

## Otherside

How long, how long will I slide?  
Well, separate my side  
I don't, I don't believe it's bad  
Slittin' my throat, it's all I ever

I heard your voice through a photograph  
I thought it up and brought up the past  
Once you know you can never go back  
I gotta take it on the otherside

Well, centuries are what it meant to me  
A cemetery where I marry the sea  
The stranger things that never change my mind  
I gotta take it on the otherside - Take it on the otherside  
Take it on... - Take it on

How long, how long will I slide?  
A-separate my side  
I don't, I don't believe it's bad  
A-slittin' my throat, it's all I ever

Pour my life into a paper cup  
The ashtray's full and I'm spillin' my guts  
She want to know am I still a slut?  
I gotta take it on the otherside

## Otherside - 2

A scarlet starlet and she's in my bed  
A candidate for my soul mate bled  
Mmm, push the trigger and I pull the thread  
I gotta take it on the otherside - Take it on the otherside  
Take it on... - Take it on

How long, how long will I slide?  
Separate my side  
I don't, I don't believe it's bad  
A-slittin' my throat, it's all I ever

**[Solo]**

Turn me on, take me for a hard ride  
Burn me out, leave me on the otherside  
I yell and tell it that it's not my friend  
I tear it down, I tear it down, and then it's born again

How long, how long will I slide?  
Separate my side  
I don't, I don't believe it's bad  
A-slittin' my throat, it's all I ever had

(How long?)  
I don't, I don't believe it's sad  
A-slittin' my throat, it's all I ever
