

Sugaree

When they come to take you down -
When they bring that wagon 'round
When they come to call on you - And drag your poor body down

[Pre-Chorus]

Just one thing I ask of you, is just one thing for me
Please forget you know my name, my darling Sugaree

[Chorus]

Shake it, shake it, Sugaree - Just don't tell them that you know me
Shake it, shake it, Sugaree - Just don't tell them that you know me

You thought you was the cool fool - & never could do no wrong
You had everything sewed up tight -
How come you lay awake all night long?

[Pre-Chorus] ➔ [Chorus]

Well, in spite of all you gained -
You still had to stand out in the pouring rain
One last voice is calling you - And I guess it's time you go

[Pre-Chorus] ➔ [Chorus]

Well shake it up now, Sugaree - I'll meet you at the Jubilee
If that Jubilee don't come - Maybe I'll meet you on the run

[Pre-Chorus] ➔ [Chorus] ➔ [Chorus]
