

Mr. Brightside

I'm coming out of my cage - And I've been doing just fine
Gotta gotta be down - Because I want it all
It started out with a kiss - How did it end up like this?
It was only a kiss - It was only a kiss

Now I'm falling asleep - And she's calling a cab
While he's having a smoke - And she's taking a drag
Now they're going to bed - And my stomach is sick
And it's all in my head - But she's touching his

Chest, now - He takes off her dress, now - Letting me go

And I just can't look - it's killing me - And taking control

Jealousy, turning saints into the sea
Turning through sick lullabies - Choking on your alibis
But it's just the price I pay - Destiny is calling me
Open up my eager eyes... - 'Cause I'm Mr. Brightside

[Repeat All]

I never... - I never...

I never... - I never...
