till you see my baby - Mooove... moooove... moooove
Oh, come on now

[Chorus 1] - Hey - **[Chorus 2]**

That's all you gotta do - That's all you gotta do - That's all you gotta do

Pride & Joy

Well you've heard about Lovin' giving sight to the blind
My baby's lovin' cause the sun to shine
And she's my sweet little thang - She's my pride & Joy
She my sweet little baby - I'm her little loverboy

Yeah I love my baby with my heart and soul
Love like ours won't ever grow old
And she's my sweet little thang - She's my pride & Joy
She my sweet little baby - I'm her little loverboy

Yeah I love my lady - She's long and lean
You mess with her you see a man get mean
And she's my sweet little thang - She's my pride & Joy
She my sweet little baby - I'm her little loverboy

Well I love my baby Like the finest wine
Stick with her until the end of time
And she's my sweet little thang - She's my pride & Joy
She my sweet little baby - I'm her little loverboy

Yeah I love my baby with my heart and soul
Love like ours won't ever grow old
And she's my sweet little thang - She's my pride & Joy
She my sweet little baby - I'm her little loverboy

Proud Mary

Left a good job in the city
Workin' for the man ev'ry night and day
And I never lost one minute of sleepin'
Worryin' 'bout the way things might have been

[Chorus]

Big wheel keep on turnin'
Proud Mary keep on burnin'
Rollin', rollin', rollin' on the river
Rollin', rollin', rollin' on the river

Cleaned a lot of plates in Memphis
Pumped a lot of tain down in New Orleans
But I never saw the good side of the city
'Til I hitched a ride on a river boat queen

[Chorus]

{Solo}

If you come down to the river
Bet you gonna find some people who live
You don't have to worry if you got no money
People on the river are happy to give

[Chorus]

Purple Haze

Purple haze... All in my brain
Lately things... Just don't seem the same
Actin' funny... And I don't know why
'Scuse me... While I kiss the sky

Purple haze... All around
Don't know... If I'm comin' up or down
Am I happy... Or in misery
What ever it is that girl... Put a spell on me

Purple haze, All in my eye
Don't know... If it's day or night
You got me blowin'... Blowin' my mind... Is it...
Tomorrow... Or just the end of time

Purple Rain

I never meant 2 cause u any sorrow
I never meant 2 cause u any pain
I only wanted 2 one time see u laughing
I only wanted 2 see u laughing in the purple rain

[Chorus]

Purple rain, Purple rain - Purple rain, Purple rain
Purple rain, Purple rain...
I only wanted 2 see u bathing in the purple rain

I never wanted 2 be your weekend lover
I only wanted 2 be some kind of friend
Baby I could never steal u from another
It's such a shame our friendship had 2 end

[Chorus] - I only wanted 2 see u underneath the purple rain

Honey I know, I know, I know times are changing
It's time we all reach out 4 something new
That means u 2U say u want a leader
But u can't seem 2 make up your mind
I think u better close it
And let me guide u 2 the purple rain

[Chorus] - If you know what I'm singing about up here

[Chorus] - C'mon raise your hand

[Chorus] - I only want 2 see u, only want 2 see u in the purple rain

Raspberry Beret

1 - 2 - 1, 2, 3, - Yeah

I was working part time in a five-and-dime
My boss was Mr. McGee
He told me several times that he didn't like my kind
'Cause I was a bit 2 leisurely

Seems that I was busy doing something close 2 nothing
But different than the day before
That's when I saw her, Ooh, I saw her
She walked in through the out door, out door

[Chorus]

She wore a raspberry beret - The kind U find in a 2nd hand store
Raspberry beret - & if it was warm she wouldn't wear much more
Raspberry beret - I think I love her

Built like she was - She had the nerve 2 ask me
If I planned 2 do her any harm
So look here - I put her on the back of my bike & we went riding
Down by old man Johnson's farm

I said now, overcast days never turned me on
But something about the clouds and her mixed
She wasn't 2 bright
But I could tell when she kissed me - She knew how 2 get her kicks

[Chorus]

Raspberry Beret - 2

The rain sounds so cool when it hits the barn roof
And the horses wonder who U are
Thunder drowns out what the lightning sees
Honey U feel like a movie star

Listen - They say the first time ain't the greatest
But I tell ya - If I had the chance 2 do it all again
I wouldn't change a stroke - 'Cause baby I'm the most
With a girl as fine as she was then

[Chorus] w/ ad libs

(The kind U find, The kind U find, Oh no no,
Where have all the raspberry women gone?
Yeah, I think I... I think I... I think I love her)

[Chorus] w/ ad libs

(No No No, No No, Tell me,
Where have all the raspberry women gone?
I think I love)

Reach Out I'll Be There

Now if you feel that you can't go on
Because all of your hope is gone
And your life is filled with much confusion
Until happiness is just an illusion
And your world around is crumbling down, darlin'

[Pre-Chorus] - *Reach out* - Come on girl reach out for me
Reach out - Reach out for me

[Chorus 1] - Hah, I'll be there - With a love that will shelter you
I'll be there with a love that will see you through

When you feel lost and about to give up
'Cause your best just ain't good enough
And you feel the world has grown cold
And you're drifting out all on your own
And you need a hand to hold, darlin'

[Pre-Chorus] ➔

[Chorus 2] - Hah, I'll be there - To love and comfort you
And I'll be there - To cherish and care for you

I'll be there - To always see you through
I'll be there - To love and comfort you

I can tell the way you hang your head
You're not in love now, now you're afraid
And through your tears you look around
But there's no peace of mind to be found, I know what you're thinking
You're a loner, no love of your own, but darling

[Pre-Chorus] - Just look over your shoulder
I'll be there - To give you all the love you need
And I'll be there - You can always depend on me - I'll be there...

A Real Mother For Ya

Wanna buy a new car
But the price ain't right (Ha ha! Ain't that cold)
Be a downside cheaper (Yes it would)
Start riding a bike - Huh, listen!
They're making milk out of powder (yeah they are)
Got the baby's crying

Rent gone up higher (Yes it is)
Got the parents lying

Lord, it's a real mother for ya yeah
Make you wanna run for cover (Yes it will)
And if you look you will discover yeah
Lord, it's a real mother for ya yeah

Good God... Listen, Got to go to a disco
Throw your troubles away
Dance to the music yeeeaah
That the DJ play (well alright)
And then the lights come on yeah
Like you knew they would
Go home and face the music
That don't sound too good (Ha ha! Ain't that cold... Listen!)

A Real Mother For Ya - 2

[Guitar Solo]

Lord, it's a real mother for ya

Red House

There's a red house over yonder,
That's where my baby stays.
There's a red house over yonder, baby,
That's where my baby stays.
Well, I ain't been home to see my baby
In about ninety nine and one half days,
'Bout time I see her.

Wait a minute, something's wrong.
The key won't unlock the door.
Wait a minute, something's wrong, baby.
The key won't unlock the door.
I got a bad, bad feeling;
That my baby don't live here no more.

I might as well go on back down,
Go back 'cross yonder over the hill.
I might as well go back over yonder
Way back yonder 'cross the hill *That's where I come from*
'Cos if my baby don't love me no more.
I know her sister will!

Red, Red Wine

Red, red wine goes to my head,
Makes me forget that I still need her so

Red, red wine, it's up to you
All I can do I've done
Memories won't go, memories won't go

Life is fine every time,
Thoughts of you leave my head
I was wrong, now I find
Just one thing makes me forget

Red, red wine, stay close to me
Don't let me be alone
It's tearing apart my blue heart

Red red wine, you make me feel so fine,
You keep me rockin' all of the time
Red red wine, you make me feel so grand,
I feel a million dollar when you're just in my hand
Red red wine, you make me feel so sad,
Any time I see you go, it make me feel bad
Red red wine, you make me feel so fine,
Monkey back and ease up on the sweet deadline

Red, Red Wine - page 2

Red red wine, you give me holy pahzing
Holy pahzing, you make me do my own thing
Red red wine, you give me not awful love
Your kind of lovin' like a blessing from above
Red red wine, I loved you right from the start,
Right from the start, and with all of my heart
Red red wine in an eighties style
Red red wine in a modern beat style - Yeah

Give me a little time, let me clear out my mind
Give me a little time, let me clear out my mind
Give me red wine, the kind make me feel fine
You make me feel fine all of the time
Red red wine, you make me feel so fine
Monkey back and ease up on the sweet deadline
The line broke, the money get choked,
Bunbah, ganjapani, little rubber boat
Red red wine, I'm gonna hold on to you,
Hold on to you 'cause I know you love truth
Red red wine, I'm gonna love you till I die,
Love you till I die, and that's no lie
Red red wine, can't get your off my mind
Wherever you may be, I'll surely find,
I'll surely find. Make no fuss, just leave us

Respect Yourself

If you disrespect everybody that you run into
How in the world do think everybody's supposed to respect you
If you don't give a heck about the man with the bible in his hand
Then get out the way and let the gentleman do his thing
You the kind of gentleman that fought everything your way
Take the sheet off your face, boy, It's a brand new day

Respect yourself, respect yourself - Respect yourself, respect yourself

If you don't respect yourself, ain't nobody gonna give a good ca hoot
Respect yourself, respect yourself - Respect yourself, respect yourself

Scat Interlude

If you're walkin' 'round thinkin' that the -
world owes you somethin' 'cause you're here
You goin' out the world backwards like -
you did when you first come here
Keep talkin' 'bout the president, won't stop air pollution
Put your hand o'er your mouth when you cough -
that'll help the solution

Oh, you curse around woman folk you don't even know there names
Then your dumb enough to think they were makin' you a big old man

Respect yourself, respect yourself - Respect yourself, respect yourself

Right Next Door / Because Of Me

Music Intro (4 bars)

I could hear the couple fighting right next door
Their angry words sound clear through these thin walls
Around midnight I heard him shout unfaithful one
And I new right then the ax was gonna fall
It's because of me, it's because of me

I heard him shout who is he she mumbled low
He said baby don't you lie to me no more
And I'm listening through these thin walls in silent shame
As she called out my name, I was right next door
It's because of me, it's because of me
Because of me, it's because of me

{Chorus}

She was right next door and I'm such a strong persuader
She was just another notch on my guitar
She's gonna lose the man that really loves her
In the silence I can hear them breakin' hearts

Solo

Music Intro (4 bars)

At daybreak I hear 'em pack and say good-bye
I could hear him slam the door and walk away
Right next door I hear that woman start to cry
I should go to her but what would I say

{Chorus} 2x - Solo

Rock This Town

Well, My baby and me went out late Saturday night
I had my hair piled high and my baby just looked so right
Well, pick you up at ten, gotta have you home at two
Mama don't know what I caught off of you
But that's all right cause we're looking as cool as can be

Well, we found a little place that really didn't look half bad
I had a whisky on the rocks, And change of a dollar for the jukebox
Well, I put the cold rock into that can
But all they played was disco, man
Come on, baby, baby, let's get out of here right away

CHORUS:

We're gonna rock this town, Rock it inside out
We're gonna rock this town, Make'em scream and shout
Let's rock, rock, rock, man, rock
We're gonna rock till you pop, We're gonna rock till you drop
We're gonna rock this town, Rock it inside out

