

# Achy Breaky Heart

You can tell the world... you never was my girl  
You can burn my clothes up when I'm gone  
You can tell your friends... just what a fool I've been  
And laugh and joke about me on the phone

You can tell my arms... go back to the farm  
You can tell my feet to hit the floor  
Or you can tell my lips... to tell my fingertips  
They won't be reaching out for you no more

(Chorus)

But don't tell my heart... My achy breaky heart  
I just don't think he'd understand  
And if you tell my heart... My achy breaky heart  
He might blow up and kill this man

You can tell your Ma... I moved to Arkansas  
You can tell your dog to bite my leg  
Or tell your brother Cliff... whose fist can tell my lip  
He never really liked me anyway

Or tell your Aunt Louise... tell anything you please  
Myself already knows I'm not O.K.  
Or you can tell my eyes... to watch out for my mind  
It might be walking out on me today

(Repeat chorus to end)

# Amazed

Every time our eyes meet, this feeling inside me  
Is almost more than I can take.

Baby when you touch me, I can feel how much you love me  
And it just blows me away.

I've never been this close to anyone or anything  
I can hear your thoughts, I can see your dreams.

## **[Chorus]**

I don't know how you do what you do, I'm so in love with you  
It just keeps getting better.

I wanna spend the rest of my life with you by my side  
Forever and ever.

Every little thing that you do, Baby I'm amazed by you.

The smell of your skin, the taste of your kiss

The way you whisper in the dark.

Your hair all around me, Baby you surround me

You touch everyplace in my heart.

Oh, it feels like the first time every time

I wanna spent the whole night in your eyes.

## **[Chorus]**

## **{SOLO}**

## **[Chorus]**

Every little thing that you do, Baby I'm amazed by you.

# **Boot Scootin' Boogie**

Out in the country Past the city limits sign  
Well there's a honky tonk Near the county line  
The joint starts jumpin' every night When the sun goes down  
They got whiskey, women, music, and smoke  
It's where all the cowboy folk Go to boot scootin' boogie

I've got a good job I work hard for my money  
When it's quittin' time I hit the door runnin'  
I fire up my pickup truck And let the horses run  
I go flyin' down that highway To that hide-a-way  
Stuck out in the woods To do the boot scootin' boogie

Chorus:

Yeah, heal, toe, docie doe  
Come on baby, let's go boot scootin'  
Oh Cadillac, Blackjack, baby meet me out back  
We're gonna boogie  
Oh, get down, turn around, go to town  
Boot scootin boogie

The bartender asks me Says, 'Son what'll it be?'  
I want a shot at that redhead yonder Lookin' at me  
The dance floor's hoppin' And it's hotter than the Fourth of July  
I see outlaws, in-laws, crooks, and straights  
All out makin' it shake Doin' the boot scootin boogie

Chorus

# **Crazy Little Thing Called Love**

## **[VERSE 1]**

This thing called love I just can't handle it  
This thing called love I must get round to it  
I ain't ready - Crazy little thing called love

This (This Thing) called love (Called Love)  
It cries (Like a baby) In a cradle all night  
It swings (Woo Woo) It jives (Woo Woo)  
It shakes all over like a jelly fish,  
I kinda like it - Crazy little thing called love

There goes my baby  
She knows how to Rock n' roll  
She drives me crazy  
She gives me hot and cold fever  
Then she leaves me in a cool cool sweat

## **[VERSE 3]**

I gotta be cool relax, get hip  
Get on my tracks  
Take a back seat, hitch-hike  
And take a long ride on my motor bike  
Until I'm ready (Ready Freddie)  
Crazy little thing called love

## **[SOLO]**

## **[VERSE 3]**

**[VERSE 1]** - Crazy little thing called love... (repeat often)

# Desperado

Desperado, why don't you come to your senses?  
You been out ridin' fences for so long now  
Oh, you're a hard one  
I know that you got your reasons  
These things that are pleasin' you  
Can hurt you somehow

Don't you draw the queen of diamonds, boy  
She'll beat you if she's able  
You know the queen of hearts is always your best bet

Now it seems to me, some fine things  
Have been laid upon your table  
But you only want the ones that you can't get

Desperado, oh, you ain't gettin' no younger  
Your pain and your hunger, they're drivin' you home  
And freedom, oh freedom well, that's just some people talkin'  
Your prison is walking through this world all alone

Don't your feet get cold in the winter time?  
The sky won't snow and the sun won't shine  
It's hard to tell the night time from the day  
You're loosin' all your highs and lows  
Ain't it funny how the feeling goes away?

