

Play That Funky Music White Boy

A-Hey... - Do It Now, Ha! - Yeah, Hey!

Hey-a, Once I was a boogie singer - Playin' in a rock 'n roll band
I never had no problems, yeah - Burnin' down the one nite stands
Then everything around me, yeah - Got to start to feelin' so low
And I decided quickly - To disco down and check out the show
Yes I Did, heh

{BREAK}

Yeah, they were dancin' and singin' and movin' to the groovin'
And just when it hit me somebody turned around and shouted
Play that funky music white boy, Play that funky music right
Play that funky music white boy...
Lay down the boogie and play that funky music 'til you die

I tried to understand this-I thought that they were out of there minds
How could I be so foolish - To not see I was the one behind
So still I kept on fightin' - Losin' every step of the way
I said I must go back there - An' check an' see if things still the same

{BREAK} - Heh - 'Til you die, Yeah Whoa, 'Til you die

At first it wasn't easy - Changin' rock 'n rollin' minds
And things were gettin' shaky -
I thought I'd have to leave it behind
But now it's so much better, It's so much better -
I'm funk'in out in every way
But I'll never lose that feelin', You know I won't -
Of how I learned my lesson that day
