Atlantic City

Well, they blew up the Chicken Man in Philly last night
And they blew up his house, too
Down on the boardwalk they're ready for a fight
Gonna see what them racket boys can do

Now there's trouble busin' in from outta state
And the D.A. can't get no relief
Gonna be a rumble on the promenade
And the gamblin' commissioner's hangin' on -
By the skin of his teeth

[Chorus]

Everything dies, baby, that's a fact
But maybe everything that dies some day comes back
Put your makeup on, fix your hair up pretty
And meet me tonight in Atlantic City

Well, I got a job and I put my money away
But I got the kind of debts that no honest man can pay
So I drew out what I had from the Central Trust
And I bought us two tickets on that Coast City bus

[Chorus]

Atlantic City - 2

Now our luck may have died and our love may be cold
But with you forever I'll stay
We'll be goin' out where the sand turns to gold
But put your stockings on, 'cause it might get cold

[Chorus]

Now I've been a-lookin' for a job, but it's hard to find
There's winners and there's losers and I'm south of the line
Well, I'm tired of gettin' caught out on the losin' end
But I talked to a man last night, -
Gonna do a little favor for him

[Last Chorus]

Well, everything dies, baby, that's a fact
But maybe everything that dies some day comes back
Put your makeup on, fix your hair up pretty
And meet me tonight in Atlantic City
Oh, meet me tonight in Atlantic City
Oh, meet me tonight in Atlantic City

Beast Of Burden

I'll never be your beast of burden
My back is broad but it's a hurting
All I want is for you to make love to me

I'll never be your beast of burden
I've walked for miles my feet are hurting
All I want is for you to make love to me

Am I hard enough - Am I rough enough
Am I rich enough - I'm not too blind to see

I'll never be your beast of burden
So let's go home and draw the curtains
Music on the radio - Come on baby make sweet love to me

Am I hard enough - Am I rough enough
Am I rich enough - I'm not too blind to see

Oh little sister
Pretty, pretty, pretty, pretty, girls

Oh! You're a pretty, pretty, pretty, pretty, pretty, pretty girl
Pretty, pretty, such a pretty, pretty, pretty girl
Come on baby please, please, please

Beast Of Burden - 2

I'll tell ya, You can put me out - On the street
Put me out - With no shoes on my feet
But, put me out, put me out - Put me out of misery, Yeah!

All your sickness - I can suck it up
Throw it all at me - I can shrug it off
There's one thing baby - I don't understand
You keep on tellin' me - I ain't your kind of man

Ain't I rough enough, ooh baby
Ain't I tough enough
Ain't I rich enough, in love enough - Ooh! Ooh! Please

I'll never be your beast of burden
I'll never be your beast of burden
Never, *Never*, never, *Never*, never, never, never be

I'll never be your beast of burden
I've walked for miles my feet are hurting
All I want is you to make love to me, Yeah!

I don't need no beast of burden
I need no fussing - I need no nursing
Never, *Never*, never, *Never*, never, never, never be

Beer Barrel Polka (Roll Out The Barrel)

Roll out the barrel,
We'll have a barrel of fun
Roll out the barrel,
We've got the blues on the run

Zing boom tararrel,
Ring out a song of good cheer
Now's the time to roll the barrel,
For the gang's all here

Blister In The Sun

When I'm a walkin', I strut my stuff & I'm so strung out
I'm high as a kite; I just might stop to check you out
Let me go on... like I blister in the sun
Let me go on... big hands, I know you're the one

Body and beats, I stain my sheets - I don't even know why
My girlfriend, she's at the end -- she is starting to cry
Let me go on... like I blister in the sun
Let me go on... big hands, I know you're the one

When I'm out walkin', I strut my stuff, yeah I'm so strung out
I'm high as a kite; I just might stop to check you out
When I'm out walkin', I strut my stuff - & I'm so strung out
I'm high as a kite; I just might stop to check you out

Body and beats, I stain my sheets -- I don't even know why
My girlfriend, she's at the end -- she is starting to cry
When I'm out walkin', I strut my stuff, yeah I'm so strung out
I'm high as a kite; I just might stop to check you out

Let me go on... like I blister in the sun
Let me go on... big hands, I know you're the one

Boardwalk, Under The

Oh, when the sun beats down -
And burns the tar up on the roof
And your shoes get so hot, -
You wish your tired feet were fire proof
Under the boardwalk, down by the sea
On a blanket with my baby, is where I'll be

{CHORUS}

Under the boardwalk, out of the sun
Under the boardwalk, we'll be havin' some fun
Under the boardwalk, people walking above
Under the boardwalk, we'll be makin' love
Under the boardwalk, boardwalk

From the park you hear the happy sounds of the carousel
You can almost taste the hot dogs and french fries they sell
Under the boardwalk, down by the sea
On a blanket with my baby, is where I'll be

{CHORUS} ➔ Solo

Under the boardwalk, down by the sea
On a blanket with my baby, is where I'll be

{CHORUS}

Born To Run

In the day we sweat it out on the streets of a runaway American dream
At night we ride through the mansions of glory in suicide machines
Sprung from cages out on highway 9,
Chrome wheeled, fuel injected, and steppin' out over the line
h-Oh, Baby this town rips the bones from your back
It's a death trap, it's a suicide rap
We gotta get out while we're young
'Cause tramps like us, baby we were born to run

Yes, girl we were

Wendy let me in I wanna be your friend
I want to guard your dreams and visions
Just wrap your legs 'round these velvet rims
And strap your hands 'cross my engines
Together we could break this trap
We'll run till we drop, baby we'll never go back
h-Oh, Will you walk with me out on the wire
'Cause baby I'm just a scared and lonely rider
But I gotta know how it feels
I want to know if love is wild Babe I want to know if love is real

Oh, can you show me

Beyond the Palace hemi-powered drones scream down the boulevard
Girls comb their hair in rearview mirrors
And the boys try to look so hard
The amusement park rises bold and stark
Kids are huddled on the beach in a mist
I wanna die with you Wendy on the street tonight In an everlasting kiss

Born To Run - page 2

Huh!