Desperado, why don't you come to your senses?  
Come down from your fences, open the gate  
It may be rainin', but there's a rainbow above you  
You better let somebody love you, before it's too late

# **Fast As You**

Maybe someday I'll be strong.  
Maybe it won't be long.  
I'll be the one who's tough.  
You'll be the one who's got it rough,  
It won't be long and maybe I'll be real strong.

Maybe I'll do things right.  
Maybe I'll start tonight.  
You'll learn to cry like me.  
Baby, let's just wait and see.  
Maybe I'll start tonight and do things right.

## **[Pre-Chorus]**

You'll control me, - Oh so boldly.  
Rule me 'til I'm free...  
'Til the pain that shakes me, - Finally makes me,  
Get up off of my knees... - Yeah, yeah, yeah, yeah.

## **[Chorus]**

Maybe I'll be fast as you.  
Maybe I'll break hearts too.  
But, I think that you'll slow down.  
When your turn to hurt comes around.  
Maybe I'll break hearts and be as fast as you. - Uh.

## **[Pre-Chorus]**

**[Chorus]** Aww, Sookie!

Yeah, maybe I'll be fast as you. - Maybe I'll break hearts too.

## Good At Good Byes

What a rotten day this turned out to be  
I still can't believe, she'd leave so easily  
She just got all of her things, threw 'em into a pile  
Then she loaded her car and said after a while  
She'd done this before but this time she didn't cry

{Chorus}

That's why I'm sittin' on the front steps  
Starin' down the road  
Wondering' if she'll come back  
This time I don't know  
After she packed, and she looked back  
There were no tears in her eyes  
That's got me worried thinkin' maybe my baby's  
Gotten good at good-byes

All the times before, she'd break down and cry  
She'd make her threats but her heart wasn't set on good-bye  
She just wanted me to hear what she had to say  
Now I'm lost for words and she went away  
She may not return for this time she didn't cry

{Chorus}

{Chorus}

## **Good Riddance (Time Of Your Life)**

Another turning point, a fork stuck in the road  
Time grabs you by the wrist, directs you where to go  
So make the best of this test and don't ask why  
It's not a question, but a lesson learned in time  
It's something unpredictable, but in the end is right  
I hope you had the time of your life

So take the photographs and still-frames in your mind  
/ / Hang it on a shelf of good health and good time  
Tattoos of memories and dead skin on the trial  
For what it's worth, it was worth all the while  
It's something unpredictable, but in the end is right  
I hope you had the time of your life

It's something unpredictable, but in the end is right  
I hope you had the time of your life

It's something unpredictable, but in the end is right  
I hope you had the time of your life

# I Cross My Heart

Our love is unconditional  
We knew it from the start  
I can see it in your eyes  
You can feel it from my heart  
From here on after  
Let's stay the way we are right now  
And share all the love and laughter  
That a lifetime... will allow

Chorus:

I cross my heart - And promise to  
Give all I've got to give - To make all your dreams come true  
In all the world - You'll never find  
A love as true as mine

You will always be the miracle  
That makes my life complete  
And as long as there's still breath in me  
I'll make yours just as sweet  
As we look into the future  
It's as far as we can see  
So let's make each tomorrow  
Be the best... that it can be

Chorus

And if along the way we find a day  
It starts to storm  
You've got the promise of my love  
To keep you warm

# I Hope You Dance

I hope you never lose your sense of wonder  
You get your fill to eat But always keep that hunger  
May you never take one single breath for granted  
God forbid love ever leave you empty handed

