

I'll Be There For You

So no one told you life was gonna be this way
Your job's a joke, you're broke, your love life's D.O.A.
It's like you're always stuck in second gear
Well it hasn't been your day, your week, your -
Month, or even your year, but

[Chorus]

I'll be there for you - When the rain starts to fall
I'll be there for you - Like I've been there before
I'll be there for you - 'Cause you're there for me too

You're still in bed at ten and work began at eight
You burned breakfast so far things are goin' great
Your mother warned you there'd be days like these
But she didn't tell you when the world
Has brought you down to your knees that

[Chorus]

[Bridge]

No one could ever know me - No one could ever see me
Since you're the only one who knows - What it's like to be me
Someone to face the day with - Make it thru all the rest with
Someone I always laugh with -
Even at my worst my best is you... yeah

Solo

It's like you're always stuck in second gear
Well it hasn't been your day, your week, your -
Month, or even your year..... ➔ **[Chorus] - 2x**