Well, we're having a ball just 'a bopping on the big dance floor
Well, there's a real square cat, he looks a 1974
Well, he looked at me once, he looked at me twice
Look at me again and there's gonna be fight
We're gonna rock this town, We're gonna rip this place apart

CHORUS - Rock this place apart

CHORUS - Rock this place apart

We're gonna rock this town, Rock it inside out
We're gonna rock this town, Rock it inside out
We're gonna rock this town, Rock it inside out

Rock With You

Girl, close your eyes - Let that rhythm get into you

I wanna rock with you *all night* - Were gonna rock the nite away

Out on the floor - There ain't nobody there but us

Just take it slow - cause we got so far to go
When you feel that heat - And were gonna ride the boogie
Share that beat of love

Runaround Sue

Here's my story, sad but true
It's about a girl that I once knew
She took my love then ran around
With every single guy in town

Ah, I should have known it from the very start
This girl will leave me with a broken heart
Now listen people what I'm telling you
A-keep away from-a Runaround Sue

I miss her lips and the smile on her face
The touch of her hair and this girl's warm embrace
So if you don't wanna cry like I do
A-keep away from-a Runaround Sue

Ah, she likes to travel around
She'll love you but she'll put you down
Now people let me put you wise
Sue goes out with other guys

Here's the moral and the story from the guy who knows
I fell in love and my love still grows
Ask any fool that she ever knew, they'll say
Keep away from-a Runaround Sue

(Solo) ➔ (Repeat last verse)

Sarah Smile

Baby hair, with a woman's eye
I could feel you watching in the night
All alone with me, Ahh,
We're waiting for the sunrise

When I feel cold, you warm me
And when I feel I can't go on, you come and hold me
It's you, and me forever - Sarah - Smile
Now hold your smile a while for me Sarah, smile

Now if you feel like leavin' - You know you can go
But why don't you stay until tomorrow
Now if you want to be free - you know that
All you got to do is say so

When you feel cold, I warm you
And when you feel you can't go on, I come and hold you
It's you, and me forever - Sarah - Smile
Now hold your smile a while for me Sarah, smile

Solo

It's you, and me forever - Sarah - Smile
Now won't you smile a while for me Sarah, smile

(Ad lib) Smile a while now won't you laugh a little bit, for a minute
You know you make me feel
You make me feel like a man now keepin' me crazy, crazy
Smile a while, - Now won't you smile a while for me Sarah, smile
Sarah, smile - Now won't you smile a while for me Sarah, smile

(I) Second That Emotion

Maybe you want to give me kisses sweet
But only for one night with no repeat
Maybe you'd go away and never call
And a taste of honey is worse than none at all (oh little girl)

Chorus:

In that case I don't want no part
That would only break my heart - Oh!
But if you feel like loving me If you got the notion
I second that emotion - Said!
If you feel like giving me A lifetime of devotion
I second that emotion

Maybe you think that love would tie you down
You ain't got the time to hang around
Maybe you think that love was made for fools
So it makes you wise to break the rules

Chorus

Jam on Verse and Chorus Chords (x2)

Chorus

Well, if you feel like giving me
A lifetime of devotion... (to fade)

Do you remember the 21st night of September?
Love was changing the mind of pretenders

In the key that our souls were singing.
As we danced in the night,

Would you get behind them if you could only find them?
She's my baby, she's my baby,
Yeah, it's alright.

She's got hair down to her fanny.
She's kinda jet set, try undo her panties.
Everytime she's dancin' she knows what to do.
Everybody wants to see if she can use it.

She's got legs, she knows how to use them.
She never begs, she knows how to choose them.

She took my arm - I don't know how it happened
We took the floor and she said...

Signed, Sealed, Delivered

Like a fool I went and stayed too long
But now I'm wondering if our love's still strong
Ooh, baby, Here I am, signed, sealed, delivered, I'm yours

Then the time I went and said good-bye
Now I'm back and not ashamed to cry
Ooh, baby, Here I am, signed, sealed, delivered, I'm yours

{CHORUS}

Now here I am baby, oh yeah, you got my future in your hands
Here I am baby, oh yeah, you got my future in your hands
Said a lot of foolish things that I really didn't mean
Should be a stronger man

Seen a lot of things in this old world
And I've touched some very pretty girls
Ooh, baby, Here I am, signed, sealed, delivered, I'm yours

Ooh-wee baby, you set my soul on fire
And that's I know your my, heart's only desire
Ooh, baby, Here I am, signed, sealed, delivered, I'm yours

Simple Man

Well, mama told me, - When I was young
Said sit beside me, - My only son,
And listen closely - To what I say
And if you do this, - It'll help you some sunny day

Ah - Yeah, it will

Oh, take your time, - Don't live too fast
Troubles will come - And they will pass
You'll find a woman - And you'll find love
And don't forget that - There is a someone up above

[Chorus]

Be a simple kind of man
Be a something you love and understand
Baby, be a simple kind of man
Oh, won't you do this for me, son, if you can - *If you can*

Forget your lust from - The rich man's gold
All that you need now - Is in your soul
And you can do this *Oh, baby* - If you try
All that I want from you, my son, - Is to be satisfied

[Chorus]

Oh, don't you worry - You'll find yourself
Follow your heart - And nothing else
And you can do this *Oh, baby* - If you try
All that I want from you, my son, - Is to be satisfied

[Chorus]

634-5789

If you need a little lovin', call on me all right
And if you want a little huggin', call on me baby
I'll be right here at home
All you got to do is pick up the telephone and dial now

No more lonely nights, where you'll be alone
All you got to do is pick up the telephone and dial now

{CHORUS}

Oh, I'll be right there
Just as soon as I can
And if I'll be a little bit late now
I hope that you'll understand

Music Interlude

And if you need a little lovin', call on me - Lord have mercy

Smokin Gun

I get a constant busy signal when I call you on the phone
I get a strong uneasy feeling you're not sitting there alone
I'm having nasty nasty visions and baby you're in every one, yeah
And I'm so afraid I'm gonna find you with
A still hot and smokin gun

Maybe you want to end it, you've had your fill of my kind of fun
but you don't know how to tell me & you know that I'm not that dumb
I put 2 and 1 together and you know that's not an easy sum
and I know just where to find you with
A still hot and smokin gun

instrumental bridge

I'm standing here bewildered, I can't remember just what I've done
I can hear the sirens whining, my eyes blinded by the sun
I know that I should be running, my heart's beating just like a drum
Now they've knocked me down and takin it,
A still hot and smokin gun

Yeah still hot and smokin gun
Yes they've taken it
Still hot and smokin gun
Oh they've taken it
Still hot and smokin gun
Knocked me down, taken it...

Smooth

Man it's a hot one
Like seven inches from the midday sun
I hear you whisper & the words melt everyone
But you stay so cool
My mu-equita, my Spanish Harlem Mona Lisa
Your my reason for reason
The step in my groove

[BRIDGE]

And if you say this life ain't good enough
I would give my world to lift you up
I could change my life to better suit your mood
Cause you're so smooth

[CHORUS]

And just like the ocean under the moon
Well that's the same emotion that I get from you
You got the kind of lovin that can be so smooth
Gimme your heart, make it real
Or else forget about it

I'll tell you one thing
If you would leave it would be a crying shame
In every breath and every word I hear your name calling me out
Out from the barrio, you hear my rhythm from your radio
You feel the turning of the world so soft and slow
Turning you round and round

Smooth Criminal

As he came into the window - It was the sound of a crescendo
He came into her apartment - He left the bloodstains on the carpet
She ran underneath the table - He could see she was unable
So she ran into the bedroom - She was struck down, it was her doom

[CHORUS 1]

Annie are you ok? - So, Annie are you ok - Are you ok, Annie
Annie are you ok? - So, Annie are you ok - Are you ok, Annie
Annie are you ok? - So, Annie are you ok? - Are you ok, Annie?
Annie are you ok? - So, Annie are you ok, are you ok, Annie?

[CHORUS 2]

Annie are you ok? Will you tell us that you're ok?
There's a sign in the window, That he struck you - a crescendo Annie
He came into your apartment, He left the bloodstains on the carpet
Then you ran into the bedroom You were struck down It was your doom

[CHORUS 1]

You've been hit by - You've been hit by -v a smooth criminal

So they came into the outway - It was Sunday - what a black day
Mouth to mouth resus - citation - Sounding heartbeats - intimidations

[CHORUS 2]

CHORUS 1]

Okay, I want everybody to clear the area right now!

[CHORUS 2] - With ad libs

Some Guys Have All The Luck

Alone in a crowd on a bus after work - And I'm dreaming
The guy next to me has a girl in his arms - My arms are empty
How does it feel when the girl next to you - Says she loves you
It seem so unfair when there's love everywhere -
But there's none for me

[Chorus]

Some guys have all the luck - Some guys have all the pain
Some guys get all the breaks - Some guys do nothin' but complain

Someone to take on a walk by the lake - Lord let it be me
Someone who's shy, Someone who'll cry - At sad movies
I know I would die if I ever found out - She was fooling me
You're just a dream and as real as it seems - I ain't that lucky

[Chorus]

All of my friends have a ring on their finger - They have someone
Someone to care for them it ain't fair - I got no one
The car overheated I called up & pleaded - There's help on the way
I called you collect you didn't accept - You had nothing to say

[Chorus]

But if you were here with me - I'd feel so happy I could cry
You are so dear to me - I just can't let you say goodbye

Somewhere Over The Rainbow

Somewhere over the rainbow
Way up high,
There's a land that I heard of
Once in a lullaby.

Somewhere over the rainbow
Skies are blue,
And the dreams that you dare to dream
Really do come true.

Someday I'll wish upon a star
And wake up where the clouds are far
Behind me.
Where troubles melt like lemon drops
Away above the chimney tops
That's where you'll find me.

Somewhere over the rainbow
Bluebirds fly.
Birds fly over the rainbow.
Why then, oh why can't I?

If happy little bluebirds fly
Beyond the rainbow
Why, oh why can't I?

Soul Man

Comin' to you, on a dusty road
Good lovin', I got a truck load
And when you get it, you got somethin'
So look out mama, cause I'm comin'

{Chorus}

I'm a soul man, I'm a soul man
I'm a soul man, I'm a soul man

Got what I got, the hard way
And I'll make it better, each and everyday
So don't you worry, and don't you sweat
Cause you ain't seen, nothing yet

{Chorus}

I was brought up, on a side street
I learned how to love, before I could eat
I was educated, in good stock
When I start lovin', I just can't stop

{Chorus}

{Bridge}

So grab a rope, And I'll pull you in
Give you hope, And be your only boyfriend yeah, yeah,

{Guitar Intro 2x} → {Chorus} Repeat 'til cue

(Blue) Spanish Eyes

Blue Spanish eyes,
Tear drops are falling from your Spanish eyes.

Please, please don't cry,
This is just "adios" and not "goodbye."

Soon, I'll return,
Bringing you all the love your heart can hold.

Please say, "Si, Si,"
Say you and your Spanish eyes will wait for me.

Blue Spanish eyes,
Prettiest eyes in all of Mexico.

Blue Spanish eyes,
Please, smile for me once more before I go.

Soon, I'll return,
Bringing you all the love your heart can hold.

Please say, "Si, Si,"
Say you and your Spanish eyes will wait for me.
You and your Spanish eyes will wait for me.