I hope you still feel small when you stand beside the ocean  
Whenever one door closes, I hope one more opens  
Promise me you'll give fate a fighting chance  
And when you get the choice to sit it out or dance

I hope you dance - I hope you dance

I hope you never fear those mountains in the distance  
Never settle for the path of least resistance  
Living might mean taking chances, but they're worth taking  
Lovin' might be a mistake, but it's worth making

Don't let some hell bent heart leave you bitter  
When you come close to selling out, reconsider  
Give the heavens above more than just a passing glance  
And when you get the choice to sit it out or dance

## **[Chorus]**

I hope you dance - (Time is a real and constant motion always)  
I hope you dance - (Rolling us along)  
I hope you dance - (Tell me who)  
I hope you dance - (Wants to look back on their youth and wonder)  
I hope you dance - (Where those years have gone)

I hope you still feel small - When you stand by the ocean  
Whenever one door closes, I hope one more opens  
Promise me you'll give fate a fighting chance  
And when you get the choice to sit it out or dance

## **[Chorus] 2x**

# I Swear

{Verse}

I see the questions in your eyes  
I know what's weighing on your mind  
But you can be sure I know my part

'Cause I would, stand beside you through the years  
You'll only cry those happy tears  
And though I make mistakes - I'll never break your heart

**{CHORUS}**

I swear, by the moon and the stars in the sky - I'll be there  
I swear, like the shadow that's by your side - I'll be there  
For better or worse, 'til death do us part  
I'll love you with every beat of my heart - I swear

{Verse}

I'll give you every thing I can  
I'll build your dreams with these two hands  
We'll hang some memory's on the wall

And when, there's silver in your hair  
You won't have to ask if I still care  
'Cause as time turns the page my love won't age at all

**{CHORUS}**

*Solo*

**{CHORUS}** - I swear

# If Tomorrow Never Comes

Sometimes late at night  
I lie awake and watch her sleeping  
She's lost in peaceful dreams  
So I turn out the lights and lay there in the dark  
And the thought crosses my mind  
If I never wake up in the morning  
Would she ever doubt the way I feel  
About her in my heart

## **[CHORUS]**

If tomorrow never comes  
Will she know how much I loved her  
Did I try in every way, to show her every day  
That she's my only one  
And if my time on earth were through  
And she must face the world without me  
Is the love I gave her in the past, Gonna be enough to last  
If tomorrow never comes

'Cause I've lost loved ones in my life  
Who never knew how much I loved them  
Now I live with the regret  
That my true feelings for them never were revealed  
So I made a promise to myself  
To say each day how much she means to me  
And avoid that circumstance Where there's no second chance  
To tell her how I feel

## **[CHORUS]**

So tell that someone that you love, Just what you're thinking of  
If tomorrow never comes

# Long Train Runnin'

Down around the corner, Half a mile from here  
See them ol' trains run, And you watch 'em disappear  
Without love, Where would you be now? - Without love...

Know I saw Miss Lucy, Down around the tracks  
She lost her home and her family, And she won't be comin' back  
Without love, Where would you be right now? - Without love...

## **[Verse 3]**

Well the Illi-no-is Central, And the Southern Central freight  
Got to keep on pushin' mama, Even though they're runnin' late  
Without love, Where would you be na-na-na-now - Without love...

## **(Solo)**

## **[Verse 3]**

Well the pistons keep on churnin' & the wheels go round & round  
And the steel rails are cool and hard For the miles that they go down  
Without love, Where would you be right now  
Without love... Ooh... where would you be now...

## **(Ad Lib)**

Ooh, got to keep on movin' babe, You gotta boogie down,  
You gotta boogie down, Baby, baby, baby, babe,  
You gotta boogie down  
And the B trains run, And the trains keep on movin' on  
Gotta keep on movin', Keep on movin', Gotta keep on movin'  
Gotta keep on, Gotta keep on, Gotta keep on...

