

I Saw Her Standing There

One two three four!

Well, she was just seventeen,
You know what I mean,
And the way she looked was way beyond compare.
So how could I dance with another (ooh)
And I saw her standin' there.

Well she looked at me, and I, I could see
That before too long I'd fall in love with her.
She wouldn't dance with another (whooh)
And I saw her standin' there.

Chorus:

Well, my heart went "boom,"
When I crossed that room,
And I held her hand in mine...

Whoah, we danced through the night,
And we held each other tight,
And before too long I fell in love with her.
Now I'll never dance with another (whooh)
Since I saw her standing there

[Guitar Solo]

[Chorus]

[Repeat last verse]

Long Train Runnin'

Down around the corner, Half a mile from here
See them ol' trains run, And you watch 'em disappear
Without love...Where would you be now
Without love

Know I saw Miss Lucy, Down around the tracks
She lost her home and her family, And she won't be comin' back
Without love...Where would you be right now
Without love

Well the Illinois Central, And the Southern Central freight
Got to keep on pushin' mama, Even though they're runnin' late
Without love...Where would you be na-na-na-now
Without love

(Solo)

Well the Illi-no-is Central, And the Southern Central freight
Got to keep on pushin' mama, Even though they're runnin' late
Without love...Where would you be now
Without love

Well the pistons keep on churnin' And the wheels go round and round
And the steel rails are cool and hard For the miles that they go down
Without love...Where would you be right now
Without love...Ooh, where would you be now

(Ad Lib)

Ooh, got to keep on movin' babe, You gotta boogie down,
You gotta boogie down, Baby, baby, baby, babe, You gotta boogie down
And the B trains run, And the trains keep on movin' on
Gotta keep on movin', Keep on movin', Gotta keep on movin'
Gotta keep on, Gotta keep on, Gotta keep on...

Get Down Tonight

Baby, babe, let's get together
Honey hun, me and you
And do the things Ah, do the things
That we like to do

[Chorus]

Oh . . . Do a little dance, make a little love
Get down tonight, get down tonight
Do a little dance, make a little love
Get down tonight, get down tonight

Baby, babe, I'll meet you
Same place, same time
Where we get... We get together
And ease up... our minds

[Chorus]

Play That Funky Music White Boy

Once I was a boogie singer - Playin' in a rock 'n roll band
I never had no problems - Rollin' down the one night stands
And everything around me - Got to stop to feelin' so low
And I decided quickly - To disco down and check out the show

{BREAK}

And they were dancin' and singin' and movin' to the groovin'
And just when it hit them somebody turned around and shouted...
Play that funky music white boy, Play that funky music right
Play that funky music white boy...
Lay down the boogie and play that funky music 'til you die

I tried to understand this - I thought that they were out of there minds
How could I be so foolish - To not think I was the one behind
So still I kept on fighting - Losin' every step of the way
I said I must go back there - To check if things still the same

{BREAK}

At first it wasn't easy - Changin' rock 'n rollin' minds
And things were gettin' shaky -
I thought I'd have to leave them behind
But now it's so much better it's so much better -
I'm funkkin' out in every way
But I'll never lose that feelin' you know I won't -
Of how I learned my lesson that day

{BREAK}

Blister In The Sun

When I'm a walkin', I strut my stuff -- and I'm so strung out
I'm high as a kite; I just might stop to check you out
Let me go on... like I blister in the sun
Let me go on... big hands, I know you're the one

Body and beats, I stain my sheets -- I don't even know why
My girlfriend, she's at the end -- she is starting to cry
Let me go on... like I blister in the sun
Let me go on... big hands, I know you're the one

When I'm out walkin', I strut my stuff -- yeah, I'm so strung out
I'm high as a kite; I just might stop to check you out
When I'm out walkin', I strut my stuff -- and I'm so strung out
I'm high as a kite; I just might stop to check you out

Body and beats, I stain my sheets -- I don't even know why
My girlfriend, she's at the end -- she is starting to cry
When I'm out walkin', I strut my stuff -- yeah, I'm so strung out
I'm high as a kite; I just might stop to check you out

Let me go on... like I blister in the sun
Let me go on... big hands, I know you're the one

I Melt With You

Moving forward using all my breath
Making love to you was never second best
I saw the world thrashing all around your face
Never really knowing it was always mesh and lace