Spanish Harlem

There is a rose in Spanish Harlem
A red rose up in Spanish Harlem
It is a special one, it's never seen the sun
It only comes out when the moon is on the run
And all the stars are gleaming
It's growing in the street right up through the concrete
But soft and sweet and dreamin'

There is a rose in Spanish Harlem
A red rose up in Spanish Harlem
With eyes as black as coal that look down in my soul
And starts a fire there and then I lose control
I have to beg your pardon
I'm going to pick that rose and watch her as she grows in my garden

<instrumental interlude>

I'm going to pick that rose and watch her as she grows in my garden

(There is a rose in Spanish Harlem)

La-la-la, la-la-la, la-la-la-la

(There is a rose in Spanish Harlem)

La-la-la, la-la-la, la-la-la-la

(There is a rose in Spanish Harlem)

FADE

Spooky!

In the cool of the evening
When everything is getting kinda groovy
I call you up and ask you
Would you like to go with me and see a movie
At first you say no you've got some plans for tonight
And then you stop... and say... alright
Love is kinda crazy with a spooky little girl like you

You always keep me guessing
I never seem to know what you are thinking
And if a fellow looks at you
For sure your little eye will be a-winking
I get confused cause I don't know where I stand
And then you smile... and hold my hand
Love is kinda crazy with a spooky little girl like you
Spooky!

{Solo}

If you decide
Someday to stop this little game that you are playing
I'm gonna tell you all the things
My heart's been a-dying to be saying
Just like a ghost you've been a-haunting my dreams
And I propose... on Halloween
Love is kinda crazy with a spooky little girl like you
Spooky! - Spooky! - I said Spooky - Aw, Hey Hey!

Stand By Me

When the night has come
And the land is dark
And the moon is the only light we'll see

No I won't be afraid
No I won't be afraid
Just as long as you stand, stand by me

{CHORUS}

So darling, darling, stand by me
Oh, stand by me
Oh, stand, stand by me, stand by me

If the sea, that we look upon
should tumble and fall
Or the mountain should crumble in the sea

I won't cry, I won't cry
No I won't, shed a tear
Just as long as you stand, stand by me

{CHORUS} → Solo

{CHORUS} - 2x

Star Spangled Banner

Oh, say can you see
By the dawn's early light
What so proudly we hailed
At the twilight's last gleaming?

Whose broad stripes and bright stars
Thru the perilous fight,
O'er the ramparts we watched
Were so gallantly streaming?

And the rocket's red glare,
The bombs bursting in air,
Gave proof through the night
That our flag was still there.

Oh, say does that star-spangled
Banner yet wave
O'er the land of the free
And the home of the brave?

Statesboro Blues

(Here we go, Statesboro Blues, take one:)

One, two, three, four!

Wake up, mama, turn your lamp down low

Wake up, mama, now, turn your lamp down low

Have you got the nerve to hide (drive) Willie McTell from your door?

You know I woke up in the mornin', now, I had them Statesboro Blues

I woke up this morning now, I had them Statesboro Blues

I looked over in the corner, grandma and grandpa had 'em too

Mama got 'em, papa got 'em, sister got 'em, everybody got 'em

I'm goin' to the country, mama do you wanna go?

If I can't take you, I believe I'll take three or four more

Mama died and left me reckless, papa died and left me wild, wild, wild

Mama died and left me reckless, papa died and left me wild

Ya know I ain't good lookin', but I'll stumble on a sweet angel-child

(Alt. lyric : "I'm gonna find me a sweet angel-child")

Mama got 'em, (doncha know ?), papa got 'em, sister got 'em,

Stayin' Alive

{Verse 1}

Well, you can tell by the way I use my walk
I'm a woman's man, no time to talk
Music loud & women warm - I've been kicked around since I was born
And now it's all right, it's okay - And you may look the other way
We can try to understand - the New York Times' effect on man

[Chorus]

Whether you're a brother or whether you're a mother you're
Stayin' alive, stayin' alive
Feel the city breakin' and everybody shakin' and we're
Stayin' alive, stayin' alive
Ah, ah, ah, ah, stayin' alive, stayin' alive
Ah, ah, ah, ah, stayin' alive

Well now, I get low and I get high --
And if I can't get either, I really try
Got the wings of heaven on my shoes -
I'm a dancin' man & I just can't lose
You know it's all right, it's okay -- I'll live to see another day
We can try to understand -- the New York Times' effect on man

[Chorus]

{Bridge}

Life goin' nowhere, somebody help me -- Somebody help me, yeah
Life goin' nowhere, somebody help me -- Somebody help me, yeah
I'm Stayin' alive

{Verse 1} -- [Chorus] -- {Bridge}

Steamroller Blues

Well, I'm a steamroller, baby
I'm bound to roll all over you
Yes, I'm a steamroller, baby
I'm bound to roll all over you
I'm gonna inject your soul with
Some sweet rock 'n roll
And shoot you full of rhythm and blues

Well, I'm a cement mixer
A churning urn of burning funk
Yes, I'm a cement mixer for you, baby
A churning urn of burning funk
Well, I'm a demolition derby
A hefty hunk of steaming junk

Now, I'm a napalm bomb, baby
Just guaranteed to blow your mind
Yeah, I'm a napalm bomb for you, baby
Guaranteed to blow your mind
And if I can't have your love for my own
Sweet child, won't be nothing left behind.

It seems how lately, baby
Got a bad case steamroller blues

Steppin' Out, Steppin' In

I came home this mornin' and oh, what a shock
When I found out my key no longer fits my lock
She said "Oh baby, You can go back to where you've been
See you've been steppin' out, now someone else was steppin' in

You see I was a fool that you could count on
The one that you could call when no one else was at home
Oh baby, Remember how you treated me then
See you've been steppin' out, now someone else was steppin' in

{Bridge}

So cry your heart out you won't get through to me
I'm a brand new woman and everyone could see
A new way of walkin' that's long over due
My broken heart has mended and I'm finally over you

{3rd VERSE}

You see I got a new way of wearin' my hair
Got a smile on my face and you didn't put it there
Oh, baby, I done found myself a new friend
See you've been steppin' out, now someone else was steppin' in

{Solo} → {Bridge} → {3rd VERSE}

{TAG}

See you've been steppin' out, now someone else was steppin' in
See you've been steppin' out, now someone else was steppin' in

Stir It Up

{Chorus}

Stir it up, little darlin' stir it up

Stir it up, little darlin' stir it up

It's been a long, long time

Since I've had you on my mind

But now you are here, it's so very clear

So much we can do baby

Me and you, come on

{Chorus}

See I'll push the wood, light the fire

And be everything that your, heart desires

And I was starin' starin' starin' starin' every minute

And all you gotta do is, keep me in it

{Chorus} ➔ {Music Interlude}

Stormy Monday

They call it stormy Monday
But Tuesday's just as bad.
They call it stormy Monday
But Tuesday's just as bad.
Lord and Wednesday's worse
And Thursday's all so sad

The eagle flies on Friday,
Saturday I go out to play
The eagle flies on Friday,
Saturday I go out to play
Sunday I go to church, yeah
Gonna kneel down and pray.

Lord have mercy,
Lord have mercy on me.
Lord have mercy,
Lord have mercy on me.
Though I'm tryin' and tryin' to find my baby,
Won't someone please send her home (to me).

Strokin'

When I start makin' love ... I don't just make love...
I be strokin'... That's what I be doin', huh ... I be strokin'

[Chorus]

I stroke it to the east... And I stroke it to the west
And I stroke it to the woman that I love the best
I be strokin'

Let me ask you somethin'...
What time of the day do you like to make love?
Have you ever made love just before breakfast?
Have you ever made love while you watched the late, late show?
Well, let me ask you this...
Have you ever made love on a couch?
Well, let me ask you this...
Have you ever made love on the back seat of a car?
I remember one time I made love on the back seat of a car
And the police came and shined his light on me, and I said:
"I'm strokin', that's what I'm doin', I be strokin'"

[Chorus]

Let me ask you something...
How long has it been since you made love, huh?
Did you make love yesterday ?... Did you make love last week?
Did you make love last year?
Or maybe it might be that you plannin' on makin' love tonight
But just remember, when you start making love
You make it hard, long, soft, short
And be strokin' I be strokin'

Strokin' - page 2

[Chorus]

Now when I start making love to my woman
I don't stop until I know she's sas-ified
And I can always tell when she gets sas-ified
'Cause when she gets sas-fied she start calling my name
She'd say: 'Clarence Carter, Clarence Carter, Clarence Carter
Clarence Carter, ooooh shit, Clarence Carter'

The other night I was strokin' my woman
And it got so good to her, you know what she told me
Let me tell you what she told me, she said:
'Stroke it Clearance Carter, but don't stroke so fast
If my stuff ain't tight enough, you can stick it up my...' WOO!

I be strokin' Ha! Ha! Ha! Ha! I be strokin'

[Chorus]

I be strokin' Ha! Ha! Ha! Ha! I be strokin', Yeah! I be strokin'

I stroke it to the north ... I stroke it to the south
I stroke it everywhere ... I even stroke it with my... WOO!

I be strokin' I be strokin' Ha! Ha! I be strokin' (FADE)

Stuck In The Middle With You

[Verse 1]

Well I don't know why I came here tonight,
I got the feeling that something ain't right,
I'm so scared in case I fall off my chair,
And I'm wondering how I'll get down the stairs,
Clowns to the left of me, Jokers to the right, here I am,
Stuck in the middle with you.

Yes I'm stuck in the middle with you,
And I'm wondering what it is I should do,
It's so hard to keep this smile from my face,
Losing control, yeah, I'm all over the place,
Clowns to the left of me, Jokers to the right,
Here I am, stuck in the middle with you.

[Bridge]

Well you started out with nothing,
And you're proud that you're a self made man,
And your friends, they all come crawlin',
Slap you on the back and say, Please.... Please.....

Trying to make some sense of it all,
But I can see that it makes no sense at all,
Is it cool to go to sleep on the floor,
'Cause I don't think that I can take anymore
Clowns to the left of me, Jokers to the right,
Here I am, stuck in the middle with you.

[Solo] --- [Bridge]

[Verse 1]

Yes I'm stuck in the middle with you, - Stuck in the middle with you.

Sugar Sugar

[Chorus]

Sugar, ah honey honey

You are my candy girl And you've got me wanting you.

Honey, ah sugar sugar

You are my candy girl And you've got me wanting you.

I just can't believe the loveliness of loving you

(I just can't believe it's true)

I just can't believe the one to love this feeling to.