# Low Places

Blame it all on my roots, I Showed up in boots  
Ruined your black tie affair  
The last one to know, The last one to show  
I was the last one you thought you'd see there  
Well I saw the surprise and the fear in his eyes  
When I took his glass of champagne  
I toasted you and said "I know we're through  
And You'll never hear me complain"

{Chorus}

Cause I've got friends in low places  
Where the whiskey drowns and the beer chases  
My blues away...And I'll be okay  
Well, I'm not big on social graces  
Think I'll slip on down to the Oasis  
Cause I've got friends...In low places

Solo

I guess I was wrong, I just don't belong  
Well then I've been there before  
And everything is all right, I'll just say good night  
And I'll show myself to the door  
But I didn't mean To cause a big scene  
Just give me an hour and then  
I'll be as high in that ivory tower  
Then you've ever been

{Chorus} - {Chorus} with everybody singing

{Tag}

Cause I've got friends in low places... Cause I've got friends in low places

# Lyin' Eyes

City girls just seem to find out early  
How to open doors with just a smile  
A rich old man and she won't have to worry  
She'll dress up all in lace and go in style

Late at night a big old house gets lonely  
I guess every form of refuge has it's price  
And it breaks her heart to think her love is only  
Given to a man with hands as cold as ice

So she tells him she must go out for the evening  
To comfort an old friend who's feelin' down  
But he knows where she's goin' as she's leavin'  
She's headed for the cheatin' side of town

## {CHORUS}

You can't hide... Your lyin' eyes  
And your smile... Is a thin disguise  
I thought by now... You'd realize  
There ain't no way to hide your lyin' eyes

She gets up and pours herself a strong one  
And stares out at the stars up in the sky  
Another night, it's gonna be a long one  
She draws the shade and hangs her head to cry

My, oh my, you sure know how to arrange things  
You set it up so well, so carefully  
Ain't it funny how your new life didn't change things  
You're still the same old girl you used to be

{CHORUS} Honey, you can't hide your lyin' eyes

## Mercury Blues

Well if I had money, tell you what I'd do  
I'd go downtown, buy Mercury or two  
Crazy bout a Mercury, Lord I'm crazy bout a Mercury  
Gonna buy me a Mercury and cruise it up & down the road

Well the girl I loved, stole her from a friend  
He got lucky stole her back again  
She heard he had a Mercury, Lord she's crazy bout a Mercury  
Gonna buy me a Mercury and cruise it up and down the road

Well hey now woman don't you look so fine  
Drivin round in your Mercury 49  
Crazy bout a Mercury, Lord I'm crazy bout a Mercury  
I'm gonna buy me a Mercury and cruise it up and down the road

Well my baby went out, she didn't stay long  
Bought herself a Mercury come a-cruisin' home  
Crazy bout a Mercury, yeah she's crazy bout a Mercury  
I'm gonna buy me a Mercury and cruise it up and down the road

Well if I had money, tell you what I'd do  
I'd go downtown buy a Mercury or two  
Crazy bout a Mercury, Lord I'm crazy bout a Mercury  
I'm gonna buy me a Mercury and cruise it up and down the road  
I'm gonna buy me a Mercury and cruise it up and down the road  
I'm gonna buy me a Mercury and cruise it up and down the road

# The Race Is On

I feel tears wellin' up cold and deep inside  
Like my heart's sprung a big break  
And a stab of loneliness sharp and painful  
That I may never shake  
You might say that I was taking it hard  
Oh, she wrote me off with a call  
But don't you wager that I'll hide the sorrow  
When I may break right down and bawl?

## **[CHORUS]**

Well, the race is on and here comes Pride up the backstretch  
Heartaches are going to the in-side  
My Tears are holding back  
They're tryin' not to fall  
My Heart's out of the running  
True Love's scratched for another's sake  
The race is on and it looks like Heartaches  
And the winner loses all.

One day I ventured in love, never once suspectin'  
What the final result would be  
How I lived in fear of waking up each morning  
And thinkin' that you're gone from me  
There's ache and pain in my heart  
For today was the one that I hated to face  
Somebody new came up to win her  
I came out in second place.

