

Seventeen

Ooh ooh ooh ooh, Ooh-ooh - Ooh ooh ooh ooh, Ooh-ooh
Ooh ooh ooh ooh, Ooh-ooh - Ooh ooh ooh ooh, Ooh-ooh

Look at those lights behind the trees
Don't the highway sound like the ocean?
Lookin' at you right next to me
The stillness feels like emotion

I got the feelin' - You got the feelin'
Don't you know what I mean?

Giddy like high school down by the pool
At the hotel in Reseda
If I didn't know all the things you'd done
I'd swear that I need ya

I got the feelin' - You got the feelin'
But I know where you been

I wish I'd met you when I was seventeen
Before I'd seen the things that I've seen
Before I learned to look behind the screen
I think we coulda had a good time

Oh, oh, yeah - Oh, oh... oh, oh, oh, yeah
Oh, oh, oh... oh, oh, oh, yeah

Seventeen - 2

Well I used to get down in any town
Any time I got the notion
Follow each girl to the end of the world
You know, I never looked down

Now I'm up above with a feelin' of love
I got my arms around you
With the weight of the band on my left hand
You know it keeps me on the ground

Baby, I got the feelin' - You got the feelin'
Don't you know what I mean?

I wish I'd met you when I was seventeen
Before I kept my hands so clean
Before you went and made some fool your queen
I think we could have had a good time

Oh, uh-oh, yeah - Oh, oh... oh, oh, uh-oh, yeah
Oh, oh, oh... oh, oh, uh-oh

Woo... Woo-woo - Woo... Woo-woo - Wooooooooo

Ooh ooh ooh ooh, Ooh-ooh - **(Repeat 7 Times)**