(I just can't believe it's true)

[Chorus]

When I kissed you, girl, I knew how sweet a kiss could be

(I know how sweet a kiss can be)

Like the summer sunshine pour your sweetness over me

(Pour your sweetness over me)

Sugar, pour a little sugar on it honey,

Pour a little sugar on it baby

I'm gonna make your life so sweet, yeah yeah yeah

Pour a little sugar on it oh yeah

Pour a little sugar on it honey,

Pour a little sugar on it baby

I'm gonna make your life so sweet, yeah yeah yeah

Pour a little sugar on it honey,

[Chorus] ➔ [Chorus]

Summer Wind

The summer wind, Came blowin' in
From across the sea
It lingered there, To touch your hair
And walk with me
All summer long, We sang a song
And then we strolled that golden sand
Two sweethearts and the summer wind

Like painted kites, Those days and nights
They went flyin' by
The world was new, Beneath the blue
Umbrella sky
Then softer than, A piper man
One day it called to you
I lost you, I lost you to the summer wind

The autumn wind, And the winter winds
They have come and gone
And still the days, Those lonely days
Go on and on
And guess who sighs, His lullabies
Through nights that never end
My fickle friend... The summer wind
The summer wind... Warm summer wind...
The summer wind

Summertime

Summertime, and the livin' is easy
Fish are jumpin' and the cotton is high
Oh, your daddy's rich and your ma is good-lookin'
So hush little baby, Don't you cry

One of these mornings you're gonna rise up singing
And you'll spread your wings and you'll take to the sky
But 'til that morning, there ain't nothin' can harm you
With Daddy and Mammy standin' by

Solo

Summertime

Summertime is finally here -
That old ballpark, man, is back in gear
Out on 49 - Man I can see the lights

School's out an' the nights roll in -
Man, just like a long lost friend
You ain't seen in a while - And can't help but smile

[Chorus]

And it's two bare feet on the dashboard
Young love and an old Ford
Cheap shades and a tattoo And a Yoo-Hoo
Bottle on the floorboard
Perfect song on the radio - Sing along 'cause it's one we know
It's a smile, it's a kiss, It's a sip of wine,
It's summertime... - Sweet summertime

Temperature says 93 - Down at the Deposit and Guarantee
But that swimmin' hole - It's nice and cold

Bikini bottoms underneath - But the boys' hearts still skip a beat
When them girls shimmy off - Them old cutoffs

[Chorus]

The more things change - The more they stay the same
Don't matter how old you are -
When you know what I'm talkin' 'bout, Yeah baby when you got

[Chorus]

Summertime Blues

I'm gonna raise a fuss, I'm gonna raise a holler
About a workin' all summer just to try to earn a dollar
Every time I call my baby, and ask to get a date
My boss says, "No dice son, you gotta work late"
Sometimes I wonder what I'm a gonna do
But there ain't no cure for the summertime blues

Well my mom & pop told me -
"Son you gotta make some money"
If you want to use the car to go ridin' next Sunday
Well I didn't go to work, told the boss I was sick
"Well you can't use the car 'cause you didn't work a lick"
Sometimes I wonder what I'm a gonna do
But there ain't no cure for the summertime blues

I'm gonna take the weeks, gonna have a fine vacation
I'm gonna take my problem to the United Nations
Well I called my congressman and he said "Whoa!"
"I'd like to help you son but you're too young to vote"
Sometimes I wonder what I'm a gonna do
But there ain't no cure for the summertime blue

Superstition

Very superstitious, writings on the wall
Very superstitious, ladders 'bout to fall
Thirteen month old baby, broke the looking glass
Seven years of bad luck, your good things in your past
When you believe in things that you don't understand
Then we suffer - Superstition ain't the way

Very superstitious, wash your face and hands
Rid me of the problem, do all that you can
Keep me in a daydream, keep me goin' strong
You don't wanna save me, sad is the song
When you believe in things that you don't understand
Then we suffer - Superstition ain't the way

Solo

Very superstitious, nothin' more to say
Very superstitious, the devil's on his way
Thirteen month old baby, broke the looking glass
Seven years of bad luck, your good things in your past
When you believe in things that you don't understand
Then we suffer - Superstition ain't the way

Suspicious Minds

We're caught in a trap... I can't walk out
Because I love you too much baby
Why can't you see... What you're doing to me
When you don't believe a word I say?

We can't go on together - With suspicious minds
And we can't build our dreams - On suspicious minds

So, if an old friend I know
Drops by to say hello
Would I still see suspicion in your eyes?
Here we go again
Asking where I've been
You can't see these tears are real
I'm crying

We can't go on together - With suspicious minds
And we can't build our dreams - On suspicious minds

Oh let our love survive
Or dry the tears from your eyes
Let's don't let a good thing die
When honey, you know
I've never lied to you
Mmm yeah, yeah

Sweet Caroline

Where it began, I can't begin to knowing
But then I know it's growing strong
Was in the spring
Then spring became the summer
Who'd have believed you'd come along
Hands, touching hands
Reaching out, touching me, touching you

[Chorus]

Sweet Caroline
Good times never seemed so good
I'd be inclined
To believe they never would
So good, so good

Look at the night and it don't seem so lonely
We filled it up with only two
And when I hurt
Hurting runs off my shoulder
How can I hurt when I'm holding you
One, touching one
Reaching out, touching me, touching you

[Chorus]

Sweet Home Chicago

Tears In Heaven

Would you know my name
if I saw you in heaven?
Would you feel the same
if I saw you in heaven?
I must be strong and carry on
'Cause I know I don't belong here in heaven...

Would you hold my hand
if I saw you in heaven?
Would you help me stand
if I saw you in heaven?
I'll find my way through night and day
'Cause I know I just can't stay here in heaven...

Time can bring you down, time can bend your knees
Time can break your heart, have you begging please...

Beyond the door there's peace I'm sure
And I know there'll be no more tears in heaven...

Would you know my name
if I saw you in heaven?
Would you feel the same
if I saw you in heaven?
I must be strong and carry on
'Cause I know I don't belong here in heaven...

Tears Of A Clown

[Verse 1]

Now if there's a smile on my face
It's only there trying to fool the public
But when it comes down to fooling you
Now honey that's quite a different subject
But don't let my glad expression
Give you the wrong impression

Really, I'm sad - Oh I'm sadder than sad
You're gone and I'm hurtin' so bad -
Like a clown I pretend to be glad

[Pre-Chorus]

Now there's some sad things known to man
But ain't too much sadder than

[Chorus]

The tears of a clown, when there's no one around
Oh yeah baby

[Verse 2]

Now if I appear to be carefree
It's only to camouflage my sadness
And honey to shield my pride I try
To cover this hurt with a show of gladness
But don't let my show convince you
That I've been happy since you

Tears Of A Clown - page 2

Decided to go - Oh I need you so
I'm hurt and I want you to know -
But for others I put on a show, ooh yeah

[Pre-Chorus]

[Chorus]

[Bridge]

Just like Pagliacci did - I try to keep my sad face hid
Smiling in the public eye - But in my lonely room I cry

[Chorus]

[Outro]

Now if there's a smile on my face
Don't let my glad expression
Give you the wrong impression
Don't let this smile I wear
Make you think that I don't care
When really I'm sad, I'm hurting so bad

Tell It Like It Is

If you want something to play with
Go and find yourself a toy
Baby, my time is too expensive
And I'm not a little boy
If you are serious
Don't play with my heart, it makes me furious
But if want me to love you
Then, baby, I will, girl, you know I will

Tell it like it is
Don't be ashamed to let your conscience be your guide
But I-I-I-I-I know deep down inside of me
I believe you love me, forget your foolish pride
Life is too short to have sorrow
You may be here today and gone tomorrow
You might as well get what you want
So go on and live, baby, go on and live

Tell it like it is
I'm nothin' to play with, go and find yourself a toy
But I-I-I-I-I
Tell it like it is
My time is too expensive
And I'm not your little boy

FADE - Mm mm, tell it like it is

Thank You (Falettinme Be Mice Elf Agin)

Lookin' at the devil - Grinnin' at his gun
Fingers start shakin' - I begin to run
Bullets start chasin' - I begin to stop
We begin to wrestle - I was on the top

[Chorus]

I want to thank you falettinme - Be mice elf agin
Thank you falettinme - Be mice elf agin

Stiff all in the collar - Fluffy in the face
Chit chat chatter tryin' - Stuffy in the place

Dance to the music - All nite long
Everyday people - Sing a simple song
Mama's so happy - Mama start to cry
Papa still singin' - You can make it if you try

[Chorus]

(Different strokes for different folks, yeah)

Flamin' eyes of people fear - Burnin' into you
Many men are missin' much - Hatin' what they do
Youth and truth are makin' love - Dig it for a starter, now
Dyin' young is hard to take - Sellin' out is harder

[Chorus] - Repeat & Fade

That's What Friends Are For

{Verse}

And I - never thought I'd feel this way
And as far as I can say
I'm glad I got the chance to say
That I do believe I love you

And if - I should ever go away
But then close your eyes and try
To feel the way we do today
And then if you can remember...

{Chorus}

Keep smilin', keep shinin'
Knowin' you can always count on me -- for sure
That's what friends are for
For good times, and bad times
I'll be on your side forever more
That's what friends are for

(Sax starts verse) or (Da-da... Da-da-da da-da da-da)

Well you came and opened me
Now there's so much more to see
And so by the way I thank you

And then, for the times that we're apart
Well then close your eyes and go
Words are comin' from my heart
And then if you can remember...

{Chorus} (Repeat until you puke)

Them Changes

[Verse 1]

Well, my mind is going through them changes
I feel just like the meetin' of time
Every time you see me goin' somewhere
I know I'm goin' outta my mind, yeah
Oh, my baby she left me the other day
And we were havin' a lot of fun
Oh, she knew I just loved her so
And that's the reason why she had to run

It's all right - You know what I mean
All right - What I say - All right - Oh, yeah

{Hook}

Well, my mind is goin' through so many changes
I'm goin' right out of my mind
Every time ya see me goin' somewhere
I could commit a big ole crime, yeah

[Chorus]

She had me runnin' - She had me ridin'
She had me runnin', hidin', ridin', runnin'
She had me runnin' - She had me hidin'
Had me runnin - That's right, yeah
Had me runnin - Had me hidin'
She had me runnin' - Had me hide

[Verse 1]

Them Changes - 2

It's all right - You know what I mean
All right - What I say
All right - Oh, yeah

{Hook}

Well, my mind is goin' through so many changes
I'm goin' right out of my mind
Every time ya see me goin' somewhere
I could commit a big ole crime, yeah

[Chorus]

Yeah - All right - What I say - All right

{Bridge}

Well, my mind is going through them changes
I feel just like committin' a crime
Every time ya see me goin' somewhere
I feel like I'm goin' outta my mind, yeah
Every day that she left me alone
She didn't have much to say, no no
Every time she stepped out on me
She didn't know how I feel, yeah
How'd I feel, how'd I feel, baby
She didn't know what I feel like
Every time, she just see me
She Didn't know - No, No
Oh, my darling, darling - Oh, Oh

These Arms Of Mine

These arms of mine
They are lonely
Lonely and feeling blue
These arms of mine
They are yearning
Yearning from wanting you

And if you
Would let them
Hold you Oh how grateful I will be

These arms of mine
They are burning
Burning from wanting you
These arms of mine
They are wanting
Wanting to hold you

And if you
Would let them hold you
Ohh how grateful I will be

Come on, come on baby
Just be my little woman [yeah]
Just be my lover I need somebody,
[Somebody] To treat me right
[Ohh] I need your warm loving arms to hold me tight
And I need you tender lips too
Hold me, hold me

Thinking Out Loud

When your legs don't work like they used to before
And I can't sweep you off of your feet
Will your mouth still remember the taste of my love?
Will your eyes still smile from your cheeks?