## **[CHORUS] - (SOLO) - [CHORUS]**

# Rocky Top

I wish that I was on **ol'** Rocky Top  
**Down** in the **Tennessee** Hills  
There **ain't** no smoggy **smoke** on Rocky Top  
There **ain't** no **telephone** bills  
**Corn** don't grow at **all** on Rocky Top  
**It's** to **rocky** by far  
**That's** why all the **folks** on Rocky Top  
**Get** their **corn** in a Jar

## {Chorus}

Rocky Top you will always be  
Home sweet home to me  
Good ol' Rocky Top  
Rocky Top Tennessee... Rocky Top Tennessee

**Once** two strangers **climbed** ol' Rocky Top  
**Lookin'** for a **moonshine** still  
Them **strangers** ain't come **down** from Rocky Top  
I **bet** you they **never** will  
You know **once** I had a **gal** on Rocky Top  
**Half** bear the **other** half cat  
She was **wild** as a mink but **sweet** as sody-pop  
And I still **dream** about that

## {Chorus}

I've spent **many** years **back** in the **city** life  
**Trapped** like a **duck** in a **pen**  
**All** I **know** is **its** a **pity** life  
**Can't** be **simple** again

{Chorus} Rocky Top Tennesseeeeeeee e e e... Rocky Top Tennessee

## Runnin' Behind

Work, Work, Work day after day  
Fifty hour week, forty hour pay  
Not time to get over on this overtime  
Yea I'm always runnin', I'm always runnin' behind

I got a Friday night date with my sweetheart  
I'm already late and the car won't start  
Lord, I feel like hittin' that car and cryin'  
Yes I'm always runnin', I'm always runnin' behind

All my life it's been this way  
One dollar short and one day late  
One rung lower on the ladder I'm tryin to climb

If I ever get lucky, If I ever get rich  
Gonna tow my life up out of this ditch  
Watch the world go by while I unwind  
Yeah I'm always running,  
But I'm always runnin' behind

## Shameless

Well I'm shameless when it comes to loving you  
I'd do anything you want me to  
I'd do anything at all

And I'm standing here for all the world to see  
There ain't that much left of me  
That has very far to fall

You know I'm not a man who has ever been  
Insecure about the world I've been living in  
I don't break easy, I have my pride  
But if you need to be satisfied

I'm shameless, baby I don't have a prayer  
Anytime I see you standing there  
I go down upon my knees

And I'm changing, I swore I'd never compromise  
But you convinced me otherwise  
I'll do anything you please

You see in all my life I've never found  
What I couldn't resist, what I couldn't turn down  
I could walk away from anyone I ever knew  
But I can't walk away from you

## Shameless - page 2

I have never let anything have this much control over me  
Cause I worked too hard to call me life my own  
Yes I made myself a world and it worked so perfectly  
But it's your world now, I can't refuse  
I never had so much to lose  
I'm shameless...shameless

You know it should be easy for a man who's strong  
To say he's sorry or admit when he's wrong  
I've never lost anything I ever missed  
But I've never been in love like this...  
It's out of my hands  
I'm shameless, I don't have the power now  
But I don't want it anyhow  
So I've got to let it go

I'm shameless, shameless as a man can be  
You can make a total fool of me  
I just wanted you to know

I am shameless  
Shameless...  
Shameless...

## **Six Days On The Road**

Well, I pulled out of Pittsburgh, - Rollin' down the Eastern Seaboard.  
I've got my diesel wound up, - And she's running like never before.  
There's a speed zone ahead, all right,  
I don't see a cop in sight.  
Six days on the road and I'm gonna make it home tonight.

I got ten forward gears, - And a Georgia overdrive.  
I'm taking little white pills, - And my eyes are open wide.  
I just passed a 'Jimmy' and a 'White':  
I've been passin' everything in sight.  
Six days on the road and I'm gonna make it home tonight.

Well, it seems like a month, - Since I kissed my baby good-bye.  
I could have a lot of women, - But I'm not like some other guys.  
I could find one to hold me tight,  
But I could never believe that it's right.  
Six days on the road and I'm gonna make it home tonight.

I.C.C. is checking on down the line.  
I'm a little overweight and my log's three days behind.  
But nothing bothers me tonight.  
I can dodge all the scales all right,  
Six days on the road and I'm gonna make it home tonight.