1-2-3-4!

The highway's jammed with broken heroes

On a last chance power drive

Everybody's out on the run tonight but there's no place left to hide

Together Wendy we can live with the sadness

I'll love you with all the madness in my soul

h-Oh, Someday girl I don't know when we're gonna get to that place

Where we really wanna go and we'll walk in the sun

But till then tramps like us baby we were born to run

Oh honey, tramps like us baby we were born to run

Come on with me, tramps like us baby we were born to run

Ru-uh-uh-un

Mm-mm-mm-mm

Uh-uh-uh-oh-oh-oh-oh

Ru-uh-uh-uh-un

Mm-mm-mm-mm

Whoa-oh-oh-oh

Whoa-oh-oh-oh-oh-oh-oh

Ru-uh-uh-un

Breaking The Girl

I am a man cut from the know
Rarely do friends, come and then go
She was a girl, soft but estranged
We were the two, our lives rearranged

Feeling so good that day
A feeling of love that day

[CHORUS]

Twisting and turning, your feelings are burning
You're breaking the girl
(She meant you no harm)
Think you're so clever, but now you must sever
You're breaking the girl
(He loves no one else)

Raised by my dad, girl of the day
He was my man, that was the way
She was the girl left alone
Feeling the need to make me her home

I don't know what, when, or why
The twilight of love had arrived

[CHORUS] ➔ [CHORUS]

Can't You Hear Me Knocking

Yeah, you got satin shoes - Yeah, you got plastic boots
Y'all got cocaine eyes - Yeah, you got speed-freak jive

Can't you hear me knockin' on your window
Can't you hear me knockin' on your door
Can't you hear me knockin' down your dirty street, hey

Help me baby, I ain't no stranger -
Help me baby, I ain't no stranger -
Help me baby, I ain't no stranger

Can't you hear me knockin', ahh, are you safe asleep?
Can't you hear me knockin', yeah, down the gas light street, now
Can't you hear me knockin', yeah, throw me down the keys -
Alright now

Hear me ringing big bell tolls - Hear me singing soft and low
I've been begging on my knees - I've been kickin', help me please

Hear me prowlin' - I'm gonna take you down
Hear me growlin' - Yeah, I've got flatted feet now, now, now
Hear me howlin' - And all, all around your street now
Hear me knockin' - And all, all around your town

Crazy

I remember when, I remember
I remember when I lost my mind
There was something so pleasant about that place
Even your emotions have an echo in so much space

And when you're out there without care
Yeah, I was out of touch
But it wasn't 'cause I didn't know enough - I just knew too much

Does that make me crazy? - Does that make me crazy?
Does that make me crazy? - Probably

And I hope that you are having the time of your life
But think twice - That's my only advice

Come on now, who do you
Who do you, who do you, who do you think you are?
Ha ha ha, bless your soul - You really think you're in control?

Well, I think you're crazy - I think you're crazy
I think you're crazy - Just like me

My heroes had the heart - To lose their lives out on a limb
And all I remember - Is thinking, I want to be like them

Ever since I was little - Ever since I was little - It looked like fun
And it's no coincidence I've come - And I can die when I'm done

But maybe I'm crazy - Maybe you're crazy
Maybe we're crazy - Probably - Ahh - Woo - Mmm

Dancing Queen

You can dance, you can jive, having the time of your life
See that girl, watch that scene, diggin' the Dancing Queen

Friday night and the lights are low
Looking out for the place to go
Where they play the right music, getting in the swing
You come in to look for a King

Anybody could be that guy
Night is young and the music's high
With a bit of rock music, everything is fine
You're in the mood for a dance
And when you get the chance...

[Chorus]

You are the Dancing Queen, young & sweet only seventeen
Dancing Queen, feel the beat from the tambourine
You can dance, you can jive, having the time of your life
See that girl, watch that scene, diggin' the Dancing Queen

You're a teaser, you turn 'em on
Leave them burning and then you're gone
Looking out for another, anyone will do
You're in the mood for a dance
And when you get the chance...

[Chorus]

Do You Wanna Do Nothing With Me?

We're all looking for someone, that perfect girl
Who can take our hand and help us see the world
But I'm a little unusual, because you see
I seek a different type of thrill for my romantic fantasy

And I must say - I'm looking your way
'Cause you seem to like me baby -
And you give me all the signs
There's just one activity on my mind

[Chorus]

Do you wanna do nothing with me?
Do you wanna do nothing with me?
Do you wanna do nothing with me?
Do you wanna do nothing with me?

Do you wanna do something with me tonight?
I'll put on my finest sweatpants and I'll order you Pad Thai
We'd be living our dream as our love grows
What an intimate occasion, you and me and HBO

'Til morning light - So wrong yet so right
So say you want it darling - 'Cause you know I want it too
And there's just one thing that I wanna do

Do You Wanna Do Nothing With Me? - 2

[Chorus]

Let's talk it through - In case you're confused
'Cause I know I can seem lazy -
From these things I like to do
But they're only worth it when I'm with you
Yeah it's true, so do you

[Chorus]

Woo oh, oh, oh - Oh ah oh ah, ahh ha

[Out Vamp]

Na na na na na na na na
Na na na na na na na na na
Na na na na na nothing with me

[Out Vamp] - (nothing with me, yeah)

[Out Vamp] - (nothing with me, yeah)

[Out Vamp] - (eh eh eh, eh eh eh, yeah) Oh oh, oh, oh oh

Do you wanna do nothing with me? (do you wanna do?)
Hey hey, ah ah, ahh (do you wanna do? do you wanna do?)
(Do you wanna do nothing with me?)
Ohh, do you wanna do nothing with me?

