

Crazy

I remember when, I remember
I remember when I lost my mind
There was something so pleasant about that place
Even your emotions have an echo in so much space

And when you're out there without care
Yeah, I was out of touch
But it wasn't 'cause I didn't know enough - I just knew too much

Does that make me crazy? - Does that make me crazy?
Does that make me crazy? - Probably

And I hope that you are having the time of your life
But think twice - That's my only advice

Come on now, who do you
Who do you, who do you, who do you think you are?
Ha ha ha, bless your soul - You really think you're in control?

Well, I think you're crazy - I think you're crazy
I think you're crazy - Just like me

My heroes had the heart - To lose their lives out on a limb
And all I remember - Is thinking, I want to be like them

Ever since I was little - Ever since I was little - It looked like fun
And it's no coincidence I've come - And I can die when I'm done

But maybe I'm crazy - Maybe you're crazy
Maybe we're crazy - Probably - Ahh - Woo - Mmm