And, darling, I... will... be loving you... 'til we're 70
And, baby, my... heart... could still fall as... hard at 23

And I'm thinking 'bout how People fall in love in mysterious ways
Maybe just the touch of a hand
Well, me I fall in love with you every single day
And I just wanna tell you I am

[Chorus]: So honey now - Take me into your loving arms
Kiss me under the light of a thousand stars
Place your head on my beating heart - I'm thinking out loud,
Maybe we found love right where we are

When my hair's all but gone and my memory fades
And the crowds don't remember my name
When my hands don't play the strings the same way (mmm...)
I know you will still love me the same

'Cause honey your... soul... could never grow... old, it's evergreen
And, baby, your... smile's... forever in... my mind and memory

I'm thinking 'bout how people fall in love in mysterious ways
Maybe it's all part of a plan
Well, I'll just keep on making the same mistakes
Hoping that you'll understand

[Chorus] ➔ [Solo] - La la la la la la la lo-ud ➔ **[Chorus]**
Oh, baby, we found love right where we are - 2X

This Masquerade

Are we really happy here
With this lonely game we play
Lookin' for words to say
Searching but not finding understanding anyway
We're lost in a masquerade

Both afraid to say we're just to far away
From being close together from the start
We tried to talk it over but the words got in the way
We're lost - inside - this lonely game we play

Thoughts of leaving disappear
Every time I see your eyes
No matter how hard I try
To understand the reasons
That we carry on this way
We're lost in a masquerade

Three Times A Lady

Thanks for the times that you've given me
The memories are all in my mind
And now that we've come to the end of our rainbow
There's something I must say out loud

You're once, twice, three times a lady
And I love you
Yes you're once, twice, three times a lady
And I love you - I love you

When we are together the moments I cherish
With every beat of my heart
To touch you, to hold you, to feel you, to need you
There's nothing to keep us apart

[Solo]

You're once, twice, three times a lady
And I love you - I love you

I'm free, free, free, I'm free from your spell,
And now that it's all over, baby,
All I can do is wish you well

Through The Years

I can't remember when you weren't there
When I didn't care, for anyone but you
I swear, we've been through everything there is
Can't imagine anything we've missed
Can't imagine anything the two of us can't do

Through the years, you've never let me down
You've turned my life around
The sweetest days I've found, I found with you
Through the years, I've never been afraid
I've loved the life we've made
And I'm so glad I stayed
Right here with you, Through the years

I can't remember what I used to
Who I trusted who...I listened to before
I swear, you've taught me everything I know
Can't imagine needing someone so
But through the years it seems to me
I need you more and more

Through the years through all the good and bad
I know how much we had
I've always been so glad to be with you
Through the years It's better every day
You've kissed my tears away
As long as its okay
I'll stay with you, Through the years

Through the years, when everything went wrong
Together we were strong,
I know that I belong right here with you
Through the years, I never had a doubt
We'd always work things out
I've learned what life's about
By loving you, Through the years (Instrumental Chorus) (Chorus)

(I've Had) The Time of My Life

CHORUS (He):

Now I've had the time of my life - No I never felt like this before
Yes I swear it's the truth - And I owe it all to you

She: Cause I've had the time of my life... And I owe it all to you

He: I've been waiting for so long, Now I've finally found someone, -
To stand by me

She: We saw the writing on the wall - As we felt this magical - Fantasy

Both: Now with passion in our eyes, There's no way we could disguise
It, Secretly

Both: So we take each other's hand - 'Cause we seem to understand -
The urgency

He: Just remember

She: You're the one thing - **He:** I can't get enough of

She: So I'll tell you something - **Both:** This could be love because

CHORUS (Both)

She: With my body and soul - I want you more than you'll ever know

He: So we'll just let it go - Don't be afraid to lose control

She: Yes I know what's on your mind When you say, -
"Stay with me tonight"

He: Just remember

He: You're the one thing - **She:** I can't get enough of

He: So I'll tell you something - **Both:** This could be love because

To Make You Feel My Love

When the rain is blowing in your face
And the whole world is on your case
I would offer you a warm embrace
To make you feel my love

When evening shadows and the stars appear
And there is no one to dry your tears
I could hold you for a million years
To make you feel my love

I know you haven't made your mind up yet
But I would never do you wrong
I've known it from the moment that we met
There's no doubt in my mind where you belong

I'd go hungry, I'd go black and blue
I'd go crawling down the avenue
There ain't nothing that I wouldn't do
To make you feel my love

Solo

The storms are raging on a rollin' sea
And down the highway of regret
The winds of change are blowing wild and free
You ain't seen nothing like me yet

Make you happy, make your dreams come true
Nothing that I wouldn't do
Go to the ends of the earth for you
To make you feel my love - To make you feel my love

Tonight I Celebrate My Love

{She}.... Tonight I celebrate my love for you
It seems the natural thing to do

{He}.... Tonight no one's gonna find us
We'll leave the world behind us

{Both}...When I make love to you

{She}.... Tonight I celebrate my love for you
And hope that deep inside you'll feel it too

{He}.... Tonight our spirits will be climbing
To a sky filled up with diamonds

{Both}...When I make love to you... Tonight

==[BRIDGE]==

{Both}.. Tonight I celebrate my love for you
And that midnight sun is gonna come shining through

{He}.... Tonight there'll be no distance between us

{She}.... What I want most to do, is to get close to you

{Both}.. Tonight

{She}.... Tonight I celebrate my love for you
And soon this old world will seem brand new

{He}.... Tonight we will both discover
How friends turn into lovers

{Both}.. When I make love to you

==[BRIDGE]==

{Both}.. Tonight I celebrate my love for you... Tonight

Tracks Of My Tears

People say I'm the life of the party -
'Cause I tell a joke or two
Although I might be laughin' loud and hearty -
Deep inside I'm blue

{Chorus}

So take a good look at my face -
You see my smile looks out of place
If you look closer it's easy to trace - The tracks of my tears

I need you - I need you

Since you left me if you see me with another girl -
Seemin' like I'm havin' fun
Although she may be cute she's just a substitute -
Because you're the permanent one

{Chorus}

I need you - need you

Outside - I'm masquerading - *Inside* - My hope is fading
Just a clown - Since you put me down
My smile is my make-up -
I wear since my break-up with you

{Chorus} 2x

Try A Little Tenderness

Oh she may be weary - Young girls they do got weary
Wearing that same old shabby dress - Yeah yeah
But when she gets weary - Try a little tenderness

You know she's there waiting - Just anticipating
For things that she'll never, never, never, never possess, Yeah yeah
But while she's there waiting - Try a little tenderness

It's not just sentimental, no no no
She has her grief and cares - Yeah, yeah, yeah
But the soft words - They are spoke so gentle, yeah
It makes it easier, easier to bear

You won't regret it no, no - Young girls they don't forget it
Love is their own happiness - Yeah yeah
But it's so so easy - You gotta to do is try, Try a little tenderness

All you gotta to do her thing... hold her where you wanna
Squeeze her, Don't tease her, Never leave her, Get to her, Got, Got
To try a little tenderness, Yeah, yeah, yeah, yeah
You gotta, Nobody love her bad - Take this advice, man
You gotta, Squeeze her, Don't tease her, Never leave,
You gotta Hold her, and rub her softly and
Try a little tenderness, Yeah, yeah, yeah, yeah
You gotta rub her gently, yeah, yeah now tender
Don't bruise her, no, no
You gotta love her, tease her, don't squeeze her, Got to, got Na Na Na
Try, Try a little tenderness, Yeah watch it groove
You gotta know what to do, man - Take this advice
You gotta, Love her Squeeze her, Don't tease my baby,

Turning Point

Ha, ha, - sure love, sweet thing

{Chorus}

I've reached the turning point - in my life

I've reached the turning point lawd, lawd, lawd - in my life

I used to stay out all night long

Used to do a whole lotta wrong

And I don't know where I would end up

If that sweet thing hadn't come along

Said that sweet thing hadn't come along

No more runnin' around for me, finally settlin' down

{Chorus}

I met a girl, she's one out of a hundred and ten

And she don't get excited no, no

By those slick talkin' men

She's a whiz around the house, neat as a pin

If I got a hole in my sock, hole in my shirt

Sweet thing she'll mend

No more stayin' out late for me, no more narrow escapes

{Chorus}

Listen to me Shoo-doo-doop, shoo-doo-doop, shoo-doo-doop, shoo-doo-doop

No more runnin' around for me, finally settlin' down

{Chorus}

Said I don't know where I would end up

If that sweet thing hadn't come along

Said that sweet thing hadn't come along

No more runnin' around for me, finally settlin' down -- {Chorus}

Twistin' The Night Away

Let me tell you 'bout a place - Somewhere up-a New York way
Where the people are so gay - Twistin' the night away-ay
Here they have a lot of fun - Puttin' trouble on the run
Man, you find the old and young - Twistin' the night away

[Chorus]

They're twistin', twistin', everybody's feelin' great
They're twistin', twistin', they're twistin' the night away

Here's a man in evenin' clothes - How he got here, I don't know, but
Man, you oughta see him go - Twistin' the night away-ay
He's dancin' with the chick in slacks - She's a-movin' up and back
Oh man, there ain't nothin' like - Twistin' the night away

[Chorus]

Let's twist a while! - Lean up, lean back - Lean up, lean back
Watusi, now fly, now twist - They're twistin' the night away

Here's a fella in blue jeans - Dancin' with an older Queen
Who's dolled up in-a diamond rings and - Twistin' the night away-ay
Man, you oughta see her go - Twistin' to the rock and roll
Here you find the young and old - Twistin' the night away

[Chorus]

One more time! - Lean up, lean back - Lean up, lean back
Watusi, now fly, now twist - They're twistin' the night away

Unchain My Heart

Unchain my heart, baby let me be
Unchain my heart 'cause you don't care about me
You've got me so like a pillow case
but you let my love go away so
Unchain my heart oh! Please me set me free

Unchain my heart, baby let me go
Unchain my heart, 'cause you don't love me no more
Ev'ry time I call you on the phone
Some fella tells me that you're not at home so
Unchain my heart oh! Please me set me free

I'm under your spell like a man in a trance
But I know darn well that I can't stand a chance

So unchain my heart let me go away
Unchain my heart, you worry me night and day
Why lead me through a life of misery
when you don't care I beg a bi for me
So unchain my heart oh! Please me set me free

Unchained Melody

Oh, my love, my darling,
I've hungered for your touch... a long, lonely time,
Time goes by so slowly
And time can do so much... Are you still mine?
I need your love, I need your love,
God speed your love to me.

Lonely rivers flow to the sea, to the sea
To the open arms of the sea
Lonely rivers sigh, "Wait for me, wait for me"
"I'll be coming home, wait for me!"