Dock of the Bay

Sittin' in the morning sun
I'll be sittin' when the evenin' come
Watchin' the ships roll in
Then I watch 'em roll away again

{Chorus}

I'm sittin' on the dock of the bay
Watchin' the tide roll away
Sittin' on the dock of the bay, wastin' time

Left my home in Georgia
Headed for the Frisco bay
I have nothin' to live for
Look like nothin' gonna come my way

{Chorus}

{Bridge}

Looks like nothin' gonna change
Everything still remains the same
I can't do what ten people tell me to do
So I guess I'll just remain the same

{Last Verse}

Sittin' here restin' my bones
And this loneliness won't leave me alone
Two thousand miles from home
Just to make this dock my home

{Chorus} → Whistle → {Bridge} → {Last Verse} → {Chorus 2X}

Escape (The Pina Colada Song)

I was tired of my lady - We'd been together too long
Like a worn-out recording - Of a favorite song
So while she lay there sleepin' - I read the paper in bed
And in the personal columns - There was this letter I read

[Chorus 1]: "If you like Pina Coladas - And gettin' caught in the rain
If you're not into yoga - If you have half a brain
If you'd like making love at midnight - In the dunes on the Cape
Then I'm the love that you've looked for - Write to me and escape."

I didn't think about my lady - I know that sounds kind of mean
But me and my old lady - Have fallen into the same old dull routine
So I wrote to the paper - Took out a personal ad
And though I'm nobody's poet - I thought it wasn't half bad

[Chorus 2]: "Yes I like Pina Coladas - And gettin' caught in the rain
I'm not much into health food - I am into champagne
I've got to meet u by tomorrow noon - And cut through all this red-tape
At a bar called O'Malley's - Where we'll plan our escape."

So I waited with high hopes - And she walked in the place
I knew her smile in an instant - I knew the curve of her face
It was my own lovely lady - And she said, "Oh it's you."
Then we laughed for a moment - And I said, "I never knew."

That you like Pina Coladas - And gettin' caught in the rain
And the feel of the ocean - And the taste of champagne
If you'd like making love at midnight - In the dunes of the Cape
You're the lady I've looked for - Come with me and escape

Repeat **[Chorus 1]** then **[Chorus 2]** and fade out

Fire And Rain

Just yesterday mornin', they let me know you were gone
Suzanne, the plans they made put an end to you
I walked out this morning and I wrote down this song
I just can't remember who to send it to

[Chorus]

I've seen fire and I've seen rain
I've seen sunny days that I thought would never end
I've seen lonely times when I could not find a friend
But I always thought that I'd see you again

Won't you look down upon me, Jesus?
You've got to help me make a stand
You've just got to see me through another day
My body's aching and my time is at hand
And I won't make it any other way - Oh,

[Chorus]

Been walking my mind to an easy time
My back turned towards the sun
Lord knows, when the cold wind blows
It'll turn your head around
Well, there's hours of time on the telephone line
To talk about things to come
Sweet dreams and flying machines in pieces on the ground

[Chorus] - Baby, One more time again, now
Thought I'd see you one more time again
There's just a few things comin' my way this time around now
Thought I'd see you, thought I'd see you, fire and rain, now

Funkytown

Gotta make a move - To a town that's right for me

Town to keep me movin' -

Keep me groovin' with some energy

Well, I talk about it, talk about it, talk about it, talk about it

Talk about, talk about, talk about movin'

Gotta move on! - Gotta move on! - Gotta move on!

Won't you take me to - Funkytown?

Won't you take me to - Funkytown?

Won't you take me to - Funkytown?

Won't you take me to - Funkytown?

(Break)

Won't you take me to - Funkytown?

Won't you take me to - Funkytown?

Won't you take me to - Funkytown?

Won't you take me to - Funkytown?

(Repeat Entire Song)

Down in the waves - She screams again
Roar at the door - My mind can't take much more

I could never drown in

[Chorus]

They wanna get my, They wanna get my -
Gold on the ceiling
I ain't blind, just a matter of time
Before you steal it
It's all right, ain't no guarding my high

Clouds covered love's - Barb-wired snare
Strung up, strung out - I just can't go without

I could never drown in

[Chorus]

[Chorus]

Good Kisser

If you're gonna tell them everything
Tell 'em I'm a good kisser
Tell 'em all the things you told me
In your desperate whisper
If you're gonna tell them everything
Don't leave out the good part
Tell 'em the way that you broke my heart
When you told me that you missed her

Tell 'em I'm a good kisser - Tell 'em I'm a good kisser

You know I'm not proud of the thing that we did
Did it work out just the way that you wanted it?
After it all, I stood up tall
I kept my mouth shut so you wouldn't fall
Now everybody's talking 'bout me
'Cause you would dirty me up just to get yourself clean -
Get yourself clean

If you're gonna tell them everything
Tell 'em I'm a good kisser
Tell 'em all the things you told me
In your desperate whisper
If you're gonna tell them everything
Don't leave out the good part
Tell 'em the way that you broke my heart
When you told me that you missed her

Hit Me With Your Best Shot

Well you're the real tough cookie with the long history
Of breaking little hearts, like the one in me
That's O.K., lets see how you do it
Put up your dukes, lets get down to it!

[CHORUS]

Hit Me With Your Best Shot!
Why Don't You Hit Me With Your Best Shot!
Hit Me With Your Best Shot!
Fire Away!

You come on with a come on, you don't fight fair
But that's O.K., see if I care!
Knock me down, it's all in vain
I'll get right back on my feet again!