Well my rig's a little old, - But that don't mean she's slow.  
There's a flame from her stack, - And the smoke's rolling black as coal.  
My hometown's coming in sight,  
If you think I'm happy you're right.  
Six days on the road and I'm gonna make it home tonight.  
Six days on the road and I'm gonna make it home tonight.  
Six days on the road and I'm gonna make it home tonight.

# Stars On The Water

Down in Louisiana - Bayous by and by  
Perogue pole or your natural soul  
Keeps you tied to a tree high tide  
Beer joint lights come on  
And then the crowd starts rollin' in

(Pretty soon you got) stars on the water  
(Just like) stars on the water  
You got stars on the water, let it rain

Beaumont to Biloxi - Sea breeze at your door  
Gypsy rains, dang hurricanes  
White silver sandy shores  
The "Blue Light" lounge is shinin'  
Way out on the view

(It looks just like) stars on the water  
(Just like) stars on the water  
Looks like stars on the water, let it rain

When it's midnight down in Mobile - Shinin' moonbeams on the bay  
They come from miles around to dance the jukebox down  
And dig the good time sounds they all play  
And all across the harbor  
Night lights shinin' in

(It looks just like) stars on the water  
(Just like) stars on the water  
(Feels like) stars on the water, let it rain

## Summertime Blues

I'm gonna raise a fuss, I'm gonna raise a holler  
About a workin' all summer just to try to earn a dollar  
Every time I call my baby, and ask to get a date  
My boss says, "No dice son, you gotta work late"  
Sometimes I wonder what I'm a gonna do  
But there ain't no cure for the summertime blues

Well my mom & pop told me "Son you gotta make some money"  
If you want to use the car to go ridin' next Sunday  
Well I didn't go to work, told the boss I was sick  
"Well you can't use the car 'cause you didn't work a lick"  
Sometimes I wonder what I'm a gonna do  
But there ain't no cure for the summertime blues

I'm gonna take the weeks, gonna have a fine vacation  
I'm gonna take my problem to the United Nations  
Well I called my congressman and he said "Whoa!"  
"I'd like to help you son but you're too young to vote"  
Sometimes I wonder what I'm a gonna do  
But there ain't no cure for the summertime blue

## Take It Easy

Well, I'm a-runnin' down the road Tryin' to loosen my load  
I've got seven women on my mind  
Four that want to own me, two that want to stone me  
One says she's a friend of mine

Take it eas-y, Take it eas-y  
Don't let the sound of your own wheel drive you crazy  
Lighten up while you still can, Don't even try to understand  
Just find a place to take a stand and take it eas-y

Well, I'm a-standin' on the corner in Winslow Arizona  
And such a fine sight to see  
It's a girl my Lord, in a flat bed Ford  
Slowin' down to take a look at me

Come on, ba-by, Don't say may-be  
I gotta know if your sweet love is gonna save me  
We may loose and we may win, Though we will never be here again  
So open up, I'm climbin' in, so take it eas-y

Well, I'm a-runnin' down the road Tryin' to loosen my load  
Got a world of trouble on my mind  
Lookin' for a lover who won't blow my cover  
She's so hard to find

Take it eas-y, Take it eas-y  
Don't let the sound of your own wheel drive you crazy  
Come on, ba-by, Don't say may-be  
I gotta know if your sweet love is gonna save me

# Tequila Sunrise

It's another tequila sunrise  
Starin' slowly cross the sky,  
Said goodbye

He was just a hired hand  
Workin' on the dreams he planned to try  
The days go by

Ev'ry night when the sun goes down  
Just another lonely boy in town  
And she's out runnin' round

She wasn't just another woman  
And I couldn't keep from comin' on  
It's been so long

Oh, and it's a hollow feelin'  
When it comes down to dealin' friends  
It never ends

Take another shot of courage  
Wonder why the right words never come  
You just get numb

It's another tequila sunrise,  
This old world still looks the same,  
Another frame, mm...