I'll stop the world and melt with you
You've seen the difference and it's getting better all the time
There's nothing you and I won't do
I'll stop the world and melt with you

(You should know better)
Dream of better lives the kind which never hate
(You should see why)
Dropped in the state of imaginary grace
(You should know better)
I made a pilgrimage to save this humans race
(You should see why)
What I'm comprehending a race that long gone bye

[CHORUS]

(I'll stop the world) I'll stop the world and melt with you
(I'll stop the world) You've seen the difference and it's getting better all the time
(Let's stop the world) There's nothing you and I won't do
(Let's stop the world) I'll stop the world and melt with you

The future's open wide

[CHORUS]

The future's open wide

hmmm hmmm hmmm -- hmmm hmmm hmmm hmmm
hmmm hmmm hmmm -- hmmm hmmm hmmm hmmm

[CHORUS]

R.O.C.K. In The U.S.A.

They come from the cities And they come from the smaller towns
Beat up cars with guitars and drummers Goin crack boom bam

Chorus

R.O.C.K. in the U.S.A. R.O.C.K. in the U.S.A.

R.O.C.K. in the U.S.A., Yeah, Yeah!... Rockin' in the U.S.A.

Said goodbye to their families Said goodbye to their friends
With pipe dreams in their heads And very little money in their hands
Some are black and some are white
Ain't too proud to sleep on the floor tonight
With the blind faith of Jesus you know that they just might, be
Rockin' in the U.S.A. Hey!

Chorus

Voices from nowhere And voices from the larger towns
Filled our head full of dreams Turned the world upside down
There was Frankie Lyman-Bobby Fuller-Mitch Ryder
(They were Rockin')
Jackie Wilson-Shangra-las-Young Rascals
(They were Rockin')
Spotlight on Martha Reeves Let's don't forget James Brown
Rockin' in the U.S.A. Rockin' in the U.S.A. Hey!

Waiting On The World To Change

Me and all my friends - We're all misunderstood
They say we stand for nothing and - There's no way we ever could
Now we see everything that's going wrong
With the world and those who lead it
We just feel like we don't have the means - To rise above and beat it
So we keep waiting, *waiting* - Waiting on the world to change
We keep on waiting, *waiting* Waiting on the world to change
It's hard to beat the system - When we're standing at a distance
So we keep waiting, *waiting* - Waiting on the world to change
Now if we had the power - To bring our neighbors home from war
They would have never missed a Christmas
No more ribbons on their door
And when you trust your television - What you get is what you got
Cause when they own the information, oh
They can bend it all they want
That's why we're waiting, *waiting* - Waiting on the world to change
We keep on waiting, *waiting* - Waiting on the world to change
It's not that we don't care, - We just know that the fight ain't fair
So we keep on waiting, *waiting* - Waiting on the world to change

[Instrumental]

And we're still waiting, *waiting* - Waiting on the world to change
We keep on waiting, *waiting* - Waiting on the world to change
One day our generation - Is gonna rule the population
So we keep on waiting, *waiting* - Waiting on the world to change
Y' know we keep on waiting, *waiting* - Waiting on the world to change
We keep on waiting, *waiting* - Waiting on the world to change
Waiting on the world to change - **3X**

All Summer Long

It was 1989, my thoughts were short my hair was long
Caught somewhere between a boy and man
She was seventeen and she was far from in-between
It was summertime in Northern Michigan
Ahh Ahh Ahh - Ahh Ahh Ahh

Splashing through the sand bar - Talking by the campfire
It's the simple things in life, like when and where
We didn't have no internet - But man I never will forget
The way the moonlight shined upon her hair

[Chorus:]

And we were trying different things - We were smoking funny things
Making love out by the lake to our favorite song
Sipping whiskey out the bottle - Not thinking 'bout tomorrow
Singing Sweet home Alabama all summer long
Singing Sweet home Alabama all summer long

Catchin' Walleye from the dock - Watchin' the waves roll off the rocks
She'll forever hold a spot inside my soul
We'd blister in the sun - We couldn't wait for night to come
To hit that sand and play some rock and roll

[Chorus:] - [SOLO]

Now nothing seems as strange as when the leaves began to change
Or how we thought those days would never end
Sometimes I'll hear that song and I'll start to sing along
And think man I'd love to see that girl again

[Chorus:] 2X

Singing Sweet Home Alabama all summer long - **(REPEAT 4X)**