[CHORUS]

Well you're the real tough cookie with the long history
Of breaking little hearts, like the one in me
Before I put another notch in my lipstick case
You better make sure you put me in my place

[CHORUS] ➔ [CHORUS]

Hot Blooded

[Chorus]

Well, I'm hot blooded, check it and see
I got a fever of a hundred and three
Come on baby, do you do more than dance?
I'm hot blooded, I'm hot blooded

You don't have to read my mind,
To know what I have in mind - Honey you oughta know
Now you move so fine, - Let me lay it on the line
I wanna know what you're doin' after the show

Now it's up to you, - We can make a secret rendezvous
Just me and you, - I'll show you lovin' like you never knew

[Chorus]

That's why, I'm hot blooded, check it and see
I got a fever of a hundred and three
Come on baby, do you do more than dance?
I'm hot blooded, hot blooded

If it feels alright,
Maybe you can stay all night - Should I leave you my key?
But you've got to give me a sign, come on girl,
Some kind of sign - Tell me, are you hot mama?
You sure look that way to me

Hot Blooded - 2

Are you old enough?

Will you be ready when I call your bluff?

Is my timing right? Did you save your love for me tonight?

[Chorus]

Yeah I'm hot blooded, check it and see

Feel the fever burning inside of me

Come on baby, do you do more than dance?

I'm hot blooded, I'm hot blooded, I'm hot

Solo

Now it's up to you, can we make a secret rendezvous? Oh!

Before we do, you'll have to get away from you know who

[Chorus]

Well, I'm hot blooded, check it and see

I got a fever of a hundred and three

Come on baby, do you do more than dance?

I'm hot blooded, I'm hot blooded

Hot Blooded! - Every night

Hot Blooded! - You're looking so tight

Hot Blooded! - Now you're driving me wild

Hot Blooded! - I'm so hot for you, child

Hot Blooded! - I'm a little bit high

Hot Blooded! - You're a little bit shy

Hot Blooded! - You're making me sing

Hot Blooded! - For your sweet sweet thing

Hotel Yorba

I was watching
With one eye on the other side
I had fifteen people tellin' me to move
I got movin' on my mind

I found shelter
In some thoughts turning wheels around
I said thirty-nine times that I love you
To the beauty I had found

[Chorus]

Well, it's one, two, three, four - Take the elevator at the
Hotel Yorba I'll be glad to see you later
All they got inside is vacancy

I've been thinking
Of a little place down by the lake
They got a dirty old road leading up to the house
I wonder how long it will take

Till we're alone
Sittin' on the front porch of that home
Stompin' our feet on the wooden boards
Never gotta worry 'bout locking the door

Hotel Yorba - 2

[Chorus]

Well, it's one, two, three, four - Take the elevator at the
Hotel Yorba I'll be glad to see you later
All they got inside is vacancy

It might sound silly
For me to think childish thoughts like these
But I'm so tired of acting tough
And I'm gonna do what I please

Let's get married
In a big cathedral by a priest
'Cause if I'm the man that you love the most
You could say, "I do" at least

[Chorus]

Well, it's one, two, three, four - Take the elevator at the
Hotel Yorba I'll be glad to see you later
All they got inside is vacancy

[Alt. Chorus]

And it's four, five, six, seven - Grab your umbrella
And grab hold of me 'cause I'm your favorite fella
All they got inside is vacancy

House Of The Rising Sun

There is a house in New Orleans
They call the Rising Sun
And it's been the ruin of many a poor boy
And God I know I'm one

My mother was a tailor
She sewed my new bluejeans
My father was a gamblin' man
Down in New Orleans

Now the only thing a gambler needs
Is a suitcase and trunk
And the only time he's satisfied
Is when he's all drunk

----- Organ Solo -----

Oh mother tell your children
Not to do what I have done
Spend your lives in sin and misery
In the House of the Rising Sun

Well, I got one foot on the platform
The other foot on the train
I'm goin' back to New Orleans
To wear that ball and chain

[Verse 1]

How Good It Feels

I'm havin' so much fun on my own - I wanna tell somebody
I'm havin' so my fun all alone - I wanna let somebody know
How good it feels to be alone, How good it feels to be alone

I'm havin' so much fun by myself -
I want the whole world to know
That I don't need anybody else - To row my boat

And how good it feels to have nobody -
To make conversations with
And how good it feels to have nobody -
To keep up relations with
How good it feels to be alone, How good it feels to be alone

OH but I get so afraid when it's late at night
I stare up at the sky looking for life
An' then the cold comes over me & I know that this ain't rite
I remember nobody should be living alone

How good it feels to have somebody -
To make conversations with
How good it feels to have somebody -
To keep up relations with
How good it feels to have a friend be together again
How good it feels to have you - How good it feels

Howlin' For You

I must admit - I can't explain
Any of these thoughts racing through my brain - It's true
Baby I'm howlin' for you

There's something wrong - With this plot
The actors here have not got - A clue
Baby I'm howlin' for you

[Chorus]

Da-da-da-da-da - Da-da-da-da-da -
Da-da-da-da-da - Da-da-da-da-da
Da-da-da-da-da - Da-da-da-da-da -
Da-da-da-da-da - Da-da-da-da-da

Mockingbird - Can't you see
Little girl's ot a hold on me - Like glue
Baby I'm howlin' for you

Throw the ball - To the stick
Swing and miss and a catcher's mitt - Strike two
Baby I'm howlin' for you

[Chorus] ➔ [Solo] ➔ [Chorus]

I Wanna Dance With Somebody

Clock strikes upon the hour - And the sun begins to fade
Still enough time to figure out - How to chase my blues away

I've done alright up till now - It's the light of day that shows me how
And when the night falls - The loneliness calls

[CHORUS]

Oh I wanna dance with somebody, I wanna feel the heat with somebody
Yeah I wanna dance with somebody, With somebody who loves me
Oh I wanna dance with somebody, I wanna feel the heat with somebody
Yeah I wanna dance with somebody, With somebody who loves me

I've been in love, And lost my senses, Spinning through the town
Sooner or later the fever ends, - And I wind up feeling down

I need a man who'll take a chance, on a love that burns hot enough to last
So when the night falls, - My lonely heart calls

[CHORUS]

(Somebody who, Somebody who) - Somebody who loves me
(Somebody who, Somebody who) - To hold me in his arms, Oh

I need a man who'll take a chance, on a love that burns hot enough to last
So when the night falls, - My lonely heart calls

[CHORUS]

Yeah, - Don't you wanna dance with me baby?
Don't you wanna dance with me boy,
Don't you wanna dance with me baby - With somebody who loves me
Don't you wanna dance, Say you wanna dance, Don't you wanna dance
Don't you wanna dance, Say you wanna dance, Don't you wanna dance
Don't you wanna dance - Say you wanna dance
Uh-huh - With somebody who loves me?