## Third Rate Romance

Sittin' in a tiny table in a ritzy restaurant  
She was starin' at her coffee cup  
He was tryin' to keep his courage up - By applyin' booze

And talk was small when they talked at all  
They both knew what they wanted  
There was no need to talk about it  
They were old enough to scope it out - And keep it loose

She said, "You don't look like my type but I guess you'll do"  
Third rate romance Low rent rendezvous  
And he said, "I'll even tell you that I love you if you want me to"  
Third rate romance Low rent rendezvous

When they left the bar, they got in his car and they drove away  
He drove to the family inn  
She didn't even have to pretend - She didn't know what for

And he went to the desk and made his request while she waited outside  
Then he came back with the key  
She said, "Give it to me - And I'll unlock the door"

She kept saying  
"I've never really done this kind of thing before, have you"  
Third rate romance Low rent rendezvous  
And he said, "Yes I have but only a time or two"  
Third rate romance Low rent rendezvous  
Third rate romance Low rent rendezvous

# To Make You Feel My Love

When the rain is blowing in your face  
And the whole world is on your case  
I would offer you a warm embrace  
To make you feel my love

When evening shadows and the stars appear  
And there is no one to dry your tears  
I could hold you for a million years  
To make you feel my love

I know you haven't made your mind up yet  
But I would never do you wrong  
I've known it from the moment that we met  
There's no doubt in my mind where you belong

I'd go hungry, I'd go black and blue  
I'd go crawling down the avenue  
There ain't nothing that I wouldn't do  
To make you feel my love

Mmmm

The storms are raging on a rollin' sea  
And down the highway of regret  
The winds of change are blowing wild and free  
Yeah but you ain't seen nothing like me yet

There ain't nothing that I wouldn't do  
Go to the ends of the earth for you  
Make you happy, make your dreams come true  
To make you feel my love

# Two Of A Kind

{Verse}

Yeah, she's my lady luck hey, I'm her wild card man  
Together we're buildin' up a real hot hand  
We live out in the country and she's my little queen of the south  
Yeah we're two of a kind workin' on a full house

She wakes me every morning with a smile and a kiss  
Her strong country lovin' is hard to resist  
She's my easy lovin' woman I'm her hard workin' man no doubt  
Yeah we're two of a kind workin' on a full house

{Bridge}

Yeah, her pick-up truck is her limousine  
And her favorite dress is her favorite blue jeans  
She loves me tender when the goin' gets tough  
Sometimes we fight just so we can make up

{Verse}

Well I need that little woman like crops needs rain  
She's my honey comb and I'm her sugar cane  
We really fit together if you know what I'm talkin' about  
Yeah we're two of a kind workin' on a full house

Solo

{Bridge}

This time I found a keeper, I made up my mind  
Lord, the perfect combination is her heart and mine  
The sky's the limit, no hill is too steep  
We're playin' for fun but we're playin' for keeps

{Verse}

So draw the curtain, honey turn the lights down low  
We'll find some country music on the radio  
I'm yours and your mine hey that's what it is all about  
Yeah we're two of a kind workin' on a full house  
Yeah we're two of a kind workin' on a full house

## Two Pina Coladas

I was feelin' the blues, I was watching the news  
When this fella came on the TV  
He said I'm tellin' you, That science has proved  
That heartaches are healed by the sea

That got me goin', Without even knowin'  
I packed right up and drove down  
Now I'm on a roll, And I swear to my soul  
Tonight I'm gonna paint this town

### **[Chorus]**

So Bring... Me... Two pina coladas, I Want one for each hand  
Let's set sail with Captin Morgan, And never leave dry land  
Troubles I forgot 'em, I buried 'em in the sand  
So bring me two pina coladas -  
She said good-bye to her good timin' man ➔ **(Short Solo)**

Oh now I've gotta say, That the wind and the waves  
And the moon winkin' down at me  
Eases my mind, By leavin' behind  
The heartaches that love often brings

Now I've got a smile, That goes on for miles  
With no inclination to roam  
I've gotta say, That I think I've gotta stay  
'Cause this is feelin' more and more like home

### **[Chorus]**

## Unchained Melody

Oh, my love, my darling,  
I've hungered for your touch... a long, lonely time,  
Time goes by so slowly  
And time can do so much... Are you still mine?  
I need your love, I need your love,  
God speed your love to me.

