

Seven Nation Army

I'm gonna fight 'em off -
A 7 nation army couldn't hold me back
They're gonna rip it off -
Taking their time right behind my back
And I'm talkin' to myself at night, - Because I can't forget
Back and forth through my mind, - Behind a cigarette
And the message comin' from my eyes says leave it alone...

Don't wanna hear about it -
Every single one's got a story to tell
Everyone knows about it -
From the Queen of England to the hounds of hell
And if I catch it comin' back my way I'm gonna serve it to U
And that ain't what you want to hear, But that's what I'll do
And the feeling coming from my bones says find a home...

I'm goin' to Wichita - Far from this opera forevermore
I'm gonna work the straw -
Make the sweat drip out of every pore
And I'm bleedin', And I'm bleedin', And I'm bleedin', -
Right before the lord
All the words are gonna bleed from me, -
And I will think no more
And the stains comin' from my blood tell me Go back home