I Want You Back

When I had you to myself - I didn't want you around
Those pretty faces always make you - Stand out in a crowd

But someone picked you from the bunch -
One glance was all it took
Now it's much too late for me - To take a second look

[Chorus]

Oh, baby give me one more chance
Won't you please let me... Back in your heart
Oh, darling I was blind to let you go
But now since I see you in his arms

I want you back... Oh, I do now
I want you back... Ooh, ooh baby
I want you back... Yeah, yeah, yeah, yeah
I want you back... Na, na, na, na

Tryin' to live without your love - Is one more stupid night
Let me show you girl... - That I know wrong from right

Every street you walk on - I leave tear stains on the ground
Followin' the girl - I didn't even want around

[Chorus] - 2X

I'll Be There For You

So no one told you life was gonna be this way
Your job's a joke, you're broke, your love life's D.O.A.
It's like you're always stuck in second gear
Well it hasn't been your day, your week, your -
Month, or even your year, but

[Chorus]

I'll be there for you - When the rain starts to fall
I'll be there for you - Like I've been there before
I'll be there for you - 'Cause you're there for me too

You're still in bed at ten and work began at eight
You burned breakfast so far things are goin' great
Your mother warned you there'd be days like these
But she didn't tell you when the world
Has brought you down to your knees that

[Chorus]

[Bridge]

No one could ever know me - No one could ever see me
Since you're the only one who knows - What it's like to be me
Someone to face the day with - Make it thru all the rest with
Someone I always laugh with -
Even at my worst my best is you... yeah

Solo

It's like you're always stuck in second gear
Well it hasn't been your day, your week, your -
Month, or even your year..... ➔ **[Chorus] - 2x**

Lonely Boy

Well I'm so above you - And it's plain to see
But I came to love you anyway
So you pulled my heart out - And I don't mind bleeding
Any old time you keep me waiting - Waiting, waiting

[Chorus]

Oh, oh-oh I got a love that keeps me waiting
Oh, oh-oh I got a love that keeps me waiting
I'm a lonely boy - I'm a lonely boy
Oh, oh-oh I got a love that keeps me waiting

Well your mama kept you but your daddy left you
And I should've done you just the same
But I came to love you - Am I born to bleed?
Any old time you keep me waiting, - Waiting, waiting

[Chorus]

[Intro]

[Chorus]

Moondance

1. Well it's a marvelous night for a Moondance
With the stars up above in your eyes
A Fantabulous night to make romance
'Neath the cover of October skies
And all the leaves on the trees are falling
To the sound of the breezes that blow
And I'm trying to please to the calling
Of your heart-strings that play soft and low

2. You know the night's magic seem to whisper and hush
And all the soft moonlight seems to shine in your blush
Can I just have one more Moondance with you, my love?
Can I just have some more romance with you, my love?

3. Well I want to make love to you tonight
I can't wait till the morning has come
And I know now the time is just right
And straight into my arms you will run
And when you come my heart will be waiting
To make sure that you're never alone
There and then all my dreams will come true dear
There and then I will make you my own

4. And every time I touch you, you just tremble inside
And I know how much you want me that, you can't hide
Can I just have one more Moondance with you, my love?
Can I just make some more romance with you, my love?

[Solo] - 1.-2.- One more moondance with you - In the moonlight
On a magic nite - La-la-la-la-la in the moonlight - On a magic nite
Can't I just have one more, more dance with you, my love?

Mr. Brightside

I'm coming out of my cage - And I've been doing just fine
Gotta gotta be down - Because I want it all
It started out with a kiss - How did it end up like this?
It was only a kiss - It was only a kiss

Now I'm falling asleep - And she's calling a cab
While he's having a smoke - And she's taking a drag
Now they're going to bed - And my stomach is sick
And it's all in my head - But she's touching his

Chest, now - He takes off her dress, now - Letting me go

And I just can't look - it's killing me - And taking control

Jealousy, turning saints into the sea
Turning through sick lullabies - Choking on your alibis
But it's just the price I pay - Destiny is calling me
Open up my eager eyes... - 'Cause I'm Mr. Brightside

[Repeat All]

I never... - I never...

I never... - I never...

Never In My Wildest Dreams

Never in my wildest dreams - Would I be loving you
Never in my wildest dreams - Would my dreams come true

You're just too good to touch - I can't discuss it much
I get too choked up - Don't wanna make a scene -
Never In My Wildest Dreams

Never in my wildest dreams - Would I roam this land
Sail across the seven seas - I'm a hard luck man

I know where my purpose is - It ain't no some pilgrimage
It's wherever my baby is - My love supreme -
Never In My Wildest Dreams

Walk in the cold cold wind - Carry my laundry bin
Take my recs for a spin - Watch daytime TV

You're just too good to touch - And I can't discuss it much
I get too choked up - Don't wanna make a scene -
Never In My Wildest Dreams

Once in a Lifetime

And you may find yourself living in a shotgun shack
And you may find yourself in another part of the world
And you may find yourself behind the wheel of a large automobile
And you may find yourself in a beautiful house, with a beautiful wife
And you may ask yourself - Well... How did I get here?