Oh, my love, my darling,
I've hungered for your touch a long, lonely time,
Time... goes by... so slowly
And time can do so much.
Are you still mine?
I need your love, I need your love,
God speed your love to me

Unforgettable

Unforgettable - That's what you are
Unforgettable - Though near or far
Like a song of love that clings to me
And how the thought of you does things to me
Never before - Has someone been more

Unforgettable - In every way
And forever more - That's how you'll stay
That's why darling - It's incredible
That someone so - Unforgettable
Thinks that I am - Unforgettable, too

Solo

Unforgettable - In every way
And forever more - That's how you'll stay
That's why darling - It's incredible
That someone so - Unforgettable
Thinks that I am - Unforgettable, too

Up On The Roof

When this old world starts getting me down
And people are just too much for me to face *Up on the roof*
I'll climb way up to the top of the stairs
And all my cares just drift right into space *Up on the roof*

On the roof it's peaceful as can be
And there the world below don't bother me

So, when I come home feeling tired and beat
I'll go up where the air is fresh and sweet *Up on the roof*
I'll get far away from the hustling crowd
And all that rat-race noise down in the street *Up on the roof*

On the roof that's the only place I know
Where you just have to wish to make it so *Up on the roof*

{Solo}

At night the stars put on a show for free
And darling, you can share it all with me I keep telling you

Right smack dab in the middle of town
I found a paradise that's trouble proof *Up on the roof*
And if this world starts getting you down
There's room enough for two up on the roof *Up on the roof*

Up on the roof - *Up on the roof* **(Repeat and Fade)**

Uptight (Everything's Alright)

Baby, ev'rything is all right - Uuptight, out of sight
Baby, ev'rything is all right - Uuptight, out of sight

I'm a poor man's son, from across the railroad tracks
The only shirt I own is hangin' on my back
But I'm the envy of ev'ry single guy
Since I'm the apple of my girl's eye
When we go out stepping on the town for a while
My money's low and my suit's out of style
But it's all right if my clothes aren't new
Out of sight because my heart is true

She says baby ev'rything is alright - Uptight, out of sight
Baby, ev'rything is alright - Uptight, clean out of sight

She's a pearl of a girl, I guess that's what you might say
I guess her folks brought her up that way
The right side of the tracks, she was born and raised
In a great big old house, full of butlers and maids
She says no one is better than I, I know I'm just an average guy
No football hero or smooth Don Juan
Got empty pockets, you see I'm a poor man's son
She says give her the things that money can buy
But I'll never, never make my baby cry

And it's all right, what I can't do
Out of sight because my heart is true
She says baby ev'rything is alright, uptight, clean out of sight
Baby, ev'rything is alright - Uptight, clean out of sight
Baby, ev'rything is alright - Uptight, ah ah ah ah
Baby, ev'rything is alright - Uptight, clean out of sight
Baby, ev'rything is alright - Uptight, clean out of sight

Use Me

My friends... feel it's their appointed duty
They keep trying to tell me... all you want to do is use me
But my answer... yeah to all that use me stuff
I I I and I wanna spread the news
That if it feels this good getting used
Oh you just keep on using me... until you use me up
Until you use me up

My brother... sit me right down and he talked to me
He told me... that I ought not to let you just walk on me
An' I'm sure he meant well, yeah but when our talk was thru
I I said brother if you only knew
You'd wish that you were in my shoes
You just keep on using me... until you use me up
Until you use me up

Oh sometimes... it's true you really do abuse me
You get in a crowd of hi class people& then ya act real rude t' me
But oh baby baby baby baby...
When you love me I can't get enough
I and I wanna spread the news
That if it feels this good getting used
Oh you just keep on using me... until you use me up
Until you use me up

Talking about you using me but it all depends on what you do
It ain't too bad the way you're using me
Cause I sure am using you to do the things you do
Ah ha to do the things you do

Vehicle

Hey, well, I'm a friendly stranger in a black sedan
Won't you hop inside my car
I got pictures, got candy, I'm a lovable man
I can take you to the nearest star

{Chorus}

I'm your vehicle baby - I'll take you anywhere you wanna go
I'm your vehicle woman - By now I'm sure you know
That I love ya, need ya, - Want to, got to have you child
Great God in heaven you know I love you

If you wants to be a movie star
I can take you to a Hollywood
But if you want to stay justa like you are
And I think you really should

{Chorus} ➔ Solo

Hey, well, I'm a friendly stranger in a black sedan

Wagon Wheel

Headed down south to the land of the pines
And I'm thumbin' my way into North Caroline
Starin' up the road Pray to God I see headlights

I made it down the coast in seventeen hours
Pickin' me a bouquet of dogwood flowers
And I'm a hopin' for Raleigh I can see my baby tonight

[CHORUS]

So rock me mama like a wagon wheel, -
Rock me mama anyway you feel - Hey... mama rock me
Rock me mama like the wind & the rain, -
Rock me mama like a southbound train - Hey... mama rock me

Runnin' from the cold up in New England
I was born to be a fiddler in an old-time string band
My baby plays the guitar I pick a banjo now

Oh, the North Country winters keep a gettin' me now
Lost my money playin' poker so I had to up and leave
But I ain't a turnin' back To livin' that old life no more

[CHORUS]

Walkin' to the south out of Roanoke
I caught a trucker out of Philly Had a nice long toke
But he's a headed west from the Cumberland Gap -
To Johnson City, Tennessee

And I gotta get a move on before the sun
I hear my baby callin' my name An' I know that she's the only one
And if I die in Raleigh At least I will die free ➔ **[CHORUS]**

Waiting On The World To Change

Me and all my friends - We're all misunderstood
They say we stand for nothing and - There's no way we ever could
Now we see everything that's going wrong
With the world and those who lead it
We just feel like we don't have the means - To rise above and beat it

So we keep waiting, *waiting* - Waiting on the world to change
We keep on waiting, *waiting* Waiting on the world to change
It's hard to beat the system - When we're standing at a distance
So we keep waiting, *waiting* - Waiting on the world to change

Now if we had the power - To bring our neighbors home from war
They would have never missed a Christmas
No more ribbons on their door
And when you trust your television - What you get is what you got
Cause when they own the information, oh
They can bend it all they want

That's why we're waiting, *waiting* - Waiting on the world to change
We keep on waiting, *waiting* - Waiting on the world to change
It's not that we don't care, - We just know that the fight ain't fair
So we keep on waiting, *waiting* - Waiting on the world to change

[Instrumental]

And we're still waiting, *waiting* - Waiting on the world to change
We keep on waiting, *waiting* - Waiting on the world to change
One day our generation - Is gonna rule the population
So we keep on waiting, *waiting* - Waiting on the world to change
Y' know we keep on waiting, *waiting* - Waiting on the world to change
We keep on waiting, *waiting* - Waiting on the world to change
Waiting on the world to change - **3X**

Walking The Dog

Mary Mack, dressed in black,
Silver buttons all down her back.
High, low, tipsy toe,
She broke the needle and she can't sew.
Walkin' the dog, - Just a-walkin' the dog.
If you don't know how to do it, - I'll show you how the walk the dog.
Come on now, Come on, Come on!

Asked my mama for fifteen cent,
See the elephant jump the fence.
He jumped so high he touched the sky,
Never got back till the fourth of July.
Walkin' the dog, - Just a-walkin' her dog.
If you don't know how to do it, - I'll show you how the walk the dog.
Come on now, Come on, Come on!

Mary Mary quite contrary
Tell, me, How does your garden grow?
You got, Silver bells, and you got, cockle shells
And pretty maids all in a row.
Walkin' the dog, - Just a-walkin' her dog.
If you don't know how to do it, - I'll show you how the walk the dog.
Come on now, Come on, Come on!

Oh oh, - Just a, Just a, Just a-walkin'
Just a, Just a, Just a-walkin' - Just a, Just a, Just a-walkin' Oh, Yeah!
If you don't know how to do it, - I'll show you how the walk the dog.

Oooh, Just a, Just a, Just a, Just a, Just a, Just a, Just a-walkin'
Just a, Just a, Just a, Just a, Just a, Just a, Just a-walkin'
Oooh, Just a, Just a, Just a...

Wanna Be Startin' Somethin'

[CHORUS]

I said you wanna be startin' somethin' You got to be startin' somethin'
I said you wanna be startin' somethin' You got to be startin' somethin'
It's too high to get over *Yeah, yeah* Too low to get under *Yeah, yeah*
You're stuck in the middle *Yeah, yeah* & the pain is thunder *Yeah, yeah*
It's too high to get over *Yeah, yeah* Too low to get under *Yeah, yeah*
You're stuck in the middle *Yeah, yeah* & the pain is thunder *Yeah, yeah*

I took my baby to the doctor - With a fever, but nothing he found
By the time this hit the street - They said she had a breakdown
Someone's always tryin' to start my baby cryin' - Talkin', squealin', lyin'
Sayin' you just wanna be startin' somethin'

[CHORUS]

U love to pretend that you're good - When you're always up to no good
You really can't make him hate her - So your tongue became a razor
Someone's always tryin' to keep my baby cryin' -
Treacherous, cunnin', declinin' - You got my baby cryin'

[CHORUS]

You're a vegetable, you're a vegetable, -
Still they hate you, you're a vegetable
You're just a buffet, you're a vegetable -
They eat off of you, you're a vegetable
Billie Jean is always talkin' - When nobody else is talkin'
Tellin' lies and rubbin' shoulders - So they called her mouth a motor
Someone's always tryin' 2 start my baby cryin' - Talkin', squealin', spyin'
Sayin' you just wanna be startin' somethin'

Wanna Be Startin' Somethin' - 2

[CHORUS]

You're a vegetable, you're a vegetable -
Still they hate you, you're a vegetable
You're just a buffet, you're a vegetable -
They eat off of you, you're a vegetable

If you can't feed your baby *Yeah, yeah*
Then don't have a baby *Yeah, yeah*
And don't think maybe *Yeah, yeah*
If you can't feed your baby *Yeah, yeah*
You'll be always tryin' - To stop that child from cryin'
Hustlin', stealin', lyin' - Now baby's slowly dyin'

[CHORUS]

Lift your head up high - And scream out to the world
I know I am someone - And let the truth unfurl
No one can hurt you now - Because you know what's true
Yes, I believe in me - So you believe in you
Help me sing it, ma ma se, - Ma ma sa, ma ma coo sa
Ma ma se, ma ma sa, - Ma ma coo sa

War

(War, what is it good for?) Absolutely nothing
(War, what is it good for?) Absolutely nothing
(War, what is it good for?) Absolutely nothing

[Verse 1]

War is something that I despise
Because it means destruction of innocent lives
War means tears in thousands of mothers' eyes
When their sons go out to fight and lose their lives
I said

[Hook]

(War) good God y'all
(What is it good for?) Absolutely nothing, say it again
(War, what is it good for?) Absolutely nothing

[Verse 2]

(War), It ain't nothing but a heartbreaker
(War), Friend only to the undertaker
War is the enemy of all mankind
The thought of war blows my mind
War has caused unrest, within the younger generation
Induction then destruction. Who wants to die?

[Hook]

(War) good God y'all
(What is it good for?) Absolutely nothing, say it, say it, say it
(War, what is it good for?) Absolutely nothing

War -2

[Verse 3]

(War), It ain't nothing but a heartbreaker

(War), Its only friend is the undertaker

War has shattered many young men's dreams

Made them disabled, bitter and mean

Life is much too short and precious to be fightin' wars these days

War can't give life it can only take it away

[Hook]

(War) good God y'all

(What is it good for?) Absolutely nothing, say it

(War, what is it good for?) Absolutely nothing

[Verse 4]

Listen to me! (War), It ain't nothing but a heartbreaker

(War), Friend only to the undertaker

Peace, love and understanding

Tell me, is there no place for them today?