Lonely rivers flow to the sea, to the sea  
To the open arms of the sea  
Lonely rivers sigh, "Wait for me, wait for me"  
"I'll be coming home, wait for me!"

Oh, my love, my darling,  
I've hungered for your touch a long, lonely time,  
Time... goes by... so slowly  
And time can do so much.  
Are you still mine?  
I need your love, I need your love,  
God speed your love to me

## **When I Said I Do**

These times are troubled and these times are good  
And they're always gonna be, they rise and they fall  
We take 'em all the way that we should  
Together you and me forsaking them all  
Deep in the night and by the light of day  
It always looks the same, true love always does  
And here by your side, or a million miles away  
Nothin's ever gonna change the way that I feel,  
The way it is, is the way that it was

When I said I do, I meant that I will 'til the end of all time  
Be faithful and true, devoted to you  
That's what I had in mind when I said I do

Well this old world keeps changin', and the world stays the same  
For all who came before, and it goes hand and hand  
Only you and I can undo all that we became  
That makes us so much more, than a woman and a man  
And after everything that comes and goes around  
Has only passed us by, here alone in our dreams  
I know there's a lonely heart in every lost and found  
But forever you and I will be the ones  
Who found out what forever means

When I said I do, I meant that I will 'til the end of all time  
Be faithful and true, devoted to you  
That's what I had in mind when I said I do

Truer than true, you know that I'll always be there for you  
That's what I had in mind, that's what I had in mind, When I said I do

# When You Say Nothing At All

It's amazing how you can speak right to my heart  
Without saying a word, you can light up the dark  
Try as I may, I can never explain  
What I hear when you don't say a thing...

Chorus

The smile on your face lets me know that you need me  
There's a truth in your eyes saying you'll never leave me  
The touch of your hand says you'll catch me, where ever I fall...  
You say it best, when you say nothing at all

All day long I can hear people talking out loud  
But when you hold me near, you drown out the crowd  
Try as they may, they can never define  
What's been said between your heart and mine...

Chorus

The smile on your face lets me know that you need me  
There's a truth in your eyes saying you'll never leave me  
The touch of your hand says you'll catch me, where ever I fall...  
You say it best, when you say nothing at all

{Solo}

Chorus

Ad lib to end.

## Where'm I Gonna Live

[Chorus]

Where'm I gonna live when I get home  
My ol' lady's thrown out everything I own  
She meant what she said when she wished I was dead  
So where'm I gonna live when I get home

I knew our road was gettin' kinda rocky  
She said I was gettin' way too cocky  
She waited till I was gone  
She packed from dusk 'til dawn  
So where'm I gonna live when I get home

[Chorus]

She decided she would keep my cat  
My transportation I wouldn't be needin' that  
She kept my TV  
The bills she gave to me  
So where'm I gonna live when I get home

[Chorus]

Where'm I gonna live when I get home  
Where'm I gonna live, where'm I gonna live  
Where'm I gonna live when I get home

# You Had Me From Hello

One word, that's all you said  
Somethin' in your voice caused me to turn my head.  
Your smile, just captured me  
And you were in my future far as I could see  
And I don't know how it happened, but it happened still  
You asked me if I love you, if I always will

## **[CHORUS]**

Well you, had me from "Hello"  
I felt love start to grow  
The moment that I looked into your eyes, you won me  
It was over from the start  
You completely stole my heart  
And now you won't let go  
I never even had a chance you know  
You had me from "Hello"

Inside, I built a wall  
So high around my heart, I thought I'd never fall  
One touch, you brought it down  
The bricks of my defenses scattered on the ground  
And I swore to me I wasn't gonna love again  
The last time was the last time, I let someone in

## **[CHORUS]**

That's all you said  
Somethin' in your voice caused me to, turn my head  
You had me from "Hello" - You had me from "Hello"  
Girl I've loved you from "Hello"