[Chorus]

Letting the days go by - Let the water hold me down
Letting the days go by - Water flowing underground
Into the blue again - After the money's gone
Once in a lifetime - Water flowing underground

And you may ask yourself - "How do I work this?"
And you may ask yourself - "Where is that large automobile?"
And you may tell yourself - "This is not my beautiful house!"
And you may tell yourself - "This is not my beautiful wife!"

[Chorus]

Same as it ever was...Same as it ever was...Same as it ever was...
Same as it ever was...Same as it ever was...Same as it ever was...
Same as it ever was...Same as it ever was...

Water dissolving... And water removing
There is water at the bottom of the ocean
Under the water... Carry the water
Remove the water at the bottom of the ocean
Water dissolving... And water removing

Once in a Lifetime - 2

[Alt. Chorus]

Letting the days go by - Let the water hold me down
Letting the days go by - Water flowing underground
Into the blue again - Into the silent water
Under the rocks and stones - There is water underground

[Chorus]

You may ask yourself - "What is that beautiful house?"
You may ask yourself - "Where does that highway go to?"
And you may ask yourself - "Am I right?... Am I wrong?"
And you may say to yourself - "My God!... What Have I Done?"

[Alt. Chorus]

[Chorus]

Same as it ever was, Same as it ever was, Same as it ever was,
Look where my hand was, Time isn't holding up, Time isn't after us
Same as it ever was, Same as it ever was, Same as it ever was,
Same as it ever was, Same as it ever was, Same as it ever was
(After the rain holds up) Same as it ever was,
And you hear a twister comes, Here comes the twister
Letting the days go by (same as it ever was, same as it ever was)
Letting the days go by (same as it ever was, same as it ever was)
Once in a lifetime, let the water hold me down
Letting the days go by, water flowing underground

Otherside

How long, how long will I slide?
Well, separate my side
I don't, I don't believe it's bad
Slittin' my throat, it's all I ever

I heard your voice through a photograph
I thought it up and brought up the past
Once you know you can never go back
I gotta take it on the otherside

Well, centuries are what it meant to me
A cemetery where I marry the sea
The stranger things that never change my mind
I gotta take it on the otherside - Take it on the otherside
Take it on... - Take it on

How long, how long will I slide?
A-separate my side
I don't, I don't believe it's bad
A-slittin' my throat, it's all I ever

Pour my life into a paper cup
The ashtray's full and I'm spillin' my guts
She want to know am I still a slut?
I gotta take it on the otherside

Otherside - 2

A scarlet starlet and she's in my bed
A candidate for my soul mate bled
Mmm, push the trigger and I pull the thread
I gotta take it on the otherside - Take it on the otherside
Take it on... - Take it on

How long, how long will I slide?
Separate my side
I don't, I don't believe it's bad
A-slittin' my throat, it's all I ever

[Solo]

Turn me on, take me for a hard ride
Burn me out, leave me on the otherside
I yell and tell it that it's not my friend
I tear it down, I tear it down, and then it's born again

How long, how long will I slide?
Separate my side
I don't, I don't believe it's bad
A-slittin' my throat, it's all I ever had

(How long?)
I don't, I don't believe it's sad
A-slittin' my throat, it's all I ever

Play That Funky Music White Boy

A-Hey... - Do It Now, Ha! - Yeah, Hey!

Hey-a, Once I was a boogie singer - Playin' in a rock 'n roll band
I never had no problems, yeah - Burnin' down the one nite stands
Then everything around me, yeah - Got to start to feelin' so low
And I decided quickly - To disco down and check out the show
Yes I Did, heh

{BREAK}

Yeah, they were dancin' and singin' and movin' to the groovin'
And just when it hit me somebody turned around and shouted
Play that funky music white boy, Play that funky music right
Play that funky music white boy...

Lay down the boogie and play that funky music 'til you die

I tried to understand this-I thought that they were out of there minds
How could I be so foolish - To not see I was the one behind
So still I kept on fightin' - Losin' every step of the way
I said I must go back there - An' check an' see if things still the same

{BREAK} - Heh - 'Til you die, Yeah Whoa, 'Til you die

At first it wasn't easy - Changin' rock 'n rollin' minds
And things were gettin' shaky -
I thought I'd have to leave it behind
But now it's so much better, It's so much better -
I'm funk'in out in every way
But I'll never lose that feelin', You know I won't -
Of how I learned my lesson that day

{BREAK}

Proud Mary

Left a good job in the city
Workin' for the man ev'ry night and day
And I never lost one minute of sleepin'
Worryin' 'bout the way things might have been

[Chorus]

Big wheel keep on turnin'
Proud Mary keep on burnin'
Rollin', rollin', rollin' on the river
Rollin', rollin', rollin' on the river

Cleaned a lot of plates in Memphis
Pumped a lot of tain down in New Orleans
But I never saw the good side of the city
'Til I hitched a ride on a river boat queen

[Chorus]

{Solo}

If you come down to the river
Bet you gonna find some people who live
You don't have to worry if you got no money
People on the river are happy to give

[Chorus]

Seven Nation Army

I'm gonna fight 'em off -
A 7 nation army couldn't hold me back
They're gonna rip it off -
Taking their time right behind my back
And I'm talkin' to myself at night, - Because I can't forget
Back and forth through my mind, - Behind a cigarette
And the message comin' from my eyes says leave it alone...

Don't wanna hear about it -
Every single one's got a story to tell
Everyone knows about it -
From the Queen of England to the hounds of hell
And if I catch it comin' back my way I'm gonna serve it to U
And that ain't what you want to hear, But that's what I'll do
And the feeling coming from my bones says find a home...