They say we must fight to keep our freedom

But Lord knows there's gotta be a better way

[Hook]

(War) good God y'all

(What is it good for?) You tell me, say it, say it, say it, say it

(War) good God y'all

(What is it good for?) Stand up and shout it (Nothing)

(The) Way You Look Tonight

Someday - When I'm awfully low
When the world is cold
I will feel a glow just thinking of you
And the way you look tonight

Oh, but you're lovely - With your smile so warm
And your cheeks so soft
There is nothing for me but to love you
Just the way you look tonight

{Bridge}

With each word - Your tenderness grows
Tearing my fear apart
And that laugh - That wrinkles your nose
Touches my foolish heart

Lovely - Never, never change
Keep that breathless charm
Won't you please arrange it because I love you
Just the way you look tonight

{Tag} - Just the way you look tonight

The Way You Make Me Feel

Hee-hee! - Ooh! - Go on girl! - Aaow!

Hey pretty baby with the high heels on
You give me fever like I've never, ever known
You're just a product of loveliness
I like the groove of your walk, your talk, your dress
I feel your fever from miles around
I'll pick you up in my car and we'll paint the town
Just kiss me baby and tell me twice
That you're the one for me

[CHORUS]

The way you make me feel the way you make me feel
You really turn me on *You really turn me on*
You knock me off of my feet *You knock me off of my feet*
My lonely days are gone *My lonely days are gone*

I like the feelin' you're givin' me
Just hold me baby and I'm in ecstasy
Oh I'll be workin' from nine to five
To buy you things to keep you by my side
I never felt so in love before
Just promise baby, you'll love me forevermore
I swear I'm keepin' you satisfied
'Cause you're the one for me

The Way You Make Me Feel - page 2

[CHORUS] Acha-oooh!

Go on girl! Go on! Hee! Hee! Aaow! Go on girl!

I never felt so in love before
Promise baby, you'll love me forevermore
I swear I'm keepin' you satisfied
'Cause you're the one for me . . .

[CHORUS] 2x

[CHORUS] with ad libs:

Ain't nobody's business, ain't nobody's business
Ain't nobody's business, ain't nobody's business
But mine and my baby
Hee hee! Hee hee! Ooh!
Give it to me-give me some time
Come on be my girl-I wanna be with mine
Ain't nobody's business - ain't nobody's business
But mine and my baby's
Go on girl! Aaow! Hee hee! Aaow!
Chika-chika chika-chika-chika
Go on girl! - Hee hee! - Hee hee hee!

We're In This Love Together

It's like a diamond ring It's a precious thing
And we never want to lose it
It's like a favorite song That we love to sing
Every time we hear the music

[Chorus]

We're in this love together.
We got the kind that lasts forever.
We're in this love together
And like berries on the vine, It gets sweeter all the time.

Its like a rainy night in candlelight
And, ooh it's so romantic.
We got the whole thing working out so right
And it's just the way we planned it.

[Chorus]

{SOLO}

What A Wonderful World

I see trees of green... Red roses too
I've seen them bloom... For me and you
And I think to myself... What a wonderful world

I see skies of blue... And clouds of white
The bright blessed day... And the dark sacred night
And I think to myself... What a wonderful world

[Bridge]

The colors of the rainbow... So pretty in the sky
Are also on the faces... Of people going by
I see friends shaking hands... Saying "How do you do"
But what they're really sayin'... Is "I love you"

I hear babies cryin'... I watch them grow
And they'll learn much more... Than I'll ever know
And I think to myself... What a wonderful world

{SOLO} → [Bridge]

I hear babies cryin'... I watch them grow
And they'll learn much more... Than I'll ever know
And I think to myself... What a wonderful world
And I think to myself... What a wonderful world

What You Won't Do For Love

I guess you wonder where I've been
I searched to find a love within
I came back to let you know
Got a thing for you and I can't let go

My friends wonder what is wrong with me
Well I'm in a daze from your love, you see
I came back to let you know
Got a thing for you and I can't let go

Some people go around the world for love
But they may never find what they dream of
What you won't do, do for love
You've tried everything but you don't give up

In my world only you
Makes me do for love what I would not do
But then I only want the best it's true
They can't believe the things I do for you
What you won't do, do for love
You've tried everything but you don't give up

In my world, only you
makes me do For love What I would not do
Makes me do for love What I would not do

What's Goin' On

Mother, mother - There's too many of you cryin'
Brother, brother, brother - There's far too many of you dyin'
You know we've got to find a way -
To bring some lovin' here today

Father, father - We don't need to escalate
War is not the answer - For only love can conquer hate
You know we've got to find a way -
To bring some lovin' here today

[Pre-Chorus]

Picket lines, and picket signs
Don't punish me, with brutality
Talk to me, so you can see

[Chorus]

What's goin' on, what's goin' on
What's goin' on, what's goin' on

{Bridge}

Mother, mother, - Everybody thinks we're wrong
But who are they to judge us - Simply 'cause our hair is long
You know we've got to find a way
Bring some understandin' here today

[Pre-Chorus] ➔ [Chorus] ➔ {Bridge}

When A Man Loves A Woman

When a man loves a woman - Can't keep his mind on nothin' else
He'll trade the world for the good thing he's found

If she's bad he can't see it - She can do no wrong
Turn his back on his best friend if he put her down

When a man loves a woman - Spend his very last dime
Tryin' to hold on to what he needs

He'd give up all his comforts - Sleep out in the rain
If she said that's the way it ought to be

{BRIDGE}: Well, this man loves a woman
I gave you everything I had
Tryin' to hold on to your precious love
Baby, please don't treat me bad

When a man loves a woman - Down deep in his soul
She can bring him such misery

If she plays him for a fool - He's the last one to know
Lovin' eyes can't ever see

When a man loves a woman - He can do no wrong
He can never own some other girl

Yes when a man loves a woman - I know exactly how he feels
'Cause baby, baby, baby, you're my world
When a man loves a woman.....

When Something Is Wrong With My Baby

When something is wrong with my baby
Something is wrong with me
And if I know that she worried
Lord, I know would feel the same in misery

Well we've been through so much together
But we stand as one, Oh Lawd, and that's what makes it better
When something is wrong with my baby, Oh Lawd,
Something is wrong with me

And that ain't all, y'all! Oh!

Just, mmm, what she means to me
Oh you just wouldn't, oh you just wouldn't understand
People can say she ain't no good
Oh she's my woman and I know that I'm still her man

And if she's got a problem
Oh I know I'm gonna help her solve 'em
When something is wrong with my baby
Something is wrong with me

When something is wrong with my baby
Something is wrong with me
When something is wrong with my baby
Something is wrong with me

I got to get my groove on 'Cause my mind done gone

Can't you see the rays coming from my eyes

Walking through the place like Digi-man

Breaking it down Me and my white tail

Short coat Can't see color Any color will do

I'll stick on you That's why they call me pit bull

'Cause I'm the man of the land when they see me

They say ooooooh → **Chorus (Fade)**

Wind Beneath My Wings

It must have been cold there in my shadow
To never have sunlight on your face
You were content to let me shine - that's your way
You always walked a step behind

So I was the one with all the glory
While you were the one with all the strain
A beautiful face with out a name - for so long
A beautiful smile to hide the pain

{Chorus} Did you ever know that you're my hero
And everything I would like to be
I can fly higher than an eagle
You are the wind beneath my wings

It might have appeared to go unnoticed
But I've got it all here in my heart
I want you to know I know the truth - of course I know
I would be nothing without you

{Chorus}{Chorus} - 'Cause you are the wind beneath my wings

{Ad lib} ➔ Oh, the wind beneath my wings
You, you, you, you are the wind beneath my wings
Fly...Fly...Fly away, you let me fly so high...
You, you... you, the wind beneath my wings
You, you, you... the wind beneath my wings
Fly, Fly, So high against the sky, So high I almost touched the sky
Thank U thank U, thank God for you the wind beneath my wings

Wishing well

Kissing like a bandit stealing time
Underneath the sycamore tree
Cupid by the hour sends valentines
To my sweet lover and me
Slowly
Surely
Yours appetite is more than I know
Sweetly
Softly
I'm falling in love with you

[CHORUS]

Wish me love a wishing well to kiss and tell
A wishing well of butterfly tear
Wish me love a wishing well to kiss and tell
A wishing well of crocodile cheers

Hugging like a monkey see monkey do
Right beside a riverboat gambler
Erotic images float through my head
I wanna be your midnight rambler
Quickly
Quickly
The blood races through my veins
Quickly
Loudly
I wanna hear those sugar bells ring

[CHORUS] 2x

Witchcraft

Those fingers in my hair
That sly come hither stare
That strips my conscience bare
It's witchcraft

And I've got no defense for it
The heat is too intense for it
What good would common sense for it do

'cause it's witchcraft, wicked witchcraft
And although, I know, it's strictly taboo

When you arouse the need in me
My heart says yes indeed in me
Proceed with what your leading me to

It's such an ancient pitch
But one I wouldn't switch
'cause there's no nicer witch than you

Wonderful Tonight

Its late in the evening - She's wondering what clothes to wear
She puts on her makeup - And brushes her long blond hair
And if she asks me - Do I look all right?
And I say yes... - You look wonderful tonight

We go to a party - And everyone turns to see
This beautiful lady - Walking around with me
And then she asks me
Do you feel all right?
And I say yes... I feel wonderful tonight

[Bridge]

I feel wonderful - Because I see
The love light in your eyes
And the wonder of it all
Is you just don't realize - How much I love you

[Solo] ➔ [Bridge]

Its time to go home now - And I've got an aching head
So I give her the car keys - And she helps me to bed
And then I tell her - As I turn out the light
I say my darling... You were wonderful tonight
Oh, my darling... You were wonderful tonight

Word Up

1. Your pretty ladies around the world
Got a weird thing to show you - So tell all the boys and girls
Tell your brother, your sister and your mamma too
we're about to go down - And you know just what to do
Wave your hands in the air like you don't care
Gilde by the people as they start to look and stare
Do your dance, do your dance, do your dance quick mamma
Come on baby tell me what's the word

[CHORUS]

Word up - everybody says
When you hear the call you've got to get it underway
Word up - it's the code word
No matter where you say it you know that you'll be heard

2. Now all you sucker DJ's who think you're fly
There's got to be a reason and we know the reason why
Why you put on those airs and you act real cool
Got to realise that you're acting like fools
If there's music we can use it - You're free to dance
We don't have the time for psychological romance
No romance, no romance, no romance for me mamma
Come on baby tell me what's the word

[CHORUS]

Dial L for love, Dial L for love, Dial L for love
W.O.R.D. UP, W.O.R.D. UP, W.O.R.D. UP, W.O.R.D. UP

Working My Way Back To You

[CHORUS]

Working my way back to you babe
With a burning love inside
Yeah I'm working my way back to you babe
With a happiness that died
I let it get away, paying every day

When you were so in love with me
I played around like I was free
Thought I could have my cake and eat it too
Oh how I cried over losing you
See me cryin' now, but I ain't about to go
Livin' my life without you
For every day - I made you cry
I'm paying girl - til the day that I die

[CHORUS]

I used to love to make you cry
It made me feel like a man inside
But if I'd been a man in reality
You'd still be here babe lovin me

Now the nights are long and lonely
And I'm not too strong babe I just miss you so
And you're too proud, won't give in
But when I think about all I could win

[CHORUS] yeah yeah yeah

You can get yourself clean, you can have a good meal
You can do whatever you feel

Young men, are you listening to me, I said
Young men, what do you want to be, I said
Young men, you can make real your dreams, but you
Got - to - know - this - one thing
No man, does it all by himself, I said
Young men, put your pride on the shelf, and just
Go there, to the Y.M.C.A. I'm sure

{Chorus}

Young men, I was once in your shoes, I said
I was, down and out with the blues, I felt

Young man, take a walk up the street, there's a
Place there, called the Y.M.C.A. they can
Start - you - back - on - your way -- **{Chorus} 2x**

Yesterday

Yesterday

All my troubles seemed so far away

Now it looks as though they're here to stay

Oh, I believe in yesterday

Suddenly

I'm not half the man I used to be

There's a shadow hanging over me

Oh yesterday came suddenly

{BRIDGE}

Why she... Had to go

I don't know, She wouldn't say

I said... Something wrong

Now I long for yesterday

Yesterday

Love was such an easy game to play

Now I need a place to hide away

Oh, I believe in yesterday

{TAG}

Oh, I believe in yesterday

You Are My Sunshine

[CHORUS]

You are my sunshine, My only sunshine.
You make me happy When skies are gray.
You'll never know, dear, How much I love you.
Please don't take my sunshine away

The other nite, dear, As I lay sleeping
I dreamed I held you in my arms.
When I awoke, dear, I was mistaken
And I hung my head and cried.