I'm goin' to Wichita - Far from this opera forevermore
I'm gonna work the straw -
Make the sweat drip out of every pore
And I'm bleedin', And I'm bleedin', And I'm bleedin', -
Right before the lord
All the words are gonna bleed from me, -
And I will think no more
And the stains comin' from my blood tell me Go back home

Scar Tissue

[Verse 1]: Scar tissue that I wish you saw
Sarcastic mister know it all
Close your eyes and I'll kiss you 'cause
With the birds I'll share

[Chorus]: With the birds I'll share - This lonely view
With the birds I'll share - This lonely view

Push me up against the wall
Young Kentucky girl in a push-up bra
Fallin' all over myself
To lick your heart and taste your health 'cause

[Chorus]

Blood loss in a bathroom stall
Southern girl with a scarlet drawl
Wave good-bye to ma and pa 'cause
With the birds I'll share

[Chorus]

Soft spoken with a broken jaw
Step outside but not to brawl
Autumn's sweet we call it fall
I'll make it to the moon if I have to crawl and

[Chorus] → [Verse 1] → [Chorus]

When I touched them, they meant nothing, girl

[Pre-Chorus]

Just one thing I ask of you, is just one thing for me
Please forget you know my name, my darling Sugaree

[Chorus]

Shake it, shake it, Sugaree - Just don't tell them that you know me
Shake it, shake it, Sugaree - Just don't tell them that you know me

You thought you was the cool fool - & never could do no wrong
You had everything sewed up tight -
How come you lay awake all night long?

[Pre-Chorus] ➔ [Chorus]

Well, in spite of all you gained -
You still had to stand out in the pouring rain
One last voice is calling you - And I guess it's time you go

[Pre-Chorus] ➔ [Chorus]

Well shake it up now, Sugaree - I'll meet you at the Jubilee
If that Jubilee don't come - Maybe I'll meet you on the run

[Pre-Chorus] ➔ [Chorus] ➔ [Chorus]

Sweet Caroline

Where it began, - I can't begin to knowing
But then I know it's growing strong
Was in the spring, - Then spring became the summer
Who'd have believed you'd come along

Hands, - Touching hands
Reaching out, - Touching me, - Touching you

[Chorus]

Sweet Caroline - Good times never seemed so good
I've been inclined - To believe they never would, but now I

Look at the night - And it don't seem so lonely
We filled it up with only two
And when I hurt, - Hurting runs off my shoulders
How can I hurt when holding you

One, - Touching one
Reaching out, - Touching me, - Touching you

[Chorus]

Sweet Caroline - Good times never seemed so good
I've been inclined - To believe they never would, oh no no

[Intro] ➔ [Alt. Chorus]:

Sweet Caroline - Good times never seemed so good
Sweet Caroline - I believe they never could - **Alt Chorus 2x**

Them Changes

Well, my mind is goin' through them changes
I feel just like committin' a crime
Every time you see me goin' somewhere
I know I'm goin' outta my mind, yeah
Oh, my baby she left me the other day
And we were havin' a lot of fun
Oh, she knew I just loved her so
And that's the reason why she had to run

S'all right - You know what I mean
S'all right - What'd I say - S'all right - Oh, yeah

Well, my mind is goin' through so many changes
I'm goin' right out of my mind
Every time ya see me goin' somewhere

She had me runnin', hidin', ridin', runnin'
Had me runnin' - She had me hidin'

Them Changes - 2

[Break] → [Solo]

Well, my mind is going through them changes
I feel just like committin' a crime
Every time ya see me goin' somewhere
I feel like I'm goin' outta my mind, yeah
Every day that she left me alone
She didn't have much to say, no no
Every time she stepped out on me
She didn't know how I feel, yeah

Whoa, How'd I feel, She tried to cheat on me
She didn't know what I feel like
Every time, she deceived me
She didn't know - Aw, No, No
Oh, my darling, darling - Oh, oh, oh, yeah

Tulsa Time

Well I left Oklahoma Drivin in a Pontiac
Just about to lose my mind
I was goin to Arizona Maybe on to California
People all livin so fine
My momma called me crazy My baby said I'm lazy
Gonna show em all this time
Cause you know I ain't no fool -
I don't need no more damn school
Wanna just walk the line

[Chorus]

Livin on Tulsa time - Livin on Tulsa time
Gonna set my watch back to it
Cause you know me, I've been thru it
Livin on Tulsa time

So there I was in Hollywood Thinkin I was doin good
Talkin on the telephone line
They don't want me in the movies Ain't nobody sing my song
Momma says my baby's doin fine
So then I started thinkin' And I got to winkin'
I really had a flash this time
I had no business leavin Ain't nobody would be grievin
Seen I'm on Tulsa time

[Chorus] ➔ [Chorus]

Under The Bridge

Sometimes I feel - Like I don't have a partner
Sometimes I feel - Like my only friend
Is the city I live in - The city of angels
Lonely as I am - Together we cry

I drive on her streets - 'Cause she's my companion
I walk through her hills - 'Cause she knows who I am
She sees my good deeds - And she kisses me windy
I never worry - Now that is a lie

I don't ever want to feel - Like I did that day
Take me to the place I love - Take me all the way - **2X**

It's hard to believe - That there's nobody out there
It's hard to believe - That I'm all alone
At least I have her love - The city she loves me
Lonely as I am - Together we cry

I don't ever want to feel - Like I did that day
Take me to the place I love - Take me all that way - **2X**

Under the bridge downtown - Is where I drew some blood
Under the bridge downtown - I could not get enough
Under the bridge downtown - Forgot about my love
Under the bridge downtown - I gave my life away, away...

Wagon Wheel

Headed down south to the land of the pines
And I'm thumbin' my way into North Caroline
Starin' up the road Pray to God I see headlights

I made it down the coast in seventeen hours
Pickin' me a bouquet of dogwood flowers
And I'm a hopin' for Raleigh I can see my baby tonight

[CHORUS]

So rock me mama like a wagon wheel, -
Rock me mama anyway you feel - Hey... mama rock me
Rock me mama like the wind & the rain, -
Rock me mama like a southbound train - Hey... mama rock me

Runnin' from the cold up in New England
I was born to be a fiddler in an old-time string band
My baby plays the guitar I pick a banjo now

Oh, the North Country winters keep a gettin' me now
Lost my money playin' poker so I had to up and leave
But I ain't a turnin' back To livin' that old life no more

[CHORUS]

Walkin' to the south out of Roanoke
I caught a trucker out of Philly Had a nice long toke
But he's a headed west from the Cumberland Gap -
To Johnson City, Tennessee

And I gotta get a move on before the sun
I hear my baby callin' my name An' I know that she's the only one
And if I die in Raleigh At least I will die free ➔ **[CHORUS]**

Ways To Go

I didn't ask for that - You give me heart attack
I didn't want to care - And then I saw you there

[Pre-Chorus] ➔ [Chorus] ➔ [16 Bar Instrumental]

[Chorus] ➔ [Chorus]

You Don't Know What Love Is

In some respects I suspect you've got
A respectable side
When pushed and pulled and pressured
You seldom run and hide
But it's for someone else's benefit
Not for what you wanna do
Until I realize that you've realized
I'm gonna say these words to you

Yeah, You don't know what love is,
You do as you're told
Just as a child at ten might act,
But you're far too old
You're not hopeless or helpless,
And I hate to sound cold
But you don't know what love is,
You just do as you're told

[Instrumental]

You Don't Know What Love Is - 2

I can see your man can't help but win
Any problems that may arise
But in his mind there can be no sin
If you never criticize
You just keep on repeating
All those empty "I love you's"
Until you say you deserve better
I'm gonna lay right into you

You don't know what love is
You just do as you're told
Just as a child of ten might act
But you're far too old
You're not hopeless or helpless
And I hate to sound cold
But you don't know what love is
No you don't know what love is
No you don't know what love is...
You just do as you're told

You do as you're told - Yeah - 1-2-3-4

You Never Can Tell (C'est La Vie)

It was a teenage wedding, And the old folks wished them well
You could see that Pierre did truly love the mademoiselle
And now the young monsieur -
And Madame have rung the chapel bell
"C'est la vie", say the old folks, -
It goes to show you never can tell

They furnished off an apartment With a 2 room Roebuck sale
The coolerator was crammed with TV dinners & ginger ale
But when Pierre found work, -
The little money comin' worked out well
"C'est la vie", say the old folks, -
It goes to show you never can tell

They had a hi-fi phono, boy, did they let it blast
Seven hundred little records, all rock, rhythm and jazz
When the sun went down, the rapid tempo of the music fell
"C'est la vie", say the old folks, -
It goes to show you never can tell

They bought a souped-up jitney, 'twas a cherry red '53
They drove it down to Orleans to celebrate the anniversary
It was there that Pierre was -
Married to the lovely mademoiselle
"C'est la vie", say the old folks, -
It goes to show you never can tell

You Really Got Me

[Verse 1]

Girl, you really got me going
You got me so I don't know what I'm doing
Yeah, you really got me now
You got me so I can't sleep at night

[Verse 2]

I always wanna be by your side
Girl, you really got me now
You got me so I can't sleep at night

[Verse 2] - (Fuck off!) Oh, no!

[Solo]

[Verse 3] ➔ [Verse 2]

You Shook Me All Night Long

She was a fast machine - She kept her motor clean
She was the best damn woman that I - ever seen
She had the sightless eyes - Tellin' me no lies
Knockin' me out with those American thighs
Takin' more than her share - Had me fightin' for air
She told me to come but I was already there
'Cause the walls start shakin' - The earth was quakin'
My mind was achin' - And we were makin' it and You,

[CHORUS]

Shook me all night long - Yeah, You, Shook me all night long

Workin' double time - On the seduction line
She was one of a kind, she's just mine all mine
She wanted no applause - Just another cause
Made a meal out of me, and come back for more
Had to cool me down - To take another round
Now I'm back in the ring to take another swing
That the walls were shakin' - The earth was quakin'
My mind was achin' - And we were makin' it and You -

[CHORUS]

And knocked me out and then You - Shook me all night long
You had me shakin' and You - Shook me all night long
Yeah you shook me - Well you took me ➔ **[SOLO]**

You really took me and You - Shook me all night long
Ooooh You - Shook me all night long - Yeah, yeah, You
Shook me all night long - You really got me and You
Shook me all night long - Yeah you shook me
Yeah you shook me - All night long

You'll Be In My Heart

Come stop your crying - It will be all right
Just take my hand - Hold it tight
I will protect you from - All around you
I will be here - Don't you cry

For one so small, - You seem so strong
My arms will hold you, - Keep you safe and warm
This bond between us - Can't be broken
I will be here - Don't you cry

[Chorus Part 1]

'Cause you'll be in my heart - Yes, you'll be in my heart
From this day on - Now and forever more

[Chorus Part 2]

You'll be in my heart - No matter what they say
You'll be here in my heart, - Always

Why can't they understand - The way we feel
They just don't trust - What they can't explain
I know we're different but, - Deep inside us
We're not that different at all

[Chorus Part 1]

Don't listen to them - 'Cause what do they know
We need each other, - To have, to hold
They'll see in time - I know

When destiny calls you - You must be strong
I may not be with you - But you've got to hold on
They'll see in time - I know - We'll show them together

[Chor. Pt 1] - [Chor. Pt 2] - Always, I'll be with you, I'll be there for
You always, always & always, Just look over your shoulder, Just look
over your shoulder, Just look over your shoulder, I'll be there always