[CHORUS]

I'll always love you And make you happy
If you will only say the same
But if you leave me To love another
You'll regret it all some day;

[CHORUS]

You told me once, dear You really loved me
And no one else could come between
But now you've left me And love another
You have shattered all my dreams;

[CHORUS]

Louisiana my Louisiana
the place where I was borne.
White fields of cotton -- green fields clover,
the best fishing and long tall corn;

[CHORUS]

Crawfish gumbo and jambalaya
the biggest shrimp and sugar cane,
the finest oysters and sweet strawberries
from Toledo Bend to New Orleans; - [CHORUS]

You Are So Beautiful

You are so beautiful

To me

You are so beautiful

To me

Can't you see

You're everything I hope for

You're everything I need

You are so beautiful

To me

You are so beautiful

To me

You are so beautiful

To me

Can't you see

You're everything I hope for

You're everything I need

You are so beautiful

To me

You Are The Best Thing

Baby, It's been a long day, baby
Things ain't been going my way
You know I need you here
To clear my mind all the time

And baby, The way you move me, it's crazy
It's like you see right through me
And make it easier
Believe me, you don't even have to try

[Chorus]

Oh, because You are the best thing *(You're the best thing)*
You are the best thing *(You're the best thing, baby)*
You are the best thing *(You're the best thing, oooh)*
Ever happened to me

Baby, We've come a long way
And baby, You know I hope and I pray
That you believe me
When I say this love will never fade away

[Chorus]

Both of us had no love before
To come on all promising like a spring; to walk on out the door
Our hearts are strong and our hearts are kind
Let me tell you just exactly what's on my mind

[Chorus] 3X

You Are The Sunshine Of My Life

You are the sunshine of my life
That's why I'll always be around
You are the apple of my eye
Forever you'll stay in my heart

I feel like this is the beginning
Though I've loved you for a million years
And if I thought our love was ending
I'd find myself drowning in my own tears, Whoa, whoa

You are the sunshine of my life
That's why I'll always be around
You are the apple of my eye
Forever you'll stay in my heart

You must know that I was lonely
Because you came to my rescue
And I know that this must be heaven
How could so much love be inside you? - Whoa

You Can Leave Your Hat On

Baby, take off your coat... Real slow
Take off your shoes... I'll take off your shoes
Baby, take off your dress... Yes, yes, yes
You can leave your hat on, You can leave your hat on,
You can leave your hat on

Go on over there and turn on the light... Hey, all the lights
Come over here, stand on that chair... Yes, that's right
Raise your arms up in to the air... Now shake 'em
You give me a reason to live, You give me a reason to live
You give me a reason to live, You give me a reason to live

[Refrain]

Sweet darling - *You can leave your hat on*
You can leave your hat on, Baby *You can leave your hat on*
You can leave your hat on - *You can leave your hat on*
Instrumental - You can leave your hat on

Suspicious minds are talking - Trying to tear us apart
They say that my love is wrong -
They don't know what love is -
They don't know what love is -
They don't know what love is -
They don't know what love is -
I know what love is ➔ **[Refrain]**

You Can't Hurry Love

I need love, love To ease my mind
I need to find, find someone to call mine
But mama said:

[Chorus 1]

You can't hurry love No, you just have to wait
She said love don't come easy It's a game of give and take

[Chorus 2]

You can't hurry love No, you just have to wait
You got to trust, give it time No matter how long it takes

But how many heartaches Must I stand
Before I find a love To let me live again
Right now the only thing That keeps me hangin' on
When I feel my strength, yeah It's almost gone
I remember mama said:

[Chorus 1]

[Chorus 3]

How long must I wait How much more can I take
Before loneliness will cause my heart Heart to break?

You Can't Hurry Love - 2

No I can't bear to live my life alone
I grow impatient for a love to call my own
But when I feel that I, I can't go on
These precious words keeps me hangin' on I remember
mama said:

[Chorus 1]

[Chorus 2] - And now break!

No, love, love, don't come easy
But I keep on waiting Anticipating
For that soft voice To talk to me at night
For some tender arms To hold me tight

I keep waiting I keep on waiting
But it ain't easy It ain't easy
But mama said:

[Chorus 1] -- [Chorus 2]

You Dropped A Bomb On Me

You were the girl that changed my world, You were the girl for me
You lit the fuse I stand accused, You were the first for me
But you turned me out baby

[Chorus]

You dropped a bomb on me, baby, You dropped a bomb on me.
But you turned me on baby.
You dropped a bomb on me, baby, You dropped a bomb on me.

You were my thrills, you were my pills, You dropped a bomb on me
You turn me out, You turn me on,
You turned me loose then You turned me wrong

[Chorus]

Just like Adam and Eve. Said you'd set me free, you took me to the sky
I'd never been so high
You were my pills, you were my thrills, You were my hope baby,
You were my smoke, You dropped a bomb

[Chorus] 2x

We were in motion, felt like lotion, You were the girl for me
You were the first explosion, Turned out to be corrosion, You were the
first for me.
But you turned me out, baby

[Chorus] 2x

I... I, I... I, I, I won't forget it - I... I, I... I, I, I won't forget it

[Chorus] -- [Instrumental]

[Chorus] w/ ad libs I... I, I... I, I, I won't forget it You turned me out,
you turned me on, And then you dropped me to the ground

You May Be Right

Friday night I crashed your party... Saturday I said I'm sorry
Sunday came and trashed me out again
I was only having fun... Wasn't hurting any one
And we all enjoyed the weekend for a change

I've been stranded in the combat zone
I walked through Bedford Stuy alone
Even rode my motorcycle in the rain
And you told me not to drive... But I made it home alone
So you said that only proves that I'm insane

{CHORUS}

You may be right - I may be crazy
But it just may be a lunatic you're looking for
Turn out the light - Don't try to save me
You may be wrong for all I know... But you may be right

Remember how I found you there... Alone in your electric chair
I told you dirty jokes until you smiled
You were lonely for a man - I said take me as I am
Cause you might enjoy some madness for a while

Now think of all the years you tried to... Find someone to satisfy you
I might be as crazy as you say
If I'm crazy then it's true - That it's all because of you
And you wouldn't want me any other way

{CHORUS} - It's too late to fight - It's too late to change me

You may be wrong for all I know
But you may be right

{CHORUS} - Turn out the light - Don't try to save me

You may be wrong for all I know... But you may be right
You may be wrong but you may be right - *(Repeat and Fade)*

You Really Got A Hold On Me

I don't like you but I love you

I don't want you but I need you
I don't want to kiss you but I need to, oh, oh

I just can't quit now

Young At Heart

Fairy tales can come true, it can happen to you
If you're young at heart
For it's hard, you will find, to be narrow of mind
If you're young at heart

You can go to extremes with impossible schemes
You can laugh when your dreams fall apart at the seams
And life gets more exciting with each passing day
And love is either in your heart or on its way

Don't you know that it's worth every treasure on earth
To be young at heart
For as rich as you are it's much better by far
To be young at heart

And if you should survive to 105
Look at all you'll derive out of being alive
And here is the best part - You have a head start
If you are among the very young at heart

[SOLO]

And if you should survive to 105
Look at all you'll derive out of being alive
And here is the best part - You have a head start
If you are among the very young at heart

You're My First, My Last, My Everything

My first, my last, my everything
And the answer to all my dreams
You're my sun, my moon, my guiding star
My kind of wonderful, that's what you are

I know, there's only, only one like you
There's no way, they could have made two
Girl you're all I'm livin' for, -
Your love I'll keep for evermore
You're the first, you're the last, my everything

In you, I find, so many things
My love for you, only you, could bring
Can't you see if you, you make me feel this way
You're like the fresh morning dew, on a brand new day

I've seen, so many ways that I
Can love you till, the day I die
You're my reality
Yet I'm lost and I-I-I'm fee
You're the first, you're the last, my everything

You've Got A Friend

When you're down and troubled - And you need a helpin' hand
And nothing, whoa, nothing is goin' right
Close your eyes and think of me - And soon I will be there
To brighten up even your darkest night

{CHORUS}

You just call out my name - And you know wherever I am
I'll come runnin' - To see you again
Winter, Spring, Summer or Fall - All you got to do is call
And I'll be there yeah, yeah, yeah - You've got a friend

If the sky... above you - Should turn dark and full of clouds
And that old north wind should begin to blow
Keep your head together - And call my name out loud
Soon I'll be knocking upon your door

{CHORUS}

Ain't it good to know... That you've got a friend
People can be so bold
They'll hurt you... And desert you
Well they'll take your soul if you let them
Oh, yeah, but don't you let them

{CHORUS}

You've Lost That Lovin' Feelin'

You never close your eyes anymore when I kiss your lips.
And there's no tenderness like before in your fingertips.
You're trying hard not to show it, (baby). But baby, baby I know it...

You've lost that lovin' feeling, Whoa, that lovin' feeling,
You've lost that lovin' feeling, Now it's gone...gone...gone...wooooooh.

Now there's no welcome look in your eyes when I reach for you.
And now you're starting to criticize little things I do.
It makes me just feel like crying, (baby).
'Cause baby, something beautiful's is dying.

You lost that lovin' feeling, Whoa, that lovin' feeling,
You've lost that lovin' feeling, Now it's gone...gone...gone...wooooooah

Baby, baby, I get down on my knees for you. *Get down on my knees for you*
If you would only love me like you used to do, yeah.
We had a love...a love...a love you don't find everyday.
So don't...don't...don't...don't let it slip away.
Baby (*baby*), baby (*baby*),
I beg of you please... *please*,
I need your love (*I need your love*), I need your love (*I need your love*),
So bring it on back (*So bring it on back*),
Bring it on back (*so bring it on back*).

Bring back that lovin' feeling, Whoa, that lovin' feeling
Bring back that lovin' feeling, 'Cause it's gone...gone...gone,
and I can't go on, noooo...

Bring back that lovin' feeling, Whoa, that lovin' feeling
Bring back that lovin' feeling, 'Cause it's gone...gone... wooooooah...
